I. About This Guide.

This guide is to help complete the Tattle Log, listed under Journal, in the GC game Paper Mario: The Thousand Year Door. If you have any suggestions or comments please email me at magic_sword_00@yahoo.co.uk. Please note that this guide contains spoilers.

II. What is "Tattle"?

Tattle is an ability of one of your partners, Goombella. By performing this attack in battle Goombella will identify enemy stats, strengths and weaknesses. Any enemy you have tattled will then remain recorded in your Tattle Log and their HP (Heart Points) will always be visible in battle.

III. Key.

The guide will be laid out as follows:

Number: Number of enemy in log

Name: Name of enemy

Max HP: The maximum number of heart points the enemy can hold at any one time

Attack: The strength of their attacks

Defense: Their resistance to your attacks

Location: Where it can be found

Type: Ground, Mid-Air or Ceiling

This guide is sorted in order of number, as they appear in the game's log.
