## -Sec. 2: Intro

When Sonic Adventure first came out for the Dreamcast, many people couldn't seem to adjust to the new surroundings. Fortunately, I was not one of

them. My younger step-brother got a DC for Christmas 2000 along with Sonic Adventure. When I first played it in 2000, I was like a graphical masterpiece. And now with Sonic Adventure arriving on the GCN, I can finally play this game all I want without constantly having to ask.

I've really got to hand it to SEGA and Sonic Team for making one of my favorite games of all time! Sonic Adventure DX is a perfect, upgraded version of one of the best games I've ever played! Everything from the original and more! Unfortunately, I had to step down from the game series due to ShTH(I'm religious), so I'm out of date after Sonic Riders. I'm not gonna spoil anything, so onto the main info.

Have you ever noticed how when you leave a character standing still for about 30 sec, they say something random? Well, this FAQ is intended to tell you just what it is they say. I have finally closed the auditions mentioned in other updates.

### Sec. 3: Story

0. FYI- In case you didn't know, Sonic Adventure takes place on Earth (as does Sonic Adventure 2) instead of Mobius.

Here I will list each character and their story.

1. Sonic the Hedgehog- Sonic is returning home after a long day at work. He finds this mysterious liquid life form called "Chaos" who was freed by Dr. Eggman. Sonic finds out that Chaos gets stronger with each given Emerald. What'll happen if Chaos gets all 7 emeralds? You don't want to know. That's why it's Sonic's job to keep Chaos from getting all 7 of them. Sonic is the only one who can be selected at the game's start.

2. Miles "Tails" Prower- Tails is testing out a new plane he made with a Chaos Emerald to power it up. But the plane goes out of control as Tails crash-lands at the beach where he is rescued by Sonic. As the story passes, Tails must also keep Chaos from getting the Emeralds. He also has to make the most important decision of his life: to overcome his fear of not being with Sonic. Tails is unlocked after being rescued by Sonic.

3. Knuckles the Echidna- Dr. Eggman has released Chaos from the Master Emerald. Upon doing so, it is shattered into pieces. Without the M.E. to power Angel Island(formerly known as the "Floating Island"), it falls into the ocean. Knuckles then makes it his job to recover the rest of the Emerald pieces. He is also curious about his past. Knuckles is unlocked after his scuffle with Sonic/Tails.

4. Amy the Hedgehog- Amy is bored of her constant life of shopping and longs for Sonic. While flashing back to their adventures on Little Planet (Sonic CD), Amy runs into this Flicky who is trying to escape from Eggman's flying fortress, the Egg Carrier. This robot named Zero is one of the E-100 series and has been instructed to capture the "Birdie" from Amy. She also has another E-Series robot to deal with: Gamma! Amy decides to help Birdie find his parents. Both of whom are hidden in 2 separate badniks: E-101 Beta and E-102 Gamma! Amy is unlocked 1) after Sky Chase 1 as Sonic or 2) after escaping from the Egg Carrier as Tails. Keep in mind that if you use method 2, you will also end up unlocking Gamma at the same time you do Amy.

5. E-102: Codename: Gamma- Gamma is the second of the E-100 series robots. He was created by Eggman to serve Eggman. After being granted access to the Egg Carrier, he is instructed to capture a certain "long-tailed frog." As he meets Amy, he slowly undergoes through a change of heart. He eventually figures out

that Eggman is the enemy as E-102 has to save the rest of his brothers from Eggman's clutches. Unlock him by 1) beating him as Sonic, 2) or Tails, 3) meeting him as Amy, 4) spying on him as Knux.

6. Big the Cat- A rather disliked character, Big is a laid-back and easygoing guy who loves to fish. Because of his 617 lb weight, he is a very slow guy. He is never without his rod favorite fishing rod, lure, and best friend Froggy. One night, Chaos' missing tail is seeking the owner, Chaos himself. It accidentally finds Froggy and attaches itself to him. Froggy then starts to display some weird symptoms such as swallowing a whole Chaos Emerald! It's up to Big to rescue his pollywog pal before he is lured back to Chaos via the tail. Unlocking him can be done by 1) talking to him in the Adventure Field, 2) defeating Chaos 6 as Sonic, 3) stealing Froggy from him as Gamma.

7. Dr. Eggman- The evil mad genius formerly known as "Dr. Ivo Robotnik" has returned to wreak havoc upon all. Dr. Eggman has released Chaos from the Master Emerald (and unknowingly, Tikal as well) for his own evil needs. With each Emerald he gives to Chaos, Chaos becomes stronger. What will happen if Chaos gets all 7 emeralds?

8. Tikal- Tikal was a mysterious girl who can warp people back through time. She is possibly the most important character in the game as everyone's story is connected through her. Her father, Pachacamac, was hooked on power and was unable to resist trying to use the Master Emerald for more power. His trying to do so resulted in all of the Chao who lived there being killed. This made their guardian, Chaos, angry and he was forced to wipe out all of the Echidna race except for Tikal. Then he became obsessed with greed. When Chaos got too out of control, Tikal was forced to seal him in the Master Emerald using the words she learned from her grandmother: "The servers are the 7 Chao. Chaos is power enriched by the heart. The controller is the one that unifies the Chao." Doing so caused her to be trapped in the Emerald along with Chaos, so Tikal didn't really die, but was trapped inside the Master Emerald.

9. Chaos- (note: Thanks to Dale Giramma for more info in Chaos and the Chao) Chaos was a mythical beast who existed long ago and was the guardian of the Chao. The Chao are somehow a part of Chaos' power and his personality. When the Chao died in Sonic's first flashback, Chaos' power and personality had been altered into rage and evil. Chaos was bound to protect the Chao, so when the Chao were killed by the ancient race, he was forced to kill them. But Tikal had no part in the destruction of the Chao, so Chaos couldn't kill her. And when Tikal first approached the Chao, she posed no threat, so Chaos couldn't hurt her. And when Chaos was released, he seemed to be grateful and sided with Eggman as his way of thanks. As time went on, Chaos went out of control and destroyed all of Station Square. Until Super Sonic had to put a stop to him and purify him again by freeing all of his anger and turmoil.

10. Chao- The O-so lovable creatures you can raise. Chao actually made their debut in NiGHTS: Into Dreams on the Saturn and not Sonic Adventure. According to Dale Giramma, the Chao are somehow a part of Chaos' power and his personality. The plural of this word is still "Chao". See Chaos for more info.

a. Sonic-

~Station Square: Center of City~

-Sonic: "Ah, Yeah! This is happening!"

"Huh?"

"What's up?"

~Station Square: City Hall~

-Police: "You are completely surrounded! Surrender yourself!"

"Lock on target men! Ready? Fire!"

"Oh no, our weapons are useless!"

"Retreat! All personel, fall back!"

-Sonic: \*looks at Chaos 0\* "Ah yeah! This scould be fun!"

~After beating Chaos~

-Sonic: "Come on ya big drip! Where Ya going!"

-Dr. Robotnik: "You know nothing fool! It's Chaos, the God of Destruction!"

"Ha ha ha ha ha ha ha ha ha ha!"

~Station Square: Pool~

-Sonic: "Huh"

"What? Tails?"

"Watch out! You're gonna crash! Ahhh!"

"Tails..."

"What am I gonna do with you?"

~After rescuing Tails~

-Tails: "Hey, Sonic. Long time no see, huh?"

-Sonic: "I'm just glad you're OK."

"What happened anyway?"

"You're too good of a pilot to just crash like that."

-Tails: "That was a test run using a new prototype propulsion system."

"It's got a few bugs to iron out."

-Sonic: "Why not use my plane, the Tornado?"

-Tails: "Thanks, but you gotta check out my latest power supply. Ta dahhh!"

-Sonic: "WHOA! A Chaos Emerald!"

-Tails: "Yep! I just happened to find one of the 7 Emeralds during one of my test flights." This thing's got unlimited power, ya know... So I figured, why not use it to power up my plane. Super charged! You gotta come over to my workshop, Sonic! I've got something I've gotta show you! It's in the Mystic Ruins. The fastest way is by train. Let's go!"

~After meeting Eggman~

-Robotnik: "Ha ha ha ha! If it isn't Sonic!"

-Sonic: "Look! It's a giant talking egg!"

-Robotnik: "Silence! I am Dr. Robotnik, the greatest scientific genius in the world!"

-Sonic: "Whatever you say, Eggman!"

-Robotnik: "Enough! I've got big plans, and now I'm gonna put them to work!"

-Tails" "You're always up to no good. Now what d'ya want?"

-Robotnik: "I want all of the Chaos Emeralds. Better not interfere! Or else!"

-Sonic: "Or else what, ya big loser?"

-Robotnik: "Or else I'll take them from you by force... the hard way!"

~After beating Egg Hornet~

-Sonic: "Well, that wasn't so hard!"

-Robotnik: "Aha!"

-Sonic: "Oh, no!"

-Robotnik: "Come on Chaos, time to eat!"

-Sonic: "Chaos?"(no pun intended)

"Oh no, isn't that the same monster I saw the other day..."

-Robotnik: "Ooooh Yes! It's just as the stone tablets predicted." Ha ha ha ha ha! His strength increases every time I feed him a Chaos Emerald! With all 7 Emeralds in him, he'll be invincible and work for me! Together, we'll destroy Station Square! And on it's ruins, I'll build Robotnikland, the ultimate city! Where I will rule it all! Come on Chaos! Let's find another Emerald, shall we?"

-Tails: "Sonic! We can't let him get away with this. Can we?"

-Sonic: "No way, Tails!"

-Tails: "Without more Emeralds, the monster can't transform, so... It's up to us to get the Emeralds before Eggman does, huh?"

~After getting the 3rd Emerald~

-Sonic: \*gets surprised by Robotnik\*"Hyah! \*drops the Emerald while escaping Robotnik's attack\*"Hey! Oh no! The Chaos Emerald!

-Robotnik: "Oh, no you don't!"

-Robotnik: "Ha ha ha ha ha ha ha ha ha!"

-Sonic: \*weak\*"E-gg-ma-n--"

~After recovering~

-Tails: "Oh man, what happened to that Emerald we just had?"

-Sonic: "Aahh... I guess Eggman's got one of 'em, but the other one's safe. That gut must be desperate."

-Tails: "That means his two to our one, and that's not good! Come on Sonic, we need to get busy!"

~Near the entrance to the jungle~

-Sonic: (spots Knuckles) "What's up, Knuckles?" dodges his punch "Somethin' buggin' you?"

-Knuckles: "No time for games, Sonic! Give me the Emeralds you have! Right now!"

-Sonic: "What!?! Let's just see yo take 'em, huh!"

~After the battle~

-Sonic: (Sonic and Knuckles drop their Emeralds) "Oh no, the Chaos Emeralds..." (Robotnik appears and takes the Emeralds)

-Knuckles: "Ahhh! Eggman!"

-Robotnik: "Ha... like taking candy from a baby!"

-Knuckles: "That's a Chaos Emerald!"

-Robotnik: "That's right, fool, you made it all too easy! You practically gave them to me!"

-Sonic: "Hold it right there, creep! You can't get away with this...! Knuckles, don't tell me Eggman tricked you again?"

-Knuckles: "Me? What about you?"

-Sonic: "Way to go, Knucklehead!"

-Sonic: "You must be kidding!"

-Amy: "If you don't, we're just gonna tag along anyway!"

~Outside Twinkle Park~

-Amy: (Spots Zero behind her) "Aah, look! Eggman's Robot's on the loose!"

-Sonic: "No problem! He's just a chunk of cheesy hardware."

~Aproaching the Egg Carrier~

-Tails: "Alrighty, we're in!"  
-Sonic: "We gotta land on the Egg Carrier!"  
-Tails: "Whoops. Uh... I forgot something."  
-Sonic: "What's that?"  
-Tails: "There's no landing gear in this mode."  
-Sonic: "Whaaat!"

~On the Egg Carrier~

-Sonic: "Wow! This thing is really huge!"

-Tails: "Aaah, wow! It's changed shape. Did you see that?"  
-Sonic: "Darn! This makes it harder for us to get to the bridge!"  
-Tails: "I hate it when he doesn't listen..."  
-Robotnik: (on speaker) "Ha ha ha ha ha! I bet you weren't expecting this! The only way you can get to me is through the Sky Deck. I doubt if you can figure this one out! Ha ha ha ha ha ha ha!"

-Amy: "But what about you?"  
-Sonic: "I'll find that Eggman and put him out of commission!"

-Sonic: "If I'm to continue, I need to change this ship back to its original shape! There must be a switch somewhere on the bridge! I've gotta find it, now!"

~After transforming the Egg Carrier~

-Computer: "Emergency alert has been cancelled. Resuming monorail operation."

~Front of the Egg Carrier~

-Robotnik: "Ha ha ha ha ha! Oh, yes! Attack Sonic, now!"

-Big: "Froggy! I must save Froggy!"

-Sonic: "If he's your friend, I'll help you. Just leave it to me!"

-Robotnik: "Ha ha ha ha ha! Now I have 6 of the Chaos Emeralds. There's only one more left to find. I even found Chaos' missing tail!"

-Sonic: "You won't get away with this, you madman!"

-Robotnik: "I will! You're no match for Chaos - even though he's not perfect yet. Okay Chaos! Destroy them all... Immediately!"

~After beating Chaos 6~

-Robotnik: "No way! I can't believe this!"

-Knuckles: "Sonic!"

~Flying overhead~

Tails: "Everything's working great! All systems go...Full speed ahead! Uh oh! What's this? Nooooooooooooo! Aaaaggg...! I'm outta control! Mayday! Mayday! Go-in' Down! Aaaaggg...! Look out below!"\*crashes on the beach and gets rescued by Sonic\*

~Pool Area~

-Sonic: "Boy, you're lucky I saw you coming down! So what went wrong, anyway? It's not like you to just crash like that."

-Tails: "Yeah, it's just that I'm testing a new power prototype power supply, and it's not fully compatible yet!"

-Sonic: "You can always borrow my plane, the Tornado, if you want."

-Tails: "Thanks, Sonic. But if I can make this work, it'll run circles around yours. Check out this power supply!"

-Sonic: "It's a Chaos Emerald! No way!"

-Tails: "I was lucky to find one of the 7 Chaos Emeralds. They have unlimited mystic powers. Now I want to harness that power to fly my plane. Let's go to my

workshop in the Mystic Ruins, and I'll show you what I've been working on. We'll go to the station, hop on a train, and get there in no time!"

~Confronting Robotnik in the Mystic Ruins~

-Robotnik: "Well, well, well... If it isn't Sonic and Tails!"

-Tails: "It's Eggman!"

-Robotnik: "Silence! I am Dr. Robotnik, the most cunning scientific genius in the world."

-Sonic: "Yeah right, Dr. Eggman!"

-Robotnik: "Enough! I've been working on a master plan, but now it's time to put it to work!"

-Tails: "That usually means trouble coming from you."

-Robotnik: "Don't even try to interfere this time. Give me that Chaos Emerald, or else!"

-Tails: "Or else what? Huh?"

-Robotnik: "Or else I'll take it from you... the hard way!"

~After beating the Egg Hornet~

-Tails: "That was just too easy!"

-Robotnik: "Gotcha!"

-Tails: "Hey! He snagged it!"

-Robotnik: "Chaos could use a little snack!"

-Tails: "Who's Chaos?"

-Sonic: "That's the monster I saw the other day."

-Tails: "Uh, monster?"

\*gives Chaos the Emerald\*

-Robotnik: "Yes, yes, yes! It's really happening! Just as the stone tablets said it would! Ha ha ha ha! Hear this, Sonic! Chaos' strength increases every time I give him a Chaos Emerald. All he needs is 7 Emeralds to become invincible! Then he will turn Station Square into rubble. Upon which I will build the ultimate city, Robotnikland! Ha ha ha ha! You ready Chaos? Let's go find the next Emerald. Come on!"

-Tails: "Thank goodness they're done. Good riddance!"

-Sonic: "We can't let that monster get bigger. It could get ugly!"

-Tails: "You're right, Chaos must be stopped! And he can be if we keep him away from more Emeralds, right? So what do you say, Sonic? Let's find the Chaos Emeralds before Eggman does!"

~After getting the 3rd Emerald~

\*Tails dodges Eggman's attack\*

-Tails: "What's that? \*drops Chaos Emerald\* The Chaos Emerald!"

-Robotnik: "Get away from there! \*gasses Tails\*"

~After recovering!

-Tails: "Ugh... Sonic... What happened to the Chaos Emerald?"

-Sonic: "Argh... Eggman got one of them, but the other one's safe." He must be getting desperate."

-Tails: "Now the Emerald Count is two to one, and Eggman's winning. Let's get a move on!"

~Confronting Knuckles~

-Tails: "Hey, Knuckles. What's up? \*dodges Knuckles' attacks\* What are you doin', Knuckles?"

-Knuckles: "Don't mess with me now. Just hand over the Emeralds you have, quick!"

-Tails: "No way, Knuckles!"

-Tails: "Whoa! Oh no, the Emeralds!"

-Robotnik: "Ha ha ha ha ha ha ha ha ha! And they're all mine!"

-Tails: "Eggman's back! He;s got the Emeralds!"

-Robotnik: "You two are bumbling idiots, you know that!"

-Knuckles: "Hey... those are... the CHAOS Emeralds!"

-Robotnik: "you are so easily tricked! All I did was wait for you to bring it to me!"

-Tails: "What the heck is he talking about, anyway?"

-Sonic: "Don't you realize when you've been tricked?"

~At the work shop~

Tails: "Sonic, wait here for a second..."\*gets the Tornado\* Sonic! Hop in! Let's go!

~After Tails wakes up~

-Tails: "Hmm, wow... That dream brought back memories! I owe so much to Sonic. Sonic! Hmmm, wonder where he went? sure hope he's all right. The Tornado isn't powerful enough. If I'm gonna get that Egg Carrier, I need to finish my proto-type. It needs a Chaos Emerald to work! Looks like I'd better fins one, fast!"

~In the Jungle~

-Tails: "Wow! There's a Chaos Emerald! \*Froggy steals it\*Hey, wait up Sto-----p!"

~After reaching Tikal~

-Tikal: "The servers are the 7 Chaos Emeralds. \*spots Tails\*Hello there, friend. How are you?"

-Tails: "Umm... what were yo saying before?"

-Tikal: "Huh? It's something my grandmother taught me. I'm never to forget it. It goes like this...'The servers are the 7 Chaos. Chaos is power...Power enriched by the heart. The controller is the one that unifies the Chaos' But I'm still not sure what it all means. But the number 7... is the same as the numbers of Emeralds there are."

-Tails: "Emeralds?"

-Tikal: "Forgive me, but I don't thnk we'ce ever met before... I'm Tikal...and you are?"

~Upon returning to the present~

~After the Egg Carrier changes shape~

-Tails: "Whoah! It transformed! Hey, did you see that?"

-Tails: "Oh, no! I'd better get to that missile before he detonated it!"

\*follows Robotnik to Speed Highway entrance\* I see it! I've gotta get it before Eggman. The fate of Station Square depends on me, huh... Sonic! I've changed alot since I've started hanging with Sonic... But I can't depend on him forever. I know I can do this by myself... Ok, Eggman! Bring it on!

c. Knuckles

~On Angel Island~

~Station Square~

-Knuckles: "It's up to me to find the missing peices of the Master Emerald. It won't be easy. Pieces flew off everywhere. guess I'd better start looking anywhere I can."

~Mystic Ruins: The Past~

-Knuckles: "Where in the world am I? I don't remember being here before. But something about it is familiar. Hmmm... This is very strange."

~Near Tikal~

-Tikal: "Father! Please don't!"

-Pachacamac: "Tikal, the 7 Emeralds are essential to our survival. It is for the good of all our people."

-Tikal: "How can I make you understand? Attacking other countries, stealing and killing... can't be the right path to peace. No one has the right to take their holy grounds. I beg you father!"

~Outside Casinopolis~

-Knuckles: "Uhh! Now where am I? Back in Station Square, I see. What's going on here, anyway?"

~Hotel~

-Knuckles: "Hey, it's Dr. Eggman! What's he got there? It's gotta be a part of the Master Emerald! Hold on! Come back here!"

-Robotnik: "That's okay, though. I can use you as a guinea pig to test it. Chaos! Chaos!"

-Knuckles: "Chaos? It's that creature again! The same one I saw on my island. He was there when the Master Emerald shattered, I'm sure of it. He saved me the trouble of looking for him. Now I'll get him good!"

-Robotnik: "Ha ha ha ha ha! Way to go, Chaos!"

-Knuckles: "Hah! Changing shape won't scare me! Fine! Give it your best shot!"

~After beating Chaos 2~

-Robotnik: "Bah! So what if you won this time. You have yet to see the true powers of Chaos!"

-Knuckles: "Yeah yeah, that still doesn't faze me, you hear?"

-Robotnik: "I know something that might. It's about Sonic."

-Knuckles: "What? What about Sonic?"

-Robotnik: "He's after the pieces of the Master Emerald, too!"

-Knuckles: "What do you mean?"

-Robotnik: "You're not the only one on a wild goose chase, idiot! Why should I ruin your surprise? Ha ha ha ha ha ha..."

-Knuckles: "I wonder what he meant by that? I'd better find Sonic."

~After being tricked by Robotnik~

-Knuckles: "I wonder why Sonic is after the Master Emerald? I'd better work fast and get to the bottom of this."

~Confronting Sonic and Tails~

-Knuckles: "There's Sonic! Eggman was right. What's that in his hand? It looks like a piece of the Master Emerald! He has no right to have that!"

\*Sonic and Tails spot Knuckles\*

-Sonic: "Hey, knuckles!"

\*Knuckles tries to attack Sonic\*

-Sonic: "Whoa! What do you think you're doing?"

-Knuckles: "That's... a CHAOS Emerald!"(as in not a Master Emerald like he thought)

-Robotnik: first come, first served, they say. And you serve me too well for your own good! Ha ha ha ha ha ha ha ha..."

-Sonic: "You won't get away with this! Knuckles, did you let him trick you again?"

-Knuckles: "Like you weren't?"

-Sonic: "Smooth move, Knucklehead!"

-Robotnik: "Ha ha ha ha ha ha ha ha... I've got 4 Emeralds now. Here, Chaos.

\*Chaos rises\* Come here, my hungry pet!" gives \*Chaos the 2 Emeralds\*

-Tails: "Now look what he is!"

~After defeating Chaos 4~

-Robotnik: "Behold my flying fortress! My creation, the Egg Carrier. Beware. Chaos' true power has to be unleashed. Ha ha ha ha ha... We shall meet again!"

-Tails: "Hurry, Sonic! What are we waiting for?" My workshop's close, so let's get the Tornado and go after him!"

-Sonic: "Good Idea!"

-Knuckles: "You go on ahead without me. I have some things I need to take care of."

-Sonic: "No problem, Knuckles! We'll take care of everything here. Let's move!"

~In the past again~

-Knuckles: "Where am I? This is very strange". \*runs up to Tikal\*

-Tikal: "I beg of you. Hear me now. My father is coming here soon. And I fear what may happen. You must take everyone away from here! Oh please! \*some 'drops' fall in the water\* So, are you saying you can't leave this place? I understand... Let me talk to my father again! There must be a better way to do this. Don't worry, my friends. I won't let you down. I must do something... quickly." \*walks off as Knuckles winds up back on Angel Island\*

~Angel Isnald~

-Knuckles: "What... I'm back in front of the altar! This is beginning to blow my mind! Wait a minute... I remember... the broken pieces of the Master Emerald... I have to restore them to where they belong. \*does so\* It's still incomplete! I need to find the remaining. Wherever they are.\*Egg Carrier appears inside the almost-perfect Master Emerald\* Hey look! It's Eggman's flying fortress. That's where the rest of the pieces must be. But I don't know where that ship is. \*spots Gamma\* Hey! Isn't that one of Eggman's robots? I know... I'll follow i back to Eggman's base! Here I come, Eggman!"

~In the Jungle~

\*spot's Gamma at the entrance to the Egg Carrier\*

-Knuckles: "Hmm... just what I thought. Time to make a house call! \*on board the Carrier\* Now we'll see who's so easily tricked. I can sense the Emeralds are here somewhere!"

\*Egg Carrier changes shape\*

-Knuckles: "Uh! What's going on? Uhg! This thing's always changing."

\*goes in now-drained pool\*

-Knuckles: "I sense the Master Emerald. It can't be far from here."

~After beating Sky Deck~

-Knuckles: "The last missing piece! All right! Now to restore the Master Emerald! \*sees hintball as he gets warped back into the past\* Huh?"

~In the past AGAIN again~

-Knuckles: "Oh no! Not again. What is the meaning of this?"

\*sees Tikal and Chao\*

-Knuckles: "Hey, what happened here?"

-Tikal: "I couldn't... stop them. They came... and my father... I had no idea how bad this would turn out! I'm shocked."

-Knuckles: "Look, it's the Emerald! \*Tikal runs toward the Master Emerald\* Wait!" \*Knuckles gets warped back to the present.

~Back at the exit/entrance to Sky Deck~

-Knuckles: "Is this a dream? It's more like a nightmare!"

~Outside the Egg Carrier~

-Knuckles: "I've finally found all the missing Emerald pieces... But... I still can't figure out that creepy monster. Huh! What's that? \*Chaos 4 evolves into Chaos 6 in the background with a giant flash\* Woah....."

~Center of the Egg Carrier~

-Robotnik: "Aarghh! Not again... I hate you!"

-Knuckles: "Hey Sonic!"

-Sonic: "There you are, Knuckles. About time!"

-Robotnik: "I will return!"

-Sonic: "Eggman! Come back!"

-Knuckles: "I'd better let Sonic handle it from here. He'll do okay. Now... I must return to Angel Island, and the Master Emerald. \*sees Chaos 6\* No! It can't be! I guess he didn't get enough the first time! You can't stop me from restoring the Master Emerald!"

~After beating Chaos 6~

-Knuckles: "Yeah! You're finished! What's left now is to return the Master Emerald safely to my island." \*jumps off the ship onto Angel Island\*

~Angel Island~

-Knuckles: \*restores the last 3 pieces\* "This should do it! Perfect. All is well now! The Master Island and the Emerald have been restored. \*Angel Island finally rises back up into the sky\* "I'll probably be on this floating island forever. Guarding the Master Emerald again. I may not know the whole story behind this. But perhaps it's better that way, I am at peace once more."

d. Amy

~City Hall~

-Amy: "Gee, I'm bored. Every day's the same old thing... Same place, different day... I miss the good old days. Hangin' out with my hero, Sonic... Chasing day guys... And blowing them away - ha hah! But now he's gone. And there's nothing left to do, but shop 'til I drop. There was always something

fun to do with Sonic around. I really miss him." (Sky turns dark) "Hey. what's going on here? Is there an eclipse today, or what? Nobody's forecast a storm or anything..." (spots the Egg Carrier in the sky) "Eggman? Can it be? What's that?" (is collided into by a blue Flicky) "Ow! You should watch where you're going, buddy! Hey. Are you alright? You look kinda hurt." (spots Zero) "What's this? Huh... uh oh." (runs from Zero) "Yikes! You almost ran me over, creep! Oh no! Let's get out of here!" (runs into the burger shop) "That was one of Eggman's robots, huh? He must have captured you, and somehow you got away, right? Don't worry, I'll protect you! I'll do my best to keep us both from harm. I'll stand by you all the way!"

~Casino Area~

-Amy: "Oh, Sonic! Huh... my hero! Soni-c!" (runs to him) "Long time no see!"  
-Sonic: "Uhh... Amy!"  
-Amy: "What's your problem?! See, this little birdie's got in trouble. I think you should be his bodyguard a little while."  
-Sonic: "What!?"  
-Amy: "Doesn't matter. We'll just tag along!"  
-Sonic: "No way! Uh uh." (runs away)  
-Amy: "Come on, don't run away. Ohhhhhhhh..."

~Entrance to Twinkle Park~

-Amy: "Wait up, Sonic! Not fair! I can't run as fast as you!" (spots Zero)  
"Ahhh! Look, Eggman's robot's on the loose!"  
-Sonic: "Don't panic! I'll handle that bag of bolts!"  
-Amy: "Ahhhhh!"  
-Sonic: "Now what's wrong?! Huh?"  
-Amy: "Look! It says cute couples can get in free! What are we waiting for?"  
-Sonic: "Amy! Wai-wai-wai-wait! I give up. She's so wierd!"

~Outside Twinkle Park~

-Amy: "Whew! I'm glad we finally lost that robot! Sonic must've gotten lost, too!" (Zero appears behind Amy) "Ahhhhh! Hey, watch it bolt brain! Let us down! Let us go!"

~Train Station~

-Amy: "Help! Son-ic!"

~Egg Carrier Jail~

-Amy: (to the bird) "Now, now. Calm down." (to Gamma) "What fo you want?"  
-Gamma: "Hand me the bird."  
-Amy: "Nope!"  
-Gamma: "Quietly hand over the bird."  
-Amy: "NO! Never!"  
-Gamma: "Why not?"  
-Amy: "I don't need to tell you anything. You tell ME why you want it, now!"  
-Gamma: "Does not compute."  
-Amy: "You don't even know? I know you might hurt us both. Please, Mr. Robot... Won't you help us, please?"  
-Gamma: "Insufficient data. You have feelings for something you know nothing about. Illogical!"  
-Amy: "I pity you. Love is not part of your programming, you are missing something good." (bird flies out of cell) "Hey birdie! Come back here!"  
-Gamma: "Go, escape!" (opens cell)  
-Amy: "Wh-what? You sure?"  
-Gamma: "It's dangerous here. Hurry. We'll be arriving at the Mystic Ruins base soon."  
-Amy: "You're really nice. You're different from the other robots. You've got a soft spot inside yor metal frame. If you want, we can be friends, okay?"

~Hedgehog Hammer~

-Robotnik: (on speaker) "Ha ha ha ha! You're not going to escape from here! Let's see if you can clear this awesome game!"

-Robotnik: (if you win) "What? I can't believe this is happening!"

~Mystic Ruins: The Past~

Amy: "Huh? What's this place?"

~The altar~

Tikal: "You're the.. Chao. Don't be afraid. You're safe with me."

~Egg Carrier Pool Room~

Amy: "Gee, what was that? I wonder if I'm dreaming? Oh my! I need to get out of this place!"

~Outside the Egg Carrier~

-Robotnik: "Where do you think you're going, Amy?"

-Amy: "Eggman... No!"

-Robotnik: "You can't get away this easily!"

-Amy: "Sonic, help!"

-Robotnik: "Too late, buddy!" (grabs the bird and reveals an Emerald)

-Amy: "Birdie!"

-Tails: "It's a Chaos Emerald!"

-Amy: "What?!"

-Robotnik: "I don't need YOU when I've got this! Gamma!"

-Gamma: "At your service, sir!"

-Robotnik: "Dispose of these annoying pests! Give 'em all you got!"

-Gamma: "Aye aye, sir! Will comply."

-Robotnik: "I've got better things to do!" (escapes)

-Amy: "Stop, Mr. Robot!" (to Sonic) "Please stop!"

-Sonic: "Amy! That's one of Eggman's clunkers. Outta my way!"

-Amy: "No! He helped me before by letting me escape. This robot is different! You don't need to hurt him, okay?"

-Sonic: "Amy... Okay. I guess I'll let him go, then." (ship vibrates)

-Tails: "The Egg Carrier's losing altitude!"

-Sonic: "We're fresh outta time! Take Amy clear out, fast!"

-Amy: "What about you?"

-Sonic: "I'll nail that Eggman! Can't let him escape!" (goes after him)

-Amy: "I knew you would save me, Sonic. You're my hero!" (to Gamma) "Uhhh, you okay? It's dangerous here. Don't pay attention to Eggman anymore. Free yourself. Come on!"

-Gamma: "Why are you helping me?"

-Amy: "I said we'd be friends and I'm returning you favor. Even this birdie wants you to be free. Eggman's not the kind of man you should work for."

-Tails: "Amy, come on! Let's get going!"

-Amy: "Until we meet again, Mr. Robot! Take care of yourself!"

~Station Square~

-Amy: "I wonder what Sonic is doing... He's always rescuing me, it seems. I should be more independent." (to the bird) "You know, you sure surprised me... by having a Chaos Emerald with you. No wonder they were after you, my feathered friend. Hey! A pendant, wow!" (looks at a family of Flickies) "So, I'll help you find your family. Does Amy have them captive now?"

-Birdie: "....."

-Amy: "I bet he does! So, I'll help you find your family. I've come this far. I may as well go all the way! That Robot said Dr. Eggman's base is in the Mystic Ruins. So what d'ya say we check it out?"

~Outside the Mystic Ruins base~

-Amy: "Hmmm... I don't remember this bridge... Looks dangerously suspi-

ous! ..." (to the bird) "Wanna go?"

~Exiting Final Egg~

"Whew! That was a close one! I saw no sign of your relatives, birdie! Ohhhhh!  
You escaped from the Egg Carrier! So maybe your family's still in there!  
Let's investigate. Wanna?"

~Egg Carrier~

Amy: (spots the bird's parents) "Yeah, it's them!" (the blue bird is attacked  
by Zero) "Gasp! Oh no! Are you okay?" (to Zero) You idiot! How could you do  
this! Now you're gonna get it!"

~After beating Zero~

-Amy: "Please, wake up, birdie. Are you okay? Can you fly? Whoa! You did it!  
Now you three can live in peace again! I'm so happy!" (Flickies fly off) "I'm  
going to try my best, too!"

~Downstairs~

-Amy: "Just watch me. I'll make that Sonic respect me! And by that time it's  
gonna be too late!"

e. Big

~On his bed in the Jungle~

-Big: \*wakes up\* "Huh... er... wha? Froggy, is that you? You're lookin' kinda  
weird, good buddy. \*looks at Froggy's tail\* What's up with the tail? \*Froggy  
swallows Big's yellow Emeralds\* Hey, wait a minute! You swallowed my lucky  
charm. \*Froggy 'runs' off\* Come back here... What's wrong with you?  
Something's not right. We've always been Friends... for years. \*goes after  
froggy\* Froggy! Wait up! Oh dear!"

~Station Square Center~

-Big: "Yoohoo! Froggy! Come out, come out wherever you are! Oh man, where  
could my Pollywog Pal be, anyway?"

~City Hall~

-Big: "Froggy! There you are! Wait, don't run away! What cha' doin' under  
that car? What's wrong?"

~After Tails captures Froggy~

-Big: "Oh no, he's got my little buddy!" (runs towards Tails and trips)  
"Waaaaaaahhhhh! Ugh! Ugh!" (looks at Froggy) "Glad I found you!"  
-Tails: "Oops!" (Froggy escapes Tails's grasp)  
-Big: "Awwwww, now what am I gonna do?"

~After beating Emerald Coast~

-Big: "Froggy? Uh oh! NO, hold on there! Come back, please! Give me my friend  
back! I'm beggin' ya, please!"

~After the Egg Carrier takes off~

-Big: "Froggy? This place doesn't look familiar to me at all..." \*sniffs\* "Hmm,  
smells like Froggy's around somewhere. Think I'll see what's behind this door!"

~During Hot Shelter~(the only time a cutscene occurs within a stage)

-Big: (spots Froggy in a pool) "Aaaah! There's Froggy! Looks like he needs my  
help!"

~After beating Hot Shelter~

-Big: "Yes! We're together again at last, heh?" (Hintball zooms around Big & Froggy) "Huh? That's strange!"

~Back in the past~

-Big: "Where am I? Froggy?"

~At the altar~

-Tikal: "Wow! Is it alright for me to be here? So do you... Trust me? So these are the 7 Emeralds..." (gasp) "! ? Could it be? The servers are... the 7 Chaos Emeralds... Unified by one that is the controller... The 7 Chaos... The controller itself... Could this be the Emerald that controls the 7 Chaos?"

~Back at the Egg Carrier~

-Big: "Froggy! I don't like the looks of this place! If something happens now... There's no point to my rescuin' you. I don't know who would bother to save us both. We better get going, buddy!"

-Computer: "Emergency alert has been cancelled! Resuming monorail operation."

~After meeting Chaos 6~

-Robotnik: "So! I see you're trying to escape! I'm right on time. Chaos! Grab him. Get that frog!" And don't forget the Chaos Emerald. All right! And now for the frog. The frog is possessed by your tail. Once you get your tail, you'll be complete and ultra strong." (Froggy jumps inside Chaos 6 and loses the tail)

-Sonic: (Arrives) "Unbelievable! Look what happened! Chaos has transformed again."

-Big: "Huh?"

-Robotnik: "Hahaha!!! Uh oh! Gotta go!"

-Big: "Froggy! I'll save you... Don't worry pally."

-Sonic: "So he's your friend, eh?" (Big nods) "No sweat... I'll get him back! Watch me!"

-Big: "Careful Froggy! Don't worry. We'll get ya back!"

~After rescuing Froggy~

-Big: "Hoo-ray! Froggy, heh heh heh heh, I won't let them take you away again."

-Sonic: "Go! Go on and get outta here! I'll do the rest."

-Big: "Oh, okay... Thanks! Come, little buddy. Time to get a move on."

~After spotting the crashed Tornado 2~

-Big: "Huh... er... what? Hey, maybe we could use this? But I don't know the first thing about it. Oh well, I'll give it a try anyway."

f. Gamma

~After being activated~

-Robotnik: "Excellent! All systems-full power! Look at me! I'm your brilliant creator, Dr. Robotnik! You're the second of my E-100 model machines. E-102! Code name: Gamma."

-Gamma: "Gamma."

-Robotnik: "That's right! You will now boey only me!"

~Approaching Robotnik~

-Robotnik: "The shooting range is through this door. Your big brother, E-101 Beta is there practicing. Enter, Gamma! You're not as advanced as Beta is, but you'll do fine."

~After clearing Final Egg~

-Robotnik: "Good job, Gamma! I didn't think you had what it takes! Okay then,

Gamma... Here's your test. If you want to stay on board, you must be able to pass it! So pay attention to what I say. The almighty Egg Carrier is a flying fortress that needs a good crew! Come forth, Beta! I'd like you to meet your older brother E-101. Just call him Beta. I am pitting the two of you against each other, and the winner serves on my ship. I put my bets on Beta, but I owe you at least a fair chance."

~After beating Beta~

-Robotnik: "Ho Ho ho! You surprised me, Gamma! I had a funny feeling there was more to you than meets the eye. I hereby grant Gamma permission to serve on board the Egg Carrier." (to Beta) "What? so you want to come along with us, eh? Okay, okay... We could always use a spare set of parts, I guess. You have special permission."

~On board the Egg Carrier~

-Robotnik: "Ah, hah... Testing 1, 2, 3... Ahem... You, the elite Egg Carrier crew, are here today... to hear a very special announcement. Behold! It's a tailed frog! Very unique! This frog is absolutely vital to my plans! I command you to locate this frog immediately. You hear me? I don't care what it takes to get it. Just bring it to me! We haven't got time to waste, so come to attention!"

~Mystic Ruins: The Past!~

-Gamma: "Must determine location. Accessing data. No data found. Location unknown. This presents a problem."

-Tikal: (As Gamma approaches the Chao) "No! Don't go any closer! I'm sorry, I see you must not be one of them, huh? Did you notice the presence guarding these children? He's a very loving and gentle creature. These little creatures are too vulnerable without its protection. This protection allows them to continue singing in peace. Even I was surprised the first time I saw him. Now my father is trying to take their sacred home. It seems his heart has closed off to us all. My true hope is that some day, we'll understand each other."

~Inside the Egg Carrier~

-Robotnik: (Checks the E-100 series's frogs) "Argggh! Dummies, dummies, dummies, dummies! None of you got the right one! We must find the frog with Chaos' tail! That same frog has also swallowed a Chaos Emerald! Huh? Ah, there it is! Right there! I'm proud of you, Gamma! I knew you'd be of use to me!" (to the rest of the E-series) "All you worthless hunks of junk, be gone!" (sends them away and turns to Gamma) "You will get a new assignment! This one's easy! Go to the room through the last door. Once there, you'll find a girl and a bird. Just give me that bird. Now go!"

-Gamma: "Is this the one?" (enters the left door) "BETA?" (leaves room) "... This is the wrong room."

~The Prison Room~

-Amy: "Go away!"

-Gamma: "Give me the bird."

-Amy: "No way!"

-Gamma: "Resistance is futile: give me the bird!"

-Amy: "I said NO!"

-Gamma: "Why not?"

-Amy: "None of your business why not. I want to know why you want it."

-Gamma: "Data unavailable."

-Amy: "You don't even know? I bet you'd be mean to him, you bully! Why not help us out instead? Don't know how bad I feel?"

-Gamma: "Does not compute. Why try to save that which is useless to you? Does not compute."

-Amy: "I feel sorry for you! Eggman failed to give you feelings." (Birdie

flies up to Gamma) "Wait a minute, birdie!"

-Gamma: "Get going!" (opens Amy's cell)

-Amy: "Huh? Why are you letting us go?"

-Gamma: "It is dangerous here. Hurry. We will be arriving at the Mystic Ruins base soon."

-Amy: "So... You're not like those other robots, huh? You truly are a good person inside, aren't you? I guess we can be friends then... Take care, ok?"

~Back inside the Egg Carrier~

-Robotnik: "Uh, uh, testing 1, 2, 3... Gamma! Get ready for battle instructions! Get the Jet Booster from the ammunition room, and get up to the deck. The ammunition room is unlocked."

~After leaving the Jet Booser room with the Booster~

-Robotnik: "I see you've got the Jet Booster. Report to the rear of the ship. Hurry!"

~On the Egg Carrier's rear~

-Gamma: "How can I serve you, Dr. Robotnik?"

-Robotnik: "Eradicate all of those menaces! Give them all you got!"

-Gamma: "Aye aye, sir. I will comply."

-Robotnik: "I'm counting on you, Gamma!"

~After the battle with Sonic~

-Amy: "Stop, Mr. Robot!"

-Sonic: "Amy...?"

-Amy: "Hey, Mr. Robot. I know you're not an evil sort. Wait! Remember me?"

-Sonic: "Amy? Huh! I really don't get this."

-Tails: "Sonic, look! The Egg Carrier's losing altitude!"

-Sonic: "We've gotta split. Take Amy and go!"

-Amy: "What will you do?"

-Sonic: "I'll nail that Eggman! He must be stopped, at all costs!"

-Amy: "Thanks again for saving me as usual, Sonic. And how are you, my metal friend? It's dangerous here. Why not leave Eggman and come with us?"

-Gamma: "Why do you help me?"

-Amy: "I told you we'd be friends the next time we met. Even birdie wants the best for you. You must ditch that awful Eggman!"

-Tails: "Amy, come on!" (Amy leaves the Egg Carrier with Tails)

-Amy: "We'll meet again, my robot friend!"

~After arriving in Mystic Ruins~

-Gamma: "Dr. Robotnik... Enemy... Master registration... Deleted. E-Series... Friends... Must save..."

~After returning from Red Mountain~

-Gamma: "E-103 Delta... E-104 Epsilon... Rescue mission accomplished. E-105 Zeta... E-101 Beta... Location unknown. Perhaps... aboard the Egg Carrier."

~After returning to the Egg Carrier~

-Gamma: "E-series data. Beginning search. ... Accessing data... Hot Shelter: location confirmed. Unlocking Hot Shelter, now."

~On top of the Egg Carrier after boarding the monorail~

-Gamma: "E-105 Zeta rescue complete. Units remaining: Gamma... Beta..."

g. Super Sonic

~In the jungle~

-Robotnik: "Ooooh... I hate that Sonic! He always seems to get in my way! But I bet he can't even foil my master plan." (spots Chaos's puddle nearby)  
"Chaos!"

~Angel Island~

-Knuckles: "The Master Emerald is where it belongs. But Angel Island is still falling! this doesn't make any sense. Maybe... Those Chaos Emeralds... that I brought back with me... have something to do with what's happening. I'll take them to Sonic for his advice." (spots Robotnik nearby on the ground.)

"Eggman!" (runs over to him)

-Robotnik: "This is terrible! Ch- Chaos is....."

-Knuckles: "Is what?"

~Mystic Ruins main area~

-Sonic: (resting under a tree) "Yawn. Guess Eggman learned his lesson... yep! And maybe I'll take another vacation somewhere."

-Tails: (runs up to Sonic) "Son-ic!"

-Sonic: "Hey there, Tails! Did you find the Tornado 2?"

-Tails: "Never mind that. Get up and follow me. Angel Island is falling again!"

-Sonic: "Hey, no way! Who blew it this time?"

-Tails: "I don't know, but we'd better hurry!"

~Agnel Island~

-Knuckles: "Sonic... uhhh, sorry!"

-Sonic: "Knuckles! And Eggman? What happened here?"

-Knuckles: "He stole my Chaos Emeralds! And Chaos is still alive!"

-Sonic: "What?!"

-Robotnik: "Aaarrgh! He's not gonna get away with this!" (gets into Egg Mobile and flies off)

-Kunckles: "Hey Eggman! Wait up! Sonic... Chaos is a fearsome beast! If he gets that last Chaos Emerald, we're done for!"

-Sonic: "No need to explain, we'll get on it! Tails!?"

-Tails: "Right!"

-Sonic: (Hintball flies around him) "Wha...?! Aw, Gee...!" (returns to the past)

~Mystic Ruins: The Past~

-Sonic: "This place... It looks familiar! It's not a dream, after all."

-Pachacamac: "Get out of my way!"

-Tikal: "No way!"

-Pachacamac: "Did you hear what I said?"

-Tikal: "I won't obey!"

-Pachacamac: "We need those 7 Emeralds to give us total power! It's power to the people. And... they are your people too, you know! We must get that Emerald!"

-Tikal: "Greed is our enemy! Once it starts, you will always want more! Please don't do this. I beg you!"

-Pachacamac: "Bah! I don't listen to the words of a child. Ready, men? Charge!" (tribesmen charge towards Tikal, the Chao, and the Emeralds.)

-Tikal: "Father!"

-Echidna: (upon being stopped by Chaos 0) "Aaaaagh! It's a monster!" (Chaos absorbs The 7 Chaos Emeralds) "Nooooooooo!"

note: I'm unsure if Pachacamac was speaking or not. Please correct me if you know the answer.

-Sonic: (upon approaching Tikal, the only survivor) "Hey, are you all right?"

-Tikal: (wakes up) "Uhh... I think so." (spots the empty altar) "Oh my gosh! No!... No!... No!..." (runs toward the altar)

-Sonic: "Wait up!"

-Tikal: "The 7 Emeralds are the servers. Chaos is power, enriched by the

heart. The controller serves to unify the chaos. Uh... The 7 Emeralds can change our thoughts into power. If this Emerald controls that power.. Please, you must stop him!" (Sonic is returned to the present)

~Angel Island: Present~

-Tails: "Sonic! Wake up!"

-Sonic: "Ahhh... I was on a snooze sruize, I guess!"

-Tails: "Good thing you're okay. You just sort of conked out, there. Knuckles left already. Come! We gotta go after the last Emerald!"

-Sonic: "?... Lead the way!"

-Tails: "It should still be on board the Tornado 2!"

~Big's House~

-Tails: "Look! It's the Tornado 2!"

-Sonic: "Yeah!, so let's get that Chaos Emerald and leave!" (Chaos swipes the Emerald from the Tornado 2 first) "What? No! He's got the last Emerald!"

-Tails: "Now what do we do?"

~Station Square(destroyed)~

-Sonic: "If I wasn't just dreaming, that monster is a real menace!" (spots The Egg Carrier 2) "Eggman! Looks like he's after Chaos, too!"

-Robotnik: "The Egg Carrier 2 was made because something like this could happen. You have defied your master, stupid beast. Now you must be destroyed at all costs!" (Perfect Chaos destroys the Egg Carrier 2, sending Robotnik flying) "Aaaaahhhhh!"

-Sonic: (So Perfect Chaos) "I've had enough! Who do you think you are, anyway?" (Hintball appears in front of Sonic) "Oh, it's you! The one... who sealed Chaos... in the Master Emerald! Tikal!" (Tikal appears)

-Tikal: "My heart has always been in the Master Emerald along with Chaos'. Now he's filled with anger and sadness. And if it goes on, he'll eventually destroy the world, like he did before! Look! He's absorbed the Emerald's power! He must be sealed in the Master Emerald, NOW!"

-Sonic: "How can that help? It won't change how he feels inside, will it? His heart will still remain in turmoil and his anger just won't vanish! He'll just be trapped forever!"

-Tikal: "What choice do we have?" (Big, Tails, Knuckles and Amy show up)

-Amy: "Hey, Sonic!"

-Sonic: "Amy!"

-Amy: "Here, take this!" (hand Sonic an Emerald)

-Sonic: (To Tails and Knuckles) "Hey guys, what's up?"

-Tails: "Chaos only used the negative power of the Emeralds. Sonic, you should be able to harness their real power!"

-Knuckles: "As much as I hate to admit it, I think Tails is right about this!" [Tails Knuckles and the (dead?) crowd cheer for Sonic]

-Tails: "Negative forces aren't thw only way to empower the Chaos Emeralds. Our positive feelings toward each other can make them work. Our hearts together form awesome power."

~After defeating Perfect Chaos~

-Knuckles: "Chaos has changed again. This time, for the better.

-Tails: "Yeah! Super Sonic must have neutralized it, so it's nice again."

-Tikal: "These are the Chao you were protecting. They stayed alive for generations and now live peacefully with humans. The fighting's over. Harmony's restored, and life goes on. Thank you so much!" (Tikal, Chaos 0, and Chao return to the past)

-Tails: "All's well that ends well, right? Sonic?"

During certain times in Adventure Mode, playable characters will appear on the Adventure Fields. They can be spoken to and will say something.

~Outside the Train Station before taking the Ice Stone to Mystic Ruins as Sonic~

-Big: "Froggy? Where are you?"

~After beating Gamma as Sonic~

-Tails: "The Egg Carrier's losing altitude."

-Amy: "Are you okay?"

-Gamma: "Auto-Recovery System activated."

~After returning to Casinopolis from the past as Knuckles~

-Knuckles: (Sonic and Tails are out cold on the ground) "Mmmm??? I wonder what those guys are doing..."

~In Station Square as Knuckles before facing off with Sonic in Mystic Ruins~

-Big: "Froggy? Whare are you?"

~After beating Chaos 4 as Knuckles~

-Sonic: "Hey Knuckles! What ever happened to your 'unfinished business'!?"

-Tails: "We'd better go after the Egg Carrier!"

~After Gamma lets Amy out of jail as Amy~

-Gamma: "It is dangerous here."

~After Froggy escapes Tails while playing as Big~

-Tails: "Sorry, If I had only held on tighter..."

~After returning to Station Square Train Station as Big~

-Sonic: "That Robot...!! I'd better go after Amy!"

No FAQs at the time.

-Sec. 8: Closing

Sonic Adventure DX: Director's Cut was a real hoot! It took me 5 days to get all 130 emblems and 60 missions cleared. I couldn't have done it without Shinryu's Misson FAQ. It didn't take me long to beat the whole game, but I don't stop playing games after I beat them. I just keep on playing them, discovering new glitches, quircks, etc. This proves useful to me in future updates.

This FAQ is Copyright 7 2003-2009 by me, Numbuh 128bit. It is to appear only on GameFAQs. You are not to copy this FAQ for any reason at all!
