## II. FAQ Information

---

### A. What is this?

During your adventures in TO:KOL, you begin to gain numerous troops in your army. After organizing and sorting out your best members, you decide that that Archer you persuaded just isn't able to hold it's own. You decide to Dismiss him. Just send him back to the forest with no clothes and no money, hoping to make his way through life. But, as you press the confirmation on the dismissal, he says one last word (er...words). Sometimes characters say funny things when they are forced to leave, sometimes characters say stupid or mean things when they leave. The point I'm trying to make is, many of these are interesting, and people would want to know all the quotes they can, without actually taking time out of their precious lives. Players have the option to dismiss any character they choose (with the exception of Alphonse, duh).

### B. Why this?

This is my first FAQ, so I decided to start with something

interesting, something that hasn't been done for this game before. I might decide to put in the different quotes people say when the die in battle, who knows. In this FAQ, I typed out the quote, and then added my own commentary in parenthesis. Most are slightly humorous, so take the time to read them and enjoy!

### III. Dismiss Quotes

---

#### A. Special Characters

(Characters that join your party, and usually keep their original sprite)

#### 1. Alphonse (You can't dismiss him, but you can still get a quote)

"I'm sorry, but I won't give up."  
(Good for you)

#### 2. Ivanna\*\*

-pre-Ostorea-  
"I won't rest until I find out the truth."  
(Bust out the coffee)  
-post-Ostorea-  
"I guess my part is done. Thank you."  
(No prob!)  
-before Bison (not sure when it begins/ends)-  
"From now on, I'll let my heart be my guide."  
(Sure, whatever you say!)

#### 3. Glycinia\*\*

-With Lubina-"Please watch over my little sister"  
(Maybe, I might just send her along with you!)  
-Without Lubina-"I've seen enough fighting. Farewell."  
(Watch? Yes. Fight? No)

#### 4. Shiven

-With Cybil-"Will Mistress Alinda be alright without me?"  
(Sure, she doesn't like you anyways)  
-Without Cybil-"I'll always remember these days. Thank you."  
(We will too)

#### 5. Orson\*

-With Rictor-"You don't have to say anything. Take care."  
(A great archer leaves to join a travelling circus)  
-Without Rictor-"Please take care of Master Lasanti."  
(Uh...whatever you say!)

#### 6. Aerial

"Are you worried about me? Don't be silly."  
(I think you're the one who's being silly)

#### 7. Eleanor

"Sorry I couldn't do more to protect you."  
(Should-a, could-a, would-a)

#### 8. Euphaire\*\*

-With Elrik-"This is so-long, but not good-bye, Father."  
(I'll see you in the morning!)  
-Without Elrik-"I forgot...you're also from Lodis."  
(And don't you forget it!)

9. Elrik\*\*

-With Euphaire-"Tell Euphaire that we'll meet again."

("She owes me 20 Goth.")

-Without Euphaire-"Hmph! I guess I didn't amount to much."

(You guessed right)

10. Lubina\*\*

-With Glycinia-"Don't tell my Glycinia where I go next, Ok?"

(Are there problems at home? You can tell us.)

-Without Glycinia-"!!!...Darn it!"

(That's it?)

11. Cybil\*\*

"Just come back alive...Farewell..."

(Why'd you have to leave?! \*sob\*)

12. Rictor\*\*

"It seems we'll never see eye to eye."

(Nope, I will forever remain five inches taller than you.)

13. Saia\*

""

14. Lobelia

"Hmph! Do you think you're perfect?"

(You aren't, ya stupid wannabe fallen angel)

15. Deneb

(giggle)"See you later<3"

(I'd like to know what that giggle was for!)

\*Characters I don't have

\*\*Characters that MAY be influenced by a 'significant other'/certain circumstance

-----  
B. Others

(All other characters dismiss quotes are generated randomly)

1. "Will getting rid of me really help?"

(We don't like you enough to find out)

2. "Huh? Are you bringing someone new in?"

(Yeah, someone good)

3. "There was nothing more I could do. Sorry."

(You will be missed)

4. "Yeah, I already knew I was a slacker!"

(Finally, one that actual tells the truth!)

5. "Wait a minute. Am I really that useless?"

(Yes...yes you are)

6. "I was proud to be your comrade"

(Oh no! A spelling error!)

7. "Will the others stand for this?!"

(Spoiled, now, aren't we?)

8. "But why? I did my best. This stinks."

(Apparently, you stink too)

9. "Are you kidding? What was so bad about me?"

(What was so GOOD about you?)

10. "What!? You can't fire me...I quit!"

(What!? You can't quit, because you're fired!)

11. "I've never been so insulted..."

(Neither was your mother)

12. "I won't hold a grudge. You had your reasons."

(Finally, an easy-goer!)

13. "Things just don't seem to go my way."

(Nope, and I doubt they will later on)

14. "Well, I didn't want to be here anyway!!!"

(A bit toucy, aren't we?)

15. "Don't let power go to your head."

(So what? Let it go to my feet?)

---

#### C. Beast Quotes

(They can't talk. Somehow, you're able to read their minds. Creepy, eh?)

1. (Don't expect me to be very forgiving...)

(Well, I'll forgive you)

2. (Just what I'd expect of humans...)

(Why would you not?)

3. (What? What happened? Hey, what's going on?)

(Has someone been in the wine again?)

4. (Humans can be such a pain...)

(We sure can!)

5. (A lot of insolence from such a puny body.)

(You're just jealous of the S-sized body!)

6. (I was kind of enjoying myself. Oh well.)

(It's always about you, isn't it?!)

7. (Tell me this while I'm hungry!)

(Er...that would be a bad thing!)

---

#### IV. Final Comments

---

Well, these are my comments, that will be final. (except for the legal stuff, which wouldn't exactly make this 'final') Here's the thing on these dismiss quotes. I rarely have beasts in my party, so that's why I only have

the 3 (I only have 1 beast total in all 3 files), and I have never taken the Orson/Rictor path (Cybil, she so good). I've only been to Saia's place once, but I didn't know you couldn't have Lobelia for him to join, and I didn't want to restart from my last save. And, I haven't tried with any ghosts/undead characters. If you know of some quotes, feel free to e-mail them to me at Gilgamesh1095@aol.com, and specify what class(human/beast/undead/etc.) just in case. So, those are my explanations on the shortages/ones I don't have. As for the "Others" quotes. It took me a good thirty minutes just to find those 14 quotes, so don't expect a seperate one for each character. Lastly, learn from these video game characters. You might be taken out before you're due, but you can always go out with a curse! :)
