Introduction

Hey everybody. While playing No Mercy's Survival Mode, Shawn Michaels came out, and after about a minute, I eliminated him by pinfall. When I has finally eliminated, I saw HBK as a selectable character in the game. Knowing about the dreaded deletion bug that some people had, and not being too sure if I was one of them, I went and put the move list down in my full FAQ, as well as all the fighting styles, allies & enemies, etc. Since no one had submitted a FAQ for Michaels, I decided to be the first. So here it is.
