Introduction

This FAQ is intended to provide factual information about Soul Calibur II to whoever wants to know. This includes the full text from each arcade mode character ending.

The character are listed in the order in which they appear on the Character Select screen in the game.

Text under different scenes is represented by a new paragraph.

Character Endings

Mitsurugi:

After countless battles and deadly duels, Mitsurugi finally possessed Soul Edge, the ultimate sword.

But he soon realized that the weapon was inherently evil.

'Surely this can't be the sword I've been seeking!' Mitsurugi shattered the demonic blade to pieces.

Without a moment's rest, Mitsurugi embarked on another journey to find the true Soul Edge.

Link:

Link came to this world in order to defeat the evil which threatened Hyrule.

After a long journey, Link finally succeeded in sealing away the terrible evil.

In doing so, he not only saved his homeland from peril, but also maintained the tranquility of this world.

Link then quietly left this world - a faint echo of his Ocarina was all that remained.

Necrid:

His soul yearning for repose, Necrid sought the pieces of Soul Edge. At long last, Inferno appeared before him.

A warrior's blood and his honor... Long forgotten memories and reason reawakened within him.

Victorious against the heinous Inferno, Necrid solemnly closed the opening to the void.

And thus he disappeared into that darkness, taking with him Soul Edge.

Taki:

'Demon captured, the deed is done!' As Taki whispered those words, the figure vanished into thin air.

Having obliterated the loathesome weapon, Taki set her sights east.

A familiar presence, bloated from devouring many souls, beckoned her.

As she ran, her unwavering gaze revealed a powerful inner purpose.

Talim:

In order to restore the world to its original state, Talim returned the sword to its rightful place.

The hellfire lost its sustenance. In the blink of an eye, it changed its form and scattered into the winds.

The spiritual energies led astray righted their course and flowed toward this place.

Talim must have sensed the change in the winds, for she looked to the sky and smiled.

Cassandra:

Wielding weapons once dedicated to Hephaestus, Cassandra vanquished the evil.

Her sister's precious sword and shield bore the scars from countless battles.

So great was Cassandra's concern about the weapons, she forgot that she destroyed the demonic blade.

She need not worry, for surely her sister would be overjoyed with her safe return.

Yunsung:

'I don't care if the sword is evil... I will protect my country with its powers!'

Thus he convinced himself throughout his battles, but as he reached for Soul Edge, he stopped.

Returning quickly to his home, Yunsung toiled feverishly to protect his homeland.

He no longer needed the Sword of Salvation, for he believed in himself.

Raphael:

Raphael now knew the true nature of the sword said to drive men insane.

The man vowed not to be possessed by the blade and grabbed the hilt.

With Soul Edge firmly in hand, Raphael returned to the one he treasured most.

No one knows what was spared and what was destroyed during that time...

Kilik:

Kilik channeled the evil energy into the Kali-Yuga, for it absorbs all spiritual energy, good and bad.

The evil aura, thought to be limitless in its power, gradually waned and vanished.

Then Kilik disappeared - perhaps to embark on a quest to extinguish the evil.

And he would likely remain on that quest, until the day when all the sins of the past are exorcised.

Xianghua:

Reunited with her sacred sword, Xianghua became an ethereal light within the evil aura.

The malevolent entity perished, unable to sustain its existence against such power.

Her sword then fell silent - perhaps it knew it had fulfilled its purpose. Xianghua headed home with it in hand.

To put an end to the ever-growing rumors about the evil sword, she vowed to never lie again as she journeyed home.

Maxi:

After sacrificing everything in the name of revenge, Maxi paid his respects to his slain comrades at last.

He then confronted the dark fires within his soul, and felt the presence of his long-forgotten companions.

Regaining his lost memories, he saw who he had turned his back on.

He would return to his friends - to share with them a joyous future.

Yoshimitsu:

His phantom blade spoke to him, 'No mercy for the evil flame, the deceiver of souls.'

Yoshimitsu ground the cursed blade to dust and in time became a benevolent bandit.

His group traveled throughout the lands to help the poor.

And upon the hearts and minds of the people, his noble deeds were engraved.

Charade:

It neither knew the reason nor cared why...

But it had to return. And when they found one another, it was like finding oneself.

They melded together and formed one sword, then closed its eye and slept, unknown to the world.

It sleeps even to this day, awaiting the next hand to grasp its hilt.

Nightmare:

'Resist the evil presence!' the dormant soul within him awakened.

Sanity regained, he took his sword in hand and vowed never to sleep again as he wandered the lands.

Eventually, he came upon a crevasse that ran deep into the earth and cast the sword into its dark abyss.

He then destroyed the path leading to the chasm and became its guardian for eternity...

Ivy:

Her oath her destiny, Ivy killed everything that stood in her way.

At the end of her bloody, infernal journey, she destroyed the loathesome, evil blade.

Now, only she and her beloved sword possessed the cursed blood.

Forsaking others, she chose a life of solitude to wither away in obscurity, accompanied only by her sword.

Cervantes:

Now with both blades of Soul Edge in his possession, the hellfire was his to control.

The long emptiness came to an end. His immortal eyes glowed ominously.

He now had everything - even Inferno was his to command.

The world slowly slipped into darkness...

Sophitia:

It was not a journey ordained by another, but rather a road she chose for herself.

With the holy light guiding her blade, Sophitia cut through the repugnant darkness.

Having saved her children from the fate of the evil blade, Sophitia's long journey came to an end.

The light surrounding her revealed that her smiling face shone with maternal love.

Astaroth:

To infuse the sword with the strength his master desired, Astaroth would pay the ultimate price...

He consumed countless souls, and steeped in their fear, became the sacrificial offering.

No one knew the god of destruction's true desires, but there would be no respite for Astaroth.

His body fused with the malevolent blade, Astaroth was feared as the grim reaper on battlefields for all eternity.

Voldo:

In the familiar darkness, Voldo welcomed his moment of bliss.

He carried the sacred sword to the altar. His master's wish was about to be fulfilled.

At that very moment, their dearest wishes came true, and Voldo heard a familiar voice once again.

He would lurk in the shadows for eternity. To protect his master, even to this day...

Seung Mina:

Mina used every ounce of energy left within her and struck down the evil blade with her Zanbatou.

The Sword of Salvation she sought to save her people turned out to be nothing but lies.

The evil flames extinguished, leaving behind a faint anguished groan. Mina knew her journey had come to an end.

Triumphantly, Mina headed home, wearing a smile that had forgotten all the injuries.
