## Introduction

Hi, and welcome to one of several guides I intend to work on for Mario & Luigi: Superstar Saga! This guide is mostly just an overview of enemy statistics and such. In particular, this guide will pay great attention to the fact that, unbeknownst to many, enemy stats more often than not differ between the US/International versions of the title, and the Japanese version. This guide will attempt to outline these differences as well as other sorts of useful info for you.

Enjoy!
