v1.0 - First Version!!

## Introduction

After writing up my Ric Flair FAQ, I looked for another WWE superstar in the game I could do a short guide for. Seeing that almost all the superstars were already taken, I noticed that one wasn't: the current WWE owner, Vince McMahon. Seeing that I had already done a guide for one (former, according to the current storylines) WWE owner, in Ric Flair, I decided to do one for the owner of SmackDown!. So here it is.
