1.) Introduction
=====

Howdy and welcome to my Game Script for TMNT for the GBA. I've really never tried a Game Script before, so this is my first attempt at one. Since the game is sort of based off the movie, I decided I might as well type up a Game Script for those that want to see the content in the game without actually playing it. Of course, there will be spoilers in this.

3.) Game Script

=====

A couple of things to note.

[] means that's the screen where the Act begins.

{ } means that's the text underneath the selection of the Act you want to play.

=====

Act 1

=====

{As a solo crimefighter, Raph, your goal is to defeat as many street thugs as you can.}

Splinter: "My sons, April is here to talk to us about her new book."

Michelangelo: "Hey April - is this the book about Yaotl?"

April: "You bet! I was only involved in half the story - you guys were involved in the behind-the-scenes stuff."

Leonardo: "And there sure was lots of behind-the-scenes stuff going on."

Donatello: "Our family was falling apart."

April: "This was when Raph was out being a solo crimefighter, right?"

Raphael: "Yeah! Crime was on the rise, and I didn't think we were doing enough about it."

Leonardo: "We were doing plenty."

Raphael: "See what I mean? So I tricked-out a motorcycle and started getting things done on my own..."

[Begin Act 1: I'm Putting You Punks Out of Business!]

=====

Act 2

=====

{The Foot Clan is back in town! Leo, Raph, Don, Mike, you have to stop them!}

Raphael: "You weren't even in town when that was going on, were you?"

April: "I'd just come back from South America. I was working for Max Winters, one of the richest men in the world. Winters told me about the legend of this ancient leader Yaotl, who was so crazy for power that he opened a Portal into another dimension! Thirteen monsters escaped into our world, and Yaotl and his four Generals disappeared. Winters hired me to find the four statues that represented Yaotl's Generals."

Donatello: "Something big was going down - but we didn't realize that until we saw Karai, the leader of the Foot clan."

Michelangelo: "No way, dude! It was when we saw that humongous Bigfoot creature!"

Leonardo: "Actually, it was both..."

[Begin Act 2: Something Strange is Going On!]

=====

Act 3

=====

{Raph, you are going solo once again, to track down the monsters in the city.}

Splinter: "It was very fortunate that after that we were able to turn to you for information, April."

April: "And I told you about Yaotl, the Generals, and the 13 creatures."

Donatello: "We theorized that the Bigfoot creature was one of the 13."

Michelangelo: "Yeah, dude, but that didn't make me feel any better!"

Raphael: "We were getting nowhere! I decided to go out and work some steam off..."

[Begin Act 3: The Kidnapping!]

=====
Act 4
=====

{Leo has been captured! Raph, Done, Mike, you must go to Winters Tower and free him!}

Leonardo: "I tried to tell Raph he didn't have to go out on his own, that he could rely on the rest of us."

Splinter: "But Raphael was too angry and impatient to listen. And while the two of you were arguing, you were not paying attention..."

Leonardo: "So we got jumped by four dudes who were half-man and half-giant statues."

Raphael: "I barely escaped! I ran back home and told the others Leo got captured."

April: "That's when I realized that Winters' statues weren't statues at all - they were the real Generals, and they'd come back to life!"

Donatello: "It looked like the Generals and the Foot were collecting all the monsters, and they thought Leo was one of them."

Michelangelo: "But we still had no idea why!"

Raphael: "The one thing we did know was that NOBODY messes with one of our family!"

[Begin Act 4: Storm the Castle Part 1!]

=====
Act 5
=====

{The four of you are reunited! Together you must learn what the Foot Clan is up to.}

Michelangelo: "Yeah! Leo was back, dudes!"

Leonardo: "It was time to start getting some answers."

Raphael: "Time to start kickin' butt!"

Donatello: "Next stop - Max Winters!"

[Begin Act 5: Storm the Castle Part 2!]

=====
Act 6
=====

{The four of you have to find the final monster, and lure it back to the tower!}

Michelangelo: "Max Winters was Yaotl all along!"

Raphael: "The Foot were so angry about being used that they quit!"

Leonardo: "But Winters had everything he needed to re-open the Portal - except for the thirteenth monster."

Donatello: "The only way to end the threat forever was for *us* to open the Portal. So, we needed to find the last monster ourselves, then lure him back to Winters Tower - fast."

Michelangelo: "Ninja Turtles against Generals and Monsters for the Interdimensional Championship - Round One! Ding!"

[Being Act 6: The Hunt for the 13th Monster!]

=====

Act 7

=====

{The portal is open! Now you have to fight your way to the Generals and defeat them!}

Leonardo: "So we kept feeding the sea monster, and brought him all the way back to Winters Tower."

Donatello: "Which caused the Portal to open."

Raphael: "The only thing left to do was take on the four main bad guys."

Michelangelo: "Turtles versus Generals, Round Two. Ding! Ding!"

[Begin Act 7: The Final Blow!]

[After completeing Act 7:]

Leonardo: "So together we beat the Generals and tossed them into the Portal, closing it off and putting an end to Yaotl and his pals forever."

Raphael: "We also learned that we can do anything, as long as we stick together as a family."

April: "Thanks, guys, that's a terrific story."

Donatello: "But it's not quite finished yet!"

Michelangelo: "No way! Speaking of "sticking together," April, didn't Casey ask you to marry him right after that?"

April: "Yes - but that's *another* story..."
