1. introduction

This FAQ is a complete list of the experience needed to reach upper levels in Phantasy Star Online.

You can freely post it on your website, or use it for your own FAQ (but if you do so, don't forget to put my name in the credits).

2. Version history

04/09/01 v1.0 added the title (quite a work!)

04/09/01 v1.1 wrote the list

04/09/01 v1.2 added some informations about me

4. Some info about me

My last chara on PSO was a Red Ramar named Shifty. I've made a lot of characters before (I've bought this game in march), but this one was the first to get to level 100.

Here's the list of all my old characters:

name	class	higher lvl	Small description
Sebyan 83	HUmar	lv22	tall, black suit, red hair
Bubu	FOnewn	lv73	short, green suit, red hair
Sebko-kun	HUcast	lv81	tall, dark blue suit
Jimon le fou	RAmar	lv40	grey hair, black suit
Junko-sensei	FOMarl	lv25	blue robe, red hair
Star Shrimp	HUcast	lv30	tall, red suit
Star Weasel	RAcaseal	lv66	red with a ponytail
Star Kraken	RAcast	lv15	tall, red suit
Shifty	RAmar	lv100	tall, red suit, green hair

If you remember playing with one of those characters, contact me. We could meet on PSO again and play together.

5. Credits

- I wish to thanks all my friends of PSO (i'm not going to put their names because I don't remeber them all)
- Thanks to gameFAQS for posting my FAQ

and finally, congratulations to the players who're still playing with legit weapons in these days of hacking.
