2. Introduction  
-----

Well this is my first guide and I've been thinking about doing guides on other games like Mario Golf: Advance Tour but my first guide is this one. The simple reason is that my brother got this game and he asked me to help him and I became intantly addicted to this game. After getting all the colours for Prince Bo you find that the Rainbow Theater is losing money and needs more people to come to it so the Ham-Hams are given the task of handing out invites for the Theater. This requires you to find certian other Ham-Hams and can be quite difficult. This guide is to help invite all the Ham-Hams. So after this long intro lets move on.

(I think it might be stickers, pictures or mats. Somebody said it could
