I. Intro

Hey, It's me Gruel. I'm here this time to deliver the movelist for Marc Henry. Hope you enjoy the list and find it very useful.

II. Mini-Marc Henry Bio & Tidbits

Real Name: Marc Henry
Former identities, names, nicknames: Marc Henry(WWF, 1996-Current)
"Sexual Chocolate" Marc Henry(WWF, 1998-Current)
Major Titles Held: WWF European Title
Former Ring Escorts: When he teamed with the Godfather in 1999 he had some ho's escort him to the ring, Ivory(WWF, 1999)

Debuted in the WWF in 1996. In his first match he defeated Jerry "The King" Lawler at the September 1996 PPV: In Your House: Mind Games. His next match was suppose to be a 8-man elimination match at the Survivor Series, but he got injured, and was on the disabled list for a year. He came back in December 1997, by winning a squash over the Brooklyn Brawler on RAW. He had his old patriotic gimmick when he returned, but in January 1998 he teamed with Ken Shamrock to take on NoD members Rocky Maivia and Faarooq. Shamrock was about to win when he had the Ankle Lock on Maivia, but Henry attacked Shamrock and joined the Nation along with Faarooq, Rocky, D-Lo, and The Godfather. Later on Faarooq left and Owen Hart joined. Owen later "retired" from wrestling and left the Nation, and D-Lo and Henry kicked out Maivia and Godfather in September 1998.

Marc Henry scored one of his biggest wins when he defeated Rock at the October 1998 PPV: In Your House: Judgement Day, after some help from D-Lo Brown. Henry and D-Lo started to go into the tag team scene, they lost in a triple threat tag title match against the Headbangers, and champs, The New Age Outlaws at the Survivor Series the next month. By this time Marc Henry was starting to flirt around with other WWF Women Superstars like Chyna, and he gave himself the nickname, "Sexual Chocolate." D-Lo introduced Henry to there new manager, Ivory in early '99. But she didn't seem to help them win the tag belts. They lost to in a title match against champs, Owen Hart & Jeff Jarrett at the February 1999 PPV: In Your House, St. Valentine's Day Massacre and they lost in another tag title match to Champs, X-Pac and Kane at the May 1999 PPV: Over the Edge. D-Lo's career started to rise, he was the European and IC champion, and defended both belts against Jeff Jarrett at Summerslam where Henry turned on D-Lo, and costed him the match and his belts, the next day on RAW, Jarrett kept the IC strap, but gave Henry the European belt for helping him win. At the next PPV, Unforgiven, in September, Henry lost the European belt to D-Lo. A couple of weeks later Henry tried getting back together D-Lo, but D-Lo stayed away.

Henry has been recently teaming with the Godfather, where they were part of an 8-team Battle Royal at the December PPV, Armageddon. Maybe Henry will finally win some tag team gold with his new partner, and maybe his singles career will flourish as well.
