you have a 3x3 grid except the center where you can place cards.
If you put 2 of 1 type of card together they'll dissappear.

You have to make it land or explode 3 times on their side to win.

Allowed to go to 3F

46.Duel Tower, 3F - To win a game of Chicken! - Time:Short - N/A - Medium

 you bounce.Bowser will have 2 rounds of 3 shells with you and whoever has
