Updates

1/22/2010 - v FINAL

Wow! It has been a full decade since the first version of this FAQ (my very first) went up on GameFAQs, and now that there is finally a more up-to-date way to present FAQs on GameFAQs, I've decided to go back and update all of my FAQs to fit the new format, as well as make a few minor tweaks to mature the writing of the FAQs. Seeing as this guide has been in its final form for over 7 years, I've removed all other entries in this update log.
