OPEN YOUR HEART - MAIN THEME

Thunder, rain, and lightning
Danger, water rising
Clamour, sirens wailing
It's such a bad sign

Shadows of dark creatures
Steel clouds floating in the air
People run for shelter
What's gonna happen to us!?

All the steps we take, all the moves we make, all the pain at stake
I see the chaos for everyone who are we what can we do
You and I are same in the way that we have our own styles that we won't change
Yours is filled with evil and mine's not there is no way I can lose

Can't hold on much longer - But I will never let go
I know it's a one way track - Tell me now how long this'll last
I'm not gonna think this way - Nor will I count on others
Close my eyes and feel it burn - Now I see what I've gotta do

OPEN YOUR HEART, IT'S GONNA BE ALLRIGHT

Ancient city blazing
Shadows keep attacking
Little children crying
Confusion, hopeless anger

I don't know what it can be but you drive me crazy
All your cunning tricks make me sick, you won't have it your own way

Can't hold on much longer - But I will never let go
I know it's a one way track - Tell me now how long this'll last
I'm not gonna think this way - Nor will I count on others
Close my eyes and feel it burn - Now I see what I've gotta do

OPEN YOUR HEART...AND YOU'LL SEE...

If it won't stop, there will be no future for us
Its heart is tied down by all the hate, gotta set him free

I know it's a one way track - Tell me now how long this'll last
Close my eyes and feel it burn - Now I see what I've gotta do

GOTTA OPEN YOUR HEART, DUDE!

Can't hold on much longer - But I will never let go
I know it's a one way track - Tell me now how long this'll last
I'm not gonna think this way - Nor will I count on others
Close my eyes and feel it burn - Now I see what I've gotta do

OPEN YOUR HEART, IT'S GONNA BE ALLRIGHT

IT DOESN'T MATTER - SONIC'S THEME

Well, I don't show off, don't criticize
I'm just livin' by my own feelings
And I won't give in, won't compromise
I just only have a steadfast heart of gold

I don't know why, I can't leave though it might be tough
But I ain't out of control, just livin' by my word
Don't ask me why, I don't need a reason
I got my way, my own way

It doesn't matter now what happens I will never give up the fight
There is no way I will run away from all of my frights
Long as the voice inside me says go, I will always keep on running
There is no way to stop me from going to the very top

It doesn't matter who is wrong and who is right

Well, I won't look back I don't need to
Time won't wait and I got so much to do

Where do I stop, it's all a blur and so unclear
Well, I don't know but I can't be wrong

This fight is not for anybody, this is purely for myself
There is no way I'm gonna give up 'til the very end
I can't tell what is wrong and what is right, I've got to find the answer
But I do there's no way I will ever give up

Place all your bets on the one you think is right

It doesn't matter now what happens I will never give up the fight
There is no way I will run away from all of my frights
Long as the voice inside me says go, I will always keep on running
There is no way to stop me from going to the very top

BELIEVE IN MYSELF - MILES' (TAIL'S) THEME

When all alone in my chair, I just go about wishing
I wanna be strong, I really wanna be trusted
When all alone in my bed, I just go about yearning
I wanna be cool, I also wanna be like him

But that's not something I can do so easily
This is not simply my way, my style
Gotta get a hold of my life

I wanna fly high
So I can reach the highest of all the heavens

Somebody will be waiting for me so,
I have got to fly higher

Gotta keep goin'
Everything is a brand new challenge for me
I will believe in myself
This is the only start for me

When all alone in my sleep, I just go about dreaming
I see myself there, having the same adventure

If I just follow you, I will never see the light
Now is the time to find my way through this life
I'm trying so hard to be strong

I wanna fly high
So I can reach the highest of all the heavens
Somebody will be waiting for me so,
I have got to fly higher

Many friends help me out, in return I help them
Certain things I can do and there are things that only I can do
No one's alone!

UNKNOWN FROM M.E. - KNUCKLE'S THEME

Here I come, rougher than the rest of them
the best of them, tougher than leather.
You can call me Knuckles, unlike Sonic I don't chuckle
I'd rather flex my muscles
I'm hard as nails, it ain't hard to tell
I break'em down whether they're solid or frail.
Unlike the rest I'm independent
It's my first breath, first test
feel the right then the worst's left

Born on an island in the heavens
The blood of my ancestors flows inside me
My duty is to save the flower from evil deterioration

I will be the one to set your heart free
Must cleanse youeself of that evil spirit that got in you

Streaking lights, loud sounds, and instinct
Are the elements that keep me going
I am fighting my own mission
Nothing's gonna stand in my way

I will be the one to set your heart free
Must cleanse youeself of that evil spirit that got in you

Won't be frightened I'll stand up to all the pain and turmoil
Just believe in myself won't rely on others

Get this power to wipe out the havoc and anarchy
This is my planet gonna fight for my destiny

Here I come, rougher than the rest of them
the best of them, tougher than leather.
You can call me Knuckles, unlike Sonic I don't chuckle
I'd rather flex my muscles

I'm hard as nails, it ain't hard to tell
I break'em down whether they're solid or frail.
Unlike the rest I'm independent
It's my first breath, first test
feel the right then the worst's left

I have no such things as weak spots
Don't approve of him but gotta trust him
This alliance has a purpose
This partnership is only temporary

I will be the one to set your heart free
Must cleanse youeself of that evil spirit that got in you

Won't be frightened I'll stand up to all the pain and turmoil
Just believe in myself won't rely on others

Freedom will be waiting when serenity is restored
This is my planet I shall not surrender

Won't be frightened I'll stand up to all the pain and turmoil
Just believe in myself won't rely on others

Get this power to wipe out the havoc and anarchy
This is my planet gonna fight

Won't be frightened I'll stand up to all the pain and turmoil
Just believe in myself won't rely on others

Freedom will be waiting when serenity is restored
This is my planet I shall not surrender

The new porcupine on the block with the puff chest
Outta the wilderness with the ruggedness
Knock, knock, it's Knuckles, the bloat thrower
Give you the cold shoulder
My spike goes through boulders
That's why I stay a loner
I was born by myself
I don't need a posse, I get in on by myself
Advisorites get shelved

MY SWEER PASSION - AMY'S THEME

I got out my map and chose a place I wanted to go to
...Packed up my stuff, set out for adventure...
I know that your lucky color is that cool shade of blue
...Won't mind painting myself blue for you...
I guess I'm so easy to understand
I just do what ever that comes to me naturally

I do understand the feelings of a Persian Cat
...But the Sphinx looked so cute I had to shave it...
He reminds me of parsley when he's standing there all alone
...Makes me wanna be his specialite...
I guess I'm just a self-centered girl
But there are nights that I have trouble going to sleep

Sweet sweet you're so sweet - So many things I want
Sweet sweet you're so sweet - I wanna be a wonderful girl
Sweet sweet you're so sweet - I'm not simple-minded

Sweet sweet you're so sweet - And I won't be a pearl

You probably need me just as much as I need you

Are you okay you seem to be a little bit tense

...You don't have to worry 'bout a single thing...

We are free to get whatever that we want to have

...We're also free to do whatever we want...

That's what we'll do that's what we'll do

We should live our lives the way we think it ought to be

Sweet sweet you're so sweet - There's no where to hide

Sweet sweet you're so sweet - Come on settle our lives

Sweet sweet you're so sweet - I'll always be there for you

Sweet sweet you're so sweet - In the best and worst times

You can be my sweetest honey for eternity

Sweet sweet you're so sweet - So many things I want

Sweet sweet you're so sweet - I wanna be a wonderful girl

Sweet sweet you're so sweet - I'm not simple-minded

Sweet sweet you're so sweet - And I won't be a pearl

I honestly need you just as much as you need me

LAZY DAYS - BIG'S THEME

Oh, it's a windy and sunny day

An I can hear the faint sound of the distant waves

The past weeks have been going by so fast

It's all the same, the bright sky and shining sun

I have a feeling it's gonna be a fun day

Oh, it's a windy and sunny day

The many summers and many great games

Guess it's another trouble-free day

Our playground's so huge, we don't know where it ends

Feels energetic and groovy

Everything's cool, it's excellent

Everyday's a new beginning, yeah! - We don't know who we're gonna meet today

The more I want, the less I can get - Keep walking for a new tomorrow

But I guess that I'm happy now gonna set my heart free

Now I've got nothing to worry me, Come on!

Let's just get up go, go, go, go!

Hey big guy, hey little guy

Can you tell me who came first

Sorry, but I don't know

We are simply natural

Okay, all you have to do is sit up, look left, right, up, and down

Hey big guy, hey little guy

Can you tell me what's inside

Sorry, but I don't know

We are simply natural

We present you with a gift - Welcome to our Paradise

What'd you think about the incident? - You always take me for granted

I am asking you as a first step - You answer first cause I asked you first

You and I are friends for all of time Tell me how you feel
But you know I can't resist that smile on your face
Happy happy Muy Amable!

Hey big guy, hey little guy
Can you tell me who came first
Sorry, but I don't know
We are simply natural
Okay, all you have to do is sit up, look left, right, up, and down

We present you with a gift - Welcome to our Special Paradise
Where it all comes down to just one little thing, love
