* Prologue *
```

A note reads:

Axel,

I have learned from a new friend,
Dr. Zan, that the Syndicate is back
with a clever new plan to take
control of the city by replacing
top-ranking officials with identical
robots under the control of Mr. X.
Our old boss, the Chief of Police,
has disappeared and everybody in the
city is preoccupied with the recent
spate of bomb explosions.
I fear that the syndicate's evil
plan is already under way.
Adam is too busy to help, but his
brother Skate is joining Dr. Zan and
me to try and get behind the bombing
campaign and expose the real danger
to the city.
We need your help, Axel. Please Come.

Your Partner

Blaze

* Opening *

Skate: Phew! That was close.
Another few seconds
and ... BOOM!

Blaze: Yes. We're lucky we found
the bomb.
What's our next move, Axel?

Axel: Well, Zan was right about
the bomb
maybe he's right about
the robots too
but I'll have to see it
to believe it.
Let's try to get a lead
from the punks.

Zan: I'm sorry
you don't believe me, Axel,
but there's no time to waste.
Let's go.

* Cut Scene 1 *

Skate: I can't believe it.
No one told me a thing.

Zan: We're wasting time fighting
these punks.

Blaze: I think I have an idea where
to go now.

Zan: I hope you're right.

* Cut Scene 2 *

A note reads: Come and inspect the building
of our new mall.

Blaze: I knew this place was linked
with the syndicate.

TV Reporter: We interrupt this program for
an important announcement.
The Chief of Police has been
kidnapped.
The last person seen with him
was ex-cop Axel Stone.

Axel: What! I haven't seen him
for over six months.

TV Reporter: Coming at this time, the loss
of such a senior city figure
can only mean further mayhem
if more bombs explode.

Zan: I think this means trouble.
Let's get to the construction
site.

* Cut Scene 3 *

Axel: A robot that looked
just like me!

Skate: So, it seems you're right, Dr.
Zan.
Now tell us why you're
helping us.
That robot nearly killed us.
How do we know this isn't
a trap?

Zan: It may be a trap but I didn't
set it!

Blaze: Skate! How can you accuse Dr.
Zan?
Without his help we would know
nothing.
I trust Dr. Zan.
Please apologize to him.

Axel: Stop arguing
and look over here!
This concealed door has been
use recently.

* Cut Scene 4 *

Axel: This must be the syndicate's
hideout.
Do you recognize this place,
Zan?

Zan: No. I've never been here
before.

Axel: Let's press on and see what
we find.

* Cut Scene 5 *

Axel: Mr. X!

Mr. X: Welcome to my humble abode.
I've been expecting you
for some time.

Tell me, Axel, what kept you?

Axel: Enough of your games!
What's going on?

Mr. X: I am replacing the current
city administration
with some more dependable
subjects
starting with the Chief of
Police.

Axel: What have you done with him?

Mr. X: Relax. He is in a safe place
awaiting your rescue attempt.
Why don't you come and
join me?

* Cut Scene 6 *

Mr. X: I see you continue to destroy
what I create.
It is obvious you will not
join the syndicate
so I have no further use for
the Chief of Police.
You will not defeat my other
robots so easily,
Dr. Zan knows this model was
an early prototype.

Axel: He's right, Axel. We must
rescue the Chief of Police
before the robot version
appears in public.

* Cut Scene 7 *

If the Chief of Police is saved...

Zan: Thank goodness you're alive.

Chief: I feel weak but I am unharmed.

Blaze: Chief, it's really good to see
you again.

Chief: Blaze, I'm glad you're still
in shape.
I have no idea why I was
kidnapped.
Does it have anything to do
with the bombings?

Zan: There's no time to explain,
Sir.
You must get back to

City Hall, immediately.

Chief: You're right. I have a press
conference in an hour.

If the Chief of Police isn't saved...

Blaze: Oh no. We're too late.
He's dead.

Zan: No. He's still breathing,
faintly.

Chief: Not going to make it.

Zan: We can get you to a hospital.

Chief: No. Must listen.
Great danger.
Press conference.
City Hall.
Speech.

Zan: I can barely hear you.
What about your speech?
Robot.
Impostor.

Zan: We've got to get to City Hall
and expose the impostor.

* Cut Scene 8 *

If the Chief of Police was saved during
Stage 6...

Adam: Well, well, well. If it isn't
the old gang in trouble again.

Blaze: Adam!

Adam: I got your message, Blaze.
Somehow I thought I might
find you here.

Axel: Adam, you must get the Chief
to City Hall.

Adam: Why? What's all the hurry?
He's safe now and should get
some rest first.

Axel: Mr. X has created a robot
effigy of the Chief
that will speak to the public
at the press conference.

Adam: I see. We must get the real

Chief there before the robot
so he can explain the danger
and clear your name.

If the Chief of Police wasn't saved during
Stage 6...

Adam: Well, well, well. If it isn't
the old gang in trouble again.

Blaze: Adam!

Adam: I got your message, Blaze.
Somehow I thought I might
find you here.

Axel: Adam, you must take us to
City Hall.

Adam: Why?
Where's the Chief of Police?

Axel: He was kidnapped by Mr. X.
Now he's dead.
A robot duplicate of the Chief
is due to speak at City Hall.

Adam: Oh no.
He could say anything.
The city would be at the mercy
of Mr. X.

* Cut Scene 9 *

If the Chief of Police was saved during
Stage 6...

Mr. X: Dr. Dahm was the key to my
plan.
Now you've destroyed my robot
factory,
the city will pay for your
meddling, big time.

Axel: Mr. X! Don't you ever give up?
You're helpless. Surrender.

Mr. X: That's where you're wrong,
handsome one.
My loyal followers in the
syndicate
have planted bombs throughout
the city
primed to detonate within the
hour.
Even you will not be able to
stop mass destruction.

Zan: Face it Mr. X. Dr. Dahm is no longer with you.
Do you expect to run the city from a glass phial?

Mr. X: Yes, Traitor.
Let me show you how.

If the Chief of Police wasn't saved during Stage 6...

Fake Chief: and... to sum up, ladies and gentlemen
I would like to detail my plans for the enforcement of law and order in the city.

Axel: Stop! The speaker is not the Chief of Police.
He is an impostor.
A clever imitation.

Fake Chief: What is this intrusion?
What are you trying to say?

Axel: I have a tape showing the real Chief of Police. Dead!

Shiva: Okay. So you've exposed me.
Now prepare for law enforcement. Syndicate style!

* Endings *

If the Chief of Police was saved during Stage 6 and Robot Y is defeated before the timer runs out...

Mr. X: I'm dying. Please help me.

Skate: Are you kidding?

Mr. X: Well if I die, you die.
Good-bye.

Axel: This guy never gives up.
Let's get out of here.

Skate: The place is going to blow up.

Zan: He has activated the self-destruct sequence.
We must hurry or we will die.

Blaze: I can't find a way out - all the doors are locked.
Axel. Skate. Zan.
What are we going to do?

Skate: Gulp. I think we've had it.

Adam: Hey little brother. You don't think I'd let you die, do you?

Skate: Adam. Are we glad to see you. Get us out of here, fast.

The syndicate's headquarters and robot factory were destroyed in the explosion.

Using Adam's police helicopter, the team managed to locate and defuse all the bombs planted by Mr. X.

Dr. Dahm informed the police of all the city officials who had been kidnapped whereupon their robot duplicates were destroyed and the real officials returned to their posts.

Dr. Zan was pardoned by the city for his role in the overthrow of the syndicate.

The team spent some time together in the city and then went their separate ways.

If the Chief of Police was saved during Stage 6 and Robot Y is defeated after the timer runs out...

Skate: We didn't manage to defeat him in time.

Axel: It's possible that Adam found and defused the bombs.

Skate: But he didn't know where they were, Axel.

Mr. X: You may have defeated me, but I won't die alone! Sadly, you will not witness the result of my efforts.

Zan: He has activated the self-destruct sequence.

Skate: We've got to get out of here. Now.

Axel: We can't let Mr. X beat us now. Look for a way out everybody.

Blaze: I can't find a way out - all the doors are locked.

Axel. Skate. Zan.
What are we going to do?

Skate: Gulp. I think we've had it.

Adam: Hey little brother. You don't think I'd let you die, do you?

Skate: Adam. Are we glad to see you. Get us out of here, fast.

The syndicate's headquarters and robot factory were destroyed in the explosion and the team managed to escape in Adam's helicopter. But Mr. X succeeded in leaving his mark on the city.

The destructive force of the bomb explosions killed many people and wrecked many buildings.

It will take a very long time to repair the damage caused to the fabric of the city and the confidence of those citizens who trusted the forces of good to look after them.

If the Chief of Police wasn't saved during Stage 6...

Zan: You've been defeated,
you worm.
Now, tell us where to find
the real Mr. X!

Shiva: I will never tell you.

Zan: Mr. X! Listen to me, wherever
you are.
I will not allow your sick and
evil mind to rule the city.
I will find you and I will
destroy you.

THE END ?
