### 4) WALKTHROUGH

=====

This section contains the walkthrough for Big's quest.

When you start off you'll see a puddle that looks strangely like Chaos heading towards Big's best friend, Froggy. Next thing you know Froggy will steal Big's "Lucky Charm" and run off. The game will then bring you to Station Square where you should go pick up the first lure (how to obtain it is stated above). After that go to the second half of Station Square and you'll see Froggy jump underneath a car located right on top of a manhole. Pick up the car and jump in then make your way through the tunnel, into the exit, through the tunnel the elevator in the exit brings you to and into Twinkle Park, the first action stage.

After you catch Froggy there get the Ice Key (it's behind the elevator that takes you to Twinkle Park) and head to the Mystic Ruins, go to the first cave and use it to open Ice Cap Zone. After you rescue Froggy there leave the tunnel and an FMV will be shown where Tails has Froggy but then lets him escape. Take the train back to Station Square and

soon as you leave you'll see Froggy and he'll hop off into the hotel. Follow him and you'll find yourself at Emerald Coast. Catch him there and Gamma will steal him from you. You'll then follow Gamma to the Egg Carrier. Once there enter Level 4, Hot Shelter. Recue Froggy from Hot Shelter and you will be transported to a mysterious place. Go forward towards the gazebo-like structure and Tikal will begin to talk. After that you'll be transported back to the Egg Carrier. Go to the monorail which will bring you to the deck of the ship. Go up top to where you fought Chaos as Sonic. Robotnik will take Froggy's emerald along with another and feed them to Chaos and then Chaos will eat Froggy. Sonic will then appear and shortly after you'll "fight" big. Basically all you have to do is fish Froggy out of him. After that go to Tails' plane and Big will jump in. Congrats, you beat the game.
