I. Stephanie's Bio

For the first few months, we were getting to know her, Stephanie McMahon(tm) seemed like a sweetheart. A chipper young woman with rosy cheeks and a charming smile, you couldn't help feel sorry for her as the "Greater Power" constantly threatened her well being.

Nevertheless, it didn't take long for all of us to get to meet the real Stephanie McMahon(tm). She appeared the minute she married Triple H(tm) and became Stephanie(tm) McMahon-Helmsley(tm). Dressed in revealing clothes and plenty of make-up, Stephanie became a manipulating, cold-hearted bitch! Along with her husband, Stephanie was in command. She didn't care who she hurt or who she had to side step on to get what she wanted. Stephanie(tm) slapped her mother, disobeyed her father, and disrespected her brother.

As a sign of her power, Stephanie(tm) stole the World Wrestling Federation(r) Women's Championship from Jacqueline(tm) and held on to it for months without defending the title. Although Stephanie(tm) and Triple H(tm) have had a fairly successful marriage thus far, there's no denying they've had some rocky times-thanks mostly to Stephanie's(tm) admiration of Kurt Angle(tm). Will Stephanie's(tm) infatuation with the former Olympic Hero threaten her marriage for good?
