Bricks and blocks are found in every level and sometimes contain things like power-ups, while others contain nothing.

BRICK- This is just a normal common brick that is in almost every level. When you hit it, it will either brake, shed 1 point, shed many points, or contain a power up.

ICE BRICK- An Ice Brick is a brick that is covered in ice. You can pick it up by pressing B, and can throw it at someone/something.

NOTE BOX- A Note Box is a small white box that has a musical note on it's front. You can jump on these for an extra boost to get somewhere high. These rarely contain power ups.

STEEL BLOCK- These Blocks are for nothing more than standing on. You cannot move or pick these blocks up.

WOODEN BLOCK- They look just like the Wooden Spring Block, but don't do anything. They are used for standing on. These can not be moved or picked up.

WOODEN SPRING BLOCK- A Wooden Spring Block is just like the average Wooden Block, but these make you

power ups such bounce off of them when you run into them. These blocks contain
as a Raccoon Leaf or a Mushroom.

? BLOCK- A ? Block is not seen as much as the others. You can hit them
and they will sprout a vine to climb on.

COIN- Coins can be obtained when hitting a brick, or can just be
found by themselves.
Collecting 100 of these will get you an extra life.

KURIBO'S SHOE- Kuribo's Shoe is a small green stocking that some Goomba's hop
around in. Hop on
shoe. You may go
top of the Goomba, and you will be able to hop around in this
on top of things that would hurt you, without getting hurt.

P-SWITCH- The P-Switch is a little button that can sometimes be found
when you
turn all bricks
hit a brick with your head. If you jump on it, it will either
into coins, or coins into bricks to help you where you need to
go.

TREASURE CHEST- Treasure Chests can be found in Toad's Big Golden Mushroom
(Prize Box) that can
a random item
be found several times in every world. When you press B at it,
will come out of it.

? BALL- This Question Mark Ball only appears when you beat a Boom-Boom
at the end of
every Fortress. You need to take it in order to complete the

level.

"On-map" items are items that you can use to go to a new area or place on a map.

They can all be found within certain levels.

ANCHOR- The anchor allows the castle's ship to not move if you lose to it.

HAMMER- The Hammer can be used on rocks and boulders that block the path to some areas.

JUGEM'S CLOUD- Using this cloud allows you to skip over certain levels, without having to do them.

But, you can not skip over fortresses, castles, and tanks.

These can be obtained from

the Princess's letters.

MUSIC BOX- This item puts all the Hammer/Fire/Etc. Brothers to sleep for approximately 3 turns.

WARP WHISTLE- This whistle allows you to go to Warp Zone, which enables you to go to any world that

you want. Use them wisely, as there are only 3 of them.

Power-ups are special items that enable Mario or Luigi to have a special power.

they can be found in numerous places and can be very useful.

1-UP MUSHROOM- 1-Up Mushrooms look just like regular mushrooms, except these ones are green.

Catching this gives you 1 free life.

FIRE FLOWER- A Fire Flower is in the shape of a small orange flower. Using this enables you

to shoot small fireballs from your hands.

FROG SUIT- The Frog Suit will makes your character look like a frog. Using this will make

you jump higher, and swim faster. These are very handy in water levels, but

not ground levels. This can only be obtained from the Prize Box.

HAMMER SUIT- The Hammer Suit enables you to throw hammers. These can only be obtained from

the Prize Box.

P-WING- The P-Wing enables max P. That means that you can fly instantly for as long as

you want. You will no longer have it after finishing a level, if you used it

for that level. These can be obtained from the Princess's letters.

RACCOON LEAF- This will allow you to fly when your P-Meter is at Max. It is also helpful for

defeating enemies by giving them a Tail Whip by pressing B.

STARMAN- This Power-Up will allow you to go unharmed, no matter what you touch. Use it

wisely, as it only lasts for seconds.

SUPER MUSHROOM- The Super Mushroom will make you bigger, is you are small Mario. These are very

common.

TANOOKI SUIT- The Tanooki Suit is very similar to the Raccoon Leaf. The only difference is that

you wear a whole raccoon suit. These are fairly rare.
