EMAIL RULES

The main reason I liked to add this because I do not like being invaded by some angry mobs of newbies asking me questions that can be repeated over and over.
Do not ask me...

...where to get Berries number 36-43.
...how to get to Illusion/Mirage Island.
...how to get to Southern Island.
...how to grow Berries or complain about them not working.
...where to get Pictures, Ribbons, etc. - They are in the FAQs!
...for suggestions on Contest Pokemon!
...where to get Scarves - They are in the FAQs!
...where to get high appeals.
...where to get certain decorations.
...what is the best design for your secret base.
...where to get ROMs.
...for permission to use this in a walkthrough.

...for GameShark, VBA, or CBA codes.

Fell free to ask/submit

...for any new contest combos moves that we don't have.

...for permission to host this FAQ.

...for suggestions.

...for errors that you found.

That's it for now, If you break a rule, you will be ignored for good.

(Sorry for being acting like Vernon Dursley ;p)
