I. Chyna's Bio

A former member of DX and the back-up muscle for Team Corporate, Chyna is a female combatant who can match size and strength with many male counterparts in the World Wrestling Federation. A former fitness competitor and fully licenced boxer, the superstar is experienced in several forms of hand-to-hand combat.

Entering the Federation in 1997, Chyna was the bodyguard for Triple H-and later became the cohesive force behind D-Generation X. However, her appetite for the spotlight would eventually overshadow her loyalty to the controversial faction.

Following a generous offer from Mr. McMahon, the Ninth Wonder of the World turned her back on DX...mowing down Triple H in the process! As a member of Team Corporate, Chyna is hell-bent on not only annihilating anyone who gets in her way, but dismantling the faction she once helped to flourish as well.
