Biography of Kevin Nash

~~~~~

Kevin Nash is 6' 11" and 325 pounds, and when he sets his mind to something, he usually accomplishes it.

As WWE Superstar Diesel, Nash set his sights on the WWE Championship. Not only did he win it, in November 1994, but he held it for a full year -- the longest title reign in the past decade.

Nash left WWE in 1996 for WCW. He joined the nWo with Scott Hall, and teamed with Hall to form the Outsiders. They wanted WCW's Tag Team Titles, and they got them. Later, he wanted the WCW Championship. Not only did he win it, but he did so at Starrcade -- WCW's flagship Pay-Per-View -- and defeated Goldberg, ending the former NFL player's much-glorified undefeated streak.

Following the departure of Scott Hall and Hulk Hogan from the nWo, Nash has stepped into the group's leadership role, making the New World Order stronger than ever.
