MegaMan: Proto Man!!
```

```
Proto Man: You have gone too
            far, King!
            I won't allow you to
            violate this robot
            museum!
```

```
King: I've downloaded all
      the data of the
      battle robots!
      Now I can create an
      invincible robot
      army!!
      Since you are a
      robot, you are
      qualified to join
      us if you want to!
      Huh??
      It seems that your
      friend has arrived.
      I have no time to
      waste on you anymore!
```

Proto Man: Wait! King!

King: Silence!

(Proto Man Charges and fires his buster,
King jumps over the shot and chops Proto
Man in half with an axe.)

MegaMan: Proto Man!

Proto Man: It's just a
scratch...

MegaMan: I'll take care of
this!
You go to DR. Light
for repairs!

(Proto Man warps out)

King: I appreciate your
arrogance, but I
have no time for you!
I'll allow the
Green Devil to
handle you!

* King's Stage *

King: Welcome. I never
thought I would
meet you here.
I suppose that I have
underestimated you...
But your journey
will come to an
end here.
You should feel
honored to be
destroyed by the
King!

(MegaMan and King fight, then Proto Man
warps in)

Proto Man: I can handle this!

(Proto Man fires at King. King's shield
absorbs the blast and fires it back at
Proto Man)

Proto Man: Hmm...
It seems I have no
other choice but to
resort to extremes...
Megaman, stay back!
I'll put my whole
energy into the next

shot!!

MegaMan: Wait!

If you do that, you
may overheat, or
explode!!

Proto Man: I owe this guy, and
now it's time to
pay him back!

King: Funny, but so very
reckless...

Proto Man: Big Bang Strike!!!!

(Proto Man's attack blasts right through
King's shield. Proto Man falls to the
ground and King kneels while grasping
his shoulder)

King: This can't be...

MegaMan: Proto Man, are you
all right?

Proto Man: Uh...

MegaMan: Proto Man!
Let's evacuate now!
Can you put your arm
across my shoulders?

Proto Man: What are you doing?!
Are you going to
waste my sacrifice?
You must finish him
for me!

(Proto Man passes out)

King: Enough!

(King stands and takes out his axe)

(After MegaMan defeats King)

King: You won...
Why do you fight so
hard for these
pitiful humans?
Robots are superior
to humans...!

MegaMan: Superiority, is not
the point.

King: Maybe, or maybe not...
Just put me out of
my misery!

But before that,
we'd better let him
evacuate.
That way he has a
chance to be
repaired...

(King waves his hand, a yellow light
appears over Proto Man, and he
disappears)

King: Don't worry about
him. I beamed him
out of the castle.
After all, I am the
lord of robots.
That means that I
don't want to see our
species destroyed.

MegaMan: King... Let's
evacuate together...
DR. Light can heal
your wound...

King: That isn't possible...
I'll explode if
anyone but DR. Wily
tries to operate on
me.

MegaMan: DR. Wily created you!?

(DR. Wily appears on a screen in the
background)

DR. Wily: King, what
happened to
you?
Are your logic
circuits
damaged?
Your enemy is
right in front
of you!

King: Uhhhh... I don't
understand...
Why do robots have
to fight each other
for the sake of the
humans...?

DR. Wily: Piece of
junk...
I'll boost
your
brainwashing
level!

(Some kind of machine drops onto King,
when it lifts up King is purple.
King then breaks through the wall to
the right.)

(After MegaMan follows and defeats
King again)

King: Uhh... You should
leave this place now!
This place could
explode at any
moment...

MegaMan: King, you must come
with me!

King: Of course, I'll
leave this place
too.
But, only after you
go first...

(MegaMan warps out)

King: Humph... He's gone...
I wish I had a
transportation system
in me...
Goodbye, Megaman!
Don't let other
robots suffer my
sad fate...
I'm counting on
you...

(The place explodes)

* Dr. Wily's Stage *

DR. Wily: Darn that King!
How dare he disobey
his maker!
It is a good thing
that Megaman took
care of him for me!
And now I have
regained control of
my laboratory castle.
Time to get back to
my plan of world
domination again!
But first, I will
personally eliminate
Megaman!
Are you ready to be
eliminated, Megaman!?

Roll: Megaman,
welcome home!

Beat: Chirp!
Chirp!

Rush: Wuff!
Wuff!

Auto: You are so
amazing,
Megaman!

DR. Light: Good work,
Megaman.
Huh? What's
troubling
you?
You don't
look happy.

Megaman: I wish I was
a little
more
efficient...
Then I could
have saved
King...

DR. Light: Don't let it
get you down.
Why don't you
show him
that, Roll?

Roll: Here.
It's a letter
for you.

Megaman: A letter?
From who?

Roll: Isn't this
seal familiar
to you...?

The letter reads: Dear Megaman,
It took our
battle for me
to realize
that I was
wrong.
From now on,
I'd like to
atone for my
crimes
against the
people whom I

caused such
pain and
suffering.
I pledge my
loyalty to
world peace
until the day
the faith of
the robots
is restored.
If we were to
meet again, I
hope it will
be as friends
and not of
enemies.
You friend,
King

MegaMan: King is
alive!?

Roll: I wish him
the best of
luck.

IV. Bass *****

* Robot Museum *

Bass: Proto Man!!

Proto Man: You have gone too
far, King!
I won't allow you to
violate this robot
museum!

King: I've downloaded all
the data of the
battle robots!
Now I can create an
invincible robot
army!!
Since you are a
robot, you are
qualified to join
us if you want to!
Huh?
Another bug to
squash?
I'm sure my robots
will entertain you...

Proto Man: Wait! King!

King: Silence!

(Proto Man Charges and fires his buster,
King jumps over the shot and chops Proto
Man in half with an axe.)

Bass: Is that the robot who
calls himself King?
What a joke.
Everyone knows that
I am the mightiest
robot in the world.
I will show him
who deserves to be
called king!

(Proto Man warps out)

King: I appreciate your
arrogance, but I
have no time for you!
I'll allow the
Green Devil to
handle you!

* King's Stage *

King: Welcome. I never

other choice but to
resort to extremes...
Bass, stay back!
I'll put my whole
energy into the next
shot!!

Bass: Proto Man, you don't
need to do that!
I'll destroy King

by myself!

Proto Man: I owe this guy, and
now it's time to
pay him back!

King: Funny, but so very
reckless...

Proto Man: Big Bang Strike!!!!

(Proto Man's attack blasts right through
King's shield. Proto Man falls to the
ground and King kneels while grasping
his shoulder)

King: This can't be...

Bass: What?
What power...!

Proto Man: Uh...

Bass: Hmm... Proto Man
stole the
spotlight...

Proto Man: Bass, the show is
not over yet!
He is still alive...

(Proto Man passes out)

King: That's one down, and
now you are next!

(King stands and takes out his axe)

(After Bass defeats King)

King: You won...
Why do you fight so
hard for these
pitiful humans?
Robots are superior
to humans...!

Bass:
But it is humans who

King: Don't worry about him. I beamed him out of the castle. After all, I am the lord of robots. That means that I don't want to see our species destroyed.

Bass: Before I go, you must tell me something... Who is your father? Who created you?

King: What if I say it's DR. Wily?

Bass: What!?

(DR. Wily appears on a screen in the background)

DR. Wily: King, what happened to you? Are your logic circuits damaged? Your enemy is right in front of you!

King: Uhhhh... I don't understand... Why do robots have to fight each other for the sake of the humans...?

DR. Wily: Piece of junk... I'll boost your brainwashing level!

(Bass warps out)

King: Humph... He's gone...
I wish I had a
transportation system
in me...
Goodbye, Bass!
I think we could have
been good friends...

(The place explodes)

* Dr. Wily's Stage *

DR. Wily: Darn that King!
How dare he disobey
his maker!
That junk has
been dealt with
thanks to you!
Now I'll put a
restraining bolt on
you before you go
out of control!
Once this is
installed,
everything will
be out control!

Bass: You pretended to be
assaulted by King in
order to have me take
care of him?
I will destroy you
for using me!!

DR. Wily: What impudence! Are
you trying to disobey
your maker?
I'll show you who is
boss!!

* The Ending *

Bass: Why did you
deceive me!?

DR. Wily: Eeek!
Forgive me!
I just wanted
to test your
ability.

Bass: What!? What
do you mean?

DR. Wily: I've always
believed that
you are the
strongest
robot in the
world.
But you have
not been able
to defeat
Megaman...
So I began to
lose my faith
in you.
Then I had
the idea that
I could
create a
mightier
robot.
So, I created
King...
But since you
defeated
King, I now
know the
truth...
You are the
mightiest
robot in the
world!

Bass: What a lame
excuse...

DR. Wily: Bass, let me
show you
something...
This is the
plan for King
the second.
Join with
King the
second and
together, you
two will be
invincible!

Bass:

(The screen goes black)

Proto Man: You never
learn, Wily!

DR. Wily: This voice...
Proto Man!

(Proto Man blasts the plans for King II)

Proto Man: I won't let
this happen!

DR. Wily: Oh no...
My beautiful
plan...!
Bass, destroy
Proto Man!

Bass:

DR. Wily: What are you
waiting for
Bass! I said.
DESTROY PROTO
MAN!

Proto Man: Bass, you
don't need to
hesitate, do
you? You are
not a slave
to Wily, are
you?
You are
acting on
your own,
aren't you?
Not with a
partner, nor
under
someone's
order...

Bass: I...

Proto Man: You are
strong.
That is true.
But you can't
defeat
Megaman.
Do you know
why?
It is because
you have
nothing to
fight for...
What have you

been fighting
for, Bass?
You don't
have anything
or anybody to
fight for, do
you? You have
fought only
for yourself,
right?

Bass: Silence! Just
get lost!

Proto Man: Farewell.

(Proto Man warps out)

Bass: What I've
fought for?
That is
ridiculous.
I don't need
a reason to
fight.
I have and am
going to
fight only to
destroy
Megaman!!
