Yu-Gi-Oh! Ban List

Written by Kevin Wang

Version 0.9 - Last revised: Saturday, February 26, 2005 (6838 bytes, 6.67 KB)

This document is Copyright 2005 Kevin Wang. This time, I've decided to let only GameFAQs and myself use this list. My apologies to anyone who hosted my World Championship Tournament 2004 FAQ, but you may still host it. An asterisk (*) instead of a period before a limited card's name means that it is new to its list. Interestingly enough, every list except the Forbidden list has nine cards new to it. This document is best viewed in Courier New font, 10 Point, with the window maximized. ^_^

Unless your site is GameFAQs or belongs to me, you may not host this document. Also, this time I've decided to omit my contact information because you should be able to figure it out for yourself. >_> Actually, this list is just something that I got off of

http://www.upperdeckentertainment.com/yugioh/forb_advanced_new.aspx. All credit goes to them; I just changed the list to make it easier to read and count. Yes, you are allowed to print and share this document just as long as you don't make any money off it. Sorry for the confusion if there was any..

CREDITS IN ORDER OF IMPORTANCE

KWang - for typing up this list
Konami - for creating Yu-Gi-Oh! 7 Trials to Glory: World Championship Tournament 2005 (now that's a REALLY long name for a video game!)
Upper Deck Entertainment - well, I'm not sure what they did..
PikabIu - for telling me about the Yu-Gi-Oh! GBA tournament AGAIN
darknesswaters - for paying me \$35 USD when he could have paid me well over \$200
Jeff "CJayC" Veasey - for hosting this document along with my other one
You - for putting up with me for such a long time ;)

FINAL WORDS FROM THE AUTHOR

First off, get Gmail and Firefox if you haven't already!

<http://getfirefox.com>

Now that THAT'S out of the way, I plan on going to my local GameStop on or before Wednesday, March 2, 2005 to buy a copy of Yu-Gi-Oh! 7 Trials to Glory: World Championship Tournament 2005. Yes, I vowed to quit Yu-Gi-Oh! just several months ago, but that was before I knew that there would be another tournament, and tournaments mean prize money! As of Friday, February 25, 2005, I'm not quite sure how it will work, but these sites will likely update soon with information:

<http://www.konami.com/gs/worldchampionship2005/>

<http://www.dslgem.com/2005tournament/>

I'm still not sure if the World Championship 2005 tournament will be for the real-life TCG or 7 Trials to Glory, but these two pictures taken directly from the above sites show that it will probably be the latter instead of the former (which is what I'm hoping for; I don't have a real-life deck... otherwise I will have wasted \$30!):

Pikablu, I hope to see you at the tournament. Good luck. If they hold a tournament for Nightmare Troubadour, I hope to see you there, too.
