BIOGRAPHY (Source: [www.wwf.com](http://www.wwf.com))

Since her arrival in the World Wrestling Federation, fans have seen many sides of this beautiful diva. Originally a fan who would travel from arena to arena to see her favorite Superstars, Tori has since made a successful transition to the competitive roster.

Tori can now be found at the side of X-Pac and his fellow DX members. Unfortunately for Kane, her relationship came at his expense, as she turned her back on the Big Red Machine, opting for a relationship with the degenerate.

(This is a little out of date, as Tori has apparently broken up with X-Pac)

PROFILE:

Name:	TORI
Short Name:	TORI
Alias:	None
Picture:	TORI
Height:	???
Weight:	???
Music:	X-PAC
Titantron:	X-PAC

Feet: Heeled Boots, Color: Default

Style 4:

Ring Attire: Lita Pants 1, Color: Black  
Upper Body: Tori Top, Color: Black  
Feet: Heeled Boots, Color: Default

MOVES:

Key: First Letter (P): Power of move, in ascending order: G,F,E,D,C,B,A,S  
Second Letter (K): K means the move can TKO the opponent.  
Third Letter (F): P indicates a pin, S indicates a submission hold.  
L/R means left or right on the control pad, not the L or R shoulder buttons  
CS, in the "press" spot, means control stick.  
(v) means C-Down.  
Special moves are written in capital letters (BIG SWING).  
Tori cannot make her opponents bleed without a weapon.

Flying: 2	Flying: 1

ALLY/ENEMY:

Rival 1: BUH BUH RAY DUDLEY

Rival 2: KANE

Rival 3: Random

Accompanied by: None

COMMENTS:

The Big Swing is really a horrible move; it takes a long time to pull of and damages you in the process. On the other hand, Tori's Back Special, Cobra Clutch Suplex, is power level S, and can be used up to three times during one special period.

ASK ME:

If you have questions about Tori (once again, in the game, not in real life) feel free to e-mail me at [flintedge@hotmail.com](mailto:flintedge@hotmail.com).
