I. Introduction ********************************************************
*************************************************************************
In this FAQ I have typed up the dialogue and story related text that appears
in The Punisher for the Sega Genesis.

*************************************************************************
II. Version History ***************************************************
*************************************************************************
1.0 - November 14, 2005

*************************************************************************
III. Script ***********************************************************
*************************************************************************
*********************************************
*                  Prologue                 *
*********************************************
New York, a jungle of steel and
concrete. Where predators of all
kinds mercilessly prey on all.
Anytime, anywhere.

In Central Park,
U.S. Marine captain Frank castle
enjoys a picnic with his family.

On that day, the Castle family
accidentally discovered a brutal
mob killing. Fearing any witnesses,
the killers gunned down the hapless
family.

On that day Frank Castle's family
died.

On that day Frank Castle died.

On that day I was born.
To avenge them, and others like them.
I am the Punisher!
If you're guilty, you're dead.
```

```
*********************************************
*                 Stage 1                   *
*********************************************
               Back to the War

Bruno: What's going on back here?
       The Punisher!

The Punisher: You can run but you can't hide!

************

The Punisher: You're finished now Bruno!

Bruno: Scully, get him!

************

The Punisher: Tell me where your boss is!

Scully: Please, don't kill me.
        He's at Castle Pantaberde, Florida.

The Punisher: Thanks and good bye!

*********************************************
*                 Stage 2                   *
*********************************************
            Raid on Pantaberde

The Punisher: The only way to get into that castle,
              would be via the drain pipe of the
              swimming pool.
              Bruno won't escape me this time.

************

The Punisher: I don't die so easily.
              Time for justice!
              What the.. Bruno!

Guardroid: I have been programmed by the Kingpin
           to terminate you!

************

The Punisher: Kingpin!
              I knew he was behind all of this!

*********************************************
*                 Stage 3                   *
*********************************************
            Waterfront Warfare

The Punisher: There's a major drug deal going
              down at the harbor tonight.
              It's a chance for me to blow them
              out of the water.
```

```
************

Bone Breaker: Die in your own blood, baby!

**********************************************
*                 Stage 4                    *
**********************************************
                Death on Rails

The Punisher: They've got a huge poppy field
               and a mobile factory, all
               in one underground cave in Arizona.
               Let's throw a little wrench
               in the Kingpin's plans!

************

Bushwacker: Welcome Punisher,
            all aboard the Death Express!

**********************************************
*                 Stage 5                    *
**********************************************
                Kingpin's Wrath

The Kingpin: The Punisher has caused me enough
             damage!
             Find where he's hiding and bring me
             his head!

************

The Punisher: Someone's here already!

Some Guy: I finally found you, Punisher!
          Now I'll have your head!

************

Guardroid: Target Confirmed.
           Terminate immediately!

************

The Punisher: Kingpin!
              Your luck's finally run out.

**********************************************
*                Last Stage                  *
**********************************************
                Final Punishment

The Punisher: I know he's hiding somewhere
              in this hotel!

************

The Kingpin: Your ridiculous little vendetta ends
             now Punisher!
```

```
The Punisher: It's all over Kingpin, you're through!
