on his clothes is native
to South Central
America....."

"South Central America!?"

"Well, there's been some
news of trouble coming
out of this town called
Ricardo. Might be worth
checking out."

you. You've had a very
long journey."

"Yeah, I almost missed my
date with you."

"Yes, well....."

"How about we get
straight to business?
What's this about?"

"It's about survival. I
am merely a provider of
what is required for
existence....."

" 'Provider'?! You're
nothing but scum in a
business suit."

"Come now, there really
is no need for such
hostility. We are a
legitimate service
which...."

"...Lies, cheats, steals,
and assassinates. Real
Legitimate!"

"I had better hopes for
you, Mr. Hart. Things
did not go quite as we
had planned."

"....."

"So, is this it,
Mr. Hart?"

You disappoint me. I've waited so long for your return."

"How do you know my name? What do you mean 'return'?"

"What say we call it 'fate'?"

"You've got a lot of nerve, mister. Fate? I don't think so."

"How can you deny what you've already seen? Do you recall the capsule? Amazing resemblance, wouldn't you say? "

"!?"

"Is it beginning to make more sense now?"

"Your face....like mine.... and that thing....are all the same!"

"Very good. You and I are merely dolls created to maintain this organization. To keep it prosperous....Forever.... After me, you will take over. After you, the one in the capsule will inherit this organization! This is out 'fate', out destiny!"

"Yours maybe, but that doesn't mean I'm part of this package!!"

"I see,..... You leave me with very little choice, in that case...."

"Enough! You're acting above the law - I'm gonna take you down!"

"Don't defy me, Hart! You are one of us! This disobedience will not be tolerated!"

"Let's do it!"

Cut Scene 13

"Your skills are
impressive! What a
shame you won't be
needing them any longer.
I tire of this game -
you... must die!"

"Come and get some!"

Cut Scene 14 (Ending)

"Nothing has changed, this
is bigger than you or me.
You cannot end it, you
cannot destroy it!"

"Every dog has its day..."

"Just remember Mr. Hart,
in you flows the same
blood as mine...."

"....."

Cut Scene 15 (After credits)

"Hmph, hmph, hmph....."
