Chimp - 3 Barrels

Gorilla - 3 Barrels

Lyrics:

I've been workin' on the railroad

All the live long day

I've been workin' on the railroad

Just to pass the time away

Can't you hear the whistle blowing?

Rise up so early in the morn'

Can't you hear the captain shouting?

Dinah blow your horn

She'll be coming around the mountain when she comes

She'll be driving six white horses when she comes

And we'll all go out to meet her when she comes

Yankee Doodle went to town riding on a pony

Stuck a feather in his hat and called it macaroni

Yankee Doodle keep it up

Yankee Doodle dandy

Mind the music and the step

And let the girls be handy

Mom and dad went down to town along with Captain Gooding

There were all the men and boys as thick as hasty pudding

Yankee Doodle keep it up  
Yankee Doodle dandy  
Mind the music and the step  
And let the girls be handy

It's like wow  
You know your kisses seem to set me free  
It's like Wow  
Cuz when we touch, it's such a rush, I can't get enough  
It's like, it's like

Ooh! Hey! What?  
It's like Wow!

Should I hesitate when it feels this great?  
Don't want to make a big mistake  
Don't want to make you think I'm playing games  
I'm just trying to say

Fascinated by your love, you know it's all I'm thinking of  
Have I waited long enough? My mind and heart are all mixed up  
Feeling higher than a cloud, all my senses are like Wow

Ooh! Hey! What?  
It's like Wow!

9. "I Think I Love You" - Written by David Cassidy

Difficulty:

Monkey - 7 Barrels  
Chimp - 3 Barrels  
Gorilla - 3 Barrels

Lyrics:

Do you think you love me?  
I think I love you

I'm sleeping  
And right in the middle of a good dream  
Then all at once I wake up  
From something that keeps knocking at my brain  
Before I go insane  
I hold my pillow to my head

And spring up in my bed  
Screaming out the words I dread  
I think I love you, I think I love you

This morning, I woke up with this feeling,  
I didn't know how to deal with  
And so I just decided to myself  
I'd hide it to myself  
And never talk about it  
And did not go and shout it  
When you walked into the room  
I think I love you, I think I love you

I think I love you, so what am I so afraid of?  
I'm afraid that I'm not sure of, a love there is no cure for  
I think I love you, isn't that what life is made of?  
Though it worries me to say, I've never felt this way

Believe me, you really don't have to worry  
I only want to make you happy  
And if you say  
"Hey! Go away," I will

But I think better still I'd better stay around and love you  
Do you think I have a case? Let me ask you to your face.  
Do you think you love me?

I think I love you, so what am I so afraid of?  
I'm afraid that I'm not sure of, a love there is no cure for  
I think I love you, isn't that what life is made of?  
Though it worries me to say, I've never felt this way

Gorilla - 6 Barrels

Well my baby and me went out late Saturday night  
I had my hair piled high and my baby just looked so right  
Well pick you up and ten, gonna get you home at two  
Your Mama don't know what I got in store for you  
But baby that's all right we're looking as cool as can be

We found a little place that really didn't look half bad  
I had a whiskey on the rocks and change of a dollar for the jukebox  
Well I put a quarter right into that can  
But all it played was disco, man  
Come on pretty baby, let's get out of here right away

We're gonna rock this town, rock it inside out  
We're gonna rock this town, make them scream and shout

Let's rock, rock, rock, man, rock  
We're gonna rock 'til we pop  
Gonna roll 'til we drop  
We're gonna rock this town, rock it inside out

Well we're having a ball just tearing up the big dance floor  
Well there's a real square cat, he looks 1974  
Well he looked at me once, he looked at me twice  
Look at me again and there's gonna be a fight

We're gonna rock this town, rip this place apart  
We're gonna rock this town, rock it inside out  
We're gonna rock this town, make 'em scream and shout

Let's rock, rock, rock, man, rock  
We're gonna rock 'til we pop

15. "You Can't Hurry Love" - Written by The Supremes

Difficulty:

Monkey - 3 Barrels

Chimp - 5 Barrels

Gorilla - 6 Barrels

Lyrics:

I need love, love to ease my mind  
I need to find, find someone to call mine

But Mama said:

You can't hurry love  
No, you just have to wait  
She said love don't come easy  
It's a game of give and take

You can't hurry love  
No, you just have to wait  
You got to trust, give it time  
No matter how long it takes

But how many heartaches  
Must I stand? Before I find a love  
To let me live again  
Right now the only thing  
That keeps me hanging on  
When I feel my strength  
It's almost gone.  
I remember, Mama said:

You can't hurry love  
No, you just have to wait  
She said love don't come easy  
It's a game of give and take

How long must I wait?  
How much more can I take?  
Before loneliness will cause my heart to break?

No I can't bear to live my life alone  
I grow impatient for a love to call my own  
But when feel that I, I can't go on  
These precious words keeps me hanging on  
I remember, Mama said:

You can't hurry love  
No, you just have to wait  
She said love don't come easy  
It's a game of give and take

You can't hurry love  
No, you just have to wait  
She said trust, give it time  
No matter how long it takes

Bob Dylan didn't have this to sing about you  
You know it feels good to be alive

I was alive and I waited, waited  
I was alive and I waited for this  
Right here, right now  
There is no other place I want to be  
Right here, right now  
Watching the world wake up from history

I saw the decade in, when it seemed  
The world could change at the blink of an eye  
And if anything  
Then there's your sign of the times

I was alive and I waited, waited  
I was alive and I waited for this  
Right here, right now

19. "Stupid Cupid" - Written by Patsy Cline

Difficulty:

Monkey - 5 Barrels  
Chimp - 3 Barrels  
Gorilla - 2 Barrels

Lyrics:

Stupid cupid you're a real mean guy  
I'd like to clip your wings so you can't fly  
I love him, it's a cryin' shame  
And I know that you're the one to blame  
Hey, hey, set me free! Stupid cupid, stop pickin' on me

I can't do my homework and I can't think straight  
I meet him every morning about half past eight  
I'm acting like a love sick fool  
He's even got my carrying his books to school  
Hey, hey, set me free! Stupid cupid, stop pickin' on me

You mixed me up but good, right from the very start  
Hey, don't play robin hood, with somebody else's heart

You got me jumping like a crazy clown  
And I don't feature what you're putting down  
Since I kissed your lovin' lips of wine  
The thing that bothers me is I like it fine  
Hey, hey, set me free! Stupid cupid, stop pickin' on me

20. "The Impression That I Get" - Written by The Mighty, Mighty Bosstones

Difficulty:

Monkey - 8 Barrels

Chimp - 7 Barrels

Gorilla - 3 Barrels

Lyrics:

Have you ever been close to tragedy or been close to folks who have?  
Have you ever felt a pain so powerful so heavy you collapse?

No, but, I,  
I've never had to knock on wood, but I know someone who has  
Which makes me wonder if I could, It makes me wonder if I  
Never had to knock on wood, and I'm glad I haven't yet  
Because I'm sure it isn't good, that's the impression that I get

Have you ever had the odds stacked up so high, you need a strength  
most don't possess?  
Has it ever come down to do or die, you've got to rise above the rest?

No, but, I,  
I've never had to knock on wood, but I know someone who has  
Which makes me wonder if I could, It makes me wonder if I  
Never had to knock on wood, and I'm glad I haven't yet  
Because I'm sure it isn't good, that's the impression that I get

I'm not a coward, I've just never been tested  
I'd like to think that if i was I would pass  
Look at the tested and think there but for the grace go  
I might be a coward, I'm afraid of what I might find out

Never had to knock on wood, but I know someone who has  
Which makes me wonder if I could, It makes me wonder if I  
Never had to knock on wood, and I'm glad I haven't yet  
Because I'm sure it isn't good, that's the impression that I get

Cause it's true  
That's what I like about you!

What I like about you  
You really know how to dance  
When you go up, down, jump around

Monkey - 4 Barrels

Chimp - 5 Barrels

Crack that whip, give the past the slip  
Step on a crack, break your momma's back

When a problem comes along, you must whip it  
Before the cream sits out too long, you must whip it  
When something is going wrong, you must whip it

Now whip it  
Into shape  
Shape it up  
Get straight  
Go forward  
Move ahead  
Try to detect it  
It's not too late  
To whip it  
Whip it good

When a good time turns around, you must whip it  
You will never live it down, unless you whip it  
No one gets away, you must must whip it

I say whip it  
Whip it good

Lyrics:

On the road again  
Just can't wait to get on the road again  
The life I love is making music with my friends  
And I can't wait to get on the road again

On the road again  
Going places that I've never been  
Seeing things that I may never see again  
And I can't wait to get on the road again

On the road again  
Like a band of gypsies, we go down the highway  
We're the best of friends  
Insisting that the world be turnin' our way

And our way is on the road again  
Just can't wait to get on the road again  
The life I love is making music with my friends  
And I can't wait to get on the road again

On the road again  
Like a band of gypsies, we go down the highway  
We're the best of friends  
Insisting that the world be turning our way

And our way is on the road again  
Just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again  
And I can't wait to get on the road again

Here we go!

So they're finally here, performing for you  
If you know the words, you can join in too  
Put your hands together if you want to clap  
As we take you through this funky rap

DK! Donkey Kong!

He's the leader of the bunch, you know him well  
He's finally back, to kick some tail  
His coconut gun can fire in spurts  
If he shoots ya, it's gonna hurt  
He's bigger, faster, and stronger too  
He's the first member of the DK crew

DK! Donkey Kong!  
DK! Donkey Kong is here!

This Kong's got style, so listen up dudes  
She can shrink in size to suit her mood  
She's quick and nimble when she needs to be,  
She can float through the air and climb up trees  
If you choose her, you'll not choose wrong  
With a skip and a hop, she's one cool Kong

DK! Donkey Kong!

He has no style, he has no grace  
This Kong has a funny face  
He can handstand when he needs to  
And stretch his arms out just for you  
Inflate himself just like a balloon  
This crazy Kong just digs this tune

DK! Donkey Kong!  
DK! Donkey Kong is here!

=====  
A) Thanks/Credits

=====  
Thanks to Donkey Kong. I love that ape.

Thanks to David Perez from Newington, CT. Some of the information I had about the artists were incorrect, but he straightened me out.

Thanks to the following people for helping me with the English translations of the Carlos Santana songs: orange\_factory, Chris Ciupka, and Harold Maduro.

All of these bands/artists that I talked about in this FAQ, especially the Mighty Mighty Bosstones, because they are awesome. And I'm not going to thank the artist(s) of "Diddy's Ditties", "Bingo", or "Campfire Medley" because those songs suck. And I hate that "Stupid Cupid" song too. Patsy Cline should burn.
