Climb down the ladder, and run accross therock bridge, hit the statue. Climb up the scaffolding and kill the minion, go to the next screen on the right.

Hit the statue, then hit the crate on your left to get a green key, go though the door. Hit the statue, and perform a wall flip onto the platform above, jump up and hit the statue. Booth: If your playing in director's cut mode, Booth shoots Diao, and starts attacking you, take whatever health is around, and just keep attacking him, he isn't very hard.

When you beat him, a short cut-scene will play, and the credits will appear.
