1. Intro.

"Tornado" is approaching.....

With it's huge funnel upright.

In order to create a dreadful world.

The powerful Tornado "El Viento" has just started it's activities.

In 1928, New York, the sky scrapers are about to be overwhelmed by the force of an evil, dark world power.

The fanatic believers who worship the devilish lord from the outer world. "Hastur", are planning a ceremony summoning their Lord.

The founder of the religion, Henry, is plotting the destruction of mankind by summoning Hastur.

Restiana, a young woman who was given powers by Hastur.

Vincente DeMarco, kingpin of the Mafia group, pulls strings in a conspiracy with the religious group for summoning of Hastur.

An evil lord is descending on the Empire State Building,
a towering structure, the landmark of New York.

A young girl has come to smash
their terrible ambition.

Annet is destined to confront the religious group
despite her accursed blood relation with Hastur.

"Why do you stand in are way, Annet?"

"Aren't we of the same blood as Lord Hastur? You are supposed
to be on are side."

"Because you and I are humans beings."

Fierce battles have just began
in this evil-infested New York.

2. Script

Level 1: City

Vincente "Long time no see, Annet."

Annet: "Vincente DeMarco, it's you who are helping Hastur's followers. Admit
that you're doing it for money. Come off it or you will get into a mess of
trouble."

Vincente: "You are saying `for money'. It is true that is one of the reasons.
Besides, I still have a desire to summon Hastur which I failed to do three
years ago."

Annet: You must be crazy. Our world will come to a end if Hastur is
resurrected."

Vincente: "Whatever you may say, it will never change my mind. Go to Mt.
Rushmore and you will find something interesting."

Level 2: Mount. Rushmore

???: "You have done a good job. I was impressed, Annet."

Annet: Who are you? Why do you know my name?"

Restiana: "I am Restiana, a sorceress who descended from Lord Hastur, like you.

Annet: "....!?"

Restiana: "Just see how I can summon Lord Hastur. You will not stop me."

Annet: "Do you know what you are saying? You are bound to be offered as a
sacrifice to summon Lord Hastur."

Restiana: You are lying to me. I will be able to possess the unlimited power of
Hastur."

Annet: "You are being tricked!"

Restiana: "You can say whatever you want. But be ready for some trouble if you
try to stop me."

Annet: "Wait! Restiana."

Restiana: "So long for now, Annet."

Level 3

Restiana: "....."

???: "If we let things continue like this, she will block us from summoning
Lord Hasatur."

Restiana: "You are afraid of Annet, aren't you? If she tries to do something to
us, then I will deliver the final blow to that girl."

???: The final blow? I don't feel totally convinced by your words since you
have been beaten by her once."

Restiana: "What do you mean?"

???: All you need to do is to think of taking possession of Lord Hastur's

power. Don't think of anything else?"

Restiana: "You mean, you want me to be offered as a sacrifice?"

???: "Stop this nonsense! You are not going to be a sacrifice. You are to become Lord Hastur himself."

Level 4

Annet: "Vincente DeMarco, break off from Hastur's group immediately!"

Vincente: "You are tenacious, Annet. If you do not stop it, you will be in real trouble."

Annet: "I don't want to hear that. Do you really intend to resurrect Hastur?"

Vincente: "....."

Annet: "I can't believe that you want to do such a thing as the head boss man of the mafia. You don't seem to be capable of understanding how dangerous it is. For my sake. Please put a stop to this scheme! You are ??? ???"

Vincente: "..... O.K. I will do what you say if you can succeed in passing through the temples in the canyon."

Annet: "Canyon? You mean the Grand Canyon?"

Vincente: "That's right. Do it and I will keep my word."

Annet: "All right. I'm sure that I will pass through it."

Level 5: Grand Canyon

???: "Annet, you have survived!"

Annet: "Earnest!"

Earnest: "Vincente DeMarco told me, out of the blue that the creeps from Hastur's group were plotting something. So I came here right away."

Annet: "Yes, they are up to something. Well, the thing is....."

Earnest: "..... Is that so? Then I suggest that you go to see Zigfried in Detroit. He knows a lot about the group."

Annet: "Oh, I see. I appreciate your advice,"

Earnest: "You are welcome. I will settle the matter with Vincente DeMarco, so don't worry about it. Get going!"

Level 6: Detroit

Annet: "Are you Zigfried?"

Annet: "Annet, it is a big mess, isn't it?"

Annet: "I am sorry for bothering you, but I came to see you to ask you some important things."

Zigfried: "It is Hastur's group? I know that those creeps are plotting something again."

Annet: "A woman named Restiana is trying to summon Hastur."

Zigfried: "I know that quite well. The truth is that it is not Restiana, who is trying to summon Hastur, but a priest named Henry!"

Annet: "Henry?"

Zigfried: "Well, Henry is trying to trick Restiana into becoming a sacrifice by telling her that she will be given unlimited power."

Anne: "What a wicked scheme!!"

Zigfried: "Listen to me carefully, Annet. Now Henry is about to board a blimp heading for the Empire State Building, where the summoning is to be held.

Remember, the real enemy is not Restiana, But Henry!"

Annet: "Yes, I got it."

Zigfried: "Be alert your enemy is very strong."

Annet: "Certainly, I will. Thanks for your help, Zigfried."

Level 7: Blimp

Henry: "Ha, ha, ha!! You are stronger than I expected, Annet."

Annet: "Is that you, Henry?"

Henry: "I never expected you to manage making Vincente DeMarco break off from us. That was my gross error."

Annet: "Return Restiana to me."

Henry: "It's too late for you to try anything. Restiana's soul has already been

captured by Lord Hastur. The only thing left to do is hold the ceremony and sacrifice Restiana."

Annet: "You shall not succeed!!"

Henry: "If you insist on continuing your useless efforts, you may come to the Empire State Building, a shrine which we have built. Restiana will wait for you."

Level 8: Empire State Building

Annet triumphs! She feels unspeakable despair to see the grotesque skeleton of Restiana at her feet. This was the only way to break the spell. Hastur had cast on her and to protect mankind. The wreckage of the building is burning red with the rays of the setting sun shining from the Hudson River. The battle is over.

Zigfried: I will leave those two guys feeling satisfied for a while. The world will suffer depressions and will be taken over by war and chaos within a year..... I am not going to allow Hastur to destroy this beautiful plan which I have envisioned."
