- Fully completed Sonic Riders Extreme Gear Guide

@~~~~~@
@ 1) Introduction @
@~~~~~@

After buying Mario Party 7 (and was extremely disappointed in doing so), I completely forgot that Sonic Riders was coming out. In fact, I did not remember that was was coming out until one day before the shipping date. I was skeptical of this game's awesomeness when I bought it for \$39.99, but I didn't "give up hope" that quickly, and I am glad that I didn't. I do not have the time to make a full-blown FAQ of Sonic Riders, but I felt that I needed to contribute something to help the GameFAQs community. I received many good comments about my Sonic Advance 3 Special Stage FAQ, so now I am presenting this guide. I am hoping that this guide will give you a better idea on what obtainable items (called "extreme gear") are in this game.
