Name: Mankind
Aliases: Mick Foley, Dude Love, Cactus Jack, The Commish
Weight: 297 lbs.
Height: 6'2"
From: Long Island, New York
Finisher: Madible Claw
Career Highlights: WWF Champion (3 times), WWF Tag Team Champion (8 times)

Mankind can be described as the most brutal wrestler ever in the WWF. Although when he first arrived to the WWF he was looked upon as a being

with a tortured soul, he is now one of the most respected and admired persons in the WWF. He would do anything to get everyone's attention. If it was falling off a 25 ft. cage onto a table, or talking with his puppet sidekick, Mr. Socko. Mick Foley came into the light when he started to let his personality surface into Mankind, and gaining the love of millions around the world. With the fans by his side, he was able to attain the WWF Championship title.

Thanx To

I just really had to thank THQ and the WWF. This game kicks ass.
Literally! Later.
