-----ABOUT BIG-----
 \-----/
```

Big is a big fat cat, it is his first time in Sonic games. His stages are easy and fun to play, just fish in every stage for you pal Froggy and you池e done. After that you may want to finish mission B or C or just go to the next stage. As you play you may get a better lure to catch bigger fish and get better rank.

Big's story:

Big lives with his pal Froggy, very thing was cool until one night when big was a sleep his pal was attacked by Chaos and transformed....

Station Square

After the cut-scene is over you will be in Station Square, go to the sewer behind the Twinkle Park elevator and get your first rod upgrade. Now go to the other part of the city and you will see froggy go under the car to the sewer. Move the car and drop down. Get to the elevator, when up follow the path to your first stage, Twinkle Park.

Twinkle Park

This stage is vary easy, there is only one place where Froggy may be, it's in the park's pool. In no time you will catch him in this small pool.

Station Square

After you^池re done and the cut-scene is over get the ice key behind the Twinkle Park elevator and go to the train station and take the rain to the Mystic Ruins.

Mystic Ruins

Get off the station and go to the first cave. Go and let the wind carry you. Now go to the ice door and use the ice key. After that go inside and get the Life Belt. Now go up the ladder to your second stage.

IceCap

At the start pick up the rock and throw it on the ice to break it. Now fish until you get Froggy.

Mystic Ruins

You must go back to Station Square, but it's time to get the rod upgrades in the jungle. Get them (see UPGRADES for locations). Now go to the train station and get back to Station Square.

Station Square

Go to the hotel and to the beech. Go to Emerald Coast.

Emerald Coast

As you start kill all the enemies and follow the path on the left to the end, Froggy should be swimming somewhere on the right. Float on the water if you need to get closer.

Emerald Coast

After you catch him a cut-scene will show that Gamma will steal Froggy and run, you will follow him to the Egg Carrier.

Egg Carrier

As soon as the cut-scene ends you will see three doors, first go through the door on the right, now go through the other door. In the first prison cell you will see the rod upgrade, to get it push the switch and the cell will open, now get back and go through the middle door into your next stage, the Hot Shelter.

Hot Shelter

As you get off the elevator follow the path to the door, go through. Again follow the long path to the door. In this room go to the centre and push the switch. The room will be full of water. See that tunnel on the left? Swim to it and go through it, now swim up and go through the tunnel. In this room get on the metal container. You must pull the water plug by aiming your cursor on the plug in the middle of the room. Aim carefully and you will do it. After you池e done the water will go down; now get back through the tunnels to the room. Now Froggy will be swimming around. Fined him and catch him.

Hot Shelter

After you end the stage Tikal light will transfer you to the past of Angel Island.

Angel Island

Go forward and you will see Tikal, after a short cut-scene you will be back in the Egg Carrier.

Egg Carrier

Use the monorail to get up. Now make your way to the upper part of the ship and go to where Chaos is.

Chaos Fight

Get Froggy out of chaos by aiming at the red target by him, that痴 it.

Egg Carrier

Jump on Tails plane. You池e done.
