	Introduction	IN01
	~~~~~	

Yo, your favorite FAQ author is here with another guide, this time telling you the script of the game. Yeah, everyone might be pissed that they can't collect all emeralds to get to the Last Story, or maybe they're just stuck and want to see what happens! Guess what, this guide will list all the dialogue in the game, giving you the story in a box... or word document (sorry for the bad joke). Okay, this is going to be a short guide, but let me explain NOW that this guide will contain some mega SPOILERS! Yeah, you've been warned NOW so don't go complaining to me later saying that you got the whole game spoiled for you. Okay, I'm doing a new layout here, which is pretty different from most of my other layouts.

If anyone has read my other FAQs, you'll notice that my layouts slowly get better, but I think that this is probably going to be the best one. If I'm not shot down for doing it, it's going to stick to the rest of my FAQs. This is my seventeenth FAQ on GameFAQs, and probably going to be one of the shorter ones. I used to only do in-depth FAQs, but when I started to write regular FAQ/Walkthroughs, I couldn't get out. I wrote a Game Script for another game at one point, but had it taken down. This script should stay up, and it should be my last in-depth FAQ for a while.

ONCE MORE THIS SCRIPT HAS SPOILERS! YEAH! SPOILERS! You have been warned. Anyway, I'll describe how the characters react and their movement, the setting, and the text. I'll also say what happens where, and give each cinema scene a name. So here it goes, starting with Team Sonic!

NOTE: I round the seconds up or down, so if something is 57.43, I'll list it as 57 seconds.

Hey, lyrics are part of scripts, right? So it's only natural that I put the six songs in here. Please note that the lyrics may not be totally accurate, since I had to listen closely to find out what they were and probably messed up a few times. Finally, I'd like to thank Liger Zero Cave Unit, who's FAQ helped me every time I simply found it impossible to figure out a lyric.

|Song 1: Sonic Heroes (Main Theme)|  
o-----o  
|Approximate time: 88 seconds |  
o-----o

What goes up, must come down.  
Yet my feet don't touch the ground.  
Seeing the world spinnin' upside down.  
A mighty crash without a sound!

I can feel your every rage.  
Step aside, I'll turn the page.  
Breakin' through your crazy maze.  
Like a laser beam, my eye's on you!

Watch me throw the night away  
Watch me save the day  
Feels like the storm is getting rough,  
Heading your way!

Sonic Heroes! Sonic Heroes!  
Find you! Can't find you! Now stay in your place!  
Sonic Heroes! Sonic Heroes!  
Setting the stage for a Hero's parade.

Sonic Heroes! Heroes! Heroes!  
Give us a reason and we're on our way.

o-----o  
|Song 2: We Can (Team Sonic's Theme)|  
o-----o  
|Approximate time: 195 seconds|  
o-----o

Woooooo! All right!

Ohhhh yeah!

Look out, down below!  
Sonic, it's time to go!  
Can't stop this party till we save the world!  
This time, we're not alone!

We've got some friends along!  
And as a team we can become even stronger!

Together, we can overcome all the odds!  
It's never as hard as it seems!  
And everyone can do something special!  
The secret is sharing your dreams!

Ohhhh yeah!

We can make it,  
if we all stick together!  
We won't give up (NOT EVER)  
And everything's gonna be all right!

We all bring out  
the best things in each other!  
Together we are stronger  
than anyone else could be on their own!

Sonic is in the lead!  
Givin' us greater speed!  
Tails keeps us flyin' high,  
and safe of trouble!

With Knuckles by our side,  
this is a safer ride!  
We'll save the world,  
and teach that Eggman a lesson!

Together, we can overcome all the odds!  
It's never as hard as it seems!  
And everyone can do something special!  
The secret is sharing your dreams!

Ohhhhh yeah!

We can make it,  
if we all stick together!  
We won't split up (NOT EVER)  
It's easier with my friends by my side!

We all bring out,  
the best things in each other!  
Together we are stronger  
than anyone else can be on their own!

So much better than alone!  
(Better than alone)  
And together we can overcome all the odds!  
It's never as hard as it seems!

We can make it,  
if we all stick together!  
We won't give up (NOT EVER)  
And everything's gonna be all right!

We all bring out  
the best things in each other!  
Together we are stronger  
than anyone else could be on their own!

Can't stop us because together we are strong!

YEAH!

|Song 3: This Machine (Team Dark's Theme)|

o-----o-----o  
|Approximate time: 262 seconds|  
o-----o-----o

(Music plays for a while before the lyrics start)

A shadow of myself...  
just who am I?  
Scan horizons, a tragic mystery.  
You could of left me here, sealed inside the pod.

No one would ever know  
the Chaos Control.  
My true identity...  
the power that is me!

(Chorus singing)

We all danced in fire!  
Trapped in this machine!  
Don't know how long we've waited  
as the Eggman's watches!

We all danced in fire!  
Looking through a screen!  
Don't know how long we've waited  
as the Eggman watches!

(End Chorus)

With Rouge in the fight electric vibes,  
Change surroundings, a jewel in history...  
A treasure disappears,  
as she goes...

Miss her as we look away,  
and no one knows.  
This power is a key...  
This power changes me!

(Chorus singing)

We all danced in fire!  
Trapped in this machine!  
Don't know how long we've waited  
as the Eggman's watches!

We all danced in fire!  
Looking through a screen!  
Don't know how long we've waited  
as the Eggman watches!

(End Chorus)

E-123...  
You didn't know  
now I'm gonna show you!  
The power that is me!

You try to take me down,

Stop the show!  
It seems you've never tasted fear  
or loss of control.

The power lives in me...  
The power that is me!

(Chorus singing)

We all danced in fire!  
Trapped in this machine!  
Don't know how long we've waited  
as the Eggman's watches!

We all danced in fire!  
Looking through a screen!  
Don't know how long we've waited  
as the Eggman watches!

(End Chorus)

|Song 4: Follow Me (Team Rose's Theme)|  
o-----o-----o-----o  
|Approximate time: 210 seconds|  
o-----o

(music plays for a bit before going into the lyrics)

Anywhere you wanna go,  
anything you need to know,  
all the best in life...  
I want to get it for you!

Baby, I just feel so fine,  
I imagine that you're mine!  
Inside my world, you're gold!  
I only want to protect you!

Whatever I want, I get!  
I want, shooting stars!  
Whatever I need, I have!  
When I'm with you!

Follow me inside! Outside!  
Through the stratosphere!  
The moon is shining for you...  
it knows that I adore you.

Suddenly all the sadness,  
will just slip away!  
And you will see what I mean!  
If you just follow me in my Dreams!

I was searching everywhere!  
Suddenly, I saw you there!  
And my love arrived,  
just in the nick of time.

Life floats on a movie screen!

You're the star of my scene!  
Live on the edge of a knife...  
larger than life!

Whatever I want, I get!  
No one could take your place!  
Whatever I need, I have!  
When I see your face!

Follow me inside! Outside!  
Through the stratosphere!  
The moon is shining for you...  
it knows that I adore you!

Suddenly all the sadness,  
will just slip away!  
And you will see what I mean...  
if you just follow me in my dreams!

Follow me inside! Outside!  
Through the stratosphere!  
The moon is shining for you...  
it knows that I adore you!

Suddenly all the sadness,  
will just slip away!  
And you will see what I mean...  
if you just follow me in my dreams!

o-----o  
|Song 5: Team Chaotix (Team Chaotix's Theme)|  
o-----o-----o-----o  
|Approximate time: 211 seconds|  
o-----o

\*whispers\* Team Cha-o-tix!

Once upon a time  
you could be a bad guy  
and you'd live to see  
another day!

But now you'd never manage,  
boy you'd be brain damaged,  
just to think that you could  
get away!

The power calls upon the dream team!  
A force where one and one makes three!  
And when the trails go cold,  
and the lies have been told...

This crew will find what you can't see!  
Danger hides where the hyper bee flies  
and the ninja stars fly too!  
The muscles is Vector!

He's the best collector,  
and is sworn to fight for you!

TEAM CHA-O-TIX!

They're detectives you want on your side...

TEAM CHA-O-TIX!

Their directives help you track your crime...

Come along for the ride!  
Truth can run but not hide...  
For all! The game! Is on!  
Now!

Remember when stealin'  
used to be a good dealin'  
where the crooked life  
would always pay...

Well now that the team's in town  
that's all gone underground,  
but it's a worry  
to this very day!

A challenge has been issued by the Eggman!  
This mission's gonna need them all!

And though his hopes grow thin  
and the outlook is grim  
these three are gonna heed his call!  
Yeah!

Charmy's thing is dishin' out the first sting  
as the green one cheers them on!  
Espio is clearly ready to go!  
I doubt they'll do you wrong!

TEAM CHA-O-TIX!

They're detectives you want on your side...

TEAM CHA-O-TIX!

Their directives help you track your crime...

Come along for the ride!  
Truth can run but not hide...  
For all! The game! Is on!

TEAM CHA-O-TIX!

Sonic Heroes, what's your problem, please?

TEAM CHA-O-TIX!

Watch those three go make the outlaws bleed!

There's no way you can win (TEAM CHA-O-TIX)!

If it's trouble, you're iin (TEAM CHA-O-TIX)!

They're. Gonna. Kick. Your-

I don't what you're thinking  
as you turn to me!  
Cause what I see in my two hands  
is enough to set me free!

I can fight the feeling  
to resist it over time.  
But when it's just too much to take  
you sneak up from behind!

Try to reach inside of me!  
Try to drain my energy!  
Let me show you just  
What. I'm. Made. Of!

Simple curiosity!  
Try to take a bite of me!  
Let me show you just  
What. I'm. Made. Of! NOWWWWWW!

Like a million faces  
I've recognized them all!  
And one by one they all become  
a number as they fall!

In the face of reason  
'cause I can't take no more!  
And one by one they all become  
a black mark on the floor!

Is it me (is it me)  
you say (you say)  
you're looking for?  
Let me show who I am  
and what I have in store (have in store)...

HEY! HEY! YEAHHHH!

Try to reach inside of me!

My e-mail address is cskull@frogdesign.com. There are a few things that you can e-mail me about, and few things that you can't. First the things that are okay...

Information on the game. No this does NOT mean full dungeon guides, because if it isn't there I haven't gotten to them yet but I will. It means additional TIPS on beating a dungeon or correcting information that I messed up. Secrets are TOTALLY accepted.

Praise mail. I used to be against this, but now I realize how rare praise really is. Just don't send me things like, "Yer faq is kewl, lol!!!"

Suggestions for the FAQ. Something like, "Why don't you add such and such in your FAQ. NOT "Why don't you totally re-do your FAQ because it sucks!" That is just plain rude and annoying. If you don't like my

FAQ, tell me things to make it better!

The things that you CAN'T e-mail me about are...

Spam. This is the NUMBER ONE thing that you must not send. I get at least twenty spam e-mails a day and I don't need yours it doesn't help. Please don't send any.

Asking permission to use this FAQ. No, you can't, so don't bother. Only four sites, which I have listed at the top of the guide, can use this FAQ.

Hate mail. No I don't appreciate it if you send me an e-mail saying, "Your FAQ is the biggest piece of \*\*\*\* ever created! It sucks!" That just fills up my inbox and it really annoys me.

Spelling/Grammar mistakes. I used to get about ten e-mails a day saying, "You spelled these two words wrong." or something like, "You used inappropriate grammar in this chapter." Please people! I can find those on my own!

And that wraps up the contact. Once again my e-mail is:
