Final Fight One Dialogue FAQ

Since this is just a transcription of dialogue you can find in game, anyway, there really isn't much more for me to say. Enjoy^^

1. Introduction

(Map of Metro City)

Metro City, a well known Crime Capital, has been ruled by violence and death for many years.

A fact which the newly elected mayor and former Street Fighter, Mike Haggar, plans to change.

At the center of the problem is the huge gang known as Mad Gear. Mad Gear controls all of the major criminal activity in the city.

When they learned of Haggar's plans, they took immediate action to bring this new mayor under their control.

In 1989.

(Haggar in his office on the phone)

Haggar: Hello? Mike Haggar here.

Phone: Hee hee hee, Mr. Haggar. So pleased to make your acquaintance. I believe you

know who I am! Don't hang up! We have a little business proposition for you... Your daughter for your cooperation. And we'll throw in the regular monthly bonus to your salary we offered before.

Haggar? What?! What happened to Jessica? Who is this?!

Phone: Not so fast, Mike. Turn on your TV.

(Haggar turns on the TV. On the screen is Jessica tied up)

Haggar: You fiend! What have you done to her?

Phone: Nothing yet...but we will if you don't cooperate. Listen to reason.
Why make
your job difficult?

(Damnd appears on the TV, laughing)

Damnd: Just let us do as we please like the mayor before you did

(Screen of "CAPCOM presents" appears)

(Screen of Cody with Guy apparently back from training)

Cody: What?! Jessica was kidnapped?!

Guy: Who is Jessica?

Cody: She is my childhood friend. The Mad Gears must pay!

Guy: What a dirty trick! I will help you out.

(Title screen with "Final Fight One" appears)

Belger: Oh! How nice of the mayor to come here personally!

Haggar: Belger! I won't give this city to your evil hands!

Belger: My dear mayor, why do you think people join Mad Gear?

And especially, why do the younger people come?

They are disgusted with what this city has become.

I'm here because they need me.

His name's supposed to be Andore, not Andre, hehe...)

Cody: Where is Jessica!?

Abigail: Hey, cool down.

(there is a pause in Abigail's speech before he continues)

Jessica: I love you father.

(Credits roll as Guy and Cody are walking back through the level. Finally, Jessica catches up to them. Guy stops and turns to face her but Cody keeps walking)

Jessica: Cody!

(Guy jumps in front of Cody, who still hasn't turned around, and punches and knocks him down so Jessica can catch up. Guy then jumps away)
