### 1. INTRODUCTION

As of right now I would like to say I had nothing to do with gathering the info of all the A ranks. This was completely and generously done by SegaMaster and Alexander Sama from the Sonic Adventure 2 board at GameFAQs. They simply wanted someone to put all the info in to an FAQ for them which is what I have done. So please, if you enjoy this FAQ and find it helpful, they deserve 100% of the credit. Now, this FAQ has been created to show you the score and time required on each stage to get the A rank. This should help everyone get those infamous all A rank emblems and complete the game.

### 2. VERSION

Here is a list of versions.

7/12/01 V1.1 - The FAQ is now completed! Later on I may add tips to get the A ranks and gold robot locations... but until then, its complete.

7/10/01 V1.0 - First version of FAQ! Basic info available. I'll say it will **\*\*most likely\*\*** be finished tomorrow or even possibly tonight!
