1. The Girls

There are 6 girls you have a choice of marrying, and you can only marry one of them! The six girls are none other than Elli, Karen, Ann, Popuri, Mary, and the Harvest Goddess.

2. The Girls? Personalities

Each girl has her own little personality, which you can find after talking to them a lot, giving them different things, seeing their heart events with you or the rival, etc.

Elli: Sweet, caring, shy, kind, friendly.

Ann: Tomboy, friendly, and nice.

Popuri: Sweet, and jealous.

Karen: Stuck up, jealous, nice, (only if you give her things she likes) and rude. (If you give her something she doesn't like)

Mary: Caring, gentle, sweet, kind, nice, very shy, and a bookworm.

Harvest Goddess: I'm not quite sure about her because she's harder to please than the other girls but I'd consider her royal.

(If you have any character traits for these girls please email me at mstiana@msn.com)

3. Heart Events

If you want to marry a girl you have to see all four of her heart events. (I only have a couple so far)

Ann:

Black- At the beginning of the game, Friday, 10:00am-1:00pm at the Inn. They'll invite you in to have some free food.

4. Likes

Just like us, the girls on this game like and dislike things. Here are their likes:

Popuri: Any type of flower, scrambled eggs.

Ann: Spa-boiled eggs, truffle rice, cheese fondue, and I think she likes cakes.

Elli: Pink toy flower, milk.

Mary: Grass, grape juice.

Karen: Bamboo shoots, wine, popcorn.

Harvest Goddess: Anything grown on your farm. (She prefers pineapples the most)

Like I said for the other sections, if you know any likes of one of these girls then please email me. (You should know what it is by now!)

5. Rival Heart Events

It's good to know when your girl's rival's heart event is, so you don't accidentally run into it! (Or if you want to be friends with a bachelor just to see the wedding like me!) So here they are!

Rick:

Black- At the hot spring, from Wednesday-Saturday, 11:00am-6:00pm.

Blue- at Gotz's, NOT in spring, Monday or Sunday, from 11:00am-6:00pm.

Green- A sunny day at the hot springs on a Wednesday or a Friday, 11:00am-6:00pm. (Second Year)

Orange- at the Poultry Farm, on either Tuesday, Thursday, or Saturday, must be sunny, 1:00pm-4:00pm. (Popuri must be married to Kai)

Not sure if Popuri has to be married to Kai. If nobody tells me I'll find out

and it'll be down from January-March, 2005.

I'll get more soon. Just got to keep on playing!

6. Marriage

Okay, so you've got a girl up to say, a yellow heart. Let's use Elli as an example. You've saved up flowers and put them in your shelves (or maybe you saved up amethyst from winter) and you give one every day. Now she's a red heart. You get mail. It says you can now purchase the blue feather at the supermarket. Now I'm not quite sure, maybe it comes when the girl's heart is yellow, but whatever. So you've now gotten the blue feather. Give her a nice gift, and then show her the feather. If you haven't seen all 4 heart events yet she won't accept. Now say Elli accepts. You will get married the following month, same date. It's a nice, beautiful wedding. Lovely. But there are requirements also. You must have:

- Every upgrade from the Saturday show.
- The vase from Won.
- You had to see all heart events.
- And she has to be a red heart.

If you have all of this then go get married!

(NOTE: doggie_grrl@hotmail.com says that you don't need a vase to marry, but I did for Elli, can somebody please give me the proper information?)

7. Stuff After Marriage

So now you're happily married. Congratulations! Oh, you want a child? They won't go past the toddler stage, but I hear they help out on the farm. Just like little sprites, heehee! A guy once told me he kept pressing against his wife then she was pregnant. Nope, sorry dude! That's not how to get your wife pregnant! Just keep giving her flowers or stuff she likes and like two months later she'll be pregnant. Then exactly 2 months later she'll have a baby. It'll always be a boy. He always looks the same, no matter who you married.

When you've been married for 60 years your wife will get the mountain cottage or something like that. Great place to find those little goddess gems you need by the calendar- I mean, it's a great place to hang and stuff. (I almost gave the gem secret spot away! Phew!)

And no, you cannot get a divorce!!!

8. Frequently Asked Questions

Q: Karen is always out of the house. Is she cheating on me?

A: No, Karen is just a get out and go person. Don't worry.

Q: Is the Harvest Goddess a good wife?

A: No, she never comes home, and pretends to not know you unless it's her birthday/ your birthday.

Q: Elli keeps saying that she has to stay by the Doctor's side when I propose. Why?

A: Do you have everything you need? The vase and all the stuff from that TV Shopping Network on Saturdays? Is her heart red?
