1.) Introduction

Sonic Heroes is the first sonic game thats game play relies on teamwork.
You control 3 people at once.

This Faqs is the lyrics to the songs that are in the game.
So far I only have all the team lyrics and the other two main theme songs.
I will update this with new songs as soon as I get a few more.

These aren't official. I will put the official lyrics until I get the cd
myslef. I presonally, don't believe in stealing others cd books' lyrics.

A.- Sonic Heroes

Performed by:Crush 40 / Music:Jun Senoue / Lyrics:Johnny Gioeli

~~~~~

What goes up, must come down, yet my feet don't touch the ground.
See the world spinning upside down.
A mighty crash without a sound.

I can feel your every rage, step aside I'll turn the page.
Breaking Through your crazy maze.
Like a laser beam my eyes on you.

Watch me blow the night away. (blow could be throw)
Watch me save the day.
Feels like a storm's getting close.
Headed your way.

Sonic Heroes.
Sonic Heroes.

What you can't find you can find in your friends.

Sonic Heroes.

Sonic Heroes.

Setting the stage for a hero's parade.

I won't even hesitate.

A second left to walk to fate. (walk to could be alter)

I try to strike, but a bit too late.

I got to look by my own name.

Watch me blow the night away.

Watch me save the day.

Feels like a storm's getting close.

Headed your way.

Sonic Heroes.

Sonic Heroes.

What you can't find you can find in your friends.

Sonic Heroes.

Sonic Heroes.

Setting the stage for a hero's parade.

You can guess their ain't no doubt, as the words peel from the mouth.

Of a hero!

I can change another day, I'll fight through all the way. (through could be you)

Like a Hero!

And together we stand strong no matter how.

No one can bring us down!

HEEEEEEEEEEEY!

Sonic Heroes.

Sonic Heroes.

What you can't find you can find in your friends.

Sonic Heroes.

Sonic Heroes.

Setting the place for a hero's parade.

Sonic Heroes.

Heroes.

Heroes.

Sonic Heroes.

Heroes.

Heroes.

Give us a reason and we're on our way!

B.- We Can:

Performed by:Ted Poley & Tony Harnell / Music:Jun Senoue / Lyrics:Ted Poley

~~~~~  
WOOOOOOO!

All Right!

OOH Yeah!

Look out, down below!
Sonic is on the go.
Can't stop this party 'til we save the world.

This time, not alone.
We've got some friends along.
And as a team we can become even stronger.

Together, we can, overcome all the odds.
It's never as hard as it seems.
Everyone can do something special.
The secret is sharing our dreams.

Yeah!

We can make it if we all stick together.
We won't give up, not ever!
And everything's gonna be all right.
We all bring out the best things in each other.
Together we are stronger than anyone else could be on their own.
So much better than alone.

Sonic's in the lead, giving us greater speed.
Tails keeps us flying high, to stay above trouble.
And knuckles by our side, makes this a safer ride.
We'll save the world and teach that Eggman a lesson.

Together, we can, overcome all the odds.
It's never as hard as it seems.
And everyone can do something special.
The secret is sharing your dreams.

OOOOOOOOH!
Yeah!

We can make it if we all stick together!
We won't split up, not ever!
It's easier with my friends by my side!

We all bring out the best things in each other.
Together we are stronger than anyone else could be on their own.
So much better than alone!
Better than alone!

And together we can overcome all the odds.
It's never as hard as it seems.

Yeah! Yeah!

We can make it if we all stick together!
We won't give up, not ever!
And everything's gonna be all right!

We all bring out the best things in each other.
Together we are stronger than anyone else could be on their own.

Can't stop us cause together we're all strong!

OH YEAH!

C.- This Machine:

Performed by:Julien-K / Music:Jun Senoue & Amir Derakh / Lyrics:Ryan Shuck

~~~~~

A shadow of myself, just who am I?
Scan Horizons.
A tragic mystery.
You could of left me here, sealed inside the pod.
No one would ever know, the chaos control.
My true identity, the power that is me!

We all danced in fire!
Trapped in this machine.
Don't know how long we've waited.
As the Eggman's watching.

We all danced in fire!
Looking through the screen.
Don't know how long we've waited.
As the Eggman watches.

With Rouge in the fight electric vibes,
Change surroundings.
A jewel in history...
A treasure disappears, as she goes,
Miss her as we look away, and no one knows.
This power is a key.
This power changes me!

We all danced in fire!
Trapped in this machine.
Don't know how long we've waited.
As the Eggman's watching.

We all danced in fire!
Looking through a screen.
Don't know how long we've waited.
As the Eggman watches.

Chaos control
Chaos
Chaos
Chaos
Chaos
Chaos
Chaos control

Chaos control

Chaos
Chaos
Chaos
Chaos
Chaos
Chaos control

E-123...
You didn't know, now I'm gonna show you. The power that is me!
You try to take me down,
Stop the show!
It seems you've never tasted fear or loss of control.
The power lives in me.
The power that is me!

We all danced in fire!
Trapped in this machine.
Don't know how long we've waited.
As the Eggman's watching.

We all danced in fire!
Looking through the screen.
Don't know how long we've waited.
As the Eggman watches.

D.- Team Chaotix:

Performed by Gunnar Nelson/ Music: Jun Senoue & Gunnar Nelson / Lyrics: Gunnar Nelson

~~~~~

Team Chaotix...

Once upon a time you could be a bad guy and you'd live to see another day.
But now you'd never manage,
Boy, you'd be brain damaged just to think that you could get away.

The power has arrived in a dream team.
A force where one and one makes three.
And when the trails go cold, and the lies have been told.
This crew will find what you can't see.

Yeah!
Danger hides when the hyper bee flies and the ninja stars fly too.
The muscle is Vector, the karma collector, and is sworn to fight for you.

Team Chaotix!

They're detectives you want on your side!

Team Chaotix!

They're directives tracking down your crime!

Come along for the ride!
Truth can run but not hide.
For long, the game is on, Now!

Remember when stealin used to be a good dealin.
When the crooked life would always pay.
Well now that the team's in town, that all gone underground.
But it's a worry to this very day.

A challenge has been issued by the Eggman.
This mission's gonna need them all.
And though his hopes grow thin,
And the outlook is grim.
These three are gonna heed his call.

Yeah!
Charmy's thing is dishin out first sting as the green one cheers them on!
Espio is clearly ready to go.
I doubt they'll do you wrong.

Team Chaotix!

They're detectives you want on your side!

Team Chaotix!

They're directives tracking down your crime!

Come along for the ride!

Team Chaotix.

Truth can run but not hide.
For long, the game is on!

Team Chaotix!

Sonic Heroes! What's your problem please?

Team Chaotix!

Watch those three go make the outlaws bleed.

There's no way you could win,

Team Chaotix!

If it's trouble your in.

Chaotix!

They're gonna kick your...

Team Chaotix!

E.-Follow Me:

Performed by:Kay Hanley / Music:Jun Senoue / Lyrics:N/A

~~~~~

Anywhere you wanna go.
Anything you need to know.

All the best in life, I want to get it for you!

Baby, I just feel so fine.
I imagine that you're mine.

You're my world, you're gold.
I only want to protect you.

Whatever I want, I get!
I want, shooting stars.
Whatever I need, I have!
When I'm with you.

Follow me inside, outside, through the stratosphere.
The moon is shining for you, it knows that I adore you.

Suddenly, all the...sadness, will just slip away.
And you will see what I mean, If you just follow me in my Dreams!

I was searching everywhere.
Suddenly, I saw you there.
And my love arrived, just in the nick of time.
Life floats on a movie screen.
You're the star of my scene.
Live on the edge of a Knife, larger than life!

Whatever I want, I get!
No one could take your place.
Whatever I need, I have!
When I see your face!

Follow me inside, outside, through the stratosphere.
The moon is shining for you, it knows that I adore you!

Suddenly, all the...sadness, will just slip away!
And you will see what I mean, If you just follow me in my Dreams!

(la *repeated*)

Follow me inside, outside, through the stratosphere!
The moon is shining for you, it knows that I adore you!

Suddenly, all the...sadness, will just slip away!
And you will see what I mean, If you just follow me in my Dreams!

F.- What I'm Made Of:

Performed by:Crush 40 / Music:Jun Senoue / Lyrics:Johnny Gioeli

~~~~~

I don't care what you're thinking, as you turn to me!
'Cause what I have in my two hands is enough to set me free. (set me free)

I can fight the feeling to resist it over time.

But when it's just too much to take you sneak up from behind.

Is it me?

You say!

You're looking for.

Let me show you who I am and what I'm here for. (here for)

Try to reach inside of me!

Try to drain my energy!

Let me show you just

What I'm made of!

Simple curiosity!

Try to take a bite of me!

Let me show you just

What I'm made of!

NOW!

Like a million faces, I've recognized them all.

And one by one they all become a number as they fall. (as they fall)

In the face of reason, 'cause I can't take no more.

One by one they all become a black mark on the floor.

Is it me? (Is it me?)

You say! (You say!)

You're looking for.

Let me show you who I am and what I' have in store. (in store)

Hey!

Hey!

Yeaah!

Try to reach inside of me!

Try to drain my energy!

Let me show you just

What I'm made of!

Simple curiosity!

Try to take a bite of me!

Let me show you just

What I'm made of!

NOW!

You can take another life long try,

You can take another try!

HEY!

YEAAA!

Try to reach inside of me!

Try to drain my energy!

Let me show you just

What I'm made of!

Simple curiosity!

Try to take a bite of me!

Let me show you just

What I'm made of!

NOW!
