1- Introduction [A100]  
=====

Last year when Legacy of Goku II came out right before my final exams, it was a welcome change from learning for my exams. I decided to FAQ it back then. Now, it is the start of the school year but luckily for you, I went to the store on the day the game came out (Don't you love good import stores, I can't live without them.) and I wanted to FAQ something, this seemed like a good choice.

=====  
2- FAQ [A200]  
=====

[1] [Q]. What are those numbers like [A300] next to the title of every section?  
[A] It is the search engine of this FAQ. Press Ctrl and F. Type in the search code for the section you want to go to. You should be there in two steps.

[2] [Q]. Why doesn't this game work for me?  
[A] Atari protected the cartridge so that it is harder to use it on an emulator. I salute them for that.

[3] [Q]. Why do I need the Exhibits?  
[A] You can unlock a secret personage, some guy called Gogeta. I'm sure you know him.

[4] [Q]. Where can I find the Z-Mart on the planet of the Kai's?  
[A] Hit the cracked wall on the Planet of the Kai's.

Select	Open a window to study your environment.
Start	Open the menu.
D. Pad	Move your character. Press twice to run.

### 3.3- The World Map

[A303]

In this screen, you fly around above a world map. You'll see a little radar with stars on it. Every star is a new location you can go. Press A when you are above the entrance of an area to enter it.

### 3.4- Regular Screen

[A304]

There are three coloured bars in the upper left corner. The Red Bar shows how your health is doing. It will go down every time you are hit. If the bar is empty, you'll be killed and you'll see 'Game Over' appear on your screen. The Green Bar represents your Energy Points. Every Time you use one of your KI attacks, the bar will go down. You can't use KI attacks if your bar is empty.

The Blue bar represents your Experience. To fill it up you have to defeat enemies who walk around in the different areas. After that, you can allocate points to your stats. There is a little Yellow Box next to those bars. If it is full, you can turn Super Saiyan or Super Namek depending on which character you are using. Another box above that show which attack you're using.

Except those bars and boxes, you'll notice many things when you walk around like Flight Circles, Save Game Circles, and breakable rocks among others. You'll also encounter enemies on your way. You also find Zenie and items from the enemies you have beaten.

You'll also see gates with numbers on it. Those gates show which level you need to have to enter that specific area. The colour of the number indicates which character you have to use. There have been a couple of small changes since the

last Legacy of Goku because you can't use certain characters anymore. Goku's doors are orange. Gohan is green and Goten is Light Blue. Vegeta is Dark Blue and his son Trunks is Purple. Grey is the colour for Gotenks.

=====  
3.5- Save game

[A305]  
=====

Do you see that blue circle on the ground? It is called a Save Circle. Stand on it and press the A Button to save your game. Now select Save. The game has now been saved.

=====  
3.6- Switch Characters

[A306]  
=====

In some places in the game, you'll find a round white circle with a blue C on it. Go stand on it and press A. Now select Switch Characters. Choose the character you want to use and press A. You'll now be using that character.

=====  
3.7- Options

[A307]  
=====

Option	Explanation
Text Speed	Changes the speed the text appears on the screen.
Sound FX Volume	Changes the volume of the Sound Effects.
Music Volume	Changes the volume of the Music.
Sleep	Put the game in the sleep mode.
Credits	Shows Credits.

=====  
3.8- Level Up System

[A308]  
=====

The level up system from the previous games was still very basic. You'd gain a random amount of stats per level up. This has changed drastically with this new instalment. You'll get 3 points per level up and you can choose between Strength, Power, and Endurance. You can't choose Speed. I recommend you to level up each stat equally. You can also choose to get a strong character and only level up Strength or one of the other stats. You can level up your speed by running. Your stats can't go higher than 200 in this game.

Certain KI attacks will become stronger if you level up too. They level up every time you pass a 25th level so level 50, 75, 100, 125, 150, 175, and 200 will make your KI attack level up.

4.1- Main Quest

[A401]  
=====

## Chapter 1: The Other World

---

Run to the right. You do this by double tapping the +Control Pad. Make sure not to hit the edges. Go through the Snake's Head and over his tongue. You'll see stairs at the top of the screen. Use those. Enter the door to reach Yenma's office. Talk to King Yenma.

Walk to the upper left corner of the room and talk to the guard in front of the door. He won't let you pass at first but he will change his mind. Go ahead and go up the second pair of stairs; it will lead you to the Higher Plane. The other stairs will bring you to the Plane to Heaven, which you can't enter. Goku will act like a little kid when he sees the plane because it is, well, ugly.

Go to the south and meet Olibu, he comes from the same quadrant as you. He even lived on Earth when he was alive. He is based on the mighty hero Hercules from old Greece. There are many legends based on this guy.

Go past all these people unless you want to learn how to fight. It is not necessary if you played through Dragon Ball Z: Legacy of Goku II and there is only one new real feature, the blocking. Open the two little treasure chests to get some training equipment and put it on.

Go talk to Olibu and you'll enter an area where you can fight other people. Use your close range attacks to defeat them; you do 50 damage per hit while they only do 5. You have to fight through three areas before reaching Olibu. Make sure to level up until level 64 and a bit.

You'll have to face Olibu himself now. You can do about 50 HP damage a hit and his attacks will only do 10 HP damage. Don't use your KI Attacks because they are less effective. Just let him come at you and throw your punches. He'll show you a character gate after that, go in when you are level 65. Blast the first door with the Kamehameha. Use Instant Transmission to reach the Treasure Chest.

You'll see a conversation between the Kai's. You also learn some guy named Pikkon beat both Cell and Frieza without trouble. That guy is going to be a real challenge in the Other World Tournament. Go in the building in front of you and wait until it is your turn. You won't have to fight until the finals though. The fights are slightly different from the show too.

The fight with Pikkon isn't really hard. Just lure him against one of the borders and keep hitting him. He won't be able to hit you back. You only have to watch out for his flamethrower but he can only do that when he is far away from you. In the middle of the fight, you'll both power up. You turn Super Saiyan and causing damage is just so much easier now. Each one of your hits causes 90 HP of damage.

It is too bad you're disqualified because you touched the ceiling. However, you don't have to worry. He'll give you a lesson in two-three hundreds years.

---

## Chapter 2: The Great Saiyaman

---

You play this chapter as Gohan and his alter ego's 'The Golden Fighter' and 'The Great Saiyaman'. You start in the kitchen of your house. Go upstairs and enter the room with the brown door. It is your room. Open the toy chest to find a Z Fighter Exhibit. Go into the other room in the hall, it is Chi Chi's room. You'll see a Treasure Chest with a Lazarus Crystal.

Go outside the house and go to the bridge to the south. Step on the Flying Nimbus if you want to continue the game. Go over the bridge to find some criminals to level up Gohan, he has been slacking off. If you go and train, you'll find a Green Level 140 door. You can't use it yet so just go back to the cloud.

You'll quickly arrive in Hercule City. You have to find your school from here. You can buy items in the Z-Mart if you need them. Go to the right and you'll see a couple of criminals attacking the bank. You'll turn Super Saiyan. Just attack them, shouldn't be too difficult because they are regular, weak enemies. You should be able to kill them with two hits each.

You're on a crossroad now. Go ahead and take the little alley next to Hercule's gym. Go straight ahead to enter the school. There are five doors in this school and you can only enter two. You need to enter the second door on the left to reach your class.

Leave the Classroom and head back to where you entered town. Go to Hercule's Mansion and enter the room on the left. It has a Hercule Exhibit. Go back to the entrance of the town. Use the Flight Circle. Fly to West City (the star on the map). You have to land on West City itself to enter the city. Go to the left to reach Bulma's house. Her house is the little one on the right, the other one is the lab.

Go to the lab and go straight ahead. You'll enter the Atrium. Go to the right and enter the door. You're in the Capsule Room now. Find the 2402 Capsule and bring it to Bulma later. Go back to the hall and go to the left. Talk with the scientist to get a Z-Fighter Exhibit. Talk to Bulma when you have the Capsule and give it to her. She'll make a Capsule Suit.

You can now fight crime in Hercule City without trouble. You'll encounter many Criminals, Bombers, and gunmen there. They have about 100-200 HP each. After defeating the enemies in front of the Hercule Cafe, you have to go to the Circus and fight the enemies around there. There is a big thug there with a lot of HP and enormous amount of power. Hit him with attacks from a distance. There are a couple of enemies left before the school. Defeat them.

Go to your class now so that the story can advance. You have to save the mayor now. He is guarded by a thug and couple of gunmen/fighters. Take out the Thug first because he does the most damage. That solves another side quest.

Go to the circus again where you'll see that a little dinosaur was caught by the circus owner. You'll have to free him now. Go inside the circus and take the route on the left. That is the easier one, defeat the three Thugs, and grab Chobi. Go back to the entrance. A giant tank will appear. Despite looking strong, he is easy to beat. Just stand underneath his cannon and he can't hit you. He'll turn into a couple of soldiers after you defeat him. Take out the bombers first.

Run to the right and another tank will appear. This tank will be harder because it will move while you attack him. You might want to use an energy attack to attack this tank. You should kill those gunners first. If you want, you could just skip all those fighters and run to the exit of the city by going to the north and then to the west.

Stand on the flight pad to start another scene. You'll have to alert everyone that you're coming back. You only need to alert Chi Chi and Goten but it is nicer to tell it to the others too.

Fly to West City first and go to the east. Go through the entrance of the

Capsule Corporation. Go inside their house and talk to Bulma, Trunks, and Vegeta. Get out of the city and fly to Kami's Lookout now. The next place to visit is that of Krillin and Roshi. Go to your home next. Enter your home and talk to Chi Chi and Goten.

---

### Chapter 3: World Tournament

---

Go to the South through the fences around your house over the bridge. Go to the east and defeat those two bandits that are waiting for you. You will need to level up a lot here so don't go out the way of the enemies. Take the second road to the north on this screen. The first one ends in a dead-end. There are a couple of enemies on high rocks in this area; you have to attack them from behind.

Go to the east and to the north. You have to go to the east next. There is a save point in this area. Use it and go to the south. Go to the east where you'll see a level 140 character gate, you won't need this one until later.

Go back to the west until you see two bombers. Go to the south on that screen. There is an area with three enemies. If you want to level up a lot, just come back to this area repeatedly. Go to the south and then to the west. This area contains about four enemies. Take the exit in the northwestern corner of the area. Go to the south, there are five enemies in a small area guarding a treasure chest with a Reflective Tunic in it. Go back to the save Point.

Go back three rooms more and go to the north in the area with the bombers on the rocks. You'll see a green level 65 door. Break it down and train with Goten. Talk to Goten. You'll need to dodge the rocks Goten is throwing at you. You need to make sudden movements in different directions to avoid them. You have to avoid ten rocks.

You'll get to fight Goten after the conversation. This shouldn't be too hard to do. He's just a little Super Saiyan. He only has a little more than 1,000 HP. It should only take ten hits to take him down.

You have to hit Vegeta once. You'll change back to your normal form on some moments, at those times you have to wait for Trunks to be able to change back. If you get Vegeta cornered, he'll fly over you. You'll have to get as close to him as possible and then sprint to him.

You'll get the chance to train a bit now with Trunks for the first time. Exit the town if you want to train and return to Capsule Corp to depart. You can also train with Gohan if you want. Switch back to Trunks and go to Capsule Corporation. Talk with Bulma.

You're controlling Trunks now and you have to register for the tournament. Go to the north and run past the food and drinks stands. Go past all your friends and enter the gate. Talk to the blonde woman behind the table to register. Go through the door after that. Now do the same with Gohan. Talk to the person next to Hercule with the glasses. The punching challenge will now commence. You'll have to punch the machine by pressing the A button. Your best bet is to hit it when the bar is in the orange/red zone.

The Junior Tournament is beginning and you're Trunks. You have to defeat ten opponents. The most of them are a piece of cake. You don't really need a strategy. Match 10 is against the mighty Goten. This match isn't really hard but you can go all out this time. Once Goten's health drops to 1/4, Goten will turn Super Saiyan. His health will be restored to full power but now, you have

your Super Saiyan powers too. After your victory, a small spar against Hercule will follow. That is the second easiest fight of the game.

The first fight you have to participate in in the Adult Tournament is one of the hardest fights, between Videll and Spopovich. Videll has no energy attacks and isn't very strong. You have to drive him against the side of the platform and keep pounding him. That is the best way to defeat him, as he doesn't get a chance to hit you back. You'll have to fight him again. Use the same strategy again because he'll hit you if you aren't close enough.

You're playing as Goku now. He'll have to fly to Kami's Lookout. Use the Flight Pad there to get to Korrin. Talk to Yajirobe and come back to Papaya Island. Defeating Yamu and Spopovich is very easy with a Super Saiyan 2 at your hand. They'll still manage to suck out your energy.

---

#### Chapter 4: Babidi

---

---

#### Chapter 5: Majin Vegeta

---

You'll have to fight Majin Vegeta. He isn't very strong compared to you but his favourite energy attack, the Big Bang causes a lot of damage. Wait for him to get it started and hit him with the Kamehameha at that moment. Otherwise, use your regular attacks. You only have to get his health down to three fourths.

The fight will take a little break. You'll come back to get him down to half of his health bar. Just continue as you were doing. After another brief intermission, you're back in the fight. You might want to consider transforming into Super Saiyan. You have to get his health down to 25% this time. Another conversation will halt the fight. This time you have to finish him off completely. You should transform again.

You're now playing as Vegeta again. Use the flight pad and fly to the yellow star on the map. It is not far away. It is a little house on the map. You have been here before so you should remember the way. Go north and defeat the Majin enemies. When you have to choose between going to the left or the right, choose the left side. From there on out, there is always only one other exit. Walk past the petrified Piccolo and Krillin and use the flight pad.

You'll have to fight Majin Buu now but you can't hurt him at the moment. You have to wait for Babidi to land. If you hit him, Majin Buu will become vulnerable temporarily. All you can do between those phases is avoiding Buu and especially his "Candy Ray" which turns you into candy so that he can suck your health out. You can still move in that phase. When you hit Babidi, get up close to Buu to hit him or use your Big Bang attack. You have to drain his health completely.

---

#### Chapter 6: Dragon Ball

---

---

#### Chapter 7: Majin Buu

---

---

#### Chapter 8: Janemba

---

-----  
The chapter starts with a little movie with Hercule in it. He'll appear a couple of times during this chapter. You'll even get a chance to play as him at the start. Walk straight forward until you reach Buu's House. After that conversation, you're playing as Goku again. Run past all the souls and go to King Yemma. You'll get an assignment from Yemma to find Vegeta and defeat the big danger that is named Janemba.

Go stand on the Transmission Circle and select the HFIL. Save on the save point. From here on out you might encounter Janemba's hand. Try to avoid it. Go to the north easy to progress. From here on out you might encounter some enemies like Zombies. You'll see a Yellow Circle with a red button on this screen. Use your Instant Transmission to reach it. Watch out for the Poltergeists. They can be quite annoying once they change into their second form. Follow the road and avoid the spikes you encounter at various locations.

Open the little treasure chest on your way to find a Talisman of Light. If you forgot to turn on the switch, you will have to backtrack because otherwise, you can't progress through the spikes. Continue further. You'll encounter some though enemies like the Annihilator. When you're on the screen with the treasure chest that contains the Spirit Geta, you have to the south.

This is a real labyrinth. You can't destroy the rock from this side so you'll have to go down. Use Instant Transmission to reach the button and let the spikes descend. This will cause another pair of spikes to rise; every button in this area will do something like that. Just advance past the first set of spikes and press the button again. You'll have to repeat this process a couple of times. At the end of this Cluster of trials, go to the right to find a Save Point and a certain character you were looking for. You have to talk to the second cloud there. Switch characters and start levelling Vegeta up to level 100. Go to the west and destroy the rock to get out of the labyrinth easily this time. Go back to the Vegeta Level 100 door.

Break the door and go to Pikkon. Save. Your fight with Janemba his regular form will commence. Watch out for his arms that appear more frequent until you attack him the first time. Go straight up to Janemba and start pummelling him. Depending on the number of points, you gave to the strength of Vegeta and Goku. Your hits should do between 300 and 600 HP damage. Once he only has 1/5 of his HP left, he'll jump into the air and he'll release five tinier Janembas. They can be defeated with a hit or two. Defeat them all five and then kill Janemba.

Goku will take Vegeta's place and fight Super Janemba. He'll disintegrate a couple of times, which makes him harder to hit. You'll have to be fast. You should try turning Super Saiyan if you're not fast enough to hit him. When his HP is very low, he'll start to transport very fast. You could also try Instant Transmission. After the first part of the fight is over, Janemba will knock you out in one blow.

You'll be shown the combination you have to press to fuse. You're stronger and faster than before. Use the Dragon Fist Explosion to do a 'little' bit of damage. Once his health bar reaches the bottom part, he'll start teleporting again. Once he is dead, a tiny dude will appear. Walk to the exit and go to Yemma's place. After that, you'll see how Super Buu is created.

-----  
Chapter 9: Super Buu  
-----  
-----

## Chapter 10: Fusion

---

You'll be using Goku to fight Super Buu 4 right now. He is standing on some higher rocks and he will use energy bombs to attack you. You have to use Instant Transmission to hit him. It is best to try when he is attacking. You have to do that three times. After that, you'll change into Vegito. The fight is much easier now. If you change into Super Saiyan, each of your hits will do about 4500 HP damage. Meanwhile Super Buu will initiate attacks like the Super Ghost Kamikaze Attack from Gotenks. Once his HP is almost completely depleted, he'll absorb you.

You're in Buu's Stomach now. You're separated again. Use the Flight Pad and go to the left. Follow the path and defeat Buu's body cells on the way. They give away a couple of rare items. Don't miss this chance. Go underneath the waterfall and go to the right. Use the exit of this room and go to the next room. Go through this short room and destroy the web in the next room. A door in the first room will open up. Go back to that room and go through the door.

Once you come to splitting, go to the left. You'll come into a room with white worms. Avoid them. They won't attack you. Go to the next room and destroy the three webs. Go back to the splitting. Go to the right this time. Keep on going until you reach the save point. Continue your way into the Intestines.

Follow the road until you find Goten and Trunks. They will do the Fusion Dance and he'll change into Gotenks. You'll have to fight him in this form. You can try to defeat him or go to the next room by knocking the fake Gotenks against the invisible wall. You'll find the real Goten and Trunks in the following room. In the next room, a fake Gohan is waiting for you. Defeat him and continue to find the real one. Fake Piccolo is located in the fifth room. Continue until you reach the brain.

Now you'll have to fight a Super Buu. Watch out for his Candy Beam because he'll turn you into candy and restore his own health by hurting you. He can't hit you with that if you're close to him so don't try beam attacks. He can also extend his own arm to hit you when you're far away. After defeating him, you'll have to run. Go through the door to escape from Majin Buu.

---

## Chapter 11: Kid Buu

---

The chapter starts off with a little sequence between Old and Supreme Kai. We get a little flashback to the glorious age where there were even more Kais present. You'll get the task to train as much as possible. Just fly around the world fighting in different areas until you are at least both level 150. Just return here when you feel you're ready for it.

Goku transforms to Super Saiyan 3. Make sure not to stand on a right line with Kid Buu, he can use a Kamehameha if you are which will cause a lot of damage. Just hit him from up close and personal. After two-three hits, he'll disintegrate and pop up somewhere else. Just go to attack him again. This time he'll take ten to twenty hits. He can also split up into two to gang up on you. When Kid Buu's energy bar reaches the three fourth point, Goku will collapse and Vegeta will take over.

Seeing that Vegeta isn't Super Saiyan right now, I recommend you to hide behind a rock and power-up. Start hitting him again. He'll start to clone again, which will disappear after two-three hits. It is easy for them to hit you with their Kamehameha beams now. Once you get his energy down to one third, Vegeta will be

knocked out.

You're playing as Goku again and Kid Buu is back at full strength. The fight is similar to the first part of the fight with the difference that you aren't Super Saiyan 3 now. You might want to transform into Super Saiyan (3) to speed up the process. After having getting rid of 1/4 of his energy, Kid Buu is getting angry.

The focus of the game has changed now. You're no longer required to actually do damage to Kid Buu. Just keep running until the time runs out. You have to last one minute so don't bother to attack. You'll have to do this one more time later. After that, you can relax. Keep smashing the A Button to let the Spirit Bomb hit once Goku is restored to full power.

After this, your part in this chapter is almost completely over. Just relax and watch the show until Kid Buu is defeated. You now have to fly to Capsule Corporation and enter the Atrium to start Chapter 12. Nevertheless, it is best to save somewhere first and do all the side quests.

-----  
Chapter 12: A New Beginning  
-----

This chapter starts once you enter the Atrium of the Capsule Corporation Building in West City. You'll enter the party with all of your friends. There is a ten-year time jump after that and you'll be at the World Tournament. You won't have to fight this time however. Goku will talk about a real powerful fighter named Uub. He'll disappear with him during their fight to train him. This is the end of Dragon Ball Z. Prepare yourself for Dragon Ball GT: Transformation, the next instalment of the 'Legacy of Goku' series.

Go to the circus again where you'll see that a little dinosaur was caught by

the circus owner. You'll have to free him now. Go inside the circus and take the route on the left. That is the easier one, defeat the three Thugs, and grab Chobi. Go back to the entrance. A giant tank will appear. Despite looking strong, he is easy to beat. Just stand underneath his cannon and he can't hit you. He'll turn into a couple of soldiers after you defeat him. Take out the bombers first.

Run to the right and another tank will appear. This tank will be harder because it will move while you attack him. You might want to use an energy attack to attack this tank. You should kill those gunners first. If you want, you could just skip all those fighters and run to the exit of the city by going to the north and then to the east.

\*\*\*\*\*  
Tell your family and friends that Goku is returning!  
\*\*\*\*\*

Fly to West City first and go to the east. Go through the entrance of the Capsule Corporation. Go inside their house and talk to Bulma, Trunks, and Vegeta. Get out of the city and fly to Kami's Lookout now. The next place to visit is that of Krillin and Roshi. Go to your home next. Enter your home and talk to Chi Chi and Goten.

-----  
Chapter 3: World Tournament  
-----

\*\*\*\*\*  
Meet Goten in the eastern forest to train  
\*\*\*\*\*

Go to the South through the fences around your house over the bridge. Go to the east and defeat those two bandits that are waiting for you. You will need to level up a lot here so don't go out the way of the enemies. Take the second road to the north on this screen. The first one ends in a dead-end. There are a couple of enemies on high rocks in this area; you have to attack them from behind. Go to the north in the area with the bombers on the rocks. You'll see a green level 65 door. Break it down and train with Goten. Talk to Goten.

\*\*\*\*\*  
Train for the World Tournament. Meet Bulma at Capsule Corp when you are done.  
\*\*\*\*\*

You'll get the chance to train a bit now with Trunks for the first time. Exit the town if you want to train and return to Capsule Corp to depart. You can also train with Gohan if you want. Switch back to Trunks and go to Capsule Corporation. Talk with Bulma.

\*\*\*\*\*  
Go to Kami's Lookout and get a Senzu Bean from Korrrin  
\*\*\*\*\*

You're playing as Goku now. He'll have to fly to Kami's Lookout. Use the Flight Pad there to get to Korrrin. Talk to Yajirobe and come back to Papaya Island.

Chapter 4: Babidi  
-----  
-----

## Chapter 5: Majin Vegeta

---

\*\*\*\*\*  
Destroy Babidi's Spaceship  
\*\*\*\*\*

You're now playing as Vegeta again. Use the flight pad and fly to the yellow star on the map. It is not far away. It is a little house on the map. You have been here before so you should remember the way. Go north and defeat the Majin enemies. When you have to choose between going to the left or the right, chose the left side. From there on out, there is always only one other exit. Walk past the petrified Piccolo and Krillin and use the flight pad.

---

## Chapter 6: Dragon Ball

---

---

## Chapter 7: Majin Buu

---

---

## Chapter 8: Janemba

---

\*\*\*\*\*  
Find Vegeta and defeat Janemba  
\*\*\*\*\*

Go stand on the Transmission Circle and select the HFIL. Save on the save point. From here on out you might encounter Janemba's hand. Try to avoid it. Go to the north easy to progress. From here on out you might encounter some enemies like Zombies. You'll see a Yellow Circle with a red button on this screen. Use your Instant Transmission to reach it. Watch out for the Poltergeists. They can be quite annoying once they change into their second form. Follow the road and avoid the spikes you encounter at various locations.

Open the little treasure chest on your way to find a Talisman of Light. If you forgot to turn on the switch, you will have to backtrack because otherwise, you can't progress through the spikes. Continue further. You'll encounter some tough enemies like the Annihilator. When you're on the screen with the treasure chest that contains the Spirit Geta, you have to the south.

This is a real labyrinth. You can't destroy the rock from this side so you'll have to go down. Use Instant Transmission to reach the button and let the spikes descend. This will cause another pair of spikes to rise; every button in this area will do something like that. Just advance past the first set of spikes and press the button again. You'll have to repeat this process a couple of times. At the end of this Closter of trials, go to the right to find a Save Point and a certain character you were looking for. You have to talk to the second cloud there. Switch characters and start levelling Vegeta up to level 100. Go to the west and destroy the rock to get out of the labyrinth easily this time. Go back to the Vegeta Level 100 door.

Break the door and go to Pikkon. Save. Your fight with Janemba his regular form will commence. Watch out for his arms that appear more frequent until you attack him the first time. Go straight up to Janemba and start pummelling him. Depending on the number of points, you gave to the strength of Vegeta and Goku. Your hits should do between 300 and 600 HP damage. Once he only has 1/5 of his

HP left, he'll jump into the air and he'll release five tinier Janembas. They can be defeated with a hit or two. Defeat them all five and then kill Janemba.

Goku will take Vegeta's place and fight Super Janemba. He'll disintegrate a couple of times, which makes him harder to hit. You'll have to be fast. You should try turning Super Saiyan if you're not fast enough to hit him. When his HP is very low, he'll start to transport very fast. You could also try Instant Transmission. After the first part of the fight is over, Janemba will knock you out in one blow.

You'll be shown the combination you have to press to fuse. You're stronger and faster than before. Use the Dragon Fist Explosion to do a 'little' bit of damage. Once his health bar reaches the bottom part, he'll start teleporting again.

---

## Chapter 9: Super Buu

---

---

## Chapter 10: Fusion

---

\*\*\*\*\*  
Find Gohan, Goten, Trunks, and Piccolo.  
\*\*\*\*\*

You're in Buu's Stomach now. You're separated again. Use the Flight Pad and go to the left. Follow the path and defeat Buu's body cells on the way. They give away a couple of rare items. Don't miss this chance. Go underneath the waterfall and go to the right. Use the exit of this room and go to the next room. Go through this short room and destroy the web in the next room. A door in the first room will open up. Go back to that room and go through the door.

Once you come to splitting, go to the left. You'll come into a room with white worms. Avoid them. They won't attack you. Go to the next room and destroy the three webs. Go back to the splitting. Go to the right this time. Keep on going until you reach the save point. Continue your way into the Intestines.

Follow the road until you find Goten and Trunks. They will do the Fusion Dance and he'll change into Gotenks. You'll have to fight him in this form. You can try to defeat him or go to the next room by knocking the fake Gotenks against the invisible wall. You'll find the real Goten and Trunks in the following room. In the next room, a fake Gohan is waiting for you. Defeat him and continue to find the real one. Fake Piccolo is located in the fifth room. Continue until you reach the brain.

\*\*\*\*\*  
Escape from Majin Buu!  
\*\*\*\*\*

After defeating him, you'll have to run. Go through the door to escape from Majin Buu.

---

## Chapter 11: Kid Buu

---

\*\*\*\*\*  
Train to prepare for the final battle with Kid Buu!  
\*\*\*\*\*

\*\*\*\*\*

You'll get the task to train as much as possible. Just fly around the world fighting in different areas until you are at least both level 150. Just return here when you feel you're ready for it.

\*\*\*\*\*

Defeat Kid Buu

\*\*\*\*\*

Goku transforms to Super Saiyan 3. Make sure not to stand on a right line with Kid Buu, he can use a Kamehameha if you are which will cause a lot of damage. Just hit him from up close and personal. After two-three hits, he'll disintegrate and pop up somewhere else. Just go to attack him again. This time he'll take ten to twenty hits. He can also split up into two to gang up on you. When Kid Buu's energy bar reaches the three fourth point, Goku will collapse and Vegeta will take over.

Seeing that Vegeta isn't Super Saiyan right now, I recommend you to hide behind a rock and power-up. Start hitting him again. He'll start to clone again, which will disappear after two-three hits. It is easy for them to hit you with their Kamehameha beams now. Once you get his energy down to one third, Vegeta will be knocked out.

You're playing as Goku again and Kid Buu is back at full strength. The fight is similar to the first part of the fight with the difference that you aren't Super Saiyan 3 now. You might want to transform into Super Saiyan (3) to speed up the process. After having getting rid of 1/4 of his energy, Kid Buu is getting angry.

The focus of the game has changed now. You're no longer required to actually do damage to Kid Buu. Just keep running until the time runs out. You have to last one minute so don't bother to attack. You'll have to do this one more time later.

\*\*\*\*\*

Head for Capsule Corporation to celebrate the defeat of Majin Buu!

\*\*\*\*\*

You now have to fly to Capsule Corporation and enter the Atrium to start Chapter 12. Nevertheless, it is best to save somewhere first and do all the side quests.

-----

Chapter 12: A New Beginning

-----

This chapter starts once you enter the Atrium of the Capsule Corporation Building in West City. You'll enter the party with all of your friends. There is a ten-year time jump after that and you'll be at the World Tournament. You won't have to fight this time however. Goku will talk about a real powerful fighter named Uub. He'll disappear with him during their fight to train him. This is the end of Dragon Ball Z. Prepare yourself for Dragon Ball GT: Transformation, the next instalment of the 'Legacy of Goku' series.

/ MAJIN BUU \

HP: 14640 | You'll have to fight Majin Buu now but you can't hurt him at

HP: 45000

POW: 38

HP: 8500 | You'll have to fight Majin Vegeta. He isn't very strong

/ OLIBU \

HP: 565 | You'll have to face Olibu himself now. You can do about 50 HP

/ PIKKON \

HP: 950 | The fight with Pikkon isn't really hard. Just lure him

5.6- KI Attacks/Techniques [A506]
=====

Certain KI attacks will become stronger if you level up too. They level up every time you pass a 25th level so level 50, 75, 100, 125, 150, 175, and 200 will make your KI attack level up. They might still look the same but they will do more damage and take more Energy Points. However, every attack only has 3 levels.

-----  
Chapter 1: The Other World  
-----

Meanwhile, millions of light years above, along the winding track of Snake Way, Goku was adjusting well to the life in the Other World...

\*\*\*\*\*  
SNAKE WAY  
\*\*\*\*\*

Goku- I forgot how long Snake Way was! Listen, King Kai, can't you run any faster? We're not making very good time!

King Kai- How many times can I say this? We can't make bad time here because in this world time never runs out!

Goku- But I still can't wait to see this master of the Other World you told me about! Talk about the ultimate fighting challenge!

King Kai- I have to tell you, Goku... You had better not think lightly of him or you're gonna be in trouble... Maybe if I explain... You know I'm King Kai, and I watch over the Earth, and your part of Space, but the universe is divided into four quadrants. There's the north, south, east, and west quadrants, each with their own King Kai. But further above us is the Grand Kai. He rules over the Kais themselves.

Goku- And he is also a martial arts master with a planet full of fighters! Which is why we have to get there right away! Say... How do we get to the Grand Kai's planet anyway?

King Kai- You have to take plane. It is called "The Higher Plane" and it is docked next to King Yenma's Castle at the end of Snake Way.

Goku- Thanks, King Kai. I don't want to be late so I'm going to run ahead! See you there!

Journal Entry- Go to King Yenma's Castle.

Goku- It will take me too long to cross Snake Way if I just walk! Make Goku run by double tapping the +Control Pad.

\*\*\*\*\*  
YENMA'S OFFICE  
\*\*\*\*\*

Assistant- Welcome to King Yenma's Castle. - You're going to want to talk to King Yenma. - I've been working all morning without a break. - I'm getting too old for this... - Sir, you can't go this way.

Cloud- I'm going to Heaven! Oh, yes! It is gonna be awesome! So awesome! I know it! Yeah! - Where are we? - Am I... dead? - This place is really weird... - I wonder if they have television here. I can't miss my soaps. - Do you think my grandmother will be here? - I know they say you can't take it with you... But they could have at least let me take my capsule motorcycle.

Yenma- Can I have the next soul please?

Goku- Hey, King Yenma! How's it going?

Yenma- Well, what do we have here? Our old friend Goku... Dead again already?

King Kai- Goku! Wait up!!! Am I going to have to put a leash on you?

Yenma- King Kai? How in the world did you die?

King Kai- Well... It is a long story... You see...

Goku- No time for long stories! We have to get going. Nice seeing you again, King Yenma. Say, where is the Higher Plane?

Yenma- It is the door to your left. Are you sure you don't want a cup of tea?

Assistant- Sir, you can't go this way! I'm afraid you're going to have to wait in line like... Wait a second! You still have your body. I haven't worked here long and you're the first person I've seen who has kept their body. - Please, go ahead! This is the plane to Heaven. The higher plane is on the other dock.

King Kai- This is it, Goku! The plane that will take us to the Grand Kai's Planet.

Goku- How come we get stuck with this clunker of a plane? I really wanted to ride the big, fancy one.

\*\*\*\*\*  
GRAND KAI'S MANSION  
\*\*\*\*\*

King Kai- This is it, Goku! The Grand Kai's Planet!

Goku- Really? It doesn't look like much...

King Kai- Watch your mouth!

Goku- Oh... Sorry... I guess it is more impressive than your planet. Especially since your planet was blown up when Cell exploded!

King Kai- Goku! Don't remind me. You're a very rude man!

Goku- So where is this Grand Kai? I want to see him fight!

King Kai- To tell you the truth, Goku, in all these years, not even I have had the privilege of seeing the Grand Kai fight. But it is said that no words can describe his fighting style.

Goku- Wow... So when do we meet him?

King Kai- You'll meet him when he is ready to meet you. It is not something to be taken lightly! So why don't you go introduce yourself to some of the other fighters. Maybe you'll learn something. Oh, one more thing... Do you see that circle on the ground? It is called a Save Circle. Stand on it and press the A Button to save your game. - Goku! Don't go into the Grand Kai's house without permission! Have you no respect? -Oh! This is the one I wanted! Mint condition! I should have known he had one! Look at her. Whoa! Classic chrome detail! Real leather interior! Check out those fins! It is cool!

\*\*\*\*\*  
GRAND KAI'S PLANET  
\*\*\*\*\*

Olibu- Greetings, King Kai! It is good to see you!

King Kai- Hey, Olibu! I'd like you to meet Goku! He is new here.

Goku- Hey, Olibu!

King Kai- Olibu is from Earth, just like you, Goku! Most of your heroic legends are based off of this guy. He is working on his 10,000 years of training, and as soon as he is done he'll be able to train with the Grand Kai himself!

Goku- 10,000 years??? Does everyone have to train that long before the get to

train with the Grand Kai?

King Kai- Well, yeah. You have to show that you're perfectly qualified or else you'd just be wasting the Grand Kai's time!

Goku- I guess.

King Kai- You should talk to the fighters here, Goku. They might be able to teach you a thing or two.

Journal Entry- Train with Other World Fighters.

Random Fighter- Hey, you know how to block, right? Yes. Never mind then. No. Really? You're going to get your butt handed to you on a platter if you don't block. It is easy. Press the R Button and hold it down to block! But be careful, because even if you're blocking you can still get hurt.

Random Fighter 2- Hey! You're new around here, aren't you? Want some fighting tips? Yes. If you want to really kick butt, you have to use everything at your disposal to win. Sure, punching and kicking with the A Button is cool and all, but all the really good fighters use the B Button to do their special techniques. No. That is too bad. It is a good secret.

Random Fighter 3- I just finished doing five million push-ups. You can really get a good workout in a place where time has no meaning.

Random Fighter 4- Do you want to know how to be invincible? Yes. I have a technique that makes me totally invincible. It is called Energy Blocking. Hold down the R Button to block, and then hold down the B Button. You'll be surrounded by glowing energy and nothing can hurt you! Of course, it eats up your energy really quickly, and you can't do anything else while you're doing it. Every time I use it in a fight, I run out of energy and get totally whapped! I guess you really can't call that invincible, can you? But it might be handy if you're in a pinch. No. If you ever change your mind, talk to me.

Random Fighter 4- Awwww, yeah. I'm the bomb. No one can beat me! Want to know how I do it? Yes. I keep an eye on my energy and health meters. Do you see them in the upper left hand corner? The red bar is your health meter. The green bar is your energy meter. The blue bar shows how much experience you have until you get to the next level. Knowing these things is as important as knowing how to punch. Fighting isn't all about brute strength; you need to be smart too. No. That is too bad.

Random Fighter 4- All the best fighters train using weighted clothing! You should check out those chests over there and then come back and talk to me.

You found the 1 Ton Armbands!

You found the 1 Ton Boots!

Random Fighter 4- Hey! Do you know how to equip things? Yes. Let me know if you want to find out more. No. To equip an item, press START. Press the R Button to cycle through the menu options until you get to the Equip menu. From the Equip Menu you can select from four different types of equipment. You can choose to equip one of each type, and change them whenever you like. About Body Items. Body items are items that you can wear, such as shirts, gis, and different types of armors. These types of items usually protect your body and increase your endurance, but might also have different effects. About Hand Items. Hand items can be equipped to your hand or sometimes your wrist. These items might include knuckles, which increase your attack strength, or weighted wrist bands that increase the amount of experience you gain in battle. More. About Feet

Items. Feet items are items such as shoes, boots, and sandals. These types of items usually affect your speed but might also have different effects. About accessories. Accessory Items are items such as belts or amulets, or even an item you might keep in your pocket. These items may have many effects, both useful and strange! Thanks for the tips. No problem. Any time you have any questions about equipping, let me know.

Random Fighter 5- What is with all these guys? They keep talking about the A button and health meters. It is like they think we're in a video game or something.

Random Fighter 6- I know a way to get items for free. Interested? Yes. When you defeat an enemy, sometimes they will drop items and Zenie coins on the ground. To pick up the items, you have to walk up next to the item and press the A Button, but you can pick up the coins just by walking over them. No. Fine, that leaves more for me then.

Olibu- Hey, Goku, up ahead is the Battlefield Royale! It is a gruelling maze full of strong fighters. It is an incredible fighting challenge.

Goku- Incredible fighting challenge? I'm so there!

Olibu- I admire your enthusiasm. However, many of these fighters have been training for hundreds, even thousands of years. Are you sure you're ready? Yes. Good luck, Goku. No. Be sure to talk to all the fighters around here. You might learn a thing or two.

Regular Fighter 1- You're going down rookie!

Regular Fighter 2- Look at what we have here, boys? A newbie!

Regular Fighter 3- You've made it this far? Must be beginners luck!

Olibu- Most impressive!

Goku- Olibu? How did you get here?

Olibu- I took a shortcut! Now are you ready for a real fight? Okay! Okay! You win! I give up! Say... I have an idea. Follow me!

This is a character gate. The number is the level your character needs to be to pass the barrier. The color of the number is a clue to who is allowed to pass through the barrier! Walk up to the gate and press the A Button to open it.

```
*****  
CAVE OF THE ANCIENTS  
*****
```

Olibu- This is the Cave of the Ancients. It is said there is an ancient artifact hidden inside. However, no one has ever been able to get to it! Great job on blowing the door open; but if I'm not mistaken, this wall is made of Katchin. It is the strongest metal in the universe. Sure your Kamehameha Wave is strong, but I don't think it could bust through that wall!

Goku: Hold on... I have an idea! What if I use my Instant Transmission technique?

To do the Instant Transmission, press the L Button and switch to the Instant Transmission Icon. Hold down the B Button and use the +Control Pad to select your target. This attack will allow you to teleport and attack an enemy. It can

also be used to get items that are hidden behind walls or press hidden switches. You found the Cotton Gi!

Olibu- Amazing, Goku! I once met a Yardrat who used that technique... You're full of surprises! And this is only your first day here. I can't wait to see what the future brings.

\*\*\*\*\*  
GRAND KAI'S MANSION  
\*\*\*\*\*

West Kai- Pikkon is the better fighter!

King Kai- Goku is the better fighter!

West Kai- Pikkon!

King Kai- Goku!

West Kai- PIKKON!

King Kai- GOKU!

Goku- Whoa! Look at all the Kais! Hey King Kai, why did you shout my name?

King Kai- I'm having an argument with West Kai. He says his fighter Pikkon is the best fighter in the universe.

West Kai- As you must know, Pikkon is the prize fighter of the West Quadrant! In fact, just the other day, the Grand Kai himself called for him to stop an uprising in H.F.I.L.

Goku- The Home for Infinite Losers. I've been there before when I fell off of Snake Way!

West Kai- King Yenma sent some evil guy down there named Cell and he met some guy named Frieza and they took over the whole place!

King Kai- Cell and Frieza!

West Kai- Pikkon was able to take care of both of them no problem! I bet this Goku couldn't do that.

Goku- Well, Frieza was no problem... But Cell--

Goku- Never mind that! Goku is a righteous fighter who's saved his side of the galaxy many times! He is an incredibly strong guy!

South Kai- Listen guys, a reunion is no time for an argument! This is the first time all four Kais have been together in three hundred years.

West Kai- He is right, you know. Instead of arguing, we should prove which one of us is the best with a martial arts tournament.

Grand Kai- Did I hear someone say tournament?

King Kai- Grand Kai!

Grand Kai- I think a tournament is a radical idea. And to make things exciting, I'll throw in a free private lesson for whoever brings home the gold!

West Kai- You mean the winner of the tournament gets a free lesson from you?

Goku- That sure beats training for ten thousand years.

Grand Kai- The tournament will be held in my house. I'll see everyone there.

Journal Entry: Go to the Other World Tournament in the Grand Kai's house.

\*\*\*\*\*  
OTHER WORLD STADIUM  
\*\*\*\*\*

And so the tournament began. First to fight were Olibu and Chapuchai with Olibu winning the first match. Many awesome fighters battled in the ring. Caterpy! Froug and Maraikoh. Arqua! But in the end it all came down to Goku and Pikkon. Who will win?

Presentator- This is it, folks! Here we are at the final match up of the tournament. Competing from the West Quadrant of the galaxy... Pikkon. And competing from the North Quadrant... the rookie wonder Goku! May the best life form win!

Goku- You're holding out on me, aren't you, Pikkon? This isn't your full strength is it?

Pikkon- You're right, Goku!

Goku- Impressive, but I've been holding back too!

To go Super Saiyan press the L Button and switch to the Super Saiyan icon. Press the B Button to activate Super Saiyan mode. Super Saiyan is a temporary power up which gives you extra speed and power!

Presentator- Pikkon has landed outside of the ring! And that means Goku is the winner and champion of the Other World Tournament.

Pikkon- You truly are a great fighter, Goku. I'll keep training and I'll beat you at the very next chance.

Goku- Thanks for a great fight, Pikkon.

Grand Kai- Minor problem... Both Goku and Pikkon violated the rules of the tournament, and therefore both fighters have been disqualified.

Goku- Huh?

Grand Kai- That's right. Goku, do you admit that you and Pikkon touched the ceiling of the stadium during the fight?

Goku- The ceiling? Oh... Yeah... We did!

Grand Kai- Well according to Article 3, Section 9, paragraph 1351 of the official rule book, the stadium ceiling is the same as the stadium floor, because if you stand on your head, the floor is the ceiling and the ceiling is the floor! it is ring-out! But, your fight rocked! So as a bonus I'll allow both you and Pikkon to take my private lessons in two to three hundred years!

Goku- Two hundred years? Great. I'll be there.

Grand Kai- (That'll give me just enough time to whip back into shape! I've been too much of a couch potato to keep up with those boys now!)

-----  
Chapter 2: The Great Saiyaman  
-----

\*\*\*\*\*  
GOKU'S HOUSE  
\*\*\*\*\*

Years later, on Earth, Goku's son, Gohan, the boy who saved the world against Cell has become a teenager. With no more tips across the galaxy or lethal androids to fight, Gohan has at last been free to do his studies like his mother always wanted. And now, Gohan has decided to enroll in high school with other students, ready to try his luck at normal life...

Chi Chi- Gohan, are you ready for school yet?

Goten- I'm helping Mom! Then I can go out and play in the woods.

You found a Z-Fighter Exhibit!

\*\*\*\*\*  
EAST DISTRICT 439  
\*\*\*\*\*

Chi Chi- Gohan! Wait a second! You want your lunch, don't you?

You receive a Rice Ball!

You receive Milk!

Food items, like the Rice Ball, can be used to refill your health. Drink items, like Milk, can be used to refill your energy. You can use these items in your Inventory which can be accessed by pressing START.

Chi Chi- I swear... You're just like your dad. Always jumping the gun.

Gohan- Thanks, Mom. Goodbye!

Chi Chi- Remember to listen to your teachers carefully!

Gohan- I will! ...Nimbus!!!!

Chi Chi- Have a wonderful first day, Gohan!

\*\*\*\*\*  
HERCULE CITY  
\*\*\*\*\*

Gohan- Thanks for the lift, Nimbus! See you later! So this is Hercule City. I can't believe that they named a city after that guy... Everyone thinks that he is the guy who beat Cell. If only they knew.

Journal Entry: Go to your class at Orange Star High School.

Z-Mart Owner- Welcome to the Hercule City Z-Mart! How can I help you? Thank you, come again!

Z-Mart Visitor- Different stores sell different items. It gets kind of annoying

sometimes.

Town Folks- The crime rate in this city has been increasing over the years! It isn't safe anymore! They just opened up this new Z-Mart! They have one in every town now. The days of the old mom and pop general stores are over!

Criminal- Alright! Nobody try and be a hero! You just try to stop us!

Gohan- Crooks! I have to stop them... But I don't want anyone to know about my powers. If I turn Super Saiyan, no one will recognize me!

Town Folks- Where'd he go? That was amazing! What was that guy? Was he human? I wish I had a camera.

Videl- Hey, you... Did you see what happened here?

Gohan- I wasn't looking. Did something happen?

Videl- I can't believe I missed it. I should have stopped these robbers.

Town Folks- Hey, Videl! I was wondering when you'd show up! Wasn't that Gold Fighter incredible?

Videl- Gold Fighter? What do you mean?

Town Folks- You mean you didn't see him? He was some sort of crazy superhuman! He beat all the bad guys like it was no sweat! I figured he was one of your schoolmates because he was wearing a badge from your school.

Videl- Oh, really... Well then, if he goes to my school, I'll find him!

Town Folks- Hercule Cafe is so cool! I'm so glad they opened one here. Hey, the circus is in town! I haven't been to a circus since I was a little kid. I've always wanted to go to a World Tournament. There's something about guys beating the tar out of each other that I really enjoy.

Hercule Cafe Owner- I'm sorry, the Hercule Cafe is closed. The cargo plane that was supposed to deliver the Hercule Exhibits to the cafe has lost all the exhibits! We can't open a theme restaurant without a theme!!! If you find any of the missing items, please bring them to me!

Kid- Hey, Mom! Can we go to the circus?

Mom- Maybe if you stop running back and forth like that...

Kid- Tag! You're it. Hey! No fair! You cheated!

ORANGE STAR HIGH SCHOOL  
\*\*\*\*\*

Professor- Good morning, my young scholars... Today we are being graced with a new class member who actually knows how to read... That is your cue, my boy!

Gohan- Hi! My name's Gohan! Nice to meet you!

Professor- Gohan here made perfect scores on all his entry exams. English. Math. Chemistry. Many of you could learn from his example.

Erasa- Hi, Gohan! My name is Erasa! This is my friend, Videl. You'll never

believe who her father is!

Gohan- Oh?

Erasa- Yeah! She's Hercule's daughter.

Gohan- Hercule? Must be neat being all celebrity's daughter and all!

Videl- Wait a second... It's you!

Gohan- Huh?

Videl- You're the guy who I saw outside the bank this morning.

Gohan- Oh yeah.

Erasa- So you saw the Gold Fighter then?

Gohan- The... Gold... Fighter?

Erasa- You're really out of the loop aren't you, Gohan? He's a crime fighter with super strength and magic powers! They say he looks like a teenage boy with golden hair!

Gohan- (Uh, oh... They've already made a legend out of me!)

Videl- I just remembered something... I heard that the Gold Fighter was wearing a black vest and red pants. Does that sound familiar?

Erasa- Whoa! That's funny. Gohan and the Gold Fighter dress alike!

Gohan- Yeah... That is funny...

Sharpner- He's not the Gold Fighter if that's what you're thinking. Who's ever heard of a little book nerd secretly being a super hero?

Erasa- Don't listen to him, Gohan. I bet you could be a super hero if you wanted.

Videl- Even if it were possible, Gohan's hair isn't golden... Of course, there were those fighters in the Cell Game videos... They turned their hair gold.

Sharpner- Your dad said that was a cheap trick.

Videl- I guess you're right.

[fade-out]

Professor- ...and that's why you should never, ever put a capsule inside another capsule. Alright, that will be all for today, class. There will be a test on today's lecture on Friday.

Erasa- Are you sure you aren't the Gold Fighter, Gohan? It would be so cool to know a super hero!

Sharpner- Are you into sports, Gohan? Have you ever thought about joining the track team?

Classmate- Have you heard about the Gold Fighter? They say that he goes to school here. I can't believe he's giving us a test on Friday. I just got the

new video game, Adventures of Hercule 2; but instead of playing it, I gotta study. I found today's lecture to be fascinating. Brief's theory of quantum molecularization is amazing. Don't you think?

Gohan- This isn't good. That was too much of a close call. What will people think of me if they know I have super powers? I need a disguise... Hey, I know! Maybe Bulma could help me!

Journal Entry: Fly to West City and talk to Bulma.

Use a World Map Circle to fly onto the World Map! Use the World Map to fly from area to area. Use the B Button to fly upwards and the A Button to descend and land. A star will appear on the mini-map to designate key areas. Other areas you will have to find on your own by exploring.

\*\*\*\*\*  
WEST CITY

\*\*\*\*\*

West City Folk- I used to not believe in ghosts. But then I saw one out in the woods. Now I believe. One time I saw a UFO, but no one believed that either.

Z-Mart Owner- Welcome to the West City Z-Mart! How can I help you? Thank you, come again!

West City Folk- Air Bandits are making air travel more and more dangerous. I traded in my air car for a regular car with wheels. Sure, there are bandits on the ground too, but the ones in the air are especially vicious!

West City Folk- Have you heard the new Silver Spider Album? They were really popular twenty years ago, but now they're making a comeback.

Police Men- Ever since the incident with the Warlord, the mayor has stepped up to the police presence on the streets. As you can see, the streets are much safer now. - Nothing to see here citizen. Move along.

West City Folks- Hey, bud! Want to buy a Lazarus Crystal? You can have it for 5500 Zenie. Take it or Leave it. No. You're passing up a great deal!

West City Folks- I could really go for a thick, juicy T-Bone steak right now. I'm so hungry...

Police Men- Being a cop is boring in West City. Nothing ever happens anymore... I wish I lived in Hercule City. That's where the action is.

Kid- I wish I could go to the park but my mom won't allow me to cross the street.

\*\*\*\*\*  
CAPSULE CORPORATION

\*\*\*\*\*

Mrs. Brief- Isn't it just a beautiful day out today, Gohan? Mrs. Brief gives you a cookie.

Scientist- I didn't do it for the money or the fame... I did it all for the science!

Receptionist- Welcome to Capsule Corporation! How can I help you? Tell me about The Supply Room. To find the Supply Room, walk North through the Atrium. Follow

the path right at the fountain. About the Computer Room. To find the Computer Room, simply go through the door to the West of here. Use the computer room to access data collected with your scouter. More. About the Z-Fighter Museum. To find the Z-Fighter Museum, simply go through the door to the East of here. It's a museum dedicated to the Z-Fighters! About the Gravity Chamber. To find the Gravity Chamber, walk North through the Atrium. Follow the path left at the fountain path. Bulma Brief's husband often trains in that chamber. Please let me know if you have any more questions.

Museum Curator- I'm sorry, the Z-Fighter Museum is closed. The Cargo plane that was supposed to deliver the Z-Fighter exhibits to the museum has lost all the exhibits! If you find any of the missing items, please bring them to me! Did you find any of the exhibits? Oh, thank you! There are .. exhibits still missing.

Scientist- Why do we have to wear these ridiculous ties?

Mr. Brief- Make yourself at home! You're always welcome here at Capsule Corporation!

Scientist- I've been studying this strange object ever since I found in the desert ten years ago. But I think I've discovered everything I'm going to discover about it. Maybe it will be useful to you?

Scientist- You can ask the computer anything you want, just as long as you don't ask it "why?" That makes the computer explode.

\*\*\*\*\*  
BULMA'S HOUSE  
\*\*\*\*\*

Bulma- So basically you don't want anyone to recognize you right?

Gohan- Yeah. I'm just scared my new friends will think I'm weird if they see me fighting criminals. Do you think you can help me?

Bulma- I think I have an idea... All I need you to do is go down to the Supply Room and get me a number 2402 Capsule. Did you get the Capsule? Thanks! You know, Gohan, you don't have to fight the bad guys, but I guess playing super hero is too much in your blood... So I'll just make you a disguise!

Gohan- Do you really think you can do it?

Bulma- Gohan, you're talking to a girl who designs and builds space capsules for a living! I don't think a little crime fighter costume is going to be hard.

Gohan- You're the best, Bulma! This is gonna make school so much easier!

Bulma- Here you go, Gohan!

Gohan receives the Great Saiyaman Watch!

Gohan- So... I just press this button... This is terrific, Bulma! When they see this they'll forget all about the Gold Fighter! It'll give this city something to talk about!

Journal Entry: Use your new disguise to fight crime in Hercule City!

Bulma: Say, Gohan... Before you go... Do you remember how to use your scouter? Yes. Great! I'll see you later then.

\*\*\*\*\*  
HERCULE CITY

\*\*\*\*\*

Criminal- Stick 'em up!

Women- Take my purse-- just don't hurt me!

Gohan- That woman is getting mugged! I better do something!

Great Saiyaman- Stop, criminal!

Criminal- Who are you?

Great Saiyaman- I am the Guardian of the City! I am the one and only Great Saiyaman.

Criminal- "Great Saiyaman?"

Great Saiyaman- Yes! The Great Saiyaman!

Criminal- Hahahaha! I don't know what's funnier, your name or your outfit! What is with those antennas on your head? Do you get the Titans game on that thing?

Great Saiyaman- Hey, stop laughing! I put a lot of thought into this... I mean... You won't be laughing when I put you in jail, evil-doer!

Gohan- (Oh wow, I'm going to be late for class! I gotta run!)

\*\*\*\*\*  
ORANGE STAR HIGHSCHOOL

\*\*\*\*\*

Student- So did you hear about the new super hero? They say this is someone different than the Gold Fighter.

Female Student- Yeah, I heard. They say he's kinda funny looking, but he's super strong! His name is the Great Soy Man or something like that.

Gohan- SAIYAMAN! HE'S CALLED THE GREAT SAIYAMAN!

Female Student- Well, excuse me! How do you know that anyway?

Gohan- Ummm... Someone I know saw him and they told me!

Videl- Videl, here. Go ahead. The Red Shark Gang has kidnapped the Mayor? Stay calm! I'm on my way! May I be excused professor? Thanks!

Gohan- What's wrong with Videl? Is she sick?

Erasa- No silly. She's going out to fight criminals!

Gohan- What? All by herself?

Erasa- Of course! I mean she is the daughter of Hercule, you know! She's always going out and fighting criminals.

Gohan- But that's not safe!

Sharpner- There's no reason to worry, Gohan. Videl can lift even more weights than I can! She's been training her whole life and some say she's even as strong as her father now!

Gohan- I'm more worried that she's as weak as her father!

Professor- Hey! Come back! Wow... He must have really needed the bathroom.

Journal Entry: Help Videl defeat the Red Shark Gang and save the Mayor!

\*\*\*\*\*  
HERCULE CITY  
\*\*\*\*\*

Thug- Alright, clowns! Listen up good! You get Hercule out here or I'm gonna pop the mayor. You got that?

Mayot- Why do you want Hercule?

Thug- Because I want to fight him!

Mayor- He'll wipe the floor with you.

Mayor- You really know how to push my buttons, don't you? I want to prove everyone that Hercule is a fraud. He's a wimp. And when you all find out your big hero is a weakling, I'll be the hero!

Videl- Not if have anything to do with it!

Thug- Well, well, well... If it isn't Hercule's daughter, Videl. I asked for your father. What kind of hero would send his little girl to fight for him?

Videl- Listen, my father didn't send me here! I'm just here to clean up the trash!

Thug- Who the heck are you?

Great Saiyaman- I am the guardian of the City! The one and only! Great Saiyaman! (oh, yeah! That was perfect!)

Videl- Huh? (What a weirdo... Is this the hero they've been talking about?)

Thug- What is this? I ask for Hercule and I get a little princess and some guy with a bucket on his head. Men! Take care of these punks!

Videl- Who are you?

Great Saiyaman- I am... Saiyaman!

Videl- No. I mean who are you really, under that helmet?

Gohan- Uh... I gotta go... See ya later, Videl!

Videl- (How does he know my name? And who is this guy? Saiyaman, I'm going to find out who you really are!)

\*\*\*\*\*  
MUSAKA CIRCUS  
\*\*\*\*\*

Musaka- That's right, folks! The circus is in town! Step right up, folks! Come see the baby pterodactyl that's winning the hearts of people everywhere! Come see Rocko! The most adorable spectactle on Earth!

Gohan- Rocko? That pterodactyl isn't named Rocko! I know him. His name is Chobi. I bet his parents are wondering where he is!

Town Folks- Awww. How cute! He is adorable!

Gohan- Hey! Excuse me, sir! I'm a bit concerned about the well being of that dinosaur...

Musaka- That is great! Now buzz off.

Gohan- Look! I know you kidnapped that little guy! Let him go!

Musaka- You gotta be kidding me! It's an animal! It's not kidnapping! But... Maybe you're right. Maybe all circus owners are guilty of kidnapping. Hahaha!

Gohan- It's not funny. That dinosaur has a mother and a father. You can't just take him like this!

Musaka: Please! That's just a bunch of sentimental rubbish. Where do you think circuses get their animals from?

Gohan- This sounds like a job for Saiyaman!

Journal Entry: Save Chobi from the circus.

Great Saiyaman- I hope this is the right thing to do... What am I thinking? Of course, it is! Chobi has the right to be with his parents just like any other kid. Oh, no! Speaking of Chobi's parents, they're going to be boiling mad! If they come to the city looking for him, we could have a real disaster on our hands!

Musaka- Stop that man!

\*\*\*\*\*  
HERCULE CITY  
\*\*\*\*\*

Videl- Well, well! Look who it is! It didn't take very long for you to show your true colors, did it, Mr. Saiyaman. You should be ashamed!

Great Saiyaman- It's not what it seems! You're not going to have to believe me, Miss Videl! If I don't return this guy to his rightful home, the people of this city are going to be in grave danger! And that's the truth!

Videl- What do you know about truth? You're just a common thief! Now give that dinosaur back or else I'll have to take him back by force, Mister Saiyaman!

Great Saiyaman- If we don't return that baby to its father and mother, they're going to come looking for him, and it's not going to be pretty! You have to believe me! You know that I'm a law abiding citizen! But this is a special case! I swear!

Videl- So you obey the law when it's convenient; and when you want to break it, you break it, you call it a special case? And you call yourself a hero... You know, to be honest, I've wanted to kick your butt ever since I met

you!

[Videl moves to the Great Saiyaman]

Chobi- SQUAWK!

Videl- What's he doing?

Great Saiyaman- He's calling his parents!

[His parents come flying over Hercule City]

Videl- My gosh! They're huge!

Great Saiyaman- They're Chobi's parents. Go home Chobi! You're safe now!

[Gohan sets Chobi free]

Videl- Wow, Gohan, I'm so sorry I doubted you.

Great Saiyaman- Oh, it's no problem, Videl! I don't blame you at all.

Videl- HA! I got you! You're Gohan!

Great Saiyaman- What? I don't know what you're talking about.

Videl- Of course... It all makes sense now. Erasa told me that Gohan left the classroom right after I left to go fight the Red Shark Gang and never came back! And then you showed up. I can't believe I finally figured it out! I think I'm going to hold a press conference!

Great Saiyaman- No, please don't! You know the only reason I keep my identity secret is to protect my family's privacy! It's for them! Please, Videl!

Videl- Is that true?

Great Saiyaman- Yes, it is! Is there any way you can keep my secret between us?

Videl- Maybe... But there's something you have to do for me... I want you to enter the World Martial Arts Tournament! And then I'll keep it a secret.

Great Saiyaman- Me? Compete in the tournament?

Videl- That's right. I'm going to be competing myself, but winning won't mean anything to me unless I know all the greatest fighters are participating. My dad was the last champion, and I heard that before him, a guy named Goku was the champion. I did a little research on this Goku guy, and he had a son named Gohan. You're his son, aren't you?

Great Saiyaman- Uhhh... No!

Videl- I knew it. You're a terrible liar, Gohan. You are Goku's son! This is great! The former champ's daughter fighting the former champ's son!

Great Saiyaman- Yeah... Great...

Videl- It's settled then! See you later!

Great Saiyaman- Great, now what do I do? If I tell mom I'm entering the tournament, she's going to kill me!

[Gohan changes back into his normal clothing]

Goku- So, Gohan, you're going to enter the World Tournament?

Gohan- Dad? Is that you?

Goku- Yep! Guess what? I'm going to be allowed to come back to Earth for one day. It seems that I have a little credit saved up and they're letting me come back to fight in the World Martial Arts Tournament!

Gohan- No way! This is great!

Goku- Be sure to let everyone know I'm coming back! Krillin and Master Roshi are going to want to know, and so will Bulma and Vegeta! And don't forget Piccolo! Oh, and make sure you tell your mom and Goten I'm coming back too! They're all going to want to hear!

Gohan- Yeah! Mom's gonna freak out! And Goten is going to be so happy. He's never met you!

Goku- Well, Gohan, it's great to hear your voice again. I can't wait to see everyone again! I'll see you at the World Tournament!

Gohan- Bye, Dad! You sure are full of surprises...

Journal Entry- Tell your family and friends that Goku is returning!

\*\*\*\*\*  
BULMA'S HOUSE  
\*\*\*\*\*

Bulma- Goku is coming back? That's great! Too bad he couldn't come back permanently...

Trunks- Your dad is coming back to fight in the World Tournament? That's so cool!

Vegeta- If Kakarot is coming back to fight in the World Tournament, I'm entering too! Finally, I'll have another chance to defeat him!

\*\*\*\*\*  
KAMI'S LOOKOUT  
\*\*\*\*\*

Piccolo- If Goku is entering the tournament, it should be a tournament to remember! I'll enter! Sounds like a lot of fun. But please tell me you're not going to wear that Saiyaman outfit to the tournament. It looks ridiculous!

Mr. Popo- Hello, Gohan! I can't wait to see Goku again!

Dende- I would go to the tournament, but fighting isn't my thing. I'm more into healing people!

\*\*\*\*\*  
ROSHI'S ISLAND  
\*\*\*\*\*

Master Roshi- Will wonders never cease... Hey maybe I should enter the tournament too! What do you think? Actually maybe that's not a very good

idea...

Android 18- There's a lot of prize money involved in this competition, isn't there? I think I'm going to enter... And I'm going to make Krillin enter too. We need the money! I'm tired of living with this lecherous old coot!

Krillin- WHAT??? NO WAY!!!! Goku's going to compete! I don't believe it! But I don't want to compete. That's why I let my hair grow back. I'm a family man now!

Maron- If Mommy and Daddy fight in the tournament, I want to watch them!

\*\*\*\*\*  
GOKU'S HOUSE  
\*\*\*\*\*

Chi Chi- Oh, my goodness! I hardly know what to think! Your father is really coming home. And you get to meet your daddy, Goten! Isn't that wonderful? This is too good to be true...

Goku- By the way, since Dad's competing in the World Tournament, can I compete as well? I'd like your permission to enter the World Tournament and to miss some school so I can train!

Chi Chi- Are you serious? You have got to be kidding!! You know that your studies take priority over everything else!

Gohan- But, Mom! Dad's only going to be here for a day! I'll never get this chance again! And the winner gets paid ten million Zenie. If I win, it will be like getting a big scholarship!

Chi Chi- Ten million Zenie? Holy cow! You could get a Ph.D. with those kinds of bucks! My son... The Ph.D. Of course, you can compete, Gohan! Of course, you can!

Goten- Gohan... What's Dad like?

Gohan- He's an amazing man. When you're around him, you just feel happy inside.

Goten- I can't wait to meet him. Hey, Gohan?

Gohan- Yeah, Goten?

Goten- Can I help you train?

Gohan- Sure! I'm going to need a real strong training partner and you'll be perfect!

[Fade Out]

\*\*\*\*\*  
YEMMA'S OFFICE  
\*\*\*\*\*

King Yemma- Baba, this is quite unusual. It's not every day that someone is allowed to return back to the world of the living.

Baba- I've already discussed this with the Grand Kai and he approves. Seriously Yemma, if anyone deserves this, it's Goku.

King Yemma- Very well... Goku, you are aware of the conditions.

Goku- Conditions?

Baba- Yes, Goku. You will only get 24 hours to stay in the living world. That's all I can do.

Goku- Oh, I see... But 24 hours is better than nothing!

King Yemma- Well... Looks like all this paperwork is in order. You're free to go!

Goku- Thanks, King Yemma!

OTHER WORLD  
\*\*\*\*\*

Civil Servant- Tank-Boy! Tank-Boy!!! TANK-BOY!!!!!!

Tank-Boy- Ouch! What are you yelling at me for?

Civil Servant- Listen, pally! What do you think you're doing? This is the machine that cleanses the souls condemned to H.F.I.L.! This isn't a game! Next time I catch you goofing off like this, I'm gonna report you to King Yemma. He'll probably dock your pay, or worse!

Tank-Boy- Dock my pay? But my pay is already pathetic as it is. Sheesh!

Civil Servant- Then you better shape up, tough guy! Look at these tanks. They're filthy!

Tank-Boy- I don't know what his problem is. I do my job just fine.

[Earthquake]

\*\*\*\*\*  
YEMMA'S OFFICE  
\*\*\*\*\*

King Yemma- What was that?

Civil Servant- It sounded like the Soul Cleansing Machine exploded!

King Yemma- You're kidding me!

Pikkon- I heard the explosion. What's going on here?

King Yemma- It was the Soul Cleansing Machine. It's a machine that cleanses evil spirits before they are sent to the H.F.I.L. I hate to imagine what could have been let loose... This could have terrible repercussions for both the Other World and the World of the living. Pikkon, will you go check it out for me?

Pikkon- Of course, sir. I'll take care of it right away.

King Yemma- I hope you will... for all our sakes.

EAST DISTRICT 439  
\*\*\*\*\*

Goten- Thanks for letting me train with you, Gohan! I promise I won't get in your way!

Gohan- I'm going to go out in the forest to the east of here! You should meet me there!

Goten- I bet I can beat you there!!!

Journal Entry- Meet Goten in the eastern forest to train.

Gohan- Hey, bro! I need your help. See that pile of rocks there? I want you to throw those rocks at me and I'll dodge them.

Goten- Huh? You want me to hit you with rocks?

Gohan- If you can! Think of it like a game. It's a great drill. It sharpens intuitive reaction and it teaches you how to act when you don't have time to think!

Goten- Oh, I get it now. Okay!

[Gohan powers up to Super Saiyan]

Gohan- Alright, start throwing at the count of three. 1... 2... 3...

Goten- I got you!

Gohan- Ouch! I can't believe you got me!

Goten- That was fun! Let's try again.

Gohan- Wow. You've got quite an arm!

Goten- Hey, Gohan. Since Mom isn't here, is it okay if I become like you now?

Gohan- What do you mean, "like me"?

Goten- Well, you know. When you have the golden hair, and the super strength! I want to become a Super Saiyan now!

Gohan- I was twice your age before I was strong enough for Dad to teach me how to transform! Of course, I was the youngest Super Saiyan ever! Maybe I'll start teaching you when you get older...

[Goten transforms]

Gohan- Goten! You're a... Super Saiyan! Oh, my gosh! This is unbelievable! How

do you know how to do that?

Goten- Mom taught me while you were studying all the time.

Gohan- Mom? That's weird. She sure has changed a lot since Dad died...

Goten- Mom said I shouldn't turn into a Super Saiyan anymore. She called me a monster.

Gohan- Don't worry about that too much. You're not a monster, but let's just keep this between ourselves. Okay?

Gohan- Say... How about we do a little sparring?

[Fight]

Gohan- That was great! Let's keep going!

\*\*\*\*\*  
GRAVITY CHAMBER  
\*\*\*\*\*

[Trunks is walking around slowly]

Vegeta- Perhaps you should rest, Trunks. One hundred and fifty times gravity is a man's training level. You're clearly still a child.

Trunks- It is sort of difficult... I guess I'll just have to... .. go Super!

[Trunks transforms and runs around]

Vegeta- Did I miss something? When was the transformation to the legendary warrior of the Saiyan reduced to a child's plaything?

Trunks- Ha! Ha! Ha! This is fun!

Vegeta- Come here, Trunks.

[Trunks walks to Vegeta]

Vegeta- Can the youngest child of Kakarot also transform into a Super Saiyan?

Trunks- Yes.

Vegeta- Oh, naturally! It's a Super Saiyan bargain bin sale!

Trunks- Dad, since I can become Super Saiyan, can I enter the World Tournament?

Vegeta- Oh, so now you think you can enter the World Tournament? The arrogance! Fine. If you can hit me, I'll let you enter.

Trunks is unlocked.

[Vegeta hits Trunks back]

Trunks- Owwww! You didn't say you'd hit back!

Vegeta- I never said I wouldn't hit you, did I?

Trunks- No... But...

Vegeta- Dry your tears! We're going to the park now!

\*\*\*\*\*  
WEST CITY  
\*\*\*\*\*

Vegeta- Here we are Trunks, just as I promised! But don't have too much fun. If you're really serious about entering the World Tournament, I'd do some training if I were you. I want you to be stronger than Kakarot's boy! Do you understand me?

Trunks- Yes, sir.

Vegeta- Very well. Understand me well, boy. Just because you can become a Super Saiyan, it doesn't mean you know it all. For example, I bet you know that you can use Save Circles for saving your progress. But you probably didn't know that you can use Save Circles to change your character! Alright, now go have fun and play! But don't forget what I told you. Go see your mother when you're ready with your training.

Journal Entry- Train for the World Tournament. Meet Bulma at Capsule Corp when you are finished.

\*\*\*\*\*  
CAPSULE CORPORATION

Bulma- Are you ready to go to the World Tournament? Yes/No Okay! Let's get going! We don't want to be late to see Goku!

[Airship appears]

Vegeta- I've ridden on slugs faster than this vehicle!

Bulma- Oh, be quiet, Vegeta.

Gohan- Say... Vegeta... And this goe'd for Goten and Trunks as well. I think we should all agree not go Super Saiyan at the tournament.

Vegeta- What for?

Bulma- It's a good idea. This way no one will recognize you guys from the Cell games. If they did, the journalists would get your names off of the entry forms and there would be TV cameras all over our front lawn!

Vegeta- I don't see the problem. When the journalists come, we'll just destroy them!

Gohan- I'm serious, Vegeta. It could be a big problem.

Vegeta- Fine. It's settled. There will be no Super Saiyan transformations in the battles. I'll still have the advantage.

Krillin- That's good news for me. Maybe this way I'll stand a chance! Fighting a Super Saiyan is like fighting a steamroller with your hands tied!

Bulma- Hey, guys! We're here!

\*\*\*\*\*

PAPAYA ISLAND

\*\*\*\*\*

Baba- So here we are, Goku. Remember what I told you.

Goku- Thanks, Baba! See ya later!

[Baba goes back]

Goku- Hey, guys! I'm back!

Gohan- Dad! It's you!

Goku- Wow! You guys changed a lot in seven years! Gohan, you're a giant!

Krillin- I don't believe it! Goku, it's really you!

Goku- Hey, Krillin! Love the hair!

Chi Chi- Oh, sweetheart, I've missed you so much.

Goku- I've missed you, too, Chi-chi. And who's this guy? he looks like a little me!

Goten- I'm Goten!

Goku- Hi! I'm Goku!

Goten- DADDY!!!!

Piccolo- I hate to interrupt, but we should move on to the registration area before it closes!

Yamcha- Oh, I'm not competing in this tournament. I would just embarrass myself.

Puar- I don't know why Yamcha won't compete. I'm sure he would do fine.

Android 18- I'm sick of having to live with Roshi. That's why I want this prize money. Then we can get an apartment or maybe even a house.

Marron- I'm going to cheer real loud for Mom and Dad!

Krillin- I don't know about this. With all these Saiyans and Piccolo fighting in the tournament, I don't have a chance!

Ox-King- I forgot how funny you guys were together! You crack me up!

Master Roshi- I have a feeling that this is not going to be your typical tournament.

Oolong- Good luck, you guys! This is just like old times!

Bulma- It's great that Goku is back. Everyone seems so happy to be together.

Vegeta- This is my chance to beat Kakarot once and for all!

Chi Chi- Isn't this wonderful? Our family is back together again!

Piccolo- Is Gohan seriously going to wear that ridiculous outfit in the

tournament?

Goten- I can't wait to compete in the tournament. This is great!

Goku- It feels so great to be back on Earth, but I'm hungry!

Guard- Sorry, only registered fighters can go through this door.

Great Saiyaman- I can't believe I got blackmailed into entering this tournament!

Female Registrant- Next please! Ahhh... Another for the Junior Division...

Trunks- What does that mean?

Female Registrant- It's the division for everyone under the age of fifteen.

Trunks- Oh, great! You're sticking me with all the little kids? Thanks for the offer, but I'll take the adult division.

Female Registrant- I'm sorry. I can't do that. There are rules you know. Please step through the door ahead to enter the preliminaries area.

Guard- Welcome and good luck in the tournament!

[You're controlling Gohan now]

Female Registrant- Next please. Can I have your name?

Gohan- Great Saiyaman.

Female Registrant- Great... Saiyaman?

Gohan- That's right.

Female Registrant- Okay. Whatever floats your boat. Please step through the door ahead to enter the preliminaries area.

Guard- Welcome and good luck in the tournament!

[The entire gang enters]

Videl- Hey, "Great Saiyaman!" I'm glad you kept your promise. I can't wait to fight you in the tournament!

Vegeta- Why don't we just wipe out all the competition right now? That would make things easier.

Krillin- Say 18... It's not too late for to leave the tournament. I really don't think it's such a good idea.

Android 18- Don't even think about it, Krillin.

Krillin- Sorry, honey...

Presentator- Hey, Goku! Piccolo! How are you guys doing? I started to think that I'd never see you again. You haven't competed in the World Tournament in ages. Tell me something. Hercule didn't beat Cell die he?

Goku- Uhhh... No comment. Heh...

Presentator- I knew it! It had to be you. I'm so glad you're here. Without you these last few tournaments have been nothing but BORING! So do you think you guys can avoid blowing up the ring this time?

Piccolo- We'll try.

Hercule- Hey! Where's my open faced club sandwich? Say kid... Do I know you from somewhere?

Guard- Are you ready for the qualification preliminaries? Yes/No To ensure fairness we'll select the finalists by way of punching strength. The fifteen people with the highest scores on the machines will be given spots! Now, to test out the new punching machine and give us a score to go by, we ask the defending world champion to make the first hit! Hercule, would you come on out please!

Hercule- Alright, let me show you amateurs how it's done! HERCULE PUNCH!

Guard- Incredible! Hercule just scored one hundred and thirty seven points!

Hercule- Good luck to all you fighters! I hope one of you breaks a hundred so we can have a decent match!

Guard- Alright. Great Saiyaman. Are you ready?

Gohan- Sure.

Guard- Alright. Listen up! This is how the punching machine works. When you stand in front of the punching machine, a bar will appear. The moving marker determines the power of your punch. Press the A button to punch. Timing is key!

[Gohan punches]

Guard- 720 points??? This can't be right. Maybe the machine is broken. Well, I guess you qualify.

Goku- They're going to be having the Junior tournament soon! I want to see Goten and Trunks compete.

Vegeta- I have a feeling my son is going to crush your son, Kakarot!

Goku- Sheesh, Vegeta... They're just kids...

[Two weird characters come walking in]

Mr. Shin- Good afternoon. You wouldn't happen to be Goku would you?

Goku- Yeah. How did you know my name?

Mr. Shin- Ah... Your reputation as a great fighter precedes you! I was hoping to get a chance to fight you during the tournament. I've traveled very far to meet you in battle. You might even say that I'm one of your biggest fans!

Goku- Gosh... Thanks!

Mr. Shin- Be seeing you!

[They walk away]

Piccolo- I don't like the feeling of this. They're strong...

Goku- Real strong. But hey, that's what this tournament is about. Finding the unexpected challenge and seeing who emerges as the victor.

Vegeta- We'll find out soon enough, won't we? I for one will be happy to take on either of those two clowns.

[Our Z-Crew walks outside]

Trunks- So... If you won the tournament, what would you get with the money?

Goten- Uh... Toys, I guess!

Trunks- Sheesh... You're such a toddler, Goten.

Goten- So what are you going to buy?

Trunks- I'm not sure what I'm going to buy.

Goten- Yeah. I guess when your family's the richest in the world there aren't many toys that you don't have.

Idasa- Hey, half pint. You're going to be fighting me in the tournament. I hope you're wearing diapers! Hahahaha!

Trunks- Spare me. I'm going to send you home crying to your mommy.

Idasa- How dare you? You've just sealed your fate, shorty! I'm going to beat you so hard, you'll have a concussion!

Presentator- Attention everyone! The Junior Tournament is going to begin! Rules are same as the big leagues! Whoever gives up, lands outside the ring, stays down for ten counts, or loses consciousness will lose it all!

You are now playing as Trunks. Defeat ten fighters to win the tournament!

[Match Five begins]

Idasa- Are you ready to cry yet, baby?

Trunks- Please. Don't talk. You'll just make a fool of yourself.

Soccer Mom- That's my baby Idasa down there!!!! Ooooo!!! Idasa!!!!!! I wish they would match Idasa up with a bigger kid! This won't even warm my boy up!

Bulma- Oh, yeah? That's my son you're talking about! Get him, Trunks! You make that boy sorry he ever met you!

[Trunks defeats Idasa]

Soccer Mom- Nooo!!!! My baby!!!! That was unfair! That boy cheated!

[Match 10 commences]

Presentator- Unbelievable! Trunks wins and this means he's going to the final!

This is truly amazing ladies and gentlemen! It's the moment you've been waiting for! The Junior Division Championship between eight-year-old Trunks and seven-year-old Goten! Which one of these fabulous fighters will be the new World Champion?

Trunks- I think being the World Champion is going to be fun!

Goten- Oh, yeah? I'll definitely let you know how it is!

[Goten turns Super Saiyan]

Hercule- (What? His hair turned gold! Just like that guy who beat Cell! What's going on here?)

Trunks- Goten! Did you forget? We're not supposed to transform into Super Saiyans, dummy!

Goten- Oh, yeah... Oops! Sorry...

Trunks- Give me a break, you didn't forget. You knew darn well what you were doing, didn't you? Well now, there's no reason for me to hold back anymore, is there?

[Goten loses]

Presentator- Ladies and gentlemen! We have a winner! The new Junior World Champion is Trunks! Ladies and gentlemen, before we get started with the adult competition, we're going to have a special exhibition match between the new Junior World Champion, Trunks, and Hercule, the reigning World Martial Arts Champion!

Hercule- (What am I going to do? I have no chance of beating a kid like him!)

[Hercules tries to run away]

Presentator- Hercule? I swear I just saw him... Hercule? Where did he go? Oh, there you are, Hercule! Ladies and gentlemen! It's Hercule!

Hercule- (Oh, no... I'm doomed!)

[Hercules walks up the fighting arena]

Hercule- Alright you people! I hope you're ready to rock, because Hercule is in the house!!! Yeah!!!

Trunks- (I wonder if this guy is strong as he says he is. He looks like a big gorilla. Looks can be deceiving though.)

Hercule- Hey kid, you do know this is an exhibition match, don't you? That means it's a fake fight. It's pretend. So let's take it easy, okay?

Trunks- No way! I'm going to do my best!

Hercule- (Oh, great)

Presentator- Alright folks! It looks like these two champions are ready to get this fight underway! Let's hear it for these two great fighters! Let's get this match started! FIGHT!

[After the fight]

Presentator- Oh, my goodness! Hercule is out cold!

Hercule- (What am I going to do? Heroes don't get beaten up by small children! My reputation! Everything I've worked for! Gone! All gone! People are going to laugh at me!) Haha! Whoa! What a punch! Haha! Man! Oh, boy! Haha! What a punch! Haha! He beat me fair and square! Haha! What a great little fighter!

Man- Awww... How cool! He let the kid win!

Woman- Now that's what I call a hero! What a perfect gentleman!

Hercule- Thank you! Thank you! I love you all!

[Hercule goes back inside, the scenè switches to our Z-Fighters inside]

Announcer- Attention all tournament fighters! The adult division of the World Tournament is about to start!

Vegeta- It's about time...

Videl- Gohan! How can your brother possibly be so powerful? All of your friends seem to be extremely strong. Where did they all come from?

Vegeta- Goten put up a good fight. But there can only be one champion. Trunks has made me proud!

Goku- Wow, I can't believe both Goten and Trunks can go Super Saiyan. What's up with this generation? They must be eating all their vegetables.

Piccolo- I'm calling myself Majunior in this tournament. Why? I used that name in the last tournament I fought in. Also, I want to be incognito. You should understand that, Mr. Great Saiyaman.

Killa- I'm gonna dominate this tournament, sucka!

Jewl- Ladies love me! If I win this tournament, I'm going to have to buy another little black book!

Krillin- Who's that girl, Gohan? Is she your girlfriend?

Android 18- Yawn... When is this tournament going to get started?

Spopovich- ...

Pintar- In this tournament, I'm going to prove that size does matter!

Mr. Shin- ... very soon, Kibito, that which we came here for, will be within our grasp... I'm sorry, can I help you with something?

Announcer- Is everyone ready for the tournament to begin? Yes/No

And so the tournament began. Things started out uneventful, with Krillin easily defeating Pintar. But when Piccolo stepped out into the ring with the mysterious Mr. Shin, things began to get interesting...

Presentator- This is the first year Shin has participated in the tournament. He's a man of few words, so we know very little about him. And that could spell trouble for our other competitor... Majunior! Someone who, if I remember correctly, came close to turning this arena into rubble the last time he was

here! This time try to leave the stadium intact, okay?

Mr. Shin- This could be interesting... Don't you think, Piccolo?

Piccolo- (How does he know my name? And what is this strange energy I'm feeling?)

Presentator- Alright, fighters! Let the second match begin!

Piccolo- (Why can't I focus my power?)

Presentator- Hey, guys... Uhh... The match has started. You can throw punches now!

Piccolo- (Why am I holding back like this? I've never even met him before today! And yet, there's something about him... that reminds me...)

Presentator- Well, martial arts fans, it looks like what we have here is a good old fashioned stand off.

Piccolo- No... It couldn't be... You're not... Why would he be here?

Mr. Shin- I promise you'll know soon. But for now, let's just enjoy our little match.

Piccolo- No. I'm sorry. I can't.

Presentator- Does this mean you're forfeiting the match?

Piccolo- Yes, it does.

[Piccolo runs off]

Presentator- You heard it, folks! Majunior has withdrawn from the match! This makes Shin the winner by default!

[Piccolo is inside]

Krillin- What's wrong, Piccolo?

Goku- Is he really that strong?

Piccolo- Yes. Stronger than you can imagine.

Krillin- Oh, great... And I'm going to have to fight this guy next.

[Shin comes walking by]

Piccolo- Excuse me.

Mr. Shin- What is it?

Piccolo- Forgive me if I'm mistaken but I have to ask you... Are you the Grand Kai?

Mr. Shin- No. Sorry. I am not.

Kibito- I'll tell you who he is... the Supreme Kai!

Piccolo- Supreme Kai!?!? I've always suspected that there was an even greater

Kai above the Grand Kai, but until now, I never knew for sure. What are you doing on Earth?

Supreme Kai- That will all become clear. For now, please keep this information to yourself.

[Videl and Spopovich appear on the stage]

Presentator- Alright... I'm sure that most of you know Videl is the daughter of our champion Hercule. As for her rival today, Spopovich is here to redeem himself for a loss he suffered in the first round of the last tournament. Let the match begin!

[Videl beats Spopovich]

Presentator- What the??? Videl has clearly beaten her opponent. But I'm afraid she'll be disqualified for using excessive force. Those are the rules.

[Spopovich got up again]

Presentator- I don't know how to explain this, but Spopovich somehow survived! I've never anything like this...

[Midway in the fight]

Videl- I don't understand it. You were never this strong before... I'll never give up!

Spopovich- Ha... Ha... Ha...

[After Videl's defeat]

Gohan- No, Videl! Stay down! There is no way you can beat this guy!

Videl- No... I have to keep fighting.

Presentator- Ugh! This is too much! I can't stand to watch!

Yamu- Spopovich! Stop playing games. End this now!

Spopovich- Oh, alright...

[Switch to hospital room]

Hercule- How could this happen! Poor girl! Sugarbeet! What did they do to you! Videl! My little girl!

Gohan- She's okay, sir. But she's going to need some time to heal.

Videl- Gohan... That guy... Spopovich... I want you to beat him for me!

Gohan- Sure thing, Videl. Say... I have an idea... I'll be right back.

[Gohan runs off]

Hercule- What are you talking about, Videl? There's no way this kid could beat Spopovich. Don't worry. Daddy will take care of him for you--- Wait a second. That kid isn't your boyfriend is he? I won't allow it! Do you hear me? I do not approve of this! You know I've always said that if you have a boyfriend then he must be strong like me! Not feeble like that twerp! How can he protect my

little girl?

Videl- Dad... He's a really nice guy.

Hercule- Grrrr... One thing I just don't understand is... How could Spopovich have gotten so strong? When I fought him in the last World Tournament he was a creampuff...

Goku- Hey, Gohan! Where are you going?

Gohan- I was going to go see Korrrin to get a Senzu Bean for Videl!

Goku- Why don't you stay here? I'll take care of it.

Gohan- Thanks, Dad.

Journal Entry- Go to Kami's Lookout and get a Senzu Bean from Korrrin.

Yajirobe- Hey, Goku! Oh, man... You want Senzu Beans? You know I have better things to do than grow Senzu Beans for you all day. Here, take one. There you go. Next time I think I'll start charging!

[Run around Yajirobi]

Yajirobe- I hate it when people do that.

Korrrin- Hello Goku! What's going on? I would appreciate it if you could bring me some fish! Yajirobe keeps the fridge stocked with pizza and fried chicken, but I'm hungry for fish!

[Gohan runs into the hospital room]

Gohan- Hey, Videl. I have something for you!

Hercule- Hey, you! Leave Videl alone. She needs her rest! You got some nerve!

Gohan- Here! Take this. It's a Senzu Bean. It'll make you feel better.

Hercule- You think you can impress yourself my daughter with some kind of bean?

Gohan- Trust me, sir. It will make her feel as good as new!

Hercule- There's no way I'd trust you.

Videl- Please, Daddy... I trust you, Gohan. And I know it will help if you say

it will.

Gohan- Listen, I have to run or I'll be late for my tournament match! See ya later!

Hercule- Yeah, you better run! You better stay away from my daughter! Videl! No! Spit it out!

Videl- Amazing... I'm all better now! It's like I was never even hurt...

Presentator- Here we go with the fourth match of this competition! Kibito versus the Great Saiyaman!

Erasa- Is it just me...? Or does the Great Saiyaman look like Gohan?

Sharpner- Well... The hairdo looks similar. Hey, I think you're right! That is Gohan! So he's been the Great Saiyaman all along?

Erasa- We should cheer for him! He needs our support! YOU CAN DO IT, GOHAN! YEAH!

Sharpner- COME ON, GOHAN! SHOW US WHAT YOU GOT! GO GO GOHAN!

Gohan- (Oh, no! My helmet! In all the excitement, I forgot it!)

Kibito- Gohan, I am curious to see your Super Saiyan powers. Show them to me! We may be able to use them.

Gohan- What? Hey! How do you know I'm a Super Saiyan? And what do you mean "we may be able to use them?"

Kibito- You'll know in time. Show me your Super Saiyan powers now!

Gohan- Is this some kind of joke? I can't transform in front of all these people! What should I do?

Piccolo- Do what he says, Gohan!

Gohan- Alright then! You asked for it!

Kibito- Yes...

Gohan- Do you just want to see a Super Saiyan? Or should I take it up to the next level?

Kibito- What? There's a level beyond Super Saiyan?

Gohan- AAAAAAAAAARRRRRRRRRRRRGGGGGGGHHHHHHHHH!!!!!!

Spopovich- Hey look, Yamu!

Yamu- All that energy... it must be him!

Erasa- It can't be! Gohan's the Great Saiyaman AND the Gold Fighter??? Impossible!

Sharpner- This is unreal!

Kibito- What enormous energy! He's far stronger than I expected!

Gohan- Are you ready now? What's the matter? C'mon and fight me!

[Yamu and Spopovich have some weird machine]

Goku- No! They're killing him!

Supreme Kai- Trust me. He'll be fine. Stay back!

Videl- Someone has to help him! He's in trouble!

Supreme Kai- Gohan is in no danger.

Kibito- Hang in there, Gohan! It's almost over!

Yamu- We have all the pure energy we need! Let's go!

[Gohan collapses]

Supreme Kai- All of you stay where you are! Kibito will take care of Gohan now. He has no need of your assistance.

Goku- At least, tell us what's going on!

Supreme Kai- There's no time for that. I have to follow them and find out where they're taking Gohan's energy!

Goku- Then I'm going with you.

Supreme Kai- Very well. I could use your help.

Krillin- I know I'm going to regret this, but I'm going too!

Vegeta- I know what you're doing. You're trying to sneak out of our match, aren't you, Kakarot?

Goku- In case you haven't noticed, Vegeta, something more important is going on!

Vegeta- You listen to me! We're scheduled to fight after the next two matches! I only entered this stupid tournament to fight you! I will not be denied!

Goku- Take it easy, Vegeta! Fine! I'll put it on my "to do" list.

Vegeta- Arrrrghh!!! You forget that you can only stay one day on this world! I have to fight you today or I might never get a chance! I'm coming with you to make sure you don't try to pull any of your tricks!

Gohan- Where's everyone going?

Kibito- Quiet! You must stay still! There. That should do it, Gohan.

Gohan- Great! I feel way better now! Hey, what's going on here?

Kibito- Follow me. I'll tell you everything.

Videl- Gohan! Before you go, I need to know something.

Gohan- What is it, Videl?

Videl- Seven years ago... There was that strange group of fighters that showed up during the fight with Cell. And there was that little boy who was with them. That was you and your friends, wasn't it?

Gohan- Yes.

Videl- Then... It wasn't my father who beat Cell. It was you!

Gohan- Yes... It was.

Videl- I knew it! It always seemed like there was something fishy about my father's story. Now it all makes sense. I'm glad I know the truth. Thank you, Gohan. Now go and be a hero again!

[Fade Out]

Kibito- We needed to use Spopovich and Yamu to find the wizard who is controlling them.

Gohan- A wizard?

Kibito- Yes. When the human race was still in it's infancy on Earth, a powerful wizard named Bibidi appeared. With him he brought a terrible monster, whose only purpose was destruction. That monster's name was Majin Buu. This monster's only desire was to eliminate all living things. Hundreds of planets were reduced to rubble by him. Entire galaxies were wiped from existence.

Gohan- That sounds awful... So what happened to him?

Kibito- After a while Majin Buu became so powerful that even Bibidi could not control him. Bibidi used a spell to seal Majin Buu inside a ball where he lay dormant. Bibidi used the spell to transport Buu from the planet to planet, until the ball was brought here to Earth. The Earth was meant to be Buu's next target.

Gohan- No! That's terrible!

Kibito- But before Buu could be released, Bibidi was killed, and the ball containing Buu has remained here on Earth to this very day!

Gohan- I don't get it! Why couldn't someone destroy Buu while he was inside the ball?

Kibito- That's a good question. As long as Bibidi could never do the spell to release from the ball, Buu was no longer a threat. However, Bibidi has a son. He named his son Babidi. Babidi is on Earth right now as we speak! He intends to continue his father's work and unleash Majin Buu upon the universe once again!

Gohan- I see... So what do Spopovich and Yamu have to do with all this?

Kibito- Babidi is not very physically strong, but as a wizard he does not need to be. Instead, his magic enables him to harness the evil that exists in the hearts of people like Yamu and Spopovich, and thereby control their actions. In order to resurrect Majin Buu, Babidi requires a tremendous amount of pure energy!

Gohan- So they came after me!

Kibito- That's right. The Supreme Kai, the one you know as "Mr. Shin," was the one who defeated Bibidi so many ages ago. We have come here to Earth to stop him. I see your father and the others up ahead. Let's catch up with them!

Gohan- Hey, Dad!

Goku- Gohan! I suppose Kibito has filled you in?

Gohan- YEp! It sounds like we have our work cut out for us.

Supreme Kai- I see Spopovich and Yamu landing over there. Everyone try to suppress your energy. We don't want them to know we're here yet.

Gohan- Oh, great! What now?

Supreme Kai- It seems Babidi has decided to transport us again.

Presentator- What the... Four people just appeared out of nowhere! How bizarre! This is highly unusual! Four strange fighters have appeared in the arena, but the championship has already been decided!

Hercule- Yeah! I won this tournament fair and square!

Presentator- Excuse me gentlemen! The championship has already been completed! There's always next year...

Majin Vegeta- That's okay. We're just here for a little exhibition match!

Babidi- Vegeta! This is your new master Babidi speaking! It's time for you to\$ have a little fun! You can start by killing your friends!

Majin Vegeta- I won't. I am only here to fight Kakarot. The others... They're nothing!

Babidi- A defiant one, aren't you? You'll come around eventually...

Majin Vegeta- It's time, Kakarot.

Goku- Vegeta! No! We're on the same side! They're making you do this. Fight it!

Majin Vegeta- No one is making me do anything, Kakarot.

[Vegeta blows up part of the stadium.]

Gohan- This is terrible! All those people!

Goku- Vegeta... How could you? The Vegeta I know would have never done this!

Majin Vegeta- So how about it, Kakarot? Are you ready to fight me now?

Goku- This isn't the time, Vegeta!

Majin Vegeta- Oh, you'll fight me, Kakarot. Unless you'd like another part of the stadium to be "remodeled".

Goku- Vegeta... Certainly you didn't do that on purpose? How sad... I didn't think you were weak enough to be controlled. How can you let yourself be a slave?

Majin Vegeta- Tell me... Is it slavery when you get what you want?

Gohan- Stop this! Both of you!

Majin Vegeta- Stand aside, boy. This doesn't concern you. It's between me and your circus clown of a father!

Goku- Circus clown? That's a new one.

Supreme Kai- Goku! No! If you fight him, you'll be doing precisely what Babidi wants! With every injury Vegeta causes, more energy will be sent back to the spaceship and Buu will be revived!

Goku- Tell me, Vegeta! I know Babidi has been giving you orders. Is this one of them? Are you trying to fight me because of him or is this the same old story between you and me? Which one?

Majin Vegeta- You know as well as I do, Kakarot, that at the end of this day, you'll be back in the land of the dead. I'm not letting this opportunity slip by.

Supreme Kai- Who are you people? Don't you see that the fate of the universe is more important than your meaningless squabble?

Majin Vegeta- What do you know of meaningless? Spend most of your life ruled by another... Watch your race dwindle to a handful. And then tell me, what has meaning other than your own strength? I have the blood of a Saiyan prince! He's nothing but a clown! Yet I have had to watch him surpass me time and time again. He's even saved my life as if I were a helpless child. He's stolen my honor and this debt must be paid!

Goku- Babidi! I know that you can hear me! Transport us to a place away from people! If you give me that, I'll fight Vegeta!

Supreme Kai- So be it! If you truly think you've made the right decision, then you'll have to get around me to do it!

Goku- I don't want to have to hurt you, Supreme Kai...

Gohan- Dad! What are you doing?

Supreme Kai- Fine... Do what you want. I can't stop you.

\*\*\*\*\*  
ROCKY CANYON  
\*\*\*\*\*

Supreme Kai- I suppose there's no point resisting what cannot be helped. We will have to continue our efforts with a new strategy. While you two fight, Gohan and I will continue our assault upon Babidi and Dabura.

Babidi- Oh, no you don't! Vegeta! Destroy the Supreme Kai!

Majin Vegeta- I refuse!

Babidi- What???

Majin Vegeta- Your business with the Supreme Kai... It means nothing to me. Kakarot is my only objective.

Babidi- I'm serious, Vegeta! I command you to destroy the Supreme Kai!

Majin Vegeta- Get out of my head! I already told you! I will not be distracted from my goal! YOU may have invaded my mind and body... But there is one thing a Saiyan always keeps... HIS PRIDE!!!!

Babidi- What? This has never happened before! Since when can the possessed say "no" to the possessor? No matter... Have your fight with Goku. The result will be the same, and Majin Buu will finally be released!

Goku- Let's go. I'm ready now!

Majin Vegeta- That's good to hear, Kakarot. Now let us begin!

\*\*\*\*\*  
BABIDI'S SHIP  
\*\*\*\*\*

Gohan- Look! The spaceship is open! It's like they're inviting us to attack them!

Supreme Kai- Be careful, Gohan. It's probably a trap! But hopefully we can destroy Majin Buu before he awakens with his full power!

[They enter the ship]

Supreme Kai- This is it, Gohan. This is what we're here to find!

Gohan- Majin Buu is inside that thing?

Supreme Kai- Yes! And we must act quickly! If we combine our powers, we might have a chance to destroy it!

Babidi- Well, hello! I'm glad you could join us!

Supreme Kai- We've come to stop you, Babidi!

Babidi- Like you did my father? I'm afraid it won't be that easy Supreme Kai... Unlike my father, I have an eye for talent! Am I right, Dabura?

Dabura- That is right, Master.

Supreme Kai- Listen, Gohan, we have to strike now before Buu reaches his full power! Hold nothing back!

Babidi- Wait, Kai... Before you do anything... Let's take this outside! It seems a bit cramped in here... Papparapa!!!!

[Babidi transported everything outside]

Babidi- Dabura! Feel free to dispose of these fools any way you like! Perhaps you could turn them to stone...

Dabura- No, I have something far more painful in mind!

[Egg twitches]

Babidi- What's this? Could it be? But so soon! I don't believe it!

Gohan- Oh, no! We're too late!

Dabura- MAster Babidi! What's happening?

Babidi- Majin Buu is at full power!

Supreme Kai- I don't understand... Goku's energy alone couldn't...

Gohan- Dad... Dad must be fighting at a level beyond Super Saiyan! Dad and Vegeta both! And when two powers like that collide with that much energy...

Supreme Kai- No! How could I let this happen?

\*\*\*\*\*

Goku- I'm amazed, Vegeta! These last seven years in the Other World I've been through the most intense training sessions... But we're still completely even. I guess this whole time you've been pushing yourself even harder than I have.

Majin Vegeta- It's true. I've pushed myself to the edge of my limits and beyond, but you've been born with a natural talent far beyond my own. No amount of time could have closed the gap between us. Today as you fought Yakon, I realized that no matter how hard I tried I would never be able to catch up to you. So that's when I secretly made up my mind...

Goku- You mean... You fool! You deliberately let yourself fall under Babidi's spell!

Majin Vegeta- Yes. I saw the power of Babidi's magic as I watched that fighter Spopovich. I saw what his magic had done, and realized that it could also do the same thing for me! I have to say I'm quite pleased with the results, even if they do come at a price! I'd say the end more than justifies the means!

Goku- Vegeta, I don't understand. You've never allowed anyone to help you before in your life. Why start now?

Majin Vegeta- Because I wanted Babidi to reawaken the evil in my heart... I wanted him to return me to the way I was before! I was the perfect warrior... But slowly I started to become one of you! My quest for greatness gradually gave way to this live of mediocrity. I awoke one day to find that I had settled down and formed a family. I had even grown quite fond of them. That's why I needed Babidi! I needed him to set me free!

Goku- Do you seriously believe what you're saying?

Majin Vegeta- Enough talk, Kakarot! We finish this now!

Supreme Kai- We have to get out of here before Buu hatches! Run!

Gohan- No!!! I have to try to stop it from hatching.

Supreme Kai- Fool! We need you alive, Gohan!

Gohan- I have to do this. Now step aside!

Babidi- What are you doing?

Gohan- Ka! Me! Ha! Me! HAAAAAAAAAAAAAAAAA!!!!!!!

[Gohan blows up egg]

Babidi- It's empty! How can this be?

Supreme Kai- Unbelievable! Gohan! You did it! You made a fatal mistake, Babidi, just like your father! You were fooled by overconfidence and you underestimated your opponents! Now the story of Buu finally comes to an end!

Dabura- Don't let that fool discourage you, Babidi. Even without Buu we can continue our plan.

Babidi- Don't you understand? Without Buu, there is no plan!

Supreme Kai- Do you realize what this means, Gohan? All we have to do is take care of Babidi and Dabura, and everything will be back to normal.

Gohan- No... My attack wasn't strong enough to destroy the energy I felt in that egg. Something came out of that egg...

Supreme Kai- But I don't sense anything...

Gohan- It's there in the sky!

Majin Buu- BUUUUUUUUUUUUUU!!

Dabura- Tell me master. Is this Majin Buu?

Babidi- To tell you the truth... I'm not sure! I've never seen him before. The only one who has would be that annoying Kai over there!

Gohan- What's the deal, Supreme Kai? Is this the guy you're so afraid of?

Supreme Kai- Yes! That's Bibidi's creation no doubt! I could never forget that disgusting creature's face!

[Buu walks around a bit]

Babidi- Look at my face, Buu. I'm the son of Bibidi, your creator! You can call me Master! If it wasn't for me, you would still be trapped inside of that ball forever!

[Buu ignores Babidi]

Babidi- Don't turn your back to me! What is the meaning of this? I command you to turn around!

Dabura- This creature is nothing but a fool! I had great hopes for Majin Buu, but this deformed thing is nothing but a waste!

Majin Buu- Grrrrr!!!!

Dabura- What's wrong? Do you have a problem with what I just said?

Majin Buu- Pow! Pow! Pow! Ow! Ow! Ow!

Dabura- Huh?

Gohan- Heh... I guess Babidi made a real mess of reviving Majin Buu. He's like an infant!

Supreme Kai- No... There's been no mistake. Buu has always been this way!

Majin Buu- Pow! Pow! Pow!

Dabura- Run along Buu! Or shall I turn you into stone?

Majin Buu- POW!!!!!!!!!!

Babidi- Hahahaha!!!! That was just fantastic! Just remember, Buu, I'm well-versed in all my father's incantations... I can put you back in that ball with a phrase if you like...

\*\*\*\*\*  
ROCKY CANYON

Goku- Wait a second! I just felt a tremendous surge of energy! While we've been fighting each other, that Buu creature must have been hatched!

Majin Vegeta- Buu is nothing to worry about. He way have ruled in his own time, but since then the Saiyans have evolved! Think about it... When we fought what the Supreme Kai said were the strongest fighters in the universe, he constantly underestimated our strength!

Goku- You're wrong. I can feel something deeper inside Buu...

Majin Vegeta- Enough with your feelings! Buu is just a sideshow. You're my only concern! You're just stalling because you know I can beat you!

Goku- Everyone on Earth will be killed! Can't you see that? Bulma! Trunks! Everyone!

Majin Vegeta- Shut up! They're nothing me! I have a Saiyan heart that depends on strength alone!

Goku- I don't buy it! Talk all you want but you better convince yourself of that first!

Majin Vegeta- Fine. You win. Our battle is postponed. You're obviously too distracted.

Goku- Vegeta!

Majin Vegeta- Don't just stand there! Get out your Senzu Beans!

Goku- Great! With all of us working together, I'm sure that we can beat this guy.

[Vegeta knocks Goku out cold]

Majin Vegeta- So, even Kakarot can prove helpless when his guard is down. I'll take care of Buu myself. The last thing I need is the clown claiming another victory for himself to hold over my head! We'll finish this when I return... Enjoy your sleep! Now I take care of this Majin Buu--my way! First things first, I'd better destroy that Wizard's spaceship! I wouldn't want them having a chance to run away!

Journal Entry- Destroy Babidi's Spaceship.

Supreme Kai- I'm sorry, Gohan. This is it... It's all over. I was too confident that I could stop Babidi before Buu was revived. But it's too late now.

Gohan- Listen to yourself! We're not dead yet!

Babidi- That's what you think! Buu! Eliminate these two! And be quick about it!

Majin Buu- Buuuuuuuuuuuu!!!! Buu make you dead!

Babidi- Finish him, Buu!!!!

[A spear is thrown into Buu's body]

Babidi- Dabura, you insolent fool! What do you think you're doing?

Dabura- Babidi! I beg you! This Majin Buu creature is far too powerful to be controlled! If he is allowed to reach his full power it will only be a matter of time before he destroys you! Make the best decision of your life and help me crush him while we can!

Babidi- Dabura, are you insane? Buu is my life's ambition! How dare you harm him!

Majin Buu- Now I eat you! You turn into cupcake!

[Buu eats Dabura, Piccolo and Krillin become alive again, Vegeta destroys the space ship]

Babidi- It's Vegeta! What are you doing here? Are you the one blew up my spaceship?

Majin Vegeta- That's right. It was a little messy, but it was the quickest way to get the job done.

Babidi- But why? I did not order you to do that. You clumsy fool! Do you realize what you've done? How am I supposed to get off this wretched planet now?

Majin Vegeta- I assume that disgusting blob there is Majin Buu. He's ugly isn't he?

Majin Buu- He say "oogly." What means that "oogly?"

Babidi- It means you have a face that would scare small children.

Majin Buu- BUU MAD!!!! POW! POW! POW!

Piccolo- Trunks and Goten! What are you doing here?

Trunks- My dad! I have to help him!

Piccolo- Stay where you are! You'll just cause Vegeta more pain if you get involved!

Trunks- No!

Goten- Trunks! Wait up!

Piccolo- No, Goten! You'll just make things worse!

Goten- Let me go! Trunks needs my help! If I were Gohan, you'd let me go!

[Trunks hits Buu]

Trunks- Dad? Are you okay?

Goten- Is he alive?

Trunks- Of course, he is! My mom told me once that my dad was prince of all of the Saiyans!

Goten- Wow! Your dad is a prince?

Trunks- That's right. And how could a prince lose to some stupid monster?

Vegeta- \*cough\* Trunks... My son...

[Piccolo comes flying in]

Babidi- Who are you?

Piccolo- I'm the one who is going to make you writhe in agony like the worm you are!

Babidi- How dare you speak to me like that? Don't you know who I am? I'll have Buu destroy you!

Piccolo- Sure! Call your monster! So he can watch you die!

Babidi- Wait! Don't you realize that if I'm dead, no one will be able to control Buu? He'll destroy everything!

Piccolo- Don't you already plan on doing that anyway? So what would the difference be? Goodbye, wizard!

[Switches to Vegeta]

Vegeta- Listen... Son... I want you to take good care of your Mother.

Trunks- Why do you say that? Are you going somewhere?

Vegeta- I want both of you boys to get away from here. I will fight Buu alone.

Goten- Don't do that! We'll help you!

Trunks- Yeah! If we all gang up on him, we'll beat him easy!

Vegeta- Trunks... You are my only son... And I haven't held you since you were a baby, have I? Come here, son.

Trunks- What's wrong, Dad? Why are you acting so weird?

Vegeta- Trunks. There's something you need to know... You've made me proud, son.

Goten- Why did you do that? He's your son! You shouldn't do things like that to your son!

[Buu comes back from the rubble]

Majin Buu- Buu big mad! BUU BIG MAD!!!!

Vegeta- Take the two boys as far away from here as you can.

Piccolo- Of course.

[Piccolo picks up the boys]

Vegeta- It's time. Hurry!

Piccolo- You're going to die, you know that?

Vegeta- There is one thing I need to know... Tell me... Will I meet that clown Kakarot in the other world?

Piccolo- I'm not going to lie to you, Vegeta, although the answer may be difficult to hear. Goku dedicated his life to protecting the lives of others. Because of his selflessness, when he died he got to keep his body and travel to the Grand Kai's planet. You on the other hand... When you die, you will not receive the same reward.

Vegeta- Oh, well... So be it... GET out of here, Piccolo! Hurry!

Majin Buu- Buu get big mad now! You fight Buu!

Vegeta- That's right.

Majin Buu- You look tasty! I make you chocolate!

Vegeta- You're a fool. I'm going to crush you. And throw you into the wind. I do this for you, Trunks... Bulma... And yes... Even for you, Kakarot!

[Vegeta charges all his powers]

Krillin- Are you sensing what I'm sensing?

Piccolo- Yes... Vegeta's energy signal... It's gone! Listen... I'm going out to the battlefield to check things out. Take care of the boys while I'm gone.

[Piccolo flies to the crater]

Piccolo- You did it, Vegeta! Your sacrifice wasn't in vain! I know it wasn't easy to do that... Especially for a guy like you... I know how much courage it took to do what you did. Goodbye, my friend.

Babidi- Help... Me...

Piccolo- You're still alive? Why should I help you? You don't like being hurt do you? But you delight in hurting others... I should exterminate you right now!

Babidi- No!!!

Piccolo- No! It can't be!

[Buu reappears]

Piccolo- This is insane! What kind of creature is he? He was in a million pieces! How can we beat a monster like that? I'm getting out of here!

[Piccolo flies off]

Piccolo- Krillin! We're in big trouble. Buu's still alive!

Krillin- Impossible! How can that be? What about Vegeta?

Piccolo- No. There wasn't even anything left of him.

Krillin- But if an attack like that doesn't affect Buu what are we going to do?

Piccolo- There is hope. But if Buu finds it, he'll destroy it! It's Goten and Trunks. Son of Goku! Son of Vegeta! The fate of the world depends on you two!

HERCULE CITY

People- Hercule!!! You have to save us from Majin Buu!

Hercule- You asked for it and you got it! The only man left on this planet who can save you now is me! I will save the trees, the oceans, the mountains, the children!!! Heck, I'll even save all the little bugs from the evil Majin Buu! You can count on me!

People- Hercule rules! Hercule rules!

Hercule- So this is where that bad boy lives?

Soldier- That's what our intelligence indicates. They sas he has a house to the north of here.

Hercule- Very good! You can relax now that I'm on the scene. I'm going to make Majin Buu wish he was never born!

Soldier- Oh, thank you, sir! You are a true hero!

You are now playing as Hercule.

Hercule- So this must be Buu's House... Is anyone home? I guess he's gone. So, Mr. Pink Fatso! I guess you got scared and ran off! Can't say I blame you! Hahahahaha! I'd be scared too!

Majin Buu- Hello!

Hercule- Ahhhh!!! Oh! It's you, Mr. Majin Buu! It's so good to see you. I've been wanting to meet you ever since I heard the reports of your world wide devastation and mayhem!

Majin Buu- Do you want to be candy, cookie or pudding when Buu eats you?

Hercule- Wait! I didn't come here to get eaten. I came here to give you a present.

Majin Buu- What is it? Do I eat it?

Hercule- Yes! It's very tasty! I'm just going to hide if you don't mind. Yes! I did it!

Majin Buu- Buu like funny food!

Hercule- What? How did he survive that?

Majin Buu- Buu like you, funny man! Buu and funny man friends now!

Baba- This is as far as I go, Goku! Tell Yemma I said "hi!".

Goku- Sure thing, Baba! Thanks for all your help! See ya later! I wonder what all these souls are hanging out here for! It's like the souls are having a party out here, and I never got an invitation!

Cloud- I've been in line here all day! This is worse than the time I waited in line for the Hercule movie. Being turned into candy and being eaten by a pink monster isn't quite as scary as I always imagined it to be. Don't you think the giant snake head is a little bit too much? One second I was watching TV and I saw Majin Buu on the news. Then I was suddenly here? What's going on?

Goku- What happened here?

King Yemma- Goku! You've got to help me get out of here!

Goku- King Yemma! What's going on?

King Yemma- An evil spirit named Janemba has taken over the Other World!  
Janemba was an organized crime kingpin in the Demon World before he came here.  
He's extremely dangerous! I already sent

Pikkon after him, and he never  
came back. You have to stop him!

Goku- Don't worry about it! I'll take care of it!

King Yemma- I don't think you understand how much trouble we're in. If Janemba  
isn't defeated, the living world and the Other World will merge, destroying the  
entire balance of the universe! If I were you, I'd get some help.

Goku- Help? From who?

King Yemma- A friend of yours. I recently sent him down to HFIL.

Goku- You mean Vegeta?

King Yemma- That's right. There might be a problem, however. The Other World  
Airport isn't accessible right now! So you're going to have a hard time getting  
around!

Goku- Oh, that's not a problem. You forgot about my Instant Transmission  
Technique! It's the only way to fly.

Use Instant Transmission Circles to travel around the Other World! Stand on the  
Circle, and press the A Button. The Other World Map will appear. Use the  
+Control Pad to select your destination and press the A button to travel.

Majin Buu- He no scared of Buu. He no run. Me try saying words to him, but he no talk.

Hercule- It looks like the poor little guy hurt his leg. Maybe that is why he didn't run away.

Majin Buu- You leg broken? Me make it better then you can run away? Why you no run away? He not so scared of Buu.

Hercule- He's thanking you for fixing his leg! You're his new best friend. He wants you to play with him!

Majin Buu- Buu friends with you and puppy now!

Hercule- Sure! We're alle friends! Hey, Buu! I have to get something. I'll be right back.

Majin Buu- Okay!

Hercule- Haha! Now all I have to do is press the button on this remote, and Buu's house will explode! KA-BOOM! But... He looks different... Gentle... Maybe I should give this guy a little time. Who knows? Maybe if people can change, he can too! Excuse me, Mr. Buu. Can I ask you a personal question?

Majin Buu- Okay.

Hercule- Why do you fly around killing people and destroying our cities?

Majin Buu- Buu was told to. Bibidi told Buu to kill people. Babidi told Buu to destroy things.

Hercule- You don't have to listen to them, you know.

Majin Buu- What Buu does if not destroying things?

Hercule- There's lots of things you can do! You can go to the movies, play with your puppy, watch football. Anything as long as it doesn't involve destruction.

Majin Buu- Is to kill people a bad thing?

Hercule- Yes. A very bad thing.

Majin Buu- Then Buu kill no more!

Piccolo- What? What's that show-boat hanging out with Majin Buu?

Dende- He's convinced Buu not to kill anymore... Maybe Buu will change if he

has a friend! Maybe we won't have to fight him at all!

Piccolo- I don't like Hercule... But I don't want him to get hurt. He's in grave danger! But this does buy us some time.

The governments of the world are falling apart at the seams! All bets are off now, so I'm cashing my chips in. I'm going to do everything I've ever had the urge to do!

Smitty- I guess that makes sense...

Van Zant- You bet it makes sense! Why don't you try? See over there in the distance? There is a puppy running in that field. I think you know what to do.

Hercule- What happened to the puppy? Wait a second! Look up on the hill!

Van Zant- Bull's-eye! Wasn't that great?

Smitty- Yeah! Hey! Isn't that Hercule?

Hercule- You monsters! How could you? It was just a puppy! Just a little puppy! Now you're going to pay! Poor guy... He didn't deserve this! buu? Can you help him, like before?

Vegeta- Hah... Pathetic... I bet I can beat this Janemba by myself!

Goku- Don't be so sure! I've fought Pikkon before, and he is quite the formidable fighter! If he says that Janemba is strong, you better not underestimate him.

Vegeta- Hrmmph...

Janemba- Janemba! Janemba!

Vegeta- What is that thing? Is this what you dragged me out here for?

Goku- He's stronger than he looks!

Vegeta- Nonsense. This will be over in no time! I don't need your help,

Kakarot.

Goku- You're in no shape for fighting, Vegeta! This is my turn.

Vegeta- This is ridiculous! Neither of us can beat him!

Goku- No. I have a plan that will definitely destroy him.

Vegeta- What are you thinking of, Kakarot?

Goku- Fusion!

Vegeta- Fusion? You mean where two fuse into one?

Goku- Yes. Fuse with me, Vegeta.

Vegeta- Me? Fuse with you? You idiot! That's your big plan?

Goku- It's the only way we're going to beat him! There's no other way.

Vegeta- I'd rather die than fuse with you!

Goku- But, Vegeta, you're already dead!

Vegeta- You've got a point, Kakarot. Fine. I'll do it.

Watch this. Your turn. Fusion-ha!

Goku- I have a favor to ask. Could you see if my son, Gohan, came through here?

King Yenma- Do you realize what you're asking of me? I've just processed a million souls! And there are even more waiting in line outside!

Goku- Yeah. The Earth is under siege by Majin Buu. In fact, I wouldn't be surprised if the whole population ended up here before long.

King Yenma- The whole population?

Goku- But I think my son, Gohan, can help us avoid that. I just need to know if he's here or still on Earth! Do you mind seeing if he's checked in yet?

King Yenma- Very well. Let me check the books. I don't see any Gohans in here.

Goku- You mean he's still alive? That's great!!!

King Yenma- By the way, Goku... Do you know a guy named Dabura?

Goku- Sure did.

King Yenma- He came through here a while back. He was quite a handful. He was supposed to go below to H.F.I.L., but being the demon king and all I figured he would enjoy it! So instead I gave him the stamp of approval to go to Heaven!

Vegeta- Try me!

Goku- Cool it Vegeta! You have to understand there's no way you can win!

Vegeta- You think Buu is the most powerful being in the universe. And maybe you're right. But just like you, he doesn't have true pride.

Super Buu 4- Enough talking! This ends now!

Goku- Don't do this, Vegeta!

Vegeta- I don't need your help, Kakarot! I don't expect you to understand, but this is my fight!

Goku- Listen to me, Vegeta! Don't you see yet? You can't fight him on your own. There's only one thing left to do! I don't know why you're so angry, but I need your help!

Vegeta- You've got some nerve! You want my help? You still don't think I know what you did to me? I know all about your technique. Your Super Saiyan 3. You hid it from me. You allowed me to think I could beat you. Do you not realize my humiliation? Stay away from me!

Goku- If we don't do something soon Vegeta, Buu is going to destroy this whole planet!

Vegeta- Why should I care?

Goku- Wake up Vegeta! Buu has eaten everyone we care about! Even Bulma! But Piccolo, Gohan, Goten, and Trunks... Trunks, your own son! They've got it worse! They've become part of Buu. They're stuck inside him! We need to put our differences aside. For our families! For our friends! You've always talked about the Saiyan Race and how we're the last of a mighty people. Well it's time we accept we're starting a new race. One that can be just as strong! But not if we're too caught up in our old birthrights to see what we have right in front of us!

Vegeta- Kakarot... How do you know this fusion will be enough to stop him?

Goku- I don't know for sure. But I know that it's the best chance we have of saving the Earth.

Super Buu 4- You've talked long enough!

Vegeta- What are you waiting for? Give me the earring!

Goku- One more thing Vegeta. Once we join bodies, we'll be stuck in that form... Forever!

Vegeta- Imbecile! You tell me that now? Don't you think that's important information? Alright. Let's do this!

Vegito- All right. What do you call a Vegeta and Goku? Vegito sounds good. I was a little worried about the two of us sharing a body, but this looks like it came out pretty good.

Super Buu 4- I guess I can live with this... Maybe now I'll have some decent competition. But let's not forget, you only have two Saiyans, and I have three. Not to mention the Namek.

Vegito- It's quality, not quantity. And our union wasn't achieved by kidnapping. But if you're sure you can win this fight with petty theft, come prove it!

Vegito- All right, Majin Buu! You've cursed the Earth with your presence long enough! Your time is about to expire!

Super Buu 4- Blast it! There must be some way for me to defeat you!

Vegito- Wake up why don't you! Do you still not see the difference between your power and mine?

Super Buu 4- Maybe I don't need to beat you...

STOMACH  
\*\*\*\*\*

Vegito- Wow! It doesn't get any more disgusting than this. At least the barrier held up. Buu wasn't able to totally absorb me! The others are still in here... I can feel it... But where?

Goku- I don't get it! Our bodies separated when we let the barrier down! I was told that once we were joined by the Earrings we could never separate.

Vegeta- I guess we lucked out! I'm me and you're you. That's the way I like it.

Goku- What did you do that for? We could have used the Earrings again!

Vegeta- I like being the captain of my own ship better.

Journal Entry- Find Gohan, Goten, Trunks, and Piccolo.

\*\*\*\*\*  
INTESTINES  
\*\*\*\*\*

Vegeta- Hey boys! You're alive and well! Let's get out of here! The sooner the better! Gohan! Is that you? Wait... I can tell by looking in your eyes... You're not Gohan! You're a fake!

\*\*\*\*\*  
BRAIN  
\*\*\*\*\*

Vegeta- Can you feel it? Freeing those pods is making Buu's power level decrease dramatically...

Goku- Yeah! He's changing back to normal! What a difference!

Vegeta- Now! Let's blast our way out!

Goku- Wait a second Vegeta... Even though he's a lot weaker now, we're still no match for him. There's only one way we can win...

Vegeta- Let me guess... It's a word that starts with F and ends with N! Am I right?

Goku- Hey, good guess!

Vegeta- No way! I'm not going to do another fusion with you! That dance... It's not fit for a Saiyan warrior... It's too... Prissy! Where's your dignity?

Goku- C'mon Vegeta, it's not like anyone will see us!

Vegeta- Kakarot! Look ahead! You're not going to believe this!

Goku- It's Majin Buu in his original form!

Vegeta- Yes. I can see that. But what does this mean?

Goku- Who knows? How can he absorb himself? It doesn't make sense. Wow... This is deep!

Super Buu- These are all fascinating questions... However I have a question of my own. Why haven't you jerks been absorbed yet?

Vegeta- What? How can you be inside your own body?

Super Buu- You freaks! You're mine!

[After Buu's defeats]

Super Buu- No!!!! What have you done? I'm not going to be me anymore! Do you understand?

Vegeta- What are you babbling about?

Goku- This isn't good...

Vegeta- We have to get out of here, Kakarot! I think I see daylight through that hole up ahead!

Journal Entry- Escape from Majin Buu!

\*\*\*\*\*

BARREN WASTELANDS

\*\*\*\*\*

Vegeta- What a revolting experience!

Goku- Aw Vegeta! It wasn't that bad!

Vegeta- Speak for yourself, Kakarot!

Goku- You notice something funny...

Vegeta- Yeah. How can his power level be increasing instead of decreasing?

Goku- If this keeps up... He'll be stronger than he was before! We better find someplace safe for these people pods... Gohan, wake up!

Vegeta- At least they're alive!

Hercule- What's the deal? He looks like a little kid. I bet I could beat him up now!

Dende- I have a feeling that would be a really bad idea.

Chapter 11: Kid Buu  
-----

\*\*\*\*\*

PLANET OF THE KAI'S

\*\*\*\*\*

Old Kai- Buu is changing! But into what?

Supreme Kai- Oh, no! He's changed back to normal! We're doomed.

Old Kai- What do you mean he's turned back to normal? Do you know something you haven't told me?

Supreme Kai- This is Buu's original form! You see...

Many eons ago, the Supreme Kais were enjoying a long reign of peace under Daikiah, our benevolent leader. Although we had enjoyed a period of harmony, a period of great disharmony was to follow! We had no way to prepare ourselves for the evil creation that the wizard Bibidi was about to unleash on the universe! It was Majin Buu in his original form. One by one the Supreme Kais fell to his terror! I too would have perished; however, I was saved by Daikiah. I'll never forget what happened next. Buu absorbed Daikiah! It was Daikiah's innocent purity that transformed Buu from a ruthless killing machine into a frolicking rotund child.

Old Kai- I see... So absorbing Daikiah actually weakened Buu.

Supreme Kai- That's correct. Without the influence of Daikiah's goodness inside him, he's pure unrestrained evil!

\*\*\*\*\*

BARREN WASTELANDS

\*\*\*\*\*

Goku- This is bad, Vegeta... Real bad... Buu is more powerful now than ever

before.

Vegeta- Let's not stand aroud and talk about it all day Kakarot. Let's do something about it. We have to get as strong as possible if we're going to defeat him.

Journal Entry- Train to prepare for the final battle with Kid Buu! Return to the Barren Wastelands when you are finished.

Are you ready to confront Kid Buu?

Kid Buu- Ahhhhhhhhhhh!!!!!!!

Goku- Wow! That's loud!

Vegeta- Can't someone shut him up?

Kid Buu- Hehehe!

Goku- What is he doing? Does he want to blow up the whole entire planet?

Vegeta- Hey Buu! If you want to blow up the planet, that's your business! But fight us first you coward!

Goku- Uh oh! We're not going to be able to stop this! We better grab the boys and Piccolo and then use Instant Transmission to get out of here!

Vegeta- Good idea.

Goku- We're not going to make it! Grab on!

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Old Kai- Superb! You're still alive!

Goku- Gohan... Goten... Trunks... Piccolo... I let you all down...

Vegeta- Idiot! How could you? You save the Namek boy and that big oaf instead of your own sons? Have you lost your mind?

Old Kai- How could Buu destroy the Earth? It's all gone!!!

Hercule- The Earth is gone you say? Who are you trying to fool? Where do you think we are right now? Huh? Put that in your diaper old man!

Dende- Please! You don't know what you're saying! This isn't the Earth. This is the hallowed Planet Of The Kais! And he's not just a man! He's a Supreme Kai!

Hercule- He does look kinda funny. What's a Kai? Some kind of purple leprechaun?

Dende- No! The Kai are the illustrious overseers of the universe!

Hercule- So if they're so great, why didn't they stop Majin Buu? Wait a second. This must be a dream... Just a dumb dream! First of all, I'm the strongest guy on Earth. So there couldn't be anyone stronger than me. Second there is no such thing as pink monsters or purple men with pointy ears... It all makes sense now! I'm just dreaming! And there certainly aren't any little green men who

guard the Earth... Hahaha!

Dende- But sir!

Hercule- Now that I know this is a dream I can do whatever I want! I bet I could even fly! Hahaha! Owww... How can this hurt so bad if this is just a dream...

Vegeta- Do you see what we have to put up with because of your incompetence, Kakarot?

Old Kai- Everyone look at this!

Goku- What is it? Looks like a bunch of rocks!

Old Kai- It's what's left of Earth... But look at that!

Dende- Pink... Blobs!

Supreme Kai- It's Buu! He's reforming!

Vegeta- Of course he is! Did you think that blast was powerful enough to destroy him?

Goku- He just used Instant Transmission! Now he can travel at the speed of Light. This is terrible! With Instant Transmission, he can destroy an entire solar system in less than an hour!

Dende- Wait! What about the Dragon Balls!

Vegeta- What are you talking about? They were destroyed with the Earth!

Dende- No! I mean the ones on New Namek!

Goku- Good thinking Dende! If we use those we can wish back the Earth and all the people who were killed!

Supreme Kai- I don't mean to alarm you but Buu just blew up another world. He keeps blowing himself up and then reforming! What an insane creature!

Old Kai- He's looking for Goku and Vegeta! And he won't stop until he finds them!

Supreme Kai- And with every planet he destroys he's getting closer to the Other World...

Old Kai- If he were to start destroying the Other World it would be terrible! The people here are already dead. If they were to be killed again, they would be gone forever!

Vegeta- The only answer is to call him here. That way we can fight him away from any innocent people!

Goku- Of course! Let's do it! If we raise our power levels as high as possible he'll be sure to sense us! That was quick.

Vegeta- Yes. We can fight as we like here without worries!

Goku- Please leave now, you guys! Get out of here! If you stay you'll just get in our way. We can't fight to our full potential if we're worried about your

safety.

Old Kai- So you're just going to demolish our sacred planet? Very well... Kick his butt for me will you?

Vegeta- Now that they're one... Who goes first?

Goku- Let's settle this the old fashioned way! Rock paper scissors!

Vegeta- Scissors!

Goku- Rock!

Vegeta- Rock crushes scissors. You win, Kakarot! But there's a good chance I'll get my turn anyway.

Goku- Well... Here goes!

Vegeta- Kakarot! I know this is your turn, but I'd like to cut in! If it's okay with you!

Goku- Yeah... Sure... Be my guest... Be careful, Vegeta!

Kid Buu- Peek-a-buu!!!

Vegeta- Kakarot... I can't do it. I'm no match for him... It's over...

Goku- I'll take over for now.

Vegeta- Amazing... How do you do it, Kakarot? You're always ready to meet the challenge. Even if it's bigger than you are! When you became a Super Saiyan so many years ago, it tore me apart. How could a lower class soldier accomplish so easily what I had struggled my whole life to achieve? I lived every moment for the sole purpose of suprasing you... But no matter how strong I became your power still exceeded mine! You showed mercy to your fiercest enemies. You never fought to kill or for revenge. Only to test your limits or push yourself beyond them. But perhaps it was my anger that made me blind to the thruth... I see it now. This day has made it clear to me! You're better than me, Kakarot. You're the best!

Kid Buu- Me Buu kill you!

Goku- Well, you wouldn't be the first to do that... But what I represent can never be destroyed, Buu!

Kid Buu- Hahahahaha!

Goku- I feel like a hamster in a wheel... It doesn't matter how much energy I put out! I still don't get anywhere. Why don't you take over for a while?

Vegeta- You know better than anyone that I don't stand a chance against Buu. He'd tear me apart!

Goku- What? You'll do fine!

Vegeta- Don't give me that. I know what you're trying to do, Kakarot, so forget it! Go get him. Don't worry about me. You're a Super Saiyan 3. You should be able to generate the power to destroy that monster!

Goku- Well, maybe I could have done it when I was at full strength, but I let

the fight drag on too long so you could have a shot. I could have done it while I had a chance! Now I'm weak! I'll need time!

Vegeta- How much time?

Goku- If I even had one minute. Just one minute with no interruptions...

Vegeta- In this fight, a minute could be an eternity... Alright! You got your minute!

Goku- Wait! You could get killed!

Vegeta- If I can't last one lousy minute, maybe I deserve to die!

Goku- What's going on? I should have been able to gather all the energy I need by now! I need more time!

Vegeta- Do you think I'm just going to roll over and die from an attack like that, Majin Buu? You're nothing! I'm a warrior! The Prince of Saiyans!

Kid Buu- This is not good! If Vegeta gets hit by an energy attack of that magnitude, he's a goner!

Hercule- Buu! How long did you really think you could get away with these injustices? Hercule's about to take care of business and the real battle is about to begin! Laugh while you can because I'm going to knock that smile right off your ugly face!

Goku- Oh, no... Not him... What did I do to deserve this?

Hercule- You had your way with Goku and Vegeta, but now let's see how you do against the world Champion!

Kid Buu- Hmrrrrrr.

Hercule- Oh, please don't hurt me! I was only kidding about that stuff I said before! Really I didn't mean any of it! I'm begging you! Don't hurt me! Buu! Are you okay? Buu? Wake up! Alright! That's it! You're going down mister! I'm going to tear you from limb to limb. No! Not my nose! You just defaced a national monument!

Mr. Buu- You leave alone! Him Buu's buddy!

Vegeta- What's going on Kakarot? How long is this going to take?

Goku- There's something wrong... I was almost up to full power... But then it started to slip... When I was training in the Other World, Super Saiyan 3 was easy... But now that I'm alive, it's taking twice as much energy...

Vegeta- This is bad... There must be something we can do! I have an idea... Supreme Kai! Dende! Old Kai! Wherever you are if you're listening I need to talk.

\*\*\*\*\*  
NEW NAMEK  
\*\*\*\*\*

Old Kai- We're here! What is it?

\*\*\*\*\*

PLANET OF THE KAIS

\*\*\*\*\*

Vegeta- Good! I need you to go to New Namek right away! Gather the Dragon Balls! Quick! Now hurry before it's too late!

Goku- I hate to pry... But what's your plan?

Vegeta- Kakarot... How many times have you saved the world up until now?

Goku- Gosh... I'm not sure...

Vegeta- A ballpark figure!

Goku- Well, half a dozen at least!

Vegeta- Well, it's time for the world to fend for itself for once.

\*\*\*\*\*

NEW NAMEK

\*\*\*\*\*

Dende- Elder Moori! It's really you!

Elder Moori- It's good to see you haven't forgotten us altogether, Dende!

Dende- Elder! We're in great danger! Please help us sir! With your permission, we need to summon Porunga as soon as possible.

Elder Moori- We've already gathered the Dragon Balls for you!

Dende- Vegeta! It's me Dende! We're on Namek right now and we have all seven of the Dragon Balls. We just need to know what your wishes are.

\*\*\*\*\*

PLANET OF THE KAIS

\*\*\*\*\*

Vegeta- Got it! Now listen carefully! This is very important! I have two wishes to make. First, I want the planet Earth restored to its original state. And second, I want all of the people who were killed since the morning of the Martial Arts tournament to be brought back to life! Except for the evil ones! Do you understand?

\*\*\*\*\*

NEW NAMEK

\*\*\*\*\*

Dende- No... I'm not sure I understand... How is this going---

\*\*\*\*\*

PLANET OF THE KAIS

\*\*\*\*\*

Goku- Dende, I'm putting my faith in Vegeta's plan, and I'd like for you to do the same as well, okay?

\*\*\*\*\*

NEW NAMEK

\*\*\*\*\*

Dende- Okay. And what do you want the third wish to be Vegeta?

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Vegeta- Only those two matter, so do what you please with the third wish!

\*\*\*\*\*  
NEW NAMEK  
\*\*\*\*\*

Porunga- Why have you awakened me? Name your first wish and I shall grant it!

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Vegeta- Shoot! Kakarot! Do you feel that?

Goku- YEah. The good Buu is losing energy... And fast!

Vegeta- He won't last! We're running out of time. Blast it all. What's taking Dende so long?

\*\*\*\*\*  
NEW NAMEK  
\*\*\*\*\*

Porunga- Your wish has been granted! The people of Earth have been restored to their home!

Dende- Woo hoo! We did it! Vegeta! All the people are back! They're alive!

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Vegeta- Superb!

Goku- Hey, Vegeta! Your halo disappeared! And since the evil people weren't wished back, I guess that means you're a good guy now!

\*\*\*\*\*  
BARREN WASTELANDS  
\*\*\*\*\*

Trunks- Hey! Where are we?

Goten- I think we're back on Earth!

Trunks- That means we're alive!

Piccolo- He's right! Our halos are gone!

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Goku- I got it! Your plan! You're going to have Gohan, Goten, and Trunks fight, aren't you?

Vegeta- Wrong. It's time. Let's do it!

Goku- Time for what?

Vegeta- The Spirit Bomb!

Goku- That's your big idea? A Spirit Bomb? That didn't work against Frieza. What makes you think it will work now? Do the people of Earth even have enough energy to beat Buu?

Vegeta- It'll be enough. Do not underestimate the collective power of the human race! We won't just take a little bit of energy. We'll take as much as they can possibly give!

Dende- Say, Vegeta... Any ideas about a third wish yet?

Vegeta- How about this... I need to speak to all of the inhabitants of Earth at once!

Dende- So you want to speak telepathically to the whole planet?

King Kai- Sorry to interrupt guys! But I can arrange for that! Planetary telephatic communication is my speciality! When you're ready go for it!

Vegeta- People of Earth! Listen carefully!

\*\*\*\*\*  
EARTH  
\*\*\*\*\*

Vegeta- Some pretty strange events have been taking place recently. Your entire planet was destroyed by Majin Buu. But then in a snap everything was brought back to normal! I can assure you it was not a dream. Majin Buu is still alive and the Earth is still in grave danger. A small group of warriors have been fighting for you! We need your help. We need you all to raise your hands to the sky and offer up your energy so that we can use it to defeat Majin Buu! Now let's begin! Raise your hands up! Now!

Bulma- That was Vegeta! It was really him!

Krillin- Let's do it everyone!

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Goku- It's working!

Vegeta- This just might work... But somethings wrong... It should be getting bigger by now.

\*\*\*\*\*  
EARTH  
\*\*\*\*\*

Man- What was that weird voice? That was crazy!

Woman- I'm not giving anyone my energy.

Old Man- It's some type of mass hypnosis! I know I should have put on my tinfoil hat this morning.

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Vegeta- Those idiots! Don't they care about their own world? They're like children! Everything has to be done for them! When are you Earthlings going to grow up?

Goku- What's the hold up? Why isn't anyone giving their energy? We don't have much time! Every second is vital.

Vegeta- We might as well give up now. They aren't worth saving!

King Kai- Wait a second, Vegeta! Think about it from their point of view! Would you obey a strange voice that came out of the sky? They're frightened! I think you should try again!

Vegeta- Alright... People of Earth! Please! I beg of you! We're running out of time! Raise your hands before it's too late! Don't let Majin Buu destroy you and your children!

Goku- It's working... But... It's still not enough. Not enough people are listening!

Hercule- Oh, no! Buu!

Vegeta- He's finished! Now what are we going to do? We need more time! I am going to buy you some more time, Kakarot. Hopefully, those nitwit Earthlings will come to their senses!

Goku- People of Earth! We need your energy! Please!

\*\*\*\*\*  
EARTH  
\*\*\*\*\*

Women- Who is this guy? He's different than the other one. I almost believe him...

Old Lady- I think it's scandalous! I mean really! Who do they think they are to talk to us from the sky?

Man- Yeah! How dare they!

Goku- Please! Time is almost up! Don't you fools care wheter you live or die?

Man- So we're fools now?

Woman- Yeah... That's no way to ask for a favor...

Hercule- What's wrong with you ingrates? Can't you lend us a hand? How many times have I saved you? Huh? And you can't help us out?

Man- That was Hercule!

Woman- You're right! That's him alright!

Man- Yeah! If that really was the Champ, why didn't he talk to us sooner?

Hercule- Please! Don't doubt me! I was... working undercover! That's why I didn't speak to you sooner! I was keeping my identity secret! Now raise your hands up and lend me your energy so that I can defeat Majin Buu! Hahaha!

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Hercule- Nothing personal Goku. They wouldn't do it if they didn't think it was me! And at this point the only thing that matters is defeating that Majin Buu! No offense!

Goku- None taken.

\*\*\*\*\*  
EARTH  
\*\*\*\*\*

Man- Raise your hands! It's the Champ!

Woman- Go Hercule!

\*\*\*\*\*  
PLANET OF THE KAIS  
\*\*\*\*\*

Goku- Here it comes, Vegeta! Get out of the way!

Vegeta- I can't do it, Kakarot! I can't move!

Goku- Vegeta! You gotta get out of there!

Vegeta- What are you waiting for! Fire that thing! Right now!

Goku- I can't, Vegeta!

Vegeta- Kakarot! Be a true Saiyan! Don't disgrace our efforts with sentimental rubbish!

Goku- He did it! Way to go champ! You really are a hero. This is for you Majin Buu! It's for the people of Earth. SPIRIT BOMB!!!!

Vegeta- Why are you dragging your feet, Kakarot? Finish him!

Goku- I can't! I'm out of power!

Vegeta- Great... This is just great... Wait a second! Dende! Can you hear me?

Dende- What is it Vegeta?

Vegeta- I need you to come here and heal Kakarot!

Supreme Kai- I'm sorry but we can't do that... I used up all my energy teleporting us to New Namek. I can't make it back.

Vegeta- Then... The people of Earth are just going to have to give us more

energy!

Old Kai- They can't! If they give any more of their energy you'll be draining their vital life force... And they'll all die!

Vegeta- What does that matter? We have no choice! Hercule! Tell the people of Earth that we need more energy.

Hercule- But... I can't!

Vegeta- Then if we don't stop Buu the entire universe will be destroyed!

Hercule- Maybe you're right... But I can't! It would destroy me! I've been a shameless fake all my life. But they all believed in me. They love me! So if I turn my back on them now what will that make me? Not even I can sink that low. It would be worse than death to betray them like that!

Vegeta- You fool! I was the one who had Dende wish the Earthlings back to life! If it wasn't for me, they'd all be dead right now! Wait a second... The wish! We still have a wish left!

Dende- Of course! Porunga is still waiting!

Vegeta- So wish that Goku's power level be restored to full strength!

Dende- Got it!

Goku must push the Spirit Bomb into Majin Buu. Press the A Button as fast as you can to help Goku!

Goku- It looks like this is the end of the road Buu! It's a shame... When I first met you, I could sense good in you... You were a naughty little child that didn't know any better... But then I watched you become a ruthless killing machine. You were a living nightmare and you didn't show a shred of mercy or decency. And that's why it has to end this way! Maybe you'll come back some day... As a better person I hope... I'd like that! We'll have a little one on one. Sayonara! I'll be waiting for you Majin Buu!

And so Majin Buu was destroyed... Goku summoned Shenron and wished that the people of Earth would forget about the terror Majin Buu. Blissfully unaware of the horrors that had taken place, humanity returned to their peaceful lives...

Journal Entry- Head for Capsule Corporation to celebrate the defeat of Majin Buu!

\*\*\*\*\*  
EARTH  
\*\*\*\*\*

Dr Briefs- Good to see you're back safe and sound Goku! I'm sorry to say that even though Buu is gone, things have become more dangerous here on Earth! There are new types of enemies showing up around the world, so be careful!

CAPSULE CORPORATION  
\*\*\*\*\*

Entering this area will start the final sequence of the game. Are you sure you're ready? Yes/No.

Chi Chi- That Goku! Who does he think he is? We throw this big party to celebrate the defeat of Majin Buu and, of course, he's not here!

Goku- Hi, guys! Sorry, I'm late!

Chi Chi- I can't believe you, Goku! When you were dead, at least you had an excuse to not be around! Where have you been? We've all been worried sick!

Goku- Well, I was helping these pterodactyls protect their eggs. You should have seen them! So helpless and fragile!

Chi Chi- You are so lame, Goku! But at least you were protecting some helpless babies...

Bulma: C'mon, everyone! The food is ready!

Goku- Hey, Vegeta! Come over here and join the party, will ya?

Vegeta- If you insist, Kakarot.

And so, finally Goku and his friends could relax and enjoy themselves, without the weight of the world on their shoulders. Ten years passed since that fateful day when Goku defeated Majin Buu. Many things have changed.

\*\*\*\*\*  
PAPAYA ISLAND  
\*\*\*\*\*

Videl and Gohan have married and had a child. A young girl named Pan...

Pan- Grandpa!!!! I'm going to enter the World Tournament!

Goku- That's great!

Bulma- Pan is entering the tournament? But there isn't a Junior Division anymore! She's going to have to fight with adults!

Goku- Don't worry! Pan could hold her own in any division!

Trunks and Goten have grown up.

Goten- My dad's making me enter the tournament. I actually had a date for tomorrow night... Until he made me cancel it that is!

Trunks- My dad is making me enter the tournament too! He threatened to take away my allowance if I didn't enter!

\*\*\*\*\*  
WORLD TOURNAMENT STADIUM  
\*\*\*\*\*

And, of course, Hercule and Buu are still good friends!

Hercule- So here's the plan, Buu! You're going to beat all of the challengers and then lose to me in the finals!

Mr. Buu- Okay!

Hercule- One of these days I'm going to let you win and you can be the champion! How's that sound?

Mr. Buu- Okay!

Hercule- Oh, hey, Goku! How ya doin', buddy?

Pan- Hey, Grandpa, don't forget about me!

Hercule- Pan! How could I forget about you? You're my favorite little girl in the world. Are you here to cheer your grandpa on?

Pan- No! I'm here to fight in the tournament!

Hercule- What???

Goku- Don't worry! She'll be fine. She can handle herself alright. We're all going to fight! It's going to be fun!

Hercule- All of you? Oh, no!

Goku- Don't worry... If one of us makes it to the finals, we'll let you take the victory, okay?

Hercule- Really? You'd do that for me?

Goku- Of course! Why not? But someone else might make it to the finals... You never know!

Host- All right! It's time to start the ball rolling. The fighters will now draw lots to see who will be matched up with whom in the first round of the finals.

Vegeta- You're up to something, aren't you, Kakarot.

Goku- What do you mean?

Vegeta- Tell me the real reason you entered this tournament!

Goku- Oh... Well... There's this one guy who signed up for the tournament and I really want to fight him. He is good. Real good.

Vegeta- What? I would have sensed someone that powerful. There's non one here like that.

Goku- Well it just so happens he's very shrewd. He's surpressing his energy! But somehow I know he's strong.

Vegeta- I don't believe it! Is he an alien or something?

Goku- Nope... He's an Earthling!

Vegeta- An Earthling? Is he some sort of Android or something?

Goku- Nope. He's one hundred percent home grown human being.

Vegeta- So which one is he, Kakarot?

Goku- I'm not telling!

Host- Now, then! As I call your name please come up and draw a number! The first fighter is Goten!

Goku- Hey, Buu! I'd like you to do me a little favor. But you're going to have to use your magic. I want you to change the lot numbers so that I can fight a certain guy. Will you do it?

Mr. Buu- Okay! Buu do!

Vegeta- It's not like you to break the rules, Kakarot!

Goku- I know... But I have to make sure I fight this guy in the first round. That way we'll both be at our full strength and it'll be a fair match.

Host- Next up! Goku!

Goku- Okay, Buu! I want you to make me pick number three. All right?

Mr. Buu- Okay!

Host- Goku is number three! Okay... Next up is Uub!

Goku- Okay, Buu! I want you to make this one number four.

Mr. Buu- Okay!

Vegeta- No way! This can't be him! He's just a kid!

Goku- Don't be deceived by his appearance. He's the one all right!

Vegeta- How could you possibly know that? I don't understand!

Goku- Well, it's strange... But right before I destroyed the evil Buu, I made a request. I asked him to come back as a good person so we could fight together. And apparently King Yemma heard my request and decided to make it happen!

Vegeta- Wait... You're saying... This boy is Buu???

Goku- Yes... Somehow I just know. I can feel it... There are some other clues... Look at his name. Uub. It's Buu spelled backwards! Not only that, Uub is ten years old... It was ten years ago that we defeated Buu! Uub is Buu reincarnated!

And so Goku got his wish.

Goku- You can't fly, can you? You need a master who can teach you that sort of thing. You're strong. Real strong! But you don't quite know how to control your energy yet. I'll bet you've never fought in a fight like this before, have you?

Uub- No, I haven't.

Goku- How about this! From now on, I'm going to live in your village and teach you how to fight! Does that sound good?

Uub- Yes, of course! But... I come from a poor family. I spend my days working with my father. Fighting is fun, but there just isn't much time for it! My family can't afford to let me fight all the time!

Goku- Oh, I see. Well, we're just going to have to find a sponsor for you! I know just the guy... Hercule has more money than he has body hair. Don't worry! You'll be covered! I'll be right back!

Gohan- Dad, what's going on?

Goku- Hey, guys... Just wanted to let you all know that I'm going to live in Uub's village so I can train him! I don't know how many years it's going to take... But I promise I'll visit you guys! Thanks for understanding.

Chi Chi- But I don't understand. You're leaving me again?

Goku- Don't worry! I'll come and visit. Hey, Vegeta! Are you upset we didn't get to fight today?

Vegeta- Don't worry about it, Kakarot. This arena is too small. When we fight, we're going to need a whole planet for an arena!

Goku- Bye, everyone!

Young Uub has been taken in by the greatest Martial Arts Master in the universe. Goku, the orphan who fell from the starts to become the savior of mankind! As the two set off on a new adventure, one thing is for certain... as long as Goku lives, peace and prosperity shall reign!
