1. INTRODUCTION

Hello. Super Mario Sunshine is my favorite Mario game and since it had so much dialogue, I was a little surprised there wasn't a script or a text dump or whatever you call it on Gamefaqs yet. So, after starting a walkthrough for Sunshine and getting all the way to Noki Bay on it, the computer I was using crashed. So now, half a year later (somewhere around there, this year's been weird), I'm doing this.

So now I'm going to write a how to use and then turn on my TV, put Sunshine in my Wii and write stuff you may or may not care about. But I am not looking forward to writing Pianta Village.

2. HOW TO USE THIS... WHATEVER IT IS

Ctrl + F brings up search, and that's how you use the table of contents and such. Aside from that, my format for this is going to be going by episode, and writing what a character says under something like this:

+++Character name/description+++ location ~ special conditions

For Delfino Plaza, going by episode isn't really going to work, so I'll write the new text boxes after what happens before you can read it. Also, I won't include text boxes more than once.

One more thing. In Delfino Plaza, between 10 shines and the cutscene that gives you access to Pinna Park, the yellow Toad is not present. At all. That's all. What a tiny section...

Yellow Toad: It's...moving!

Toadsworth: Now now, boys! Don't touch that stuff!

Peach: Um, excuse me, but..

Toadsworth: I am most concerned with the

## 5. DELFINO PLAZA

CUTSCENE - THE MOST INSANE COURT

Peach: Nice work, Mario!

Toadsworth: Mm, quite an unusual device...  
Is it some sort of pump?

FLUDD: I am FLUDD. Glad to meet you.

Red Toad: Hey, someone's coming!

Judge: Court is now in session!

Prosecutor: As you are no doubt aware, someone has been senselessly  
defacing fair Isle Delfino using some sort of paint-like substance.  
The accused with charged of polluting our beautiful home  
and yes, endangering our very way of life.  
Indeed, how can one not be aware of what is going on?

Though it is daytime in Delfino Plaza,  
our poor residents tremble beneath a veil of darkness.

Expert Shine scholars have determined that this darkness has arisen because all of our guardians, the Shine Sprites, have vanished from their gathering spot at the Shine Gate.

The reason?

It's quite obvious.

This horrible graffiti is to blame!

Behold this sketch of the perpetrator based on eyewitness descriptions.

The truth is obvious.

The guilty party is among us. It is none other than Mario!

Peach: Objection!

Judge: Overruled!

I judge the defendant guilty as charged!

I hereby order the defendant to clean this entire island.

Until Isle Delfino is completely free of his vile handiwork,

Mario shall not be allowed to leave!

Court adjourned.

FLUDD: This appears to be quite a predicament, Mario.

Data analysis verifies that

the island's inhabitants are indeed troubled by pollution.

But the pollution itself is not the main problem.

Mario, you witnessed this object at the airstrip, correct?

It is a Shine Sprite.

Shine Sprites are the source of power on Isle Delfino.

They used to gather in great numbers at the Shine Gate.

But, the graffiti incident has polluted the island and

most of the Shine Sprites have fled. There is no longer any power to

support the peaceful lifestyle of the islanders.

It is most pitiable.

The only way to ensure the return of the Shine Sprites is

to keep the island from becoming any dirtier.

The perpetrator is likely at work even as we speak.

And you, Mario,

are being treated as a criminal.

Tomorrow, we must do our best to resolve this situation.

Blue Police Officer: Go straight that way. You can't miss the mess, pal.

Your first job's to get rid of all that ugliness.

And remember, we'll be watching you, pal.

We'll know if you start slacking off.

-----START-----

+++D.E.B.S. Alert+++ Bottom of the screen

...D.E.B.S. ALERT...

It seems several people have gone missing near the Grand Pianta statue in

Bianco Square...

+++Blue Police Officer+++ Outside police station

Get started by  
cleaning up  
Bianco Square!

Honestly! How could  
anyone do so much  
graffiti so quickly?

+++Pale Police Officer+++ Outside police station

Get going! Clean up  
Bianco Square, and  
make it snappy!

I swear! Graffiti  
artists just make  
me so MAD!

+++Durian/Coconut Salesman+++ Marketplace, N end

The ones on the  
right are durians...

And the ones on the  
left are coconuts.

If you're not  
buying, get lost!

+++Yellow Toad+++ Marketplace, N end

Waah! You're safe!  
What a relief! This  
vacation is crazy!

The princess is  
waiting for you  
just up ahead.

+++Pear/Pineapple Salesman+++ Marketplace, middle

Hey there! You  
don't look so good.  
It's like, well...

It's like disaster is  
written all over your  
face, you know?

What's that?! We're  
already having a  
disaster?! Oh...right!

+++Purple Toad+++ Marketplace, middle

Oh, Mario!  
Why is the weather  
so strange?

+++Red Pepper Salesman+++ Marketplace, middle

In the hot sun, you  
need something even  
hotter to cool off!

Try these fresh red  
peppers! ...Oh, who  
am I kidding?

In this haze, these  
peppers look totally  
unappetizing!

+++Brown Pianta in leaf shirt+++ Talking to Red Pepper Salesman

Hey! If it isn't the  
bad mustache-man!

Just because you're  
cleaning up the  
town...

...that doesn't mean  
you're clean with me!

+++Red Toad+++ Marketplace, S end

Everyone on this  
isle loves to do  
the "box-breaker"!

Just jump up and  
press the L Button  
above a box!

Ka-SMASH!  
Why don't you give  
it a try?

+++Banana Salesman+++ Marketplace, S end

I just heard a yell  
from the square!  
What happened?!

+++Dark Blue Male Pianta+++ Walking around the marketplace

What's this, now?  
That mustache!  
That red cap!

You look just like  
the villain in the  
wanted posters!

You cad! You're the  
one writing "M" on  
all the walls!

You listen to me...  
Clean it all up!  
Now, hooligan!

+++Blue Pianta with guitar+++ Walking around the marketplace

Well well well! If it  
isn't you! You have  
that tourist map?

Did I tell you to  
press the Z Button  
to view that thing?

+++Toadsworth+++ Corner between marketplace and Bianco Square

Well, I'm pleased  
to see you're safe!  
I must tell you...

We were walking  
around town earlier,  
and...

...it seems the area  
near the Shine Gate  
is still quite bright...

Perhaps you should  
check it out,  
Master Mario...

+++Peach+++ Corner between marketplace and Bianco Square

Oh, Mario! You're  
OK after all! I just  
knew you would be!

And why is the sky  
so dark, huh? It's  
not sun-drenched!

This is hardly my  
idea of a relaxing  
vacation, Mario.

I want to go home  
right now!

+++Yellow Male Pianta in Straw Hat+++ Bianco Square, looking at goop

This is so amazing,  
isn't it? Where are  
the TV cameras?

Oh, wait! Is it over  
already? Did I miss  
something? Huh?

+++Pale Male Pianta in Leaf Shirt+++ Covered in goop, then walking about

Well, if it isn't the  
scribble-doodle man  
himself! You jerk!

What in the world  
are you thinking  
with this nonsense?!

This stuff is no  
joke, you know!  
Now, clean it up!

+++Green Toad+++ Covered in goop, then surrounded by it

Everything just went  
dark, and I thought  
"I'm done for..."

+++Orange Female Pianta+++ Looking at Goop

I came all the way  
here from Pianta  
Village on vacation...

And this is awful!  
I guess all cities  
really ARE dirty...

+++Brown Pianta with Glasses+++ Next to above, looking at goop

This is the place,  
all right...  
Bianco Square!

The guidebook says  
there's a statue of  
the Grand Pianta...

So, where'd it go?

+++Blue Pianta with Mushroom Backpack+ Walking at Bianco Square and W docks

So it's true... Our  
Shine Sprites really  
have left us...

I'm taking it  
pretty hard, to tell  
you the truth.

I just wish the sun  
would return and  
tan us like before!

+++Angry Blue Pianta with Mustache+++ Being angry at wanted poster on SW house

Unforgivable! I have  
HAD it! Someone

ruined my wall!

What does "M"  
mean, anyway!? And  
have we met before?

+++Sign (1)+++ In front of boathouse

BOATHOUSE

---CLOSED---

Please come again.

+++Red 'Mario' Pianta+++ Under roof at central docks

I guess it's true  
about all the Shine  
Sprites leaving...

+++Green 'Luigi' Pianta+++ Under roof at central docks

We're in a tight  
spot, and that's  
for sure!

I'm telling you,  
this place will be  
pitch-black soon!

+++Blue Toad+++ Central docks, next to the Shine Gate

Not this way!  
Go to the town  
square! Hurry!

+++Crate Guy+++ Central docks, next to the dolphin fountain

Well, hello there!  
I'm what you might  
call the crate guy!

The crates come in  
off the boats, and  
I deal with 'em.

You look like you  
could deal with a  
few crates yourself!

If you've got free  
time, why don't you  
try bashing some?

+++Owner of the Fruit Freighter+++ Central docks, next to the boat

Hm? Naw, the boat  
can't leave yet. You  
have to improvise!

+++Sign (2)+++ Central docks (NW), in front of Crate Guy's building

THE CRATE GUY

---CLOSED---

Test your skill  
another time.

+++Cannon Repairman+++ Central docks (NW), in the cannon

These repairs are  
really rough, I'm  
telling you!

It'll be a while...

+++Pianta Stranded on Island for 3 yrs+++ SE Island

I was shipwrecked  
and washed up here  
three years ago.

I often think about  
the far shore, but I  
can't swim...

I've never left this  
little island. Isn't  
that just awful?

-----AFTER WASHING OFF THE GRAND PIANTA STATUE-----

+++D.E.B.S. Alert+++ Bottom of the screen

...D.E.B.S. ALERT...

Princess Peach of the Mushroom Kingdom has apparently been kidnapped.  
The suspected kidnapper was last seen escaping through the eastern fruit  
market...

+++Blue Police Officer+++ Next to the police station

Hey! Are you  
slacking off!?

+++Pale Police Officer+++ Next to the police station

And clean up  
those walls!!  
Now, slacker!

+++Durian/Coconut Salesman+++ Marketplace, N end

I thought I told  
you...  
NO FREE SAMPLES!!!

+++Yellow Toad+++ Marketplace, N end

Mario! The princess!  
The princess!

+++Dark Blue Male Pianta+++ Covered in goop at marketplace, then walking about

This darkness makes  
me feel so gloomy  
and depressed...

It's been this way  
ever since our Shine  
Sprites went away!

This is your fault!  
And you don't even  
look apologetic!

+++Brown Pianta in Lead Shirt+++ Covered in goop, then by Red Pepper shop

It was weird being  
stuck in that goop.  
It was gross, but...

I gotta admit, it  
was kind of sweet.  
Kind of like candy...

+++Red Toad+++ Bianco Square

The princess, Mario!  
The princess!

+++Red Pepper Salesman+++ Marketplace, middle

Running around and  
getting all sweaty  
is nice, but...

You can eat these  
and get just as  
sweaty! Yes, sir!

+++Banana Salesman+++ Marketplace, S end

I heard more cries  
for help! What's  
going on now?

+++Purple Toad+++ Marketplace, S end

Mario!  
The princess!  
THE PRINCESS!

+++Toadsworth+++ Corner between marketplace and Bianco Square

The princess!

She's been kidnapped  
by Master Mario!

No! I mean...  
By someone!  
Waaaagh!

+++Yellow Male Pianta in Straw Hat+++ Walking around Bianco Square

Huh? What's that?  
Another incident?  
Really? Honestly?

Are the cameras  
there yet? Huh?  
My, how exciting!

+++Pale Male Pianta in Leaf Shirt+++ Running around Bianco Square

It's your fault that  
our Shine Sprites left  
and the sky got dark!

+++Green Toad+++ Bianco Square

AAAAAAGH! Mario!  
The princess!  
The princess!

+++Orange Female Pianta+++ Bianco Square, looking at Grand Pianta statue

This is the  
Grand Pianta?

Pshaw! What's so  
great about it?  
It's just...a rock.

+++Brown Pianta with Glasses+++ Bianco Square, looking at Grand Pianta statue

So, this is the  
Grand Pianta!  
How...striking!

Where did it come  
from? Talk about  
a dramatic entrance!

+++Blue Toad+++ Central docks, next to the Shine Gate

She didn't come this  
way! Try going back  
that way!

+++Shadow Mario+++ Wherever you beat him ~ after you beat him

Ow ow ow OW!  
Not fair!  
Completely unfair!

You shouldn't be  
allowed to use  
tools like that!

+++Peach+++ Wherever you beat Shadow Mario ~ after you beat Shadow Mario

Mario! I'm sure I  
saw that person out  
on the Airstrip!

I'm positive he's  
responsible for all  
this! Chase him!

-----AFTER EXITTING A LEVEL/GETTING A SHINE-----

+++D.E.B.S. Alert+++ Bottom of the screen

...D.E.B.S. ALERT...

Isle Delfino Police are investigating a possible connection between recent graffiti incidents and the loss of contact with Bianco Hills and Ricco Harbor...

...D.E.B.S. ALERT...

Shine scientists report that the Shine Sprites of Isle Delfino's legendary Shine Gate have disappeared. The appearance of graffiti is being cited as a possible clue, but officials are reluctant to draw any conclusions...

+++Pale Police Officer+++ Next to Police Station

And clean up those  
walls, slacker!

+++Orange Female Pianta+++ Walking around the marketplace, N end

Now, where's that  
big ol' Shine?

The guidebook says  
it's like the shining  
eye of Isle Delfino!

+++Pear/Pineapple Salesman+++ Marketplace, middle

So, you're probably  
still involved in  
some naughty stuff...

Right? Like huge  
disasters and stuff?  
Yup, I knew it!

+++Brown Pianta with Glasses+++ Walking around marketplace, S end

It sure is dark!  
Is this daytime?

I guess cities are  
just dark all the  
time, huh?

+++Banana Salesman+++ Marketplace, S end

Delicious fruits need  
the sun to live...  
At least, ours do.

And at this rate,  
we may never have  
fruit again.

Oh, where have all  
the Shine Sprites  
gone off to?!

+++Blue Toad+++ Next to the lighthouse

A long time ago,  
Yoshis lived on this  
island as well.

+++Yellow Male Pianta in Straw Hat+++ Walking around Bianco Square

When are we going  
to have another  
scandalous incident?

I'm so bored.  
Nothing fun ever  
happens here.

+++Green Toad+++ Bianco Square, next to the Grand Pianta statue

Mario! Are you used  
to using that FLUDD  
thing now?

You can also switch  
it to a hover device  
with the X Button!

+++Yellow Toad+++ Bianco Square, next to the Grand Pianta statue

I saw it with my  
own eyes! The man  
who took the

princess was using  
a brush to draw  
graffiti! I saw it!

+++Purple Toad+++ Bianco Square, next to the Grand Pianta statue

I heard this was a  
sun-splashed isle,  
but it sure is dark!

Is it because they've  
lost their so-called  
"Shine Sprites"?

+++Toadsworth+++ Bianco Square, next to the Grand Pianta statue

This island seems  
to be the victim of  
a bad turn of fate!

Oh my, yes...

+++Peach+++ Bianco Square, next to the Grand Pianta statue

Welcome back!  
We're so glad you're  
safe, Mario!

This vacation's just  
been a whirlwind of  
bizarre events, huh?

And now, the boat  
to the hotel isn't  
even running!

+++Raccoon Dad+++ In the boathouse

I suppose you're here  
for THAT, hm?  
Yes, very good.

That means I will  
require 10 blue coins  
from you.

I can exchange those  
for Shine Sprites.  
I'll give you #, yes?

Would you like to?

If you say yes:  
Really? You truly  
mean it, yes?

No refunds!

If you say no either time:  
I'm so sorry I couldn't  
be of service to you.  
See you next time.

+++Banana Wanting Lady+++ Slope between central docks and Bianco Square

Helloooooo!  
You want to work for  
me for a little bit?

I'd love for you to

bring me some fruit.  
I'm craving some...

...bananas!  
Bring me 3,  
would you?

Just bring the fruit

Huh? You're back

again, are you?

You seemed like you
were in such a hurry
last time I saw you.

+++Pink Female Pianta+++ Start of level

What's going on?

Didn't you just come
running through here
with a big paintbrush?

And now you've got
that heavy device on
your back... Strange...

+++Blue Pianta with Straw Hat+++ Next to rope at river

You want to try
climbing on the
ropes? It's easy!

Never fear! Just get
up there and bounce
around. You'll be fine.

+++Orange Female Pianta+++ Next to the river, windmill village side

There's a trail here
that connects to the

The goop made it
too dangerous, so the
door's been closed.

You might be able to
get through at the
waterwheel up ahead.

+++Orange Male Pianta with Blue Cap+++ Running in windmill village, 3 houses

Windmills are big
spinning things that
use wind power.

Waterwheels are big
spinning things that
use water power.

And all of them will
spin faster if you give
them a good squirting!

+++Male Chuckster+++ Walking around windmill village, left from Entrance

Would you believe my

you mustachioed punk!

+++Green Pianta in Straw Hat+++ Windmill village, at E house

That's a nice little
squirt-tank you got

the flowers a bit?
They sure need it!

+++Cliff Spring Cave Guard+++ In front of Cliff Spring Cave

It's too dangerous
past this point!
None shall pass!

+++Guy That Likes Hillside Cave+++ In front of Hillside Cave

So, no more fooling around!

+++Pink Dancing Male Pianta+++ Big Windmill, next to the gondola

Whuzzah!? Whozat?!
What're you doing
over here?

You're getting a little
ahead of yourself,
don't you think?

Isn't there something
else you should do
before coming here?

-----EPISODE 2: DOWN WITH PETEY PIRANHA!-----

I wonder what's going on
on the other side

+++Pink Female Pianta+++ Start of level

I wonder if all that
slime is gone yet...

+++Blue Pianta with Straw Hat+++ Next to river, entrance side

People who jump in
this river go PLOOSH!
And sometimes PLISH!

I know, because I've
been standing here
watching all day long.

+++Orange Female Pianta+++ Windmill village, near river, looking at open gate

Now, look at that!

I wonder who broke
the gate? I do NOT

Hey, mister, you're
all wet from playing in
the water! Ha ha ha!

+++Male Pianta Child+++ Running in windmill village, near two towered house

Hey, mustache-dude...

You think I could
borrow that funky
squirter of yours?

+++Female Chuckster+++ Windmill village, far wall from river

So you're still
lollygagging around
here, are you?

Have you cleaned up
all the graffiti? No?
Then get to it, mister!

+++Cliff Spring Cave Guard+++ In front of Cliff Spring Cave

Sorry to do this,
but NO ONE BEYOND
THIS POINT!

+++Guy That Likes Hillside Cave+++ In front of Hillside Cave

You won't like this,
but NO ONE BEYOND
THIS POINT!

+++Pink Dancing Male Pianta+++ Halfway up the Big Windmill, next to gondola

Could you help out
with the big-headed
creature up there?

You're the only one
we can ask to lend us
a hand.

I know it's a pain,
but...you think you
can handle it?

-----EPISODE 3: THE HILLSIDE CAVE SECRET-----

The goop's all gone,
and this place is

Now, if we can just
get the tourists to
come back...

+++Pink Female Pianta+++ At starting hill

Something's wrong...
My women's intuition
must be warning me...

+++Blue Pianta in Straw Hat+++ Next to river, entry side, angry at the road

Some awful goop fell
out of the sky a while
ago. It was nasty!

+++Guy That Likes Hillside Cave+++ Next to river, windmill village side

Say... Do you know
anything about the
Hillside Cave?

You can see it from
the path that leads to
the Big Windmill.

As you go up the hill,
look right before you
reach the bridge.

Anyway, I was hanging
out near the entrance
the other day...

Suddenly, this weird-
looking guy ran after
me! I took off quick!

I saw him bust the
cave gate open and
vanish inside. Yikes!

+++Female Pianta Child+++ Running around near the river's end

Even if your clothes
get wet, the sun will
dry 'em out quick! Ha!

+++Male Pianta Child+++ Running around near the river's end

Hey, mustache-man!
You're funny looking!
...But kinda cool, too.

+++Female Chuckster+++ Windmill village, far wall from river

Don't you have
anything else to do?!

Then go do it!!

+++Green Pianta in Straw Hat+++ Windmill village, at E house

Lately, I've been
seeing a lot of weird
creatures around here.

+++Orange Male Pianta with Blue Cap+++ Windmill village, walking by 3 houses

Are you the
mustachioed guy I've
been hearing about?

+++Orange Female Pianta+++ Lake shore, under the two windmills

I heard awful noises
in the Hillside Cave
on the far shore...

What were they?
I'm scared...

+++Male Chuckster+++ Lake shore, under trees

Huh? You just asked
me to hurl you,
didn't you?

Hraangyaar!

+++Cliff Spring Cave Guard+++ In front of the Cliff Spring Cave

This is the
Cliff Spring Cave.

Sorry, but no one's
allowed to go in.

+++Pink Dancing Male Pianta (he's not dancing right now)+++ In front of bridge

You can see the
Hillside Cave over
there, right?

A guy came out all
covered in goop and
ran under the bridge.

I wonder if something
bad was after him...
How disturbing.

+++Tourist+++ Covered in goop at the base of the Big Windmill

I came here to tour

the Big Windmill...

...and I've got to say,
it's spectacular!

-----EPISODE 4: RED COINS OF WINDMILL VILLAGE-----

+++Blue Male Pianta+++ Starting hill, near level start

You know, you're the
one person who visits
me over and over...

+++Pink Female Pianta+++ Starting hill, near level start

I was worried, but
now, I figure things
can't get much worse.

+++Orange Male Pianta with Blue Cap+++ Windmill village, walking by 3 houses

There are red coins
all over the place,
aren't there? Weird.

+++Guy That Likes Hillside Cave+++ Windmill village, quarter down the river

I can think much
better when I'm alone.

I used to go to
the Hillside Cave
for a good think...

But now, it's just
too scary!

+++Female Pianta Child+++ Windmill village, far wall from river, viewing Poinks

Poinks get all full of
water and then they
go BOOM! Hee hee!

+++Male Pianta Child+++ Windmill village, far wall from river, viewing Poinks

Water-filled balloon
bombs, huh? Sounds
good to me!

+++Female Chuckster+++ Windmill village, far wall from river

Until I've given you a
good hurl, I don't feel
like my day's started!

Hungyagagagarr!!

+++Green Pianta with Straw Hat+++ Windmill village, at E house

I can't believe anyone
out there does bad
things for no reason.

+++Male Chuckster+++ Walking along the trees at the lake shore

Throw! Throw! Throw!
It's what I know!!

Yooooorgggh!

+++Orange Female Pianta+++ Lake shore, walking under two windmills

I'd much rather get
fruit than coins!
Know what I mean?

+++Pink Dancing Male Pianta+++ Lake shore, in front of bridge

What, are you some
kind of coin
collector? Neat!

+++Cliff Spring Cave Guard+++ In front of Cliff Spring Cave

This is the
Cliff Spring Cave.

You know the drill...
NO ONE BEYOND
THIS POINT!

+++Tourist+++ In front of and one level below Hillside Cave, covered in goop

I heard something had
happened here, so I
came to check it out...

But there's nothing to
see...except for some
filth I fell into!

+++Blue Pianta with Straw Hat+++ Northern Heights

I guess you like
climbing up to high
places, too?

I know the feeling...

-----EPISODE 5: PETEY PIRANHA STRIKES BACK-----

+++Blue Male Pianta+++ Starting hill, near level start

Oh! Oh! How horrible!
I thought we were
done with this stuff!

I don't even want to
open my eyes to see
all the slime!

+++Orange Male Pianta with Blue Cap+++ Windmill village, in goop near river

Oh no! That creature
appeared again and
messed everything up!

There was goop going
this way, and slime
going that way...

I think he fell asleep
up on the heights to
the north of town...

+++Green Pianta with Straw Hat+++ Windmill village, near E house

I saw a monster with
a super king-sized
noggin! It was huge!

There's no way that
thing was natural!

+++Male Chuckster+++ Windmill village, covered in goop, far wall from river

I know what you
want just by the
look in your eyes...

Have a nice trip!
Hungarayayararr!

+++Tourist+++ Lake shore, on a little separate area across the river

Bianco Hills is a
rather interesting
place, huh?

We have falling goop
and all sorts of
other oddities!

+++Pink Dancing Male Pianta+++ Lake shore, in front of bridge

Hey! I saw it! It's that
big-headed thing from
the Big Windmill!

It's back!

+++Cliff Spring Cave Guard+++ In front of Cliff Spring Cave

This is the
Cliff Spring Cave.
Must I say it?

NO ONE BEYOND
THIS POINT!

+++Guy That Likes Hillside Cave+++ White Tower (near entrance hill)

Boy, I looked up and
saw this dirty thing
fly in from the port!

I found a nice place
to hide, though. I can
relax here...

+++Blue Pianta with Straw Hat+++ Northern Heights

Look! I think the big-
headed monster is
sleeping over there.

If it wakes up, it'll
probably go on
another rampage!

Can't we just get
rid of it while
it's snoozing?

We just need
something to bonk
it with...

-----EPISODE 6: THE SECRET OF THE DIRTY LAKE-----

+++Blue Male Pianta+++ Starting hill, near entrance

I thought we had all
this cleaned up, and
now this!

What in the world is
going on in this
village?

+++Pink Female Pianta+++ Starting hill, near entrance

You know, you've
really done so much
for us, but I wonder...

Will even you be
able to deal with
this nastiness?

+++Guy That Likes Hillside Cave+++ White tower (near entrance)

Aww, the lake's
all goopy!

+++Cliff Spring Cave Guard+++ Windmill village, by to river, covered in goop

You know the Cliff
Spring Cave on the
far end of the lake?

Some nasty ooze came
spilling out of it with
no warning at all!

Now, our beautiful
lake is contaminated.
It's so yucky!

+++Orange Male Pianta with Blue Cap+++ Windmill village, walking by 3 houses

You know, I've never
seen the lake like
this before!

+++Green Pianta with Straw Hat+++ Windmill village, at E house

If that lake stays like
this, the town is
done for...

+++Male Pianta Child+++ Windmill village, running around SW house

We're playing
hide-and-peek!

I wonder where my
kid sister is
hiding...

+++Blue Pianta with Straw Hat+++ Windmill Village, running near river's end

Now, this is just
too much...

+++Female Chuckster+++ Windmill village, far wall from river

You're late for your
throwing appointment!!
Come here!

Graahyaaar!

+++Female Pianta Child+++ In the gap between where white wall meets itself

He'll never find me
here, right?

Don't tell my brother!
Hee hee!

+++Male Chuckster+++ Lake shore, under the trees

Do you really NEED

to be thrown?
Gimme a break!

Raaagraaaaah!

+++Orange Female Pianta+++ Lake shore, under the two windmills

Since the lake's been
like this, the leaf
boats have all rotted.

They fall apart when
you get on them now.
That's...not good.

+++Pink Dancing Male Pianta (currently not dancing)+++ Lake shore, by bridge

Nothing this dirty
could ever get back
to normal...

+++Tourist+++ Northern Heights, covered in goop

Now, this is just a
spectacular view!

-----EPISODE 7: SHADOW MARIO ON THE LOOSE-----

+++Blue Male Pianta+++ Starting hill, near entrance

Hey...do you have a
twin or something?

+++Pink Female Pianta+++ Starting hill, near entrance

Hey, didn't I just
see you go bounding
past here?

+++Shadow Mario+++ Wherever you beat him ~ after beating him

Arrgh!
I'll remember this!!

+++Orange Male Pianta with Blue Cap+++ Windmill village, walking by 3 houses

There's some weird
guy wandering
around town!

Do you think HE has
anything to do with
the missing kids?

+++Green Pianta with Straw Hat+++ Windmill village, at E house

I don't think those
kids would have gone

anywhere dangerous...

...but that weird guy
who's been running
around worries me.

+++Blue Pianta with Straw Hat+++ Windmill village, near river's end

What's all the hubbub
here? Is something
bad happening?

+++Female Chuckster+++ Windmill village, far wall from river

Hey, have you seen
my kids? I can't find
either of them!

I have to figure out
where they went...

Get out of my way!

+++Guy That Likes Hillside Cave+++ White tower (near entrance)

I guess there are
worse things than
goop on your head...

Getting goop down
your pants would be
mush grosser.

+++Female Pianta Child+++ In gap between where the white wall meets itself

I can't get out of
here! Boo-hoo! Sniff!

+++Male Pianta Child+++ Lake shore, near base of windmill closest waterwheel

That's funny...
I can't find my sister.

+++Male Chuckster+++ Lake shore, under trees

You know, I'm getting
pretty tired out here.

But I know what I
must do...
Hurrgraaaah!

+++Orange Female Pianta+++ Lake shore, under two windmills

I'm looking for the
kids, but I don't think
they're around here...

+++Pink Dancing Male Pianta+++ Lake shore, in front of bridge

Hey, did you just run
past here?

+++Cliff Spring Cave Guard+++ In front of Cliff Spring Cave

This is the
Cliff Spring Cave.

It's open, so head
on in!

+++Tourist+++ Atop the Big Windmill, where Petey was

I'm glad I made it all
the way up here...

But now, my legs are
shaky. I wonder if I
can get down?

-----EPISODE 8: RED COINS OF THE LAKE-----

+++Blue Male Pianta+++ Starting hill, near entrance

I was thinking that
peace would finally
return to the village...

But with you still
around, I have my
doubts...

+++Pink Female Pianta+++ Starting hill, near entrance

You know, it's just
like there's one
disaster after another.

Not that it's your
fault or anything...

+++Orange Male Pianta with Blue Cap+++ Windmill village, walking by 3 houses

This was once a calm
place, but now there's
way too much hoopla!

+++Green Pianta with Straw Hat+++ Windmill village, at E house

Lately, things just
seem really out of
balance, you know?

+++Blue Pianta with Straw Hat+++ Windmill village, near river's end

I don't even feel safe
in the middle of town
anymore.

But I guess it's better
than being alone.

+++Female Chuckster+++ Windmill village, wall by peaks, angry at kids

I'm always after those
kids to tell me where
they're going.

But you know they
never do! Children are
such little hoodlums!

Some things just
never change!

+++Female Pianta Child+++ Windmill village, wall by peaks, being yelled at

I'm sorry, mister!

Really, I am.
Please don't tell
my mother, OK?

+++Male Pianta Child+++ Windmill village, wall by peaks, being yelled at

WAAAAUGH!
I'm sorry, mom!

Oh, it's just you.

+++Guy That Likes Hillside Cave+++ White tower (near entrance)

If there were a club
for people who get hit
with goop a lot...

...I think I'd have a
good shot at being
club president.

+++Male Chuckster+++ Lake shore, under trees

What? Again? You
secretly like this,
don't you!

Raargraar!

+++Orange Female Pianta+++ Lake shore, under two windmills

This may be a bit
sudden, but listen
and listen good!

Let's say you find
yourself hanging
from a rope...

Shoot just a little
water, and you'll
start to swing, right?

Well, if you have good
timing, and you do
that several times...

...you'll start spinning
around the rope. I
swear, it's true!

Then, if you let loose
with a full stream
of water...

...you'll gain crazy
momentum, which you
can use to jump!

Yeah! That's what
I like to call the
Super Whirl Jump!

You can go amazingly
far with it. Truly.
It's incredible!

Don't ask me why I
know this. I don't
really know myself...

+++Pink Dancing Male Pianta+++ Lake shore, in front of bridge

It looks like you've
really gotten used to
things around here.

+++Cliff Spring Cave Guard+++ In front of Cliff Spring Cave

This is the
Cliff Spring Cave.

And it's...open!
Enter, by all means!

+++Tourist+++ In the gap between where the white wall meets itself

I headed over here to
check things out, but
nothing's happening.

Now, I'm just trying to
figure out how I'm
going to get home...

7. RICCO HARBOR

-----EPISODE 1: GOOPER BLOOPER BREAKS OUT-----

+++Red Pianta+++ Docks

Look at that slimy
water! It's gross!

Our lovely port
is ruined!!

+++Blue Pianta+++ Docks

Something's fishy in
the freight area at the
far end of the port.

You can't quite see
it from here, but
I'm sure of it...

+++Blue Sailor in White Uniform+++ Red/black Ship

Huh?! You think the
arrow is pointing
that way on purpose?

Ruh-Ruh-Really?

+++Yellow Worker+++ Base of Ricco Tower

Just what in the
blazes is this stuff?

I can't even get my
work done!

+++Kid Chuckster+++ Red arrow platform

That's my big bro
over there. See him?

He's been practicing
throwing people.

He's got a ways to
go, but practice
makes perfect!

+++Police Chief+++ Chuckster's platform

I heard that you can
raise the sub by
spinning that thing...

But how in the world
are you supposed
to do that?

You don't happen to
know, do you?

+++Chuckster+++ Chuckster's platform

You want me to toss
you all the way
across the port?

Sorry, but I don't
have that kind of
power yet.

+++Pale Sailor in Blue Uniform+++ Freight area

I know we're in the
middle of a crisis
and all, but...

Do you think you
could help scrub off
the walls, too?

When you've got a
minute, that is.
No rush.

+++Blue Sailor in Blue Uniform+++ Freight area

The goop is coming
out of those crates
over there.

I'm not sure I've ever
seen anything as
gross as that...

+++Blue Sailor in Blue Uniform+++ Same as above ~ After Gooper Blooper appears

Wooooooooaaaaaaah!
What... is... that?

-----EPISODE 2: BLOOPER SURFING SAFARI-----

+++Red Pianta+++ Docks

That guy on the pier?
He's the Big Daddy
of Blooper-surfing.

That's nothing to
sneeze at, I'll tell
you that much!

Me? No, I do NOT
ride Bloopers!
No, thank you!

+++Blue Pianta+++ Docks

You know, there sure
are some odd folks
out there...

Taming little Bloopers
is bizarre enough, but
riding on their backs?

I tell you, some folks
are just plain looney!

+++Police Chief+++ Docks

I heard that there's
Blooper-surfing
around here.

Do you know where?

+++Pink Sailor in White Uniform+++ Washing off the black/red ship

The deck is the very
life of the ship,
my landlubbing pal!

That's why we polish
her to a glowing
shine every day!

+++Green Sailor in White Uniform+++ Washing off the black/red ship

If the deck is dirty,
a sailor might as well
hang up his cap!

That's just the life
of a fellow at sea,
my friend!

And hey, watch it with
those dirty clompers!

+++Yellow Worker+++ Base of Ricco Tower

I am just pleased as
punch that that big,
nasty Blooper's gone!

+++Kid Chuckster+++ Red arrow platform

You know, some day...

I'll toss people
around just like my

big bro! You'll see!

+++Chuckster+++ Chuckster's platform

You want to head for
shore? All right by
me! Woooooooooooo!

+++Pale Sailor in Blue Uniform+++ Freight area, where Gooper Blooper was

Even though that big
Blooper's gone, the
water's still a mess!

+++Blue Sailor in Blue Uniform+++ Freight area, where Gooper Blooper was

Where is that goop
coming from?

+++'Bloopy'+++ Pier

That's right!
I'm the Big Daddy of
Blooper-surfing!

You like surfing?
Hop on a Blooper and
give it a whirl!

Oh, but one thing!
Big Daddy waives all
liability for accidents.

Now, hang loose, bud!

+++Blooper Guy+++ WELCOME TO BONUS STAGE!... he's in the Blooper bonus stage

Wahoooo!
You wanna go for
a ride, bud?

Go ahead and jump
on the Blooper you
like best. Go on!

Show me some super
Blooper-surfing, and
win yourself a prize!

+++Blooper Guy+++ See above ~ after first message

Quit your dillydallying
and get on a Blooper!

+++Blooper Guy+++ See 2 above ~ after winning in over 45/40 seconds

Pretty weak, bud!
That time's not even
worth talking about!

Come back after
you've conquered the
kiddie pool!

+++Blooper Guy+++ See 3 above ~ after winning in under 45 seconds (first time)

You, bud, are what I
like to call
super-deluxe cool!

To commemorate the
birth of a Blooper-
surfing legend...

This is for you!

+++Blooper Guy+++ See 4 above ~ Win in under 40 seconds

You are the MAN!

I'm so impressed that
I want you to have
one more of these!

-----EPISODE 3: THE CAGED SHINE SPRITE-----

+++Red Pianta+++ Docks

Hey! This is a
dangerous place to be
clambering around.

And hanging off that
hook? An accident
in the making!

+++Blue Pianta+++ Docks

The port is strangely
quiet today, huh?

I guess I ought to
appreciate the peace
and solitude...

To be honest, though,
I could do with a
bit more excitement.

+++Pink Sailor in White Uniform+++ Cleaning red/black ship

I'm gonna shine this
deck 'til the sun
smiles back!

I'm not quite there,
though. Nope, not yet.

+++Green Sailor in White Uniform+++ Cleaning red/black ship

I'm gonna polish 'til
I can hear people's
shoes squeak on her!

Hey! Don't walk there!

+++Yellow Worker+++ Base of Ricco Tower

Urrrgh... My throat
hurts so bad. I don't
feel like working.

+++Police Chief+++ Green arrow platform

You see the Shine
Sprite up there?
Inside the cage?

I found it first!
Pretty cool, huh?
Wa ha ha ha ha!

Now, how in the world
can I get up there...?

+++Kid Chuckster+++ Red arrow platform

My big bro keeps on
breaking his own
long-distance record!

He's tossing people
around like mad! The
distance varies, but...

Hey, he likes doing it.

+++Chuckster+++ Chuckster's platform

Whoa! You again!

I think I'm ready to
chuck you over to the
far side. Maybe...

Hur-ngaarrh!!

+++Blue Sailor in Blue Uniform+++ Freight area, near fountain

Now, how would
anyone climb all the
way up there!?

+++Pale Sailor in Blue Uniform+++ Freight area, where Gooper Blooper was

Our beautiful harbor
is clean again! Oh,
what a happy day!

Still...I have a
strange felling of
foreboding...

I'm just a worrywart,
I guess!

+++Pink Sailor in Blue Uniform+++ Freight area, rooftops

Hey, it's just like
in the movies!
You know the scene?

It's where something's
on the manhole, and
they can't get it open.

+++Blue Sailor in White Uniform+++ Girders

Wow, you made it
all the way here!
Hey, by the way...

Have you spoken to
that guy on the roof
over there?

-----EPISODE 4: THE SECRET OF RICCO TOWER-----

+++Red Pianta+++ Docks

Now, the ocean is
all dirty around
that tower!

+++Blue Pianta+++ Docks

Whoa, looks like
trouble's a-brewing!!

+++Pink Sailor in White Uniform+++ Cleaning black/red ship

Know what I think?
Even sailors need a
break now and then...

+++Green Sailor in White Uniform+++ Cleaning black/red ship

I know you're just
waiting for me to
say something else...

You're bugging me!
Now, scoot!

+++Yellow Worker+++ Base of Ricco Tower

You know, I can give
out some pretty handy
info now and then.

Like, that wall over
there? It's...umm,
never mind.

+++Police Chief+++ Base of Ricco Tower

This may be too hard
for you to wrap your
noodle around...

...but I can tell there's
something suspicious
about this tower.

By the way, how
could anyone ever
climb this thing?

You don't know,
do you?

+++Kid Chuckster+++ Red arrow platform

I think I'll start
challenging myself,
just like my big bro!

+++Chuckster+++ Chuckster's platform

You know, last time, I
nearly got you across!
Trust me this time...

Hurngyarrrr!

+++Blue Sailor in Blue Uniform+++ Freight area, near fountain

Boy, that sun
is bright!

+++Pale Sailor in Blue Uniform+++ Freight area, where Gooper Blooper was

I'm so glad the ocean
is looking clean once
again!

-----EPISODE 5: GOOPER BLOOPER RETURNS-----

+++Red Pianta+++ Docks

I can't see anything
from here!!

+++Blue Pianta+++ Docks

Looks like that huge
Blooper thing is over
at the helipad now!

+++Red Sailor in White Uniform+++ Cleaning red/black ship

I'm gonna polish this
'til it shines like my
girl's smile!

To tell the truth, the
captain's making me
do this as punishment.

He caught me slacking
off the other day.

+++Green Sailor in White Uniform+++ Cleaning red/black ship

Please... No more...
So... tired...

+++Police Chief+++ Red/black ship, next to chimney (or smokestack, w/e)

Seems that pesky
Blooper is back!

Well, you just do your
thing, and you'll take
care of it, I'm sure.

Me? I'll be right
here... Right here
the WHOLE time...

+++Yellow Worker+++ Base of Ricco Tower

That dang Blooper is
back for more!?

Well then, I guess it's
time to stop working!!
Yep yep!

+++Kid Chuckster+++ Red arrow platform

You're going after
that giant Blooper,
right?

Urgraaa!

+++Chuckster+++ Chuckster's platform

Yeah! Leave it to me!
I'll throw you all the
way to the helipad!!

Urgrahhhhaaarrrr!!!

+++Blue Sailor in Blue Uniform+++ Freight area, near fountain

What? Huh?

Blooper?

Whaaa?

+++Pale Sailor in Blue Uniform+++ Freight area, where Gooper Blooper (1) was

Oh no! Oh my! Why is
it back again!? I hate
that stinking Blooper!

-----EPISODE 6: RED COINS ON THE WATER-----

+++Blue Pianta+++ Docks

Looks like Big Daddy
Blooper-surfer is
at it again...

+++Red Pianta+++ Docks

There seem to be
more Bloopers for you
to ride this time..

+++'Bloopy'+++ Pier

That's me, Blooper-
surfing Big Daddy!
Bloopy for short...

Oh yeah... You think I
should step on that
switch over there?

+++Yellow Worker+++ Base of Ricco Tower

You know, I just want
to quit my job and
surf Bloopers all day.

What? I never do any
work anyway? Well!
That's uncalled-for!

+++Kid Chuckster+++ Red arrow platform

I wonder if you'll
make it that far...
Uruuurgh!

+++Chuckster+++ Chuckster's platform

I just keep getting
better and better!
Hugyaraaaaar!

+++Blue Sailor in Blue Uniform+++ Freight area, marketplace

I finally feel like our
harbor is going to get
back to normal.

+++Pink Male Tourist+++ Freight area, marketplace

I wonder if the orange
one that makes the
kissy-lips is edible...

+++Brown Male Tourist+++ Freight area, marketplace

They're pretty cheap,
but not if I consider
my travel costs.

+++Yellow Male Salesman+++ Freight area, marketplace

Freeeeesh fish!
Cheap Cheep-Cheep!
Fishy fishy fisssh!

Drop 'em in the ocean,
and they'll swim away!
They're that fresssh!

+++Pale Sailor in Blue Uniform+++ Freight area, marketplace

I never thought that
the word "hero"
would apply to you...

But I do now!!
Thanks for being such
a stand-up guy!!

+++Police Chief+++ Freight area, marketplace, talking to pale sailor

Well, that big Blooper
was just a huge cream
puff, wasn't it?

Compared to me, that
thing was a complete
lightweight!

Heh heh heh!

+++Brown Pianta Kid+++ In a duck tube in waters near the black ship

I'm ashamed to admit
I sink like a stone.
But it feels so good!

+++Blue Pianta+++ Docks

Wait a second!
If you're here...
then who's that guy?

+++Red Pianta+++ Docks

Hey, didn't you just
come through here?

+++Shadow Mario+++ Wherever you beat him ~ After beating him

Phooey!
I'll remember this!

+++Yellow Worker+++ Base of Ricco Tower

I've been meaning to
mention this, but your
jumps are amazing!

You're no beginner,
are you? How long
have you been at it?

+++Kid Chuckster+++ Red arrow platform

Now, I'm working on
my straight-up throw!

Huggyhugarr!

+++Chuckster+++ Chuckster's platform

Hey, how about I toss
you straight up in the
air sometime?

Hunggyyaraarr!

+++Blue Sailor in Blue Uniform+++ Marketplace

It really tickles me to
see the harbor as
lively as this.

+++Pale Sailor in Blue Uniform+++ Marketplace

Don't go running
around here!
It's not safe!!

+++Pink Sailor in Blue Uniform+++ Marketplace

I could probably sell
a whole lot more of
this sliced thinly...

+++Yellow Male Salesman+++ Marketplace

I guess no one will
be buying Blooper fore
quite some time...

+++Brown Male Tourist+++ Marketplace

I wonder if I should
get some souvenirs?
Naw, I guess not...

+++Blue Sailor in White Uniform+++ Marketplace

Shrimp, shrimp,
shrimp, shrimp...
Anybody got shrimp?!

+++Pink Male Tourist+++ Marketplace

I think this could be a
bustling place one
day, but not yet.

+++Police Chief+++ Marketplace, rooftops

Weren't you just on
top of that steel
girder over there...?

But now, you're here,
which means...

That you wasn't really
you! You're you!
Wait, who ARE you?!

+++Brown Pianta Kid+++ In a duck float in the water near black ship

I spent so much time
in the water that my
hands pruned up!!

-----EPISODE 8: YOSHI'S FRUIT ADVENTURE-----

+++Brown Pianta Kid+++ Using a duck tube in the waters near the black ship

Well, let me just set
everyone straight on
this subject...

I started this craze!
Me! The original
duck-ring rider!

+++Pink Pianta Kid+++ Using a duck tube in the waters near the black ship

Bleaargggh!

I'm starting to
feel queasy...

+++Blue Pianta Kid+++ Using a duck tube in the waters near the black ship

This is tough... I can't
paddle! I guess that
makes me a duckling.

+++What ever duck-ring rider you talk to last+++ See above 3...

You actually managed
to talk to the three
duck-ring riders?

You're amazing!
Here you go! This is
your reward!

+++Red Pianta+++ Docks

I hear the Doot-Doot
Sisters are here!
I can't miss them!

+++Blue Pianta+++ Docks

The market back there
is just jumping these
days!

+++Doot-Doot Sisters' Guitar Player+++ Docks

Ricco's the kind of
place songs are
written about...

+++Yellow Worker+++ Base of Ricco Tower

The Doot-Doot
Sisters are here!?

Wow, I'm going to
have to quit working
early today!

+++Kid Chuckster+++ Red arrow platform

Surpassing my big bro
is just a matter of
time! I know it!

Raawr!

+++Chuckster+++ Chuckster's platform

Ohhhh! Today just
feels different for
some reason!

I feel powerful enough
to send you flying to
another world!!

Hurgrararararahhhh!

+++Blue Sailor in Blue Uniform+++ Marketplace, near fountain

Whee! Doot, doot!
I just want to keep
dancing forever!!

+++Green Sailor in White Uniform+++ Marketplace, near fountain

That was the best!
Doot doot doo-doot!

+++Pink Sailor in White Uniform+++ Marketplace, near fountain

It's when they're not
quite in sync that I
dig their dancing.

Doot doot doo...

+++Yellow Doot Doot Sister+++ Marketplace, near fountain

Why are fans so dirty
and unfashionable?
It gets on my nerves.

Doot doo doot doo...

+++Red Doot Doot Sister+++ Marketplace, near fountain

Excuse me, sir. Could
you step back a bit?
Doot doot, doot doot!

+++Orange Tourist with Green Hat+++ Marketplace, near fruit machine

Oh, hey! Could you do
me a favor and get up
on top of this tank?

There's a switch up
there that I'd like
you to jump on.

It looks like a piece
of fruit's jammed
in the pipe.

+++Female Child Pianta+++ Running around marketplace

I want to swim with
a duck ring, too!

+++Pale Sailor in Blue Uniform+++ Marketplace

So, our hero is
heading home soon?
How sad...

+++Blue Sailor in White Uniform+++ Marketplace

So, the fishmonger
doesn't usually sell
fruit, right?

Well, there was a
picture of fruit on the
tank over there...

But I haven't seen
any fruit stands
around at all...

+++Pink Female Tourist+++ Marketplace

So, NOBODY'S selling
fruit around here?

+++Pink Male Tourist+++ Marketplace

Well, this place just
gets more and more
lively every day!!

+++Brown Male Tourist+++ Marketplace

Hmmm... I just don't
know which one to
buy and take home...

Maybe I shouldn't...

+++Pink Sailor in Blue Uniform+++ Marketplace

I wonder if I could get
really smart by eating
all of the fish here...

+++Yellow Male Salesman+++ Marketplace

I might be able to sell
some Blooper...
You got any?

+++Yellow Female Tourist+++ Marketplace

Even if I bought this,
I couldn't eat it all
at once.

I wonder if they
sell it in smaller
portions...

+++Police Chief+++ Helipad, next to helicopter

Leisure is a big part
of life, my boy!
But so's work!

It's about time for me
to head home in
my private helicopter.

As for you, you keep
up the good work.
You're a spunky one!

8. GELATO BEACH

-----EPISODE 1: DUNE BUD SAND CASTLE SECRET-----

+++Brown Pianta with Blue Cap+++ Entrance island

Hey, you! Don't get
the water dirty here!

And don't step on
the Duns Buds!

Thanks for your
cooperation!

+++Sand Cabana Owner+++ Beach, E end (E is near start island...maybe)

The legendary giant
Sand Bird will soon
hatch from its egg.

That's what the
professor studying the
Shine Tower said...

+++Green Male Pianta Kid+++ Beach, near Sand Cabana

Hey, mister! A coin fell
under the floorboards
of this hut.

If you're under there
and can't see well, try
pressing the Y Button.

+++Brown Male Noki+++ Beach, next to Dune Bud near Sand Cabana

Now, this here is what
we call a Dune Bud.

Dune Buds are odd
plants that appear
only on this beach.

If you water them,
strange things
will happen.

+++Sand Cabana Sign+++ In front of Sand Cabana

Sand Cabana

If no one's here, be
prepared to wait for
a loooong time.

+++Noki Mom+++ Beach, E end

Isle Delfino is often
referred to as a slice
of paradise on earth.

And Gelato Beach?
Why, it's it most
sun-kissed shore!

All of the local Piantas
and Nokis just love to
have festivals here!

+++Male Noki Child+++ Beach, E end, next to his mom

What's that?
A festival? All right!
Let's get down!

+++Pink Male Pianta+++ Beach, middle

Have you ever heard
of the Sand Portal?

It's a sand castle that
appears, then
crumbles away quickly.

I guess it must
not have a very
good foundation...

+++Pale Male Noki+++ Beach, W end

Those large-billed
Cataquacks tend to
be very territorial.

So, when they spot
an outsider such as
yourself, they go wild!

They'll run up and hurl
you into the air, but
they mean no harm.

+++Pale Female Noki+++ Beach, W end, next to pale male Noki

Watch out for the red
Cataquacks! Seriously!
They can hurt you.

They only appeared
on this beach recently.

+++Surf Cabana Sign+++ In front of Surf Cabana

Surf Cabana

For a limited time
only! Famous juice
smoothies! Yummers!

+++Surf Cabana Owner+++ In Surf Cabana

Hey, do you see the
jumbo juicer on top
of this hut?

That's how we make
our special
juice smoothies.

By the way, was
anyone out there in
the Surf Cabana?

Oh, blast it all! The
owner must be out
walking with her son.

+++Sand Bird Scientist+++ Base of the Shine Tower

This tower enshrines
the egg of the
legendary Sand Bird.

Actually, it not only
holds the egg, it
also keeps it warm.

Which is important,
because the egg is
living, of course!

You did see those
gigantic mirrors,
didn't you?

They gather the sun's

rays and reflect them
at the tower.

They've been doing
that for over 100
years! Isn't that wild?

What's even wilder is
that the egg is almost
ready to hatch!

That's right! The
legendary Sand Bird
is almost here!

Just thinking about
witnessing such an
event is a thrill!

-----EPISODE 2: MIRROR MADNESS! TILT, SLAM, BAM!-----

+++Brown Pianta with Blue Cap+++ Starting island, entry message

Alert! Alert!
Just look at the
top of the tower!

Some weird thing has
curled up on the
tower to take a nap!

This could endanger
the legendary Sand
Bird egg!

+++Brown Pianta with Blue Cap+++ Same as above, not entry message

Awww, I don't like the
looks of this!

+++Green Male Pianta Kid+++ Beach, near Sand Cabana

If we don't do
something quick, the
Sand Bird won't hatch!

+++Sand Cabana Owner+++ Beach, near Sand Cabana

Those things up on
the mirrors...

I wonder if you could
shake 'em off by
rocking the mirrors...

+++Brown Male Noki+++ Next to Dune Bud next to Sand Cabana

I'll have you know

the if you use the
Dune Buds wisely...

...you can reach
heights you never
would normally.

You know, like the
tops of huts and
places like that...

+++Male Noki Child+++ Running around E beach

I'm so worried about
the egg! Aaaaaaaa!

+++Noki Mom+++ Beach, E

We need to get those
mirrors back into
position! Now!

+++Pink Male Pianta+++ Beach, under trees

How about squirting
those mirror-walkers?
Think that'll do it?

+++Pale Male Noki+++ Beach, near Surf Cabana

OK, here's what we
need to do to save
the egg:

We need to get that
big green caterpillar
thing off the tower.

To do that, we need
to move the mirrors
back into position.

So, we need to get
rid of those Plungelos
that are up there!

Then the heat from
the mirrors will make
the caterpillar move!

Whew! What a plan!

+++Pale Female Noki+++ Near Surf Cabana, next to pale male Noki

This guy is all talk!
He never tries to do
anything himself!

+++Surf Cabana Owner+++ In front of Surf Cabana

If you look closely,
you'll see two kinds
of palm trees.

You can climb to the
top of the ones
without spiky leaves.

+++Sand Bird Scientist+++ Base of Shine Tower

I've been observing
the egg for years, but
this is a first!

I hope the sacred egg
can escape this
danger unscathed.

-----EPISODE 3: WIGGLER AHOY! FULL STEAM AHEAD!-----

+++Noki Mom+++ Beach, next to Dune Bud near Sand Cabana

Don't step on the
Dune Buds!

+++Brown Male Noki+++ Beach, next to Dune Bud in the E

I'll protect the Dune
Bud! You'll see!
Urrngghh! Unnh!

+++Male Noki Child+++ Next to Dune Bud at circular sand

Waaaah! Don't come
this way!

+++Pale Male Noki+++ Next to Dune Bud in the W

N-N-Now, calm down
there, M-M-Mister
Caterpillar!

We c-c-can talk this
over nice and slow...
Yaaaaooooowwww!

+++Pale Female Noki+++ Next to Dune Bud in the W, next to pale male Noki

Eeeeeek!
We'll be crushed!

+++Pink Male Pianta+++ On walkway leading to Surf Cabana

I think you get rid of
that bug by stomping
on its belly.

Not that I have any

idea how to flip
that brute over...

+++Surf Cabana Owner+++ In Surf Cabana

I wonder if the
proprietress and her
son are OK...

+++Police Chief+++ Outside dining area of Surf Cabana

Haven't we met
somewhere before?
So familiar...

Anyway, go give that
caterpillar what for!
Gaah ha ha ha!

+++Brown Pianta with Blue Cap+++ Sand Cabana

That caterpillar sure
woke up on the wrong
side of the bed!

+++Pink Female Pianta+++ Sand Cabana

I'm so disappointed
that that thing is here
today. Seriously...

I don't get down here
to Gelato Beach all
that often, you know!

+++Sand Bird Scientist+++ Sand Cabana

It's going to hatch
any day! What's going
to hatch, you ask?!

Why, the egg of the
legendary Sand Bird,
of course!

+++Sand Cabana Owner+++ Sand Cabana

Beach access is pretty
much shot thanks to
that big bug.

On the other hand,
I've sure got a lot
of customers.

+++Green Male Pianta Kid+++ Atop the Sand Cabana's roof

Well, no walkies
today! Shoot.

-----EPISODE 4: THE SAND BIRD IS BORN-----

+++Brown Pianta with Blue Cap+++ Starting island

Hey! Guess what!
The Sand Bird... It
finally hatched!

Don't bother looking
for it, though. It flew
off right away.

+++Brown Male Noki+++ Next to Dune Bud next to Sand Cabana

That big caterpillar is
finally gone. Whew!

Now, I can get back to
tending my Dune Buds
in peace!

+++Sand Cabana Sign+++ In front of Sand Cabana

+++Pale Male Noki+++ Near Surf Cabana

I wonder if you can

+++Sand Bird Scientist+++ Base of Shine Tower

It... It... It hatched!
The legendary Sand
Bird is born!

It broke the tower
and flew away! That
was unexpected...

+++Surf Cabana Owner (Chuckster this episode)+++ Base of Shine Tower

The store is closed
today for family
play time.

When my son slides
down, I'm going to
throw him back up.

...But he doesn't
seem to be coming
down at all...

+++Noki Mom+++ Hill stadium

You know, I was a
pretty wild child
back in my day.

Even so, I find myself
yelling at the kids to
QUIET DOWN!!!

+++Male Noki Child+++ Hill stadium

Sliding down the patch
of odd-colored sand
there is tons of fun.

But I think sitting
here and enjoying the
view is nice, too.

+++Sand Cabana Owner+++ Hill stadium

This kid keeps talking
about jumping into
that hole down there.

It isn't just unsafe;
it's impossible!
Huh? YOU can do it?

+++Green Male Pianta Kid+++ Hill stadium

I wanna slide down
and dive onto that
platform down there.

I think I might be able
to bounce from there
right into that hole!

-----EPISODE 5: IL PIANTISSIMO'S SAND SPRINT-----

+++Brown Pianta with Blue Cap+++ Starting island

sweat, let's jump in

race again! Ciao!

+++Il Piantissimo+++ Hill stadium, next to flag ~ if you win

+++Brown Male Noki+++ Beach, next to Dune Bud next to Sand Cabana

bored. Just give out
water now and again.

+++Pink Male Pianta+++ Beach, circular sand

I heard that someone
found red coins in
the coral reef...

But there are fish out
there that'll drag you
to the sea floor!

+++Pale Male Noki+++ Beach, near Surf Cabana

The coral reef is nice
to view from here...
and it's safe, too!

+++Pale Female Noki+++ Beach, near Surf Cabana, next to pale male Noki

swimmer this guy was,

right? Ha ha ha ha!

+++Surf Cabana Owner+++ In front of Surf Cabana

The coral reef?

Yeah, it's that rocky
spot out in the water.

Yeah, to the left of
the shop! That's it!

+++Sand Bird Scientist+++ Base of the Shine Tower

buy a small bird...

He told me my Mama got kidnapped by a bad man named Mario...

Peach: So, you're Bowser's son...

Bowser Jr.: So I came here to rescue her!

Peach: So the graffiti...
...that was you?

Bowser Jr.: This...is my magic brush.
When I draw with this, all my wishes come true
A strange old man in a white coat gave it to me...

FLUDD: A strange old man...in a white coat...?

Peach: But why would you pretend to be Mario?

Bowser Jr.:

Papa told me everything. He said "Mario's a bully, he never fights fair!"

He said, "Jr. you gotta try to outsmart Mario."

So I tried to get Mario sent to prison,

but they didn't lock him up,

and now he came to steal Mama Peach again!

This sunset is just  
about the prettiest  
thing I've ever seen!

+++Reddish Male Noki in Brown+++ Next to right hut

Is it normal for girls  
to suddenly run for  
the ocean? Ohhhh...

+++Female Pianta Under Roof+++ In left hut, talking to Nokis

Sorry... No juice...

+++Male Noki in Brown+++ In left hut, talking to Pianta

Do you have any  
water? Or juice?  
...Sigh...

+++Female Noki in Blue+++ In left hut

We might as well just  
go to our room...

+++Hotel Owner+++ In front of the hotel

Ah! Mario! Mario!  
The casino's this way!  
Well, actually...

I must admit that,  
unfortunately, the  
casino's closed today.

You see, there are  
creepy sounds coming  
from the basement...

Could we trick you...  
I mean, ask you for your  
help? Oh, thank you!

~HOTEL~

Believe it or not, every single message in the hotel is the same as it was in  
episode 4. This includes the 'enjoy yourself in the casino' message, which  
is more than a bit odd...

~CASINO~

+++Male Pianta in Uniform+++ At the casino entrance

Hey! That color on the  
roulette wheel...  
That's not normal...

+++Yellow Male Pianta in Sailor Uniform+++ At the curtains

This doesn't look  
quite right.  
Something's weird...

-----EPISODE 6: SCRUBBING SIRENA BEACH-----

+++Male Noki in Green+++ Between center & left fountains, covered in goop

Lucky for all of us  
you were around! Us?  
Lucky? Imagine that.

+++Female Noki in Green+++ Between center & left fountains, covered in goop

We ARE lucky!

+++Blue Pianta Employee+++ Below the left hut

Thanks for your  
cooperation. Now  
for more scrubbing...

+++Red Pianta Employee+++ Below the right hut

We have really thick  
soles, so electricity  
is no big thing!

+++Hotel Owner+++ Beach, near the path ~ once you finish

Wow! That was great!  
I never expected you  
to do it so easily.

Fantastic, Mario!

+++Hotel Owner+++ Beach, near the path ~ once you finish ~ second talk on

Thank you very much!

+++Female Noki in Blue+++ Next to right fountain

You know, this is  
getting to be  
kind of fun!

+++Female Pianta in Ladies' Room+++ (she's not there now) Near center chairs

Hey! You remember  
to stay out of the  
ladies' room!

+++Male Noki in Green+++ Next to left hut, talking to Pianta

What happened? I  
deserve to know that  
much, at least!

+++Female Noki in Green+++ Next to left hut, talking to Pianta

Evacuate? Everyone?  
What on earth  
happened in there?

+++Blue Pianta Employee+++ Next to left hut, talking to Nokis

Well, actually, I'm  
not sure what's going  
on myself.

+++Red Female Pianta in Hat+++ Near hotel, yelling at Pianta

What? Wait a--  
What is going on?  
You! Do something!

+++Brown Male Pianta in Hat+++ Near hotel, yelling at Pianta

Wha...what?  
Evacuation?  
What does that mean?

+++Red Pianta Employee+++ Near hotel, talking to Piantas

I'm really sorry, but  
I have no clue as to

what's happening.

+++Hotel Owner+++ In front of hotel

Ah! Mario! There's a  
troublemaker inside  
who looks like you!

Hurry! Get in there!

~HOTEL~

bit early to be  
leaving, isn't it?

noisy this evening!

+++Check-In Guy+++ At the check-in counter

Oh! Mario! Didn't you  
just come through  
here a moment ago?

+++Pianta Employee in Attic+++ In the attic maze

Why bother cleaning  
this place?! Nobody  
ever comes anyway!

+++Shadow Mario+++ Where you beat him ~ when you beat him

Yaaaaaargh!  
You're so annoying!

-----EPISODE 8: RED COINS IN THE HOTEL-----

~BEACH~

+++Female Pianta Walking Along Beach+++ Walking on left half of the beach

I think I may have  
lost some weight...

+++Brown Male Noki+++ On right side of the beach, dancing to Doot-Doot Sisters

Yippee! C'mon  
everybody! Dance!  
Do the doot-dance!

+++Pink Female Noki+++ Right side of the beach, dancing to Doot-Doot Sisters

This is the best!

I can't stop!  
I'm dooting out!

+++Yellow Doot-Doot Sister+++ On right side of the beach

My feet hurt, and my  
arms feel like lead.  
Oh, and DOOT-DOOT!

+++Red Doot-Doot Sister+++ On right side of the beach

If we keep this up,  
someone may notice...  
De doot-doot!

+++Doot-Doot Sisters' Guitar Player+++ On right side of the beach

Woo, sunset dancin'...  
Gonna dance all night!  
Doot-doot!

Whew... It's about  
time to go back to  
the room...

+++Male Noki in Green+++ On one of the center chairs

You know what you're  
blocking right now?  
The sunset.

+++Female Noki in Green+++ On one of the center chairs

How splendid.  
This vacation was  
SUCH a fine idea!

+++Female Pianta Under Roof+++ In left hut, talking to Nokis

I'm pretty sure we're  
getting restocked in  
just a moment...

+++Male Noki in Brown+++ In left hut, talking to Pianta

You know what?  
I don't think they  
ever have drinks here!

+++Female Noki in Blue+++ In left hut

I'm so thirsty, I could  
drink some of that  
disgusting goop...

+++Hotel Owner+++ In front of hotel

Mario!  
Please, do come in.

~HOTEL~

+++Hotel Owner+++ Hotel entrance

Now, Mario, please!  
Enjoy yourself,  
would you?

+++Blue Pianta Employee+++ Washing floor near the fruit shop

Psst! Mario! Wanna  
give me a hand  
cleaning? No, huh?

+++Fruit Guy+++ In the fruit shop

Err, we only stock  
fruit here, sir...

+++Check-In Guy+++ At the check-in counter

Red coins? Yep, I  
don't know much  
about those...

+++Brown Male Pianta in Hat+++ Next to the men's room

What in the world  
are you running  
around for?!

+++Female Pianta in Ladies' Room+++ In the ladies' room

No matter how many  
times I tell you, you  
keep coming back!

+++Red Female in Orange+++ In the pool room

Should I call the  
front desk and ask  
for more water?

+++Blue Male Pianta with Swimwear+++ In the pool room

You can't really swim  
when the water's  
this shallow.

+++Male Noki in White+++ In the room with an open door

OK, now try saying  
"pizza" ten times  
fast! Ha ha ha!

+++Female Noki in Purple+++ In the room with an open door

Whew...

+++Pianta Employee in Attic+++ In the attic maze

Did you ever think  
that you might be  
tracking dirt around?

+++Yellow Female Pianta in Pure Orange+++ In the room with the Boo painting

Maybe I should get a  
different room...

+++Red Male Noki in Blue+++ In the room with the Boo closet

Look, you can have  
that coin if you just  
get out of here!

+++Pink Female Noki with Big Hat+++ In the room with the Boo closet

Well, excuse ME!  
Hrrmph!!

+++Yellow Female Pianta in Orange+++ In the room with the big pool

here, use that pump  
to clean the tub!

+++Pink Female Noki in Blue+++ In the room with the shelf

You again?!

+++Red-Brown Male Pianta+++ In the room with the Boo poster

I haven't seen  
any red coins...

+++Red Female Pianta in Hat+++ In room w/ blank poster that makes a blue shine

What makes you think  
you can just waltz in  
here and poke about?

+++Red Pianta Employee+++ In front of the casino doors

My apologies, but the  
casino is not quite  
ready for business.

11. Noki Bay

-----EPISODE 1: UNCORK THE WATERFALL-----

+++Old Noki Fisherman+++ Level start

Ahhh, welcome!  
Master Mario,  
I presume?

We have heard much  
about you! Yes, and  
all of it good!

As for me, I am just  
an old man who loves  
nothing but fishing.

But lately, I have had  
a terrible problem...  
Please look up there.

I don't know who  
did it, but someone  
corked our waterfall!

This, no doubt, is why  
our lovely bay has  
become polluted!

And I can't even fish!  
And so, I ask for your  
help. Yank that cork!

Please fulfill this old  
man's wish... COUGH!  
HACKPTH! HACKPTH!

What's that? You'll  
do it?! Oh, thank you!  
Thank you so much!

I knew I could count  
on you. Just beware  
that guy on the cork!

+++Old Noki Fisherman+++ Level start ~ second talk on

And on the way, do  
you mind cleaning up  
that graffiti? Thanks!

Hyo ho ho ho!

+++Mudboat Sign+++ At the mudboat shop

M U D B O A T  
R E N T A L  
-90,000 COINS-  
Mudboats Are Fun!  
Come Aboard!

+++Mudboat Shop Owner+++ At the mudboat shop

Oh, greetings!  
I live here and rent  
boats, usually, but...

All my boats washed  
away, so I'm having a  
rough time of it now...

+++Noki Grandson+++ Below the ledge that has a 1-up

Oh, are you Mario!?  
That guy down there's  
my teacher...

I mean, my grandpa!  
Heh heh! That cork is  
farther up ahead...

Be careful, though!  
There's a weird guy  
perched on top of it.

He'll start tossing  
explosives at you  
if you get too close!

I thought you might  
need help, so I got  
you this springboard.

If you spray it, it'll  
shrink and be easy to  
carry. Please use it!

+++Noki Grandson+++ Level start

Mario, thanks for all  
your help earlier! That  
was truly spectacular!

Would you mind being  
my new teacher?  
I mean... Never mind!

My grandpa's up  
ahead, and he wants  
to tell you something.

+++Old Noki Fisherman+++ At the base of the first wall jumping maze

Excellent! Way to go,  
Master Mario!

You have returned our  
waterfall to normal!  
Bravo!

What's that?  
The ocean's still  
dirty? Strange...

It looks like my  
theory was way off!  
Hyo ho ho HACKPTH!

That's OK. I think  
I've got a lead on  
the real cause...

Now, this may not  
seem like much of  
a reward, but...

I'm going to reveal to  
you one of Noki Bay's  
deepest secrets!

This bay actually  
contains the tomb of  
an ancient Noki king!

When you spray water  
on the wall paintings,  
a path usually opens.

It's almost like magic!  
And one path leads to  
a hidden Shine Sprite!

Honest! This is all  
true! Maybe...

+++Old Noki Fisherman+++ At base of first wall jumping maze ~ second talk on

Spray them with  
water! Hyo ho ho ho!

+++Mudboat Shop Owner+++ At the mudboat shop

Now that our waterfall  
is back to normal, I  
can resume business!

Thanks, Master Mario!  
In return, please use  
my boats any time!

...Free of charge, of  
course! I don't have  
any oars, though...

Looks like you'll have  
to use your pump to  
get around, hm?

-----EPISODE 3: RED COINS IN A BOTTLE-----

+++Old Noki Fisherman+++ Level start ~ automatic message when you start

I've got it! Yes!  
I surely do have it!  
What have I got?

Why, the answer to  
our polluted ocean  
problem, of course!

And the answer is  
you! You must go to  
the ocean floor!

Of course, that is  
impossible for you  
at the moment...

Therefore, I've made  
an area for you to  
hone your skills!

Boop-bop-boop-  
bottle-dee-BOO!  
Tah-daaa!

Wear this, and you  
can stay underwater  
for much, much longer!

Use that FLUDD to  
move around and  
get red coins.

But don't overdo it!

If you run low on air,  
here's what you do...

Just grab some  
regular coins to refill  
your meter, OK?

Now, shall we get  
started?

-----EPISODE 4: EELY-MOUTH'S DENTIST-----

+++Noki Grandson+++ Level start ~ automatic message when you start

Oh, Mario! You're  
finally setting out for  
the ocean's bottom!

Grandpa is waiting for  
you up top. Oh, don't  
forget to wear this...

You can use this rope  
as a shortcut to  
reach Grandpa...

+++Noki Grandson+++ Level start

Please help us!

+++Old Noki Fisherman+++ At the waterfall view

You look like you're  
ready! The gunk in the  
ocean is caused by...

A giant eel! It's  
moved into our  
ancestral home...

...at the sea floor,  
and it's nursing some  
nasty cavities there.

Let's take a look...

The newly uncorked  
waterfall created a  
gap in the pollution...

...that you can use  
as an entrance!  
Jump right in there!

Dive to the bottom of  
the ocean and clean  
that eel's teeth!

Doing so will ease his  
pain, and he'll return  
from whence he came!

No doubt about it!  
Now, gather your  
courage and DIVE!

+++Old Noki Fisherman+++ At the waterfall view ~ second talk on

Well, why not dive in?

+++Mudboat Shop Owner+++ At the mudboat shop

I owe you, Mario!  
Now, my business is  
up and running again!

Please, use my boats  
for free anytime you  
so desire, yes?

I don't have any oars,  
though, so you'll have  
to use your FLUDD!

-----EPISODE 5: IL PIANTISSIMO'S SURF SWIM-----

+++Noki Grandson+++ Level start

Thanks to you, our  
bay is clean again!  
Thank you!

+++Old Noki Fisherman+++ Level start

Now, hopefully all of  
our people will return  
home again!

We owe it all to you!  
Thanks! And say, do  
you know that guy?

He's been waiting up  
there for you for  
quite a while...

+++Il Piantissimo+++ At the other end of the tightrope at level start ~ auto

Ho HO, foolish man!  
I am Il Piantissimo!  
Yes, that is me!

And now, I challenge  
you to a race to  
that flag!

It is a race to the  
finish! The best time  
is #:#:#:#.

Are you at the ready?  
Then get set...  
and GOOOOOOOOO!

+++Il Piantissimo+++ At the finish flag ~ if you lose

Ha! You pathetic  
clam-chewer! I must  
scoff at you! Scoff!

Next time, bring your  
good swim fins, for  
you are far too slow!

Goodbye to you!

+++Il Piantissimo+++ At the finish flag ~ if you win

Whoo...haah...wheeze!  
You are quite speedy!  
You are like a fish!

You may not be the  
slow clam-chomper  
I took you for!

May we race again!  
Watch for me!

+++Il Piantissimo+++ At the finish flag ~ if you win ~ second talk on

That is all I have to  
say to you! Now, be  
off with yourself!

-----EPISODE 6: THE SHELL'S SECRET-----

+++Old Noki Fisherman+++ One platform ahead of starting platform

Master Mario, you've  
become tied to our  
destiny, I'm afraid.

A pathway to another  
world has opened  
above our fair land.

Surely you will go  
there? Of course!  
You must go there!

I apologize for  
involving you in all of  
this! Good luck!

We'll cheer you on  
from here! Farewell!

+++Noki Grandson+++ Next to the first tightrope you're supposed to go on

You'll have to use the  
ropes to climb up  
there, I'm afraid!

-----EPISODE 7: HOLD IT, SHADOW MARIO!-----

+++Old Noki Fisherman+++ Level start

Is that a relative of  
yours? Quite an odd  
family you've got!

+++Noki Grandson+++ Couldn't find him...

I searched and searched and searched, but I couldn't find him in this episode.  
It's quite strange.

+++Shadow Mario+++ Where you beat him ~ when you beat him

Curses!  
I won't forget this!

-----EPISODE 8: THE RED COIN FISH-----

+++Noki Grandson+++ Level start ~ automatic message

We've been waiting  
for you, Mario!

Grandpa is at the top,  
as usual. Please wear  
this again, OK?

You can use this  
rope as a shortcut  
to the top...

+++Noki Grandson+++ Level start

That's my wife and  
child over there.

I retrieved them from  
their hiding place once  
the water cleared up.

+++Noki Mom+++ Level start

Nice to meet you,  
Mr. Mario!

Thank you so much for  
restoring our beautiful  
bay to purity!

+++Old Noki Fisherman+++ At the waterfall view

Master Mario!  
Our people have all  
come back at last!

To show our thanks,  
we've prepared a  
fine treasure for you.

It lies on the ocean's  
floor, so please go  
there and claim it.

Just remember to  
watch your life meter!

## 12. Pianta Village

-----EPISODE 1: CHAIN CHOMPLETS UNCHAINED-----

+++Village Mayor+++ Village entrance

Hey, mister!  
Think you could spare  
us a hand, here?

This dear lady's pets  
have decided to go on  
a little rampage.

No, not the bees.  
They seem to be  
acting normal.

+++Pianta Granddaughter+++ Village entrance

Gramps is just  
so slow...

He left for the spring  
ages ago, and he  
hasn't returned.

Not that it's weird.  
He pretty much does  
that every night.

Where's the spring?  
Center of the village,  
base of the big tree.

+++Chain Chomp Owner+++ Village entrance

Oh my goodness!  
This is awful!  
Completely awful!

My little darlings have  
nasty fevers and it's  
driving them mad!

Normally, I grab their  
tails and spike them  
into the ground...

...but they're too  
hot to touch now!  
Ooh! It burns me up!

+++Brown Male Pianta with Straw Hat+++ By pit near the hot spring

The underside world  
has fungi beyond  
compare. Truly!

There are some  
enormous mushrooms  
growing down there.

+++Dancing Orange Female Pianta+++ On platform right of hot spring

At midday, we direct  
the water here and  
heat it up. Ahhhhhh!

+++Dancing Pink Female Pianta+++ On platform left of hot spring

The hot spring is  
only open during  
the daytime. Sorry!

+++Guitar Playing Male Pianta+++ On stumps blocking off the hot spring

Oh, I'm so sorry!  
Pianta Hot Spring  
isn't open at night.

Come back and try  
again during daylight  
hours, all right?

Thanks. Bye!

+++Hot Spring Cleaner+++ Sweeping next to the hot spring

Gotta clean every day,

or things get slippery  
and dangerous!

+++Green Male Pianta Child+++ In tall grass

Whoa! You found me!

+++Orange Female Pianta in Purple Shirt+++ Running around near fruit tree

Chain Chomplets? I've  
no time for them!

+++Yellow Female Pianta in White Shirt+++ Next to fruit tree

I'm just here to make  
sure no one runs off  
with this fruit.

You can take some if  
you need it, though.  
It'll grow back soon.

+++Mustached Pink Male Pianta+++ On a raised grassy platform near hot spring

Today's youngsters  
have no interest in  
the underside. Kids!

+++Male Pianta with Mushroom Backpack+++ Same as above

To tell the truth, the  
old gal bugs everyone  
around here.

Don't mention her  
pets, though, or  
she'll let you have it!

That's why no one  
around here wants to  
talk to her.

+++Red Female Pianta in White Shirt+++ Same as above, but across the bridge

How hot is it?

+++Shirtless Blue Male Pianta+++ On a raised grassy platform near the spring

That spring is empty  
during the day,  
you know.

+++Orange Female Pianta in Glasses+++ Next to the golden mushroom

Did you talk to the  
Pianta at the entrance  
to our village?

Summing up all the  
trouble here is a

really tough job.

+++Shirtless Pink Male Pianta+++ On a mushroom near the town entrance

I wonder how long I  
have to stay here...  
I'm getting hungry.

+++Pianta in Shades+++ On a mushroom near the town entrance

Danger! Danger!

+++Shirtless Dark Blue Male Pianta+++ On a mushroom near the town entrance

The full moon looks  
so delicious...  
Mmmmmmm...

+++Blue Male Pianta Child+++ Running around on a mushroom near town entrance

Whoa! Look out!  
Touch that goop, and  
you'll get burnt!

+++Pink Female Pianta Child+++ Running around on a mushroom near town entrance

I really want to run  
around in a more  
wide-open area.

+++Pink Female Pianta in Glasses+++ Below mushroom said above

We have NOTHING to  
do with those crazy  
Chain Chomplets!

So...leave...us...alone!  
You got that, mister?

+++Shirtless Green Male Pianta+++ Next to above

What do you want?  
Would you just stay  
out of my way?

+++Dark Pink Female Pianta Child+++ On a mushroom near the entrance

I want a pet, too.

+++Dark Pink Female Pianta in White Shirt+++ Next to above

No! No! No! This is  
what happens to pets  
without discipline.

+++Pianta Grandfather+++ On the small island in the spring

Aaaah! So comfy.  
So nice. So relaxing.  
This is coooool!

This spring always  
hits the spot. It's  
completely refreshing.

No better place to  
cool down than  
right here. Yep.

-----EPISODE 2: IL PIANTISSIMO'S CRAZY CLIMB-----

+++Il Piantissimo+++ At the village entrance ~ auto message when you go to him

It's me, Il Piantissimo!  
And now, listen! See  
that flag over there?

Now, you and I  
shall race to get there  
the fastest! Yes!

My personal record is  
##:##:##  
Impressive, eh?

Are you at the ready?  
Then get set!  
AND GOOOOOOOO!!

+++Village Mayor+++ Village entrance

Who in the world is  
this "Il Piantissimo"?  
A rogue, that's who!

Let it be said that the  
Pianta people have no  
connection with him!

That troublemaker is  
giving us a bad name!

+++Brown Male Pianta with Straw Hat+++ Next to a pit near the hot spring

I've seen the mayor  
popping up out of  
this hole before.

+++Hot Spring Cleaner+++ Sweeping next to the hot spring

Il Piantissimo! I wish  
that guy would be a  
bit more considerate!

+++Guitar Playing Male Pianta+++ Behind boxes that make an L; by to hot spring

Hey, now! No horsing  
around here! It's a bit  
dangerous, you see?

+++Dancing Orange Female Pianta+++ At the hot spring, base of the giant tree

I wonder if I'm in the  
way standing here...

+++Orange Female Pianta in Purple Shirt+++ Next to the fruit tree

Are you tired of  
racing?

+++Yellow Female Pianta in White Shirt+++ On a mushroom next to the fruit tree

What's the best way  
to get down from up  
here, anyway?

+++Mustached Pink Male Pianta+++ On a mat on raised platform near hot spring

You sure are  
energetic!

+++Male Pianta with Mushroom Backpack+++ Same as above, but not on the mat

My cousin lives in  
Delfino Plaza. I hope  
she's happy there...

+++Red Female Pianta in White Shirt+++ Same as above but across the bridge

When night falls,  
water flows from  
over there...

+++Shirtless Blue Male Pianta+++ On a raised platform near the empty spring

The Pianta people are  
just NOT that thin!  
I mean, seriously!

+++Orange Female Pianta in Glasses+++ At base of the platform w/ gold mushroom

Wow! It's a beautiful  
day today, too.

+++Dark Pink Female Pianta Child+++ On a mushroom near the village entrance

I swear I saw a really  
big bird flying around.

+++Dark Pink Female Pianta in White Shirt+++ Next to above

I wonder if this little  
one will ever want to  
leave the village...

+++Shirtless Pink Male Pianta+++ Near village entrance, looking at center tree

That's really big...  
It's even taller than  
the mayor's house.

+++Green Male Pianta Child+++ Next to above, who is under a mushroom

Why do you slide  
around on your  
tummy?

+++Pink Female Pianta Child+++ Near village entrance

What's going on?  
You're racing?

+++Blue Male Pianta Child+++ Near village entrance

Il Piantissimo's  
a creep!!

+++Pink Female Pianta in Glasses+++ Under a mushroom near village entrance

Weren't you racing  
Il Piantissimo?

+++Pianta Grandfather+++ Next to the empty spring

I sure wish the sun  
would set, so the  
spring can fill up.

+++Pianta Granddaughter+++ Next to above

Gramps is so hasty...

+++Pink Female Pianta+++ Next to above two with an arrow

The Pianta Hot Spring  
is the hottest around!

+++Yellow Female Pianta+++ Left path, with an arrow pointing to hot spring

The Pianta Hot Spring  
is as hot as anything!

+++Chain Chomp Owner+++ Village entrance, near a giant tree

You need something?  
I have NO interest in  
silly games.

+++Yellow Female Pianta Child+++ Near a swing near the hot spring

That swing's just  
being pushed by the  
wind...isn't it?

Wait a minute! Did  
you use that water  
pump to push it?

+++Dark Yellow Female Pianta+++ To the right of the hot spring, with an arrow

The Pianta Hot Spring  
is hot, hot, hot!

+++Dancing Pink Female Pianta+++ At the finish flag

Nice job! Wow!  
You must be tired.

+++Il Piantissimo+++ At the finish flag ~ if you lose

You are nothing but  
a rank amateur! You  
are like a fat snail!

Come now! Dig down  
and show me what  
you have, mustachio!

I will be waiting when  
you are ready to try  
again! Until then...

+++Il Piantissimo+++ At the finish flag ~ if you win

Grrrr! Yes, GRRRR!  
That was not so bad!  
You are quick! Yes!

I suppose, maybe I  
underestimated you  
a small bit. Perhaps.

You try again after  
you have practiced  
more. Until then...

+++Il Piantissimo+++ At the finish flag ~ if you win ~ second talk on

That is all I have  
to say to you!  
Now, be off!

-----EPISODE 3: THE GOOPY INFERNO-----

+++Orange Female Pianta in Glasses+++ Running around next to bridge

Aaah! Mario!  
What a mess!

What can we do?

+++Shirtless Green Male Pianta+++ Near bridge

Do something useful!

Ouch!

+++Pink Female Pianta in Glasses+++ Next to above

The mayor got left  
behind somewhere  
over there!

+++Red Female Pianta in White Shirt+++ Near bridge

It's really tough  
being mayor, don't  
you think?

+++Shirtless Pink Male Pianta+++ Near bridge, next to above

I hope everything's  
going to be OK...

+++Chain Chomp Owner+++ Near bridge

How terrible! The  
village is covered in  
burning goop!

Pardon me? No, my  
darling are not  
responsible! Hmph!

+++Blue Male Pianta Child+++ Running around near bridge

The mayor!  
WAAAAAAAAH!

+++Pink Female Pianta Child+++ Running around near bridge

Please, you must save  
the mayor!

+++Yellow Female Pianta Child+++ Near bridge, next to goop

It's too hot! I can't  
get any closer!

+++Yellow Female Pianta in White Shirt+++ Next to above

The mayor was making  
sure everyone was  
evacuated safely.

He was up there  
giving instructions.  
What a hero!

+++Pianta in Shades+++ On giant tree closest to the bridge

Now, this is a sticky  
situation if I've ever  
seen one. Hoo boy!

+++Mustached Pink Male Pianta+++ Next to above

Thanks to the mayor,  
everyone was  
evacuated safely.

Now, the only one  
left is the mayor  
himself. How brave...

+++Orange Female Pianta in Orange Shirt+++ Base of giant tree closest to bridge

I hope the mayor's  
still OK...

+++Dark Pink Female Pianta Child+++ On small white mushroom near above tree

Mom!  
Where's the mayor?

+++Dark Pink Female Pianta in White Shirt+++ Next to above

Don't worry; I'm  
sure everything's  
going to be fine!

+++Shirtless Blue Male Pianta+++ Running near giant tree closest to bridge

Help! Help!  
What do we do?  
What can we do?

+++Pianta Granddaughter+++ At 'bottom right' corner of the village fence

Gramps says that he  
used to babysit the  
mayor. How wild!

He even changed the  
mayor's diaper...

+++Pianta Grandfather+++ Next to above

He's always had a  
strong sense of duty  
and leadership. Yep...

+++Shirtless Dark Blue Male Pianta+++ Near stream, looking at golden mushroom

The mayor's over  
there by that  
yellow mushroom.

+++Male Pianta with Mushroom Backpack+++ Near stream ~ once you wash him off

I just wonder who  
was behind all of  
this madness...

+++Dancing Pink Female Pianta+++ Near stream, on side farther from bridge

Mr. Mayor!  
Don't give up!

+++Dancing Orange Female Pianta+++ Near stream, on side farther from bridge

C'mon, Mr. Mayor!  
Just hang on!

+++Guitar Playing Male Pianta+++ Near stream, on side farther from bridge

This is all we can do  
at this point, so don't  
get all mad, OK?

+++Brown Male Pianta with Straw Hat+++ Next to pit near hot spring

This should lead you  
to the mayor. At  
least I THINK so...

You can move some  
gates with B.  
This may help, but...

if you try to cling  
for too long, the  
gate'll fall off!

You'll have to jump to  
safety at some point,  
so be careful!

+++Hot Spring Cleaner+++ Sweeping next to hot spring

Even places like this  
need to be cleaned so  
they're travel-safe.

+++Green Male Pianta Child+++ In the tall grass

I wonder if everyone  
knows I'm over here?

+++Village Mayor+++ On the golden mushroom ~ after you wash him off

I'm just happy that  
everyone's safe and  
sound.

-----EPISODE 4: CHAIN CHOMP'S BATH-----

+++Village Mayor+++ Village entrance

Hey, you!  
We've got another  
problem over here!

This thing's bigger  
than all those pups  
put together!

When it's chained up  
there's no problem,  
of course, but...

When that thing's  
loose, we're in a heap  
of trouble. Oh, yes!

That beast's owner  
always has burnt  
hands. It's pitiful...

+++Chain Chomp Owner+++ Next to Chain Chomp's starting position

I'm the one who  
should be steamed!  
Bad Chain Chomp!

Maybe I should head  
over to the hot spring  
to calm myself...

+++Yellow Female Pianta Child+++ Near a swing near the hot spring

Eeeeeeeeeeeek!  
Where should I hide?

+++Dark Yellow Female Pianta+++ Near hot spring, with an arrow pointing to it

The Pianta Hot Spring  
is beyond hot, let me  
tell you.

+++Brown Male Pianta with Straw Hat+++ Next to pit near hot spring

I've seen the mayor  
pop up out of there  
before...

+++Hot Spring Cleaner+++ Sweeping next to hot spring & Pianta nostril waterfall

Keep this between you  
and me, but the water  
for the hot spring...

It pours out of that  
big plant over there,  
right? And it looks...

Well, let's just say it  
looks bad, and it

gave us a bad rep.

It's just as pure as  
the spring water, and  
it's good for you...

Well, it goes to show  
you the importance of  
appearances, I guess.

+++Dancing Pink Female Pianta+++ Hot spring area

It's quite mysterious,  
but this hot spring  
will relax your soul.

+++Dancing Orange Female Pianta+++ Hot spring area

The point of a hot  
spring is to relieve  
your stress.

+++Guitar Playing Male Pianta+++ Hot spring area

C'mon in, sir. Were  
you expecting it to be  
a bit busier?

I take it you're the  
shy type, so you can  
keep your cap on.

+++Yellow Female Pianta+++ Near hot springs, next to fence (left side)

The Pianta Hot Spring  
is WAY too hot for  
me! Yowch!

+++Green Male Pianta Child+++ In tall grass

You'd best be careful,  
or you'll fall. And  
that would be bad.

+++Yellow Female Pianta in White Shirt+++ Next to fruit tree

I'm waiting to witness  
the exact instant that  
fruit grows.

+++Orange Female Pianta in Purple Shirt+++ Walking around near fruit tree

A Chain Chomp?  
I have no time for it.  
I'm too busy!

+++Mustached Pink Male Pianta+++ On mat on a raised platform near hot spring

As a youngster, I had  
many adventures on

the underside...

+++Male Pianta with Mushroom Backpack+++ Same as above, but not on the mat

Now it's the Chain  
Chomp? I can't take  
much more of this.

+++Red Female Pianta in White Shirt+++ Same as above, but across the bridge

It must be tough  
being mayor...

+++Shirtless Blue Male Pianta+++ On a raised platform near the empty spring

During the day, all the  
spring's water goes  
up to the hot spring.

+++Orange Female Pianta in Glasses+++ On first step leading to gold mushroom

Boy, is it hot!  
I wonder if  
everyone's OK...

+++Shirtless Dark Blue Male Pianta+++ On the mushroom closest to mayor's house

I loooooove the sun!

+++Pink Female Pianta Child+++ Running around near village entrance

Don't worry! That pup  
wouldn't hurt anyone!

+++Blue Male Pianta Child+++ Running around near village entrance

Great chomps of fire!  
If that big lug comes  
this way...

+++Shirtless Pink Male Pianta+++ Under a mushroom near the village entrance

It's cooler in the  
shade than you  
might think.

+++Pink Female Pianta in Glasses+++ Under another mushroom by village entrance

We refuse to have  
anything to do with  
Chain Chomps.

But boy, those things  
are intense, huh?

+++Shirtless Green Male Pianta+++ Next to above

What do you want?  
Stay out of my  
way, will ya?

+++Dark Pink Female Pianta in White Shirt+++ On a mushroom near village entry

You're safe as long  
as you're here.

+++Dark Pink Female Pianta Child+++ Next to above

My mom is scary!

+++Pianta Grandfather+++ Next to empty spring

I sure wish the sun  
would set so the  
spring can fill up.

+++Pink Female Pianta+++ Next to above, with arrow pointing to the hot spring

The Pianta Hot Spring  
is crrrrrrrazy hot!

-----EPISODE 5: SECRET OF THE VILLAGE UNDERSIDE-----

~VILLAGE~

+++Mustached Pink Male Pianta+++ Village entrance

Howdy there, son.

The entire village is  
getting ready for the  
annual Fluff Festival.

Even us old folks  
start getting excited  
about this. Heh heh.

Oh, and before I  
forget... I...am  
NOT the mayor.

If you're looking for  
him, he's probably by  
that yellow mushroom.

+++Red Female Pianta in White Shirt+++ Walking around village

Everybody's so darn  
festive. I say, bah!  
But what can you do?

+++Yellow Female Pianta Child+++ Running around village

I'm going to challenge  
that Il Piantissimo  
someday. Oh, yeah.

+++Hot Spring Cleaner+++ Sweeping next to hot spring

Puffy fluff fluff...  
Puffy puffy fluffy...

+++Yellow Female Pianta in White Shirt+++ Next to fruit tree

I wonder if Yoshi  
will show up?

+++Orange Female Pianta in Purple Shirt+++ Near fruit tree

This is between me  
and you, OK? You  
better not tell...

You know the mayor's  
wife? Well, she has a  
secret cash stash.

Oh, but don't go on  
top of the mayor's  
yellow mushroom...

And if you do, don't  
spray water toward  
the moon.

I don't want them to  
know I told anyone!

+++Brown Male Pianta with Straw Hat+++ On raised platform near hot spring

You see this giant  
tree right here?

It's been growing here  
since before anyone  
can remember.

+++Male Pianta with Mushroom Backpack+++ Same as above, near the small bridge

Green mushrooms  
fetch a good price,  
but they're rare...

+++Shirtless Blue Male Pianta+++ On a raised grassy platform near the spring

I'm not in the least  
bit merry. Nope, not  
at all. Not merry.

+++Orange Female Pianta in Glasses+++ At the base of the golden mushroom

Everyone's really  
excited, aren't they?

+++Village Mayor+++ Next to above

Mom, it feels like it's

Yep, that's what  
Gramps likes...

Howdy!  
I'm a chuckster!

You'd better be  
careful when speaking

you're going to wear  
yourself out.

+++Village Mayor+++ At the base of the golden mushroom

Oh, NO! There's more  
of that hot ooze!  
Was it you..?

No, it couldn't

-----EPISODE 8: FLUFF FESTIVAL COIN HUNT-----

+++Guitar Playing Male Pianta+++ At the party

+++Dancing Pink Female Pianta+++ At the party

Fluffy fluffy fluff...

+++Pink Female Pianta+++ At the party, on a mushroom

Fluffy fluffy fluff...

+++Yellow Female Pianta+++ At the party, on a mushroom

Fluffy fluffy fluff...

+++Dark Yellow Female Pianta+++ At the party, on a mushroom

I heard that there's  
another red coin  
beneath the village...

+++Blue Male Pianta Child+++ At the party

Yep, festival time is  
the best time ever!

+++Pianta Grandfather+++ At the party

If I were just 90  
years younger...

I'd climb up to the  
top of that colossal  
tree there...

+++Pink Female Pianta Child+++ At the party

I'm gonna take dance  
lessons from my  
friend's sister!

+++Pianta Granddaughter+++ At the party

Do you think it's OK  
for Gramps to get so  
worked up?

+++Brown Male Pianta with Straw Hat+++ At the party

You can't snag a  
piece of fluff without  
climbing way up high.

+++Yellow Female Pianta in White Shirt+++ At the party

I wonder if the fruit  
trees are OK?

+++Shirtless Green Male Pianta+++ At the party

Phew...getting a  
bit tired. Time to  
take a break.

Huh? Hey! You're in  
my way!

+++Pink Female Pianta in Glasses+++ At the party, next to above

What are you talking  
about? Keep dancing!

+++Shirtless Blue Male Pianta+++ At the party

At festival time, we  
really let loose!  
Believe you me!

+++Shirtless Dark Blue Male Pianta+++ At the party

Aren't you going  
to dance with us?

+++Green Male Pianta Child+++ At the party

When I get bigger,  
I'm definitely gonna  
make it...

I'm gonna climb all the  
way to the top of that  
giant tree! You'll see!

+++Yellow Female Pianta Child+++ At the party

Hey, Gramps?  
Have you ever caught  
a piece of fluff?

+++Chain Chomp Owner+++ At the party

Come along now!  
It's time for you  
to dance, too!

+++Dark Pink Female Pianta Child+++ At the party

This is so much fun,  
isn't it, Mom?

+++Dark Pink Female Pianta in White Shirt+++ At the party, next to above

This is really  
super-duper fun!

+++Shirtless Pink Male Pianta+++ Running around at the party

That swing won't  
move even if you push  
it. It's just too big.

Hey! That's quite a  
device you've got on  
your back!

+++Orange Female Pianta in Purple Shirt+++ At the party

You know the mayor's  
wife's super-secret  
cash stash?

You didn't happen to  
find it, did you?  
I sure hope not.

Actually, I think the  
mayor may be hiding  
something, too.

Climb to the highest  
part of the village  
and look at the sun...

Oh, no! NO!  
I can't say any more!  
I'll be in such trouble!

+++Hot Spring Cleaner+++ At the party

You remember me? I'm  
always cleaning the  
hot spring...

But today, I've given  
up cleaning to come  
and dance! Oh! Yeah!

+++Mustached Pink Male Pianta+++ At the party

Dancing like this  
makes me feel like  
a kid again.

+++Red Female Pianta in White Shirt+++ Walking around the party

I think I saw some  
red things here and  
there in the village...

+++Village Mayor+++ At the base of the golden mushroom

I think I'll grab some  
fluff and float away  
myself, Mom!

+++Orange Female Pianta in Glasses+++ Next to above

Hey, you! Careful!  
Even if you can grab  
a piece of fluff...

What are you going to  
do if you miss a cloud  
and fall? That'd sting!

+++Male Pianta with Mushroom Backpack+++ On second step of the central tree

There were no green  
mushrooms up there,  
either. Not a one.

All I saw was a  
red coin.

Peach: Mario, look!

Bowser: Jr, I've got something... difficult...to tell you about  
Princess Peach...

Bowser Jr.: I know she's not really my Mama...  
Someday...when I'm bigger...  
I wanna fight that Mario again!

Bowser: That's my boy! Well put, son!  
The royal Koopa line is as strong as ever!  
But for now...let's just rest awhile.

16. Closing

I found and typed all of the messages listed here so far, which is a little insane. If you find any messages that have errors or just aren't there at all e-mail me at pichu.plusle.minun@gmail.com and I'll confirm your find with over-dedication, figure out how to update a FAQ and then make the change and credit you and all that stuff that's supposed to occur.

Don't say you made this and it's all fine... but frankly, I didn't make most of this either, I just copied down stuff from a game with too much text.

And in closing, fluffy puffy fluff.
