Zelda 64 Text Dump

American Version

Dumped by David Butler (davogones@hotmail.com)
for The Legends of Zelda (<http://loz.zeldalegends.net/>)
Last Revision: 2/8/02

What is a text dump?

A text dump contains all the text in a video game, ripped straight from the ROM. I use a script to convert the ROM code into formatted, readable text, in either TXT or HTML format. Why is this useful? It is often useful, when theorizing about Zelda, to have exact quotes handy. These text dumps put all the text in the Zelda games at one's fingertips.

A word of warning though: internally, the ROMs arrange the quotes in essentially random order. There is a little bit of structure: for example, though one person's dialogue may be split up into separate quotes, these quotes will generally be all together, in order. But if you wish to find a specific quote from the game, you will have to already know a few words from the quote so that you can search through the entire text dump. Any decent text editor should have a Search function, and you'll need to use it to find anything specific in the text dumps.

Where can I get the latest version of your text dumps?

If you downloaded this file off of a site like GameFAQs.com, you might have an out-of-date version. This is because I only submitted the text dumps to FAQ sites once, just so people would know that these text dumps exist. Updated versions can be obtained at my web site (The Legends of Zelda - <http://loz.zeldalegends.net>) in the Emulation section. Compare the revision date at the top of this document with the one in the files on my site to see if you have the latest version.

How do you make text dumps?

I include the following information for those who are curious. If you don't understand any of it, just skip ahead.

The first step in making a text dump is to have a copy of the ROM. Then, if you have a quote from the game, you can search for the text. Newer games (like OoT, MM, and LA) use standard ASCII values for raw text, so it is possible to find the text using any common text editor. Older games (like LoZ, AoL, and ALttP), unfortunately, don't use ASCII standards, so it's necessary to do a relative search using a hex editor like Thingy. Then you can make a translation table that will allow Thingy to translate ROM text into standard ASCII text. (There are many freeware utilities available that will help you do relative searches and make translation tables.)

To make things even more difficult, some games compress, or encrypt, the text. For example, in Oracle of Seasons the hex value "02 0E" translates to "Twinrova." ALttP uses compression and doesn't use standard ASCII values, so this is the most difficult game to dump. OoS and OoA use ASCII standards but have text compression. Fortunately, I already have TBL files for both of these games, so dumping is not as difficult as it could have been. ^_^

After you have found the text (and you're sure you've found ALL the text), copy and paste all the text you can find into a new file. This is what the DMP files on my site are: all the text I could find, copied and pasted straight out of the ROM. Once this is done, I wrote a PHP script to parse the DMP file and translate everything into a readable format (TXT or HTML). Making a program is the easiest thing to do in the long run (though something more powerful than PHP is usually preferable), because it takes a while to find out what all the codes in the ROM translate to. Using the standard Find/Replace function of a text editor is too much work if what you're searching for constantly changes.

I'm so happy everyone is
back to normal!

Please save my other brothers
too! I'm sure they will give you
something a lot better!
Will you do it?!

The curse has been broken!
Thank you!
Here's a reward for you!

Yeaaarrgh! I'm cursed!!

We'll be careful not to get
cursed again!

Since you've destroyed
Spiders of the Curse, the curse
is starting to weaken!

Did the kids who returned to
normal give you any rewards?
You should know that the only
way to become very rich is to
destroy as many Spiders of the
Curse as possible!

There are some tricks to finding
them all! First of all, you'll have
to hunt at night. Secondly, keep in
mind that they love soft soil...

Pay close attention to your
surroundings!

Please, we're counting on you!

We look like this because of
the spider's curse. But...

We all look like this because of
the spider's curse.

If every Spider of the Curse in
the entire world were destroyed,
the curse would be broken.

When you destroy a Spider of the
Curse, a token will appear. Collect
it as proof of your achievement.

The number next to this icon on
the Quest Status Subscreen
indicates how many Spiders of the
Curse you have destroyed so far.
When this icon is displayed
next to the name of the area on
the Map Subscreen, there are no
more Spiders in that area.

If you break the curse on my
family, we will make you very
rich...

Since you've destroyed Spiders
of the Curse, the curse on me
has been broken.

Thank you! Here is a token of my
appreciation! Please take it.

Thank you for saving my kids.

What? Me? Oh, that's OK...

You have already destroyed
Spiders of the Curse so far, so...
that's fine...don't worry about me...

Look for them not only out in the
open, but also inside the dungeons.
Of course, this is just our dream...
You don't have to do it if you
don't want to...

What's that?

Look, look, Link!
You can see down below this web
using (^)!

Look at this wall! The vines
growing on it give it a rough
surface... Maybe you can climb
it, Link!

You can open a door by standing
in front of it and pressing (A).
Pay attention to what the
Action Icon says.
That's the blue icon at the top of
the screen!

Look! Something is hanging up
there! It looks like an old ladder!

Hey...

Isn't that the same design that's
on the Door of Time?

It looks like that torch was
burning not too long ago...

From here on, we'll be going
through some narrow passages!
If you take it slow, maybe you
can sneak up on some enemies.
Use (Z) Targeting to always look
in the proper direction. Set your
view so you can see down the next
corridor before you turn a corner.
Once your view is set, hold down
(Z) to sidestep around the corner.
That way you won't be surprised
by an enemy waiting in ambush.

Stand next to this block and grab
hold of it with (A). While holding
(A), you can push or pull it.

If you stand next to the block and press (A) while pressing (+) towards the block, you can climb on top of it.

Pay attention to what the Action Icon says!

0109

010a

010b

After you get into the water, if you hold down (A), you can dive! I bet there are some interesting things underwater!

0113

Wow! Look at all those

Bomb Flowers!

Is there any way you can set them all off at once?

It looks like there are many lava pits around here, so watch your step!

With that switch on, the moving platform goes higher. Now you can quickly reach the second floor!

0117

0118

You never know what will be around the corner in these narrow paths....

Use (Z) Targeting to always look in the proper direction. This is a useful technique, isn't it?

011a

011b

011c

011d

011e

Link, what are you
looking at?

0120

0121

0122

0123

The Desert Colossus's face...it
sure looks evil!

0125

I can hear the spirits whispering
in this room...
"Look for the eye of truth..."
That's what they are saying!

0127

Here...I can hear the spirits
whispering in this room...
"Those who have sacred feet
should let the wind guide them.
Then, they will be led to the
hidden path."
That's what they are saying!

This wall...it says something here...
"Danger above..."
That's what it says.

This wall...it says something here...
"Danger below..."
That's what it says.

The water flowing out of this
statue is flooding the entire floor.

It doesn't look like you can press
it down with your weight alone,
Link...

0134

0135

0136

The red slimy thing is gone!
That must be because you cut the
red tail! Will that work with
the other ones too?

0138

There's a switch beyond this
wall!

It looks like there is something
up there on top of the platform!

013b

013c

WHAAAT!?
Look at all those flags!
Can you figure out which ones are
real?

013e

013f

The Great Deku Tree has
summoned you!
Please come with me!

C'mon! Be brave!
Let's go into the
Great Deku Tree!

The Great Deku Tree wanted us
to go to visit the princess at
Hyrule Castle.... Shouldn't we
get going?

The girl from the ranch asked us
to find her father...I wonder where

he is?

I wonder where we'll find the princess in this big old castle?

What would Saria say if we told her we're going to save Hyrule?

Impa said that the Spiritual Stone of Fire is somewhere on Death Mountain.

Let's go inside the Dodongo's Cavern using a Bomb Flower!

Darunia said that a fairy lives on top of Death Mountain, didn't he?

I wonder if Saria knows anything about the other Spiritual Stone?

It seems Princess Ruto somehow got inside Jabu-Jabu's belly...

You collected three Spiritual Stones! Let's go back to Hyrule Castle!

Those people on the white horse... they were Zelda and Impa, weren't they? It looked like they threw something into the moat!

Let's go check inside the Temple of Time.

Should we believe what Sheik said and go to Kakariko Village?

014f

I wonder what's going on in the forest right now... I'm worried about Saria, too!

That cloud over Death Mountain... there is something strange about it...

An arctic wind is blowing from Zora's River...do you feel it?

Those Iron Boots look like they weigh a ton! If you wear those boots, you may be able to walk at the bottom of a lake.

Let's look for someone who might know something about the other

Sages!

That monster! It came out of the well in the village! Let's go check out the well!

I wonder who built the Spirit Temple, and for what purpose?

Have you ever played the Nocturne of Shadow that Sheik taught you?

The desert...that is where Ganondorf the Evil King was born. If we go there, we might find something...

0159

Equip the Silver Gauntlets and try to move things you couldn't budge before!

The one who is waiting for us at the Temple of Time...it could be...

We have to save Princess Zelda from her imprisonment in Ganon's Castle!

015D

015E

Link...
Try to keep moving!!

I don't mind talking to you using the Ocarina's magic, but I'd really like to talk to you face-to-face!

The forest is connected to many places! If you can hear my song, you must be somewhere that is connected to the forest!

I was so happy to hear that Mr. Darunia loved my song so much!
I was even happier to find out that it helped you on your quest, Link!
Tee hee hee!

Are you collecting Spiritual Stones? You have one more to find? You mean the Spiritual Stone of Water, don't you?

The Great Deku Tree once told me that King Zora, ruler of Zora's Domain, has it...

Are you collecting Spiritual Stones? You have one more to find? You mean the Spiritual Stone of Fire, don't you?
The Great Deku Tree once told me that Mr. Darunia of the Gorons has it...

Link...
I don't know what it is...
I have this feeling of dread...
The Castle...
Yes, something bad is happening at the Castle!

What? Your ocarina sounds... different somehow...
Have you been practicing a lot, Link?

Are you looking for a temple?
A mysterious bird once told me...
"Eyes that can see through darkness will open in a storm."
Do you have any idea what he meant by this?

Where are you, Link?
Are you looking for a temple?
I once heard a mysterious bird say...
"Go, young man. Go to the Desert Goddess with an ocarina."
Do you have any idea what he may have meant by this?

Did you find all the temples yet?

Great! You're safe!
I knew I would hear from you again!
I'm in the Forest Temple!
The forest spirits were calling for help, so I went to check it out...
But it's full of evil monsters!
Help me, Link!

Link...
At first, I didn't want to become the Sage of the Forest....
But I'm glad now.
Because I am helping you to save Hyrule, Link!
Yes, I am!

If all six Sages come together,
we can imprison Ganondorf, the
King of Evil, in the Sacred Realm.
But, in order to make a perfect
seal, we need the seventh
Sage.
Someone you know must be that
Sage, Link...
From now on, you must travel
between past and future to
awaken the remaining Sages!
Keep up the good work,
Link!

We, the Six Sages, are channeling
our power to you!
The destiny of Hyrule depends
upon you!

016e

016f

I can hear a voice from
somewhere...
It's saying:
"Collect five silver Rupees..."

This wall...it's saying something!
It says:
If you want to see a ferry to the
other world, come here...

0182

If you want to ride that boat, be
careful! It looks very old... Who
knows when it might sink?

There is a door over here... Is
there any way to get across?

0185

That red ice...it's so weird!

0187

0188

This blue fire...it doesn't seem
natural. Maybe you can use it for
something?

018a

018b

The fires on the torches are gone.
Seems like the ghosts took them

away!

Look, Link! A torch
is lit! That's because
you beat a ghost, isn't it?!

018e

There are arrows painted on the
floor!

This corridor is all twisted!

Watch for the shadows of
monsters that hang from the
ceiling.

There's a treasure chest here.

0193

This...this is the same torch we
saw at the entrance to the temple,
isn't it?

This torch is lit...that means...

0196

This switch is frozen!

Link, watch out!
The ceiling is falling down!

Isn't that the room where we saw
Darunia?

01a6

This statue...haven't we seen it
somewhere before?

You finally woke up!
I'm Navi the fairy!
The Great Deku Tree asked
me to be your partner from
now on! Nice to meet you!

Yahoo! Hi, Link!

Wow! A fairy!!
Finally, a fairy came to you,
Link!

I'll wait for you here.
Get going! Go see the Great
Deku Tree!

(A) by the stone, pick it up!
(A) by the stone, pick it up!
Mean old Mido...he made me pick
up the rocks in front of his house.

Oh, you have a fairy now?!
That's great, Link!
What?
You've been called by the
Great Deku Tree? What an honor!
He may give you a special gift!
Tee hee!
That's because the Great Deku
Tree is our father, the forest
guardian, and he gave life to all
of us Kokiri!

I wonder if the Great Deku Tree
gave life to everything in the
forest, I mean in addition to us
Kokiri?

Hey, let's work on some moves!
To jump sideways while (Z)
Targeting, press (A) as you move
right or left.
To do a backflip while (Z)
Targeting, press (A) as you move
backwards.
To do a roll attack while (Z)
Targeting, press (A) as you move
forward. While you roll, you can

avoid damage.

If you have your sword ready while (Z) Targeting, you can do a jump attack by pressing (A)! A jump attack does double damage! You can use (Z) Targeting on the stone next to me, so let's practice!

You're not allowed to leave the forest!

The Great Deku Tree said that if a Kokiri leaves the woods, he or she will die!

That meanie, Mido, made me cut the grass at Saria's house. Mido told Saria he would do it so she would like him, but I'm the one doing all the work!

You and Saria are close friends, so will you help me cut the grass? I'll let you keep anything that you find while cutting it.

Yes, yes! That's how you use a fairy! It's so great that you finally have a fairy partner! I'll teach you how to talk to people using your fairy!

When a fairy flies near a person or thing, press (Z) to look in that direction. If you use (Z) Targeting, you can talk to people from a distance, like we're doing now. When you have nothing that you can target, you can press (Z) just to look forward. Try it!

Oh, a fairy finally came to you! Now you have a lot to learn!

Wow! That's great news! I'm so happy for you! Now you're a true Kokiri, Link!

Is that right? The Great Deku Tree has summoned you? It's quite an honor to talk to the Great Deku Tree!

Oh, you're leaving...

But that's OK, because we'll be
friends forever...
won't we?

I want you to have this Ocarina...
Please take good care of it.

When you play my Ocarina, I hope
you will think of me and come
back to the forest to visit.

Oh... Navi...

Thou hast returned...

Link...

Welcome...

Listen carefully to what I, the
Deku Tree, am about to tell thee...

Thy slumber these past moons
must have been restless, and
full of nightmares...

As the servants of evil gain
strength, a vile climate pervades
the land and causes nightmares
to those sensitive to it...

Verily, thou hast felt it...

Link...

The time has come to test thy
courage...

I have been cursed...

I need you to break the curse
with your wisdom and courage.
Dost thou have courage enough
to undertake this task?

Yes

No

Then enter, brave
Link, and thou too,
Navi...

Navi the fairy...

Thou must aid Link...

And Link...When Navi
speaks, use (^) to listen well
to her words of wisdom...

Perhaps you do not yet have
confidence in your abilities...

Return to the Kokiri Forest to
learn the skills of combat...

When thou art ready, return here
and speak with me by using (Z)...

The best place to go to learn
some new skills is in the Forest
Training Center. It's on the hill
just above here.

Ow-ow-ow! Forgive me, master!
If I give you a clue, will you let
me go?
When you jump off a high cliff,
if you hold (+) forward, you will
roll on the ground when you land
and won't get hurt from the fall.
I can't guarantee it will
work, though, if the cliff is really,
really high, heh heh!
Well, try it if you are feeling
bold!
Wah ha hah!

Hee hee!
Under that mask...aren't you that
Kokiri kid?

Quite an unusual mask you have
there. Hee hee! I like it! It may
make me look a little bit tougher.
Hey, why don't you give it to me?

OK
No way

Doh! That's too bad for me...

Yowza! I'm gonna wear this
all the time!

He just gave you 10 Rupees for
this 20-Rupee mask! You lost
money on that deal!
Go back to the Mask Shop
and pay 20 Rupees for the
mask. The difference will have to
come out of your own pocket.

My buddies really want this mask!
Hee hee hee!

Oh, you're OK? You didn't leave
the forest after all, did you?

Did you know that if you hold ©
forward when you jump off a cliff,
you'll roll when you land. This will
absorb the shock of your landing.
If you fall too far, though, you'll
still get hurt...

Saria said she's waiting at the
usual spot.

Well done, Link...

You have a cool Slingshot, huh?
You know what's cool about it?
You can aim while holding down

(C) and shoot by releasing the button! How cool!
If you have the Slingshot ready, you can use (Z) Targeting to shoot while moving.... Did you know that?

No, Link...
Thou must know my time is short...

Now...listen carefully...
A wicked man of the desert cast this dreadful curse upon me...

If you're looking for Saria, she's in the Lost Woods, as usual.
Don't tell me you don't know where that is! The entrance is up on the cliff overlooking the village!
I know you'll get lost! Don't worry, you'll just end up back at the entrance!
Harumph!

Thou must never allow the desert man in black armor to lay his hands on the sacred Triforce...
Thou must never suffer that man, with his evil heart, to enter the Sacred Realm of legend...
That evil man who cast the death curse upon me and sapped my power...
Because of that curse, my end is nigh...
Though your valiant efforts to break the curse were successful, I was doomed before you started...
Yes, I will pass away soon...
But do not grieve for me...
I have been able to tell you of these important matters...
This is Hyrule's final hope...

The future depends upon thee, Link...
Thou art courageous...
Navi the fairy...
Help Link to carry out my will...

I entreat ye... Navi...

Good...bye...

Let's go to Hyrule Castle, Link!!

Good-bye...
Great Deku Tree...

Too bad...Heh heh!

Do you want to play some more?

Yes
No

Hey you! "Mr. No Fairy!"
What's your business with the
Great Deku Tree?
Without a fairy, you're not
even a real man!

If you want to pass through here,
you should at least equip a sword
and shield!
Sheesh!

What?!
Mido won't let you go to see
the Great Deku Tree?

You can buy a shield at the shop,
but there is only one sword
hidden somewhere in the forest.

If you want to see the
Great Deku Tree, you should at
least equip a sword and shield!

I, the great Mido, will never
accept you as one of us!
Shoot! How did you get to be the
favorite of Saria and the Great
Deku Tree? Huh?!
Grumble...grumble...

I can teach you about the icons
at the top of the screen.
About the yellow icons
About the blue icon

The three yellow icons in the
upper right are called (C) icons.
They display the things you can
use with the (<), (v) and
(>) buttons.
Once you get a (C) Button item,
go into the Select Item Subscreen
and set it to one of the three
(C) Buttons.

The blue icon at the top of the
screen is called the Action Icon.
This Action Icon shows you

what action you will perform
when you press (A).
Stop in many spots to see the
different things you can do.

If you want to learn about the
map and items, just ask me.
But don't ask unless you want
to hear a long explanation.
What do you want to know about?
About the map
About items
Don't ask

There is a map displayed at the
bottom right of the screen.
The yellow arrow shows your
current position and direction you
are facing. The red mark shows
where you entered the area from.
You can turn the map display on
and off with the (L).
If you want to see the name of a
place, press START.
You'll get into the Subscreens.
Select the Map Subscreen.
On the Map Subscreen, you can
see a map of Hyrule.
Did you get all that?

There are three kinds of items:
Equipment items, (C) Button items
and Quest items.
Equipment items are things like
the sword, shield and clothes
that are effective when you equip
them.
(C) Button items can be set to
(<), (v), and (>), and
used by pressing those buttons.
Quest items are things you
collect during your adventure. You
just carry them around.
If you want to change equipment
or just check on your inventory,
press START.
You will get into the Subscreens.
Switch to one of the four
different Subscreens with (Z) or
(R) and change or check items as
you please. Take a look around!
When you decide to equip an
Equipment item, press (A). For
(C) Button items, press (<),
(v) or (>).
That was a pretty long explanation.
Did you understand everything?

Well, just remember this. If you
want to save, press START to get

into the Subscreens, then press
(B).

My sister took some Rupees and
went shopping at the store
that has a red roof.
Tee hee!
Speaking of Rupees, a green one
is worth one, a blue one is worth
five and a red one is worth
twenty. Hee hee!

This shop...It sells things you
can get in the forest for free!
Tee hee!
Do you know how to use the
Deku Shield? Tee hee!
When you get the shield, press
START to get into the Subscreens.
Select the Equipment Subscreen
with (Z) or (R).
On the Equipment Subscreen,
choose the item you want to equip
and press (A) to equip that item.
Once you equip it, hold it up
with (R) and change its angle
with (+). Tee hee!

Do you want to know how to use
the (^) Button?
Yes
No

If you press (^), you can
change your view.
In a place like this, it will switch
to a top-down view. Outdoors, in
a field for example, it will switch
to a first-person perspective.
Also, when "Navi" is displayed in
the upper right of your screen,
Navi the fairy wants to talk to
you. Use (^) to listen to her!

Well, if you play around with it,
you'll figure it out.

That's not quite Saria's Song...

Mido is very upset!
Did something happen to him?

What? Where are you going?!
To the castle?
Where is the castle?

We Kokiri will die if we leave the
forest!
You're not going to try to leave
the forest, are you?!

Hey, Link!
What did you do?!
The Great Deku Tree...did he...
die?
How could you do a thing like
that?! It's all your fault!!

Hey!!
What are you doing in my house?!

Link, you're safe!

Saria and Link will be
friends forever.

Did something happen to the
Great Deku Tree?

Somehow, it seems that the air in
the forest has changed.

Link, are you going
to go away?

If you lose your shield, will
you come back?

All of the young Deku Scrub
brothers agree...you look exactly
like our sacred forest totem!
As an offering from us, please
accept these Deku Sticks.
We will also enhance your
carrying skills!
Abracadabra!
Alakazaaaam!

Since the Great Deku Tree
withered...more meanies have
been appearing in the forest...
I'm scared!

An evil wind is blowing from the
direction of the Forest Temple.
Saria left, saying,
"I have to do something
about it!"

The Forest Temple is located
in the Sacred Forest Meadow in
the far side of the Lost Woods.

Saria went to the temple and
hasn't come back...

Hi, mister! You can't use a
Deku Shield! It's only for
kids!

Where's Saria?

Do you know Saria, mister?

That's weird...

Where has Mido gone during such an emergency?

I see. You didn't have any problems entering the forest, mister...

Did the meanies out there bother you much? Before the Great Deku Tree died, you wouldn't see things like that around here....

Since it's dangerous outside, I always stay inside my house. But I'm bored to death in here!

You can buy arrows at a shop only if you have a bow. Have you got one, mister?

Have you been travelling around much, mister?

Have you ever met a boy named Link?

Mido said that the Great Deku Tree withered because that boy did something wrong to it...

Only Saria defended Link--until she left.

Maybe we misunderstood....

Haven't I seen you somewhere before, mister?

Mister, do you know a boy named Link?

He left the forest and never came back...

I wonder if Link will ever return?

It would be awesome to be big like you, mister! I really want to be big like you!

I want to be big and strong and beat up the Deku Scrubs, but...

We Kokiri won't ever get bigger for the rest of our lives...

What a bummer!

Why is that fairy following you around? You're not one of us!

What are you? Though you wear

Kokirish clothing, you can't
fool me!

I promised Saria I would never
let anybody go through here.

Hi there! I'm the Deku Tree
sprout!
Because you and Saria broke the
curse on the Forest Temple, I
can grow and flourish!
Thanks a lot!

Hey, have you seen your old
friends? None of them recognized
you with your grown-up body, did
they?
That's because the Kokiri never
grow up! Even after seven years,
they're still kids!

You must be wondering why only
you have grown up!
Well, as you might have already
guessed, you are not a Kokiri!
You are actually a Hylian!
I am happy to finally reveal this
secret to you!

Some time ago, before the King of
Hyrule unified this country, there
was a fierce war in our world.
One day, to escape from the fires
of the war, a Hylian mother and
her baby boy entered this
forbidden forest.
The mother was gravely injured...
Her only choice was to entrust
the child to the Deku Tree, the
guardian spirit of the forest.
The Deku Tree could sense that
this was a child of destiny, whose
fate would affect the entire world,
so he took him into the forest.
After the mother passed away,
the baby was raised as a Kokiri.
And now, finally, the day of
destiny has come!

You are a Hylian, and were
always bound to leave this forest.
And now...
You have learned your own
destiny...
So you know what you must do...
That's right...
You must save the land of
Hyrule!
Now, Link, break the
curses on all of the Temples,

and return peace to Hyrule!!

That melody?!

Saria plays that song all the time!

You...Do you know Saria?

That song...

Saria taught that song only to her friends...

When I see you...

I don't know why, but I remember... him...

I have you now!

In this gap between dreams and reality, soon all that will remain of you will be your dead body!

Thank you...

Because of you, I could awaken as a Sage...

I am Saria.

The Sage of the Forest Temple...

Saria will always be... your friend...

The flow of time is always cruel... Its speed seems different for each person, but no one can change it...

A thing that doesn't change with time is a memory of younger days...

In order to come back here again, play the Minuet of Forest.

Link...

I'll see you again...

Saria hasn't come back yet...

But I know she'll return someday...

OK...

I trust you.

Oh...I see...

Saria won't ever come back...

But...I...I made a promise to Saria...

If Link came back, I would be sure to tell him that Saria had been waiting for him...

Because

Saria...really...

liked...

Hey, you.

If you see him somewhere, please

let him know...

Teach me some fancy fencing!
All I've ever done is tap (B) all
my life!

I still think you really look like
somebody I've seen before, mister.

You're such a big, strong guy!
I really want to be like you
someday even though I'll always be
small.

Link... I wonder if he
will come back...

I feel like I've known you for a
long time, mister!

Now that the Deku Tree's sprout
is growing in the Great Deku
Tree's meadow, the forest has
returned to normal!

We'll all work together to protect
the forest!

Somehow, a fair wind has begun
to blow recently.

Since a fair wind started to
blow, I'm sure Link
will come back!

I wonder if Saria will come back...

I'm sure Link will
return someday!

Great Deku Tree...
I'm back!

This evil man ceaselessly uses
his vile, sorcerous powers in his
search for the Sacred Realm that
is connected to Hyrule...
For it is in that Sacred Realm
that one will find the divine
relic, the Triforce, which contains
the essence of the gods...

Before time began, before spirits
and life existed...

Three golden goddesses descended
upon the chaos that was Hyrule...

Din, the goddess of power...

Nayru, the goddess of wisdom...

Farore, the goddess of courage...

Din...

With her strong flaming arms, she cultivated the land and created the red earth.

Nayru...

Poured her wisdom onto the earth and gave the spirit of law to the world.

Farore...

With her rich soul, produced all life forms who would uphold the law.

The three great goddesses, their labors completed, departed for the heavens.

And golden sacred triangles remained at the point where the goddesses left the world.

Since then, the sacred triangles have become the basis of our world's providence.

And, the resting place of the triangles has become the Sacred Realm.

Hey kid, you did quite well...
It looks like you may be gaining some slight skill...
But you have defeated only my phantom...
When you fight the real me, it won't be so easy!
What a worthless creation that ghost was! I will banish it to the gap between dimensions!!

I always believed that you would come. Because I know you...

No...

You don't have to explain it to me...

Because it is destiny that you and I can't live in the same world.

I will stay here as the Forest Sage and help you...
Now, please take this

Medallion...

Thou hast verily demonstrated
thy courage...
I knew that thou wouldst be able
to carry out my wishes...

Now, I have yet more to tell ye,
wouldst thou listen...

Yes

No

Link...

Go now to Hyrule Castle...
There, thou will surely meet
the Princess of Destiny...
Take this stone with you.
The stone that man wanted so
much, that he cast the curse on
me...

I knew...
that you would leave the forest...
someday, Link...
Because you are different from
me and my friends....

Hello, Link!
Wake up!
The Great Deku Tree wants
to talk to you!
Link, get up!

Hey! C'mon!
Can Hyrule's destiny really depend
on such a lazy boy?

Jumping is going out of style now.
I'm crazy about doing backflips!
Can you do one?

The Great Deku Tree
has summoned you!
So let's get going, right now!

Navi...
Navi, where art thou?
Come hither....

Oh, Navi the fairy...
Listen to my words, the words of
the Deku Tree...
Dost thou sense it?
The climate of evil descending
upon this realm...
Malevolent forces even now are
mustering to attack our land
of Hyrule...
For so long, the Kokiri Forest, the
source of life, has stood as a

barrier, deterring outsiders and
maintaining the order of the world...

But...before this tremendous evil
power, even my power is as
nothing...

It seems the time has come for
the boy without a fairy to begin
his journey...

The youth whose destiny it is to
lead Hyrule to the path of
justice and truth...

Navi...go now! Find our young
friend and guide him to me...

I do not have much time left.
Fly, Navi, fly! The fate of the
forest, nay, the world, depends
upon thee!

Please forgive me, master! I'll
never do it again! If you spare
me, I'll teach you something cool.
You will never beat my brothers
up ahead unless you punish them
in the proper order.
The order is...

2 3 1

Twenty-three is number one!
Do you think I'm a traitor?

How did you know our secret?!
How irritating!
It's so annoying that I'm going to
reveal the secret of Queen Gohma
to you!
In order to administer the coup de
grace to Queen Gohma, strike
with your sword while she's
stunned.
Oh, Queenie...
Sorry about that!

In the vast, deep forest of Hyrule...
Long have I served as the
guardian spirit...
I am known as the Deku Tree...

The children of the forest, the
Kokiri, live here with me.
Each Kokiri has his or her own
guardian fairy.

However, there is one boy who
does not have a fairy...

I surrender! In return, I will sell
you Deku Nuts!
5 pieces 20 Rupees they are!

All right! You win! In return,

I will sell you Deku Sticks!
1 piece 15 Rupees they are!

All right! You win! In return for
sparing me, I will sell you a
Piece of Heart!
1 piece 10 Rupees it is!

Let's make a deal!

OK
No way

YIKES!!
I'm going home then!

Not enough Rupees!
Come back again!

You can't have this now!
Come back again!

Thank you very much!

I've been waiting for you,
Link!
This is the Sacred Forest Meadow.
It's my secret place!
I feel...
This place will be very
important for both of us someday.
That's what I feel.
If you play the Ocarina here, you
can talk with the spirits in the
forest.

Would you like to play the
Ocarina with me?
Yes
Don't do it

OK, try to follow along with the
melody I will play.
Are you ready?

Huh?!
How boring!
C'mon! Play along!

Great! Great!
Please don't forget this song!
Do you promise?

When you want to hear my voice,
play Saria's Song. You can talk
with me anytime...

Are you taking good care of
my Ocarina?

Cool!

You're great! You scored
three perfect bull's-eyes!
I have to give a neat present
to such a wonderful person!
Please take it!

Mido might know something about
Saria's whereabouts.
I think Mido is sulking in one of
the houses around here.

??
No response. He's sleeping.

Cojiro? Why?
Normally only a nice guy like me
can tame you...
Which means...

You...
You must be a nice guy!
Must be!
You must be!!
Please Mr. Nice Guy! Please!
Deliver this stuff to the old
hag in the potion shop in Kakariko
Village!

This will disappear if you take
too long, so you gotta hurry!
OK
I can't

Oh, yeah. That's it!
You aren't a nice guy after all!!
Get away from me!

Saria wanted to see you...
Did she find you already?

Hurry up, nice guy!
Before it disappears, deliver it
to that old wench....

That guy isn't here anymore.
Anybody who comes into the
forest will be lost.
Everybody will become a Stalfos.
Everybody, Stalfos.
So, he's not here anymore.
Only his saw is left. Hee hee.

That medicine is made of
forest mushrooms. Give it back!
Yes
No

Heh heh heh.
Are you going to be... too?

Heh heh!

We sell shields, but not swords!

You know Saria's Song! We should be friends! Here, take this!

Hi! Do you think my face is kind of plain?
It's just not very unusual...

Let's play again sometime!

Follow along with our song on your Ocarina. We'll lead you into it.

That was quite a nice session. As a token of our friendship, please take this.

Hey, over here!
Hoo hoo!
Link...Good to see you again! Listen to this!
Hoot hoot....

After going through the Lost Woods, you will come upon the Sacred Forest Meadow. That is a sacred place where few people have ever walked. Shhhh...What's that?
I can hear a mysterious tune... You should listen for that tune too...
Hoo hoo ho!

Do you want to hear what I said again?
Yes
No

If you are courageous, you will make it through the forest just fine...
Just follow your ears and listen to the sounds coming from the forest!
Hoot hoot!

Hoo hoo!
Did you learn an Ocarina song from Saria?
That melody seems to have some mysterious power. There may be some other mysterious songs like this that you can learn in Hyrule.

If you hold the Ocarina with (C) where a melody is necessary, a musical staff will appear.

I recommend that you play a song you know.

I also suggest that you play even when a score is not displayed.

Just like this:

Hoo hoo hoo hoot hoot hoot!

Do you want to hear what I said again?

Yes

No

Melodies you have learned will be recorded on the Quest Status Subscreen. You should memorize those melodies.

Ohh...That bum! I don't know why he's always so mean to everyone! What he said is true, though.

The forest...strange things have been happening here lately... You need to be ready for anything. You'd better find a weapon!

All right! You win! In return, I will sell you Deku Seeds! 30 pieces 40 Rupees they are!

I give up! If you let me go, I will sell you a Deku Shield! It's 50 Rupees!

I quit! If you let me go, I'll sell you some Bombs! 5 pieces 40 Rupees they are!

Knock it off! Leave me alone, and I will sell you Arrows! 30 pieces 70 Rupees they are!

All right! You win! If you spare me, I will sell you a Red Potion for 40 Rupees!

All right! You win! Spare me, and I will sell you a Green Potion for 40 Rupees!

What?! You've got a fairy?! Say what? The Great Deku Tree actually summoned you?

Whaaaaaaat?!

Why would he summon you and not the great Mido?

This isn't funny...
I don't believe it!
You aren't even fully equipped
yet!
How do you think you're going to
help the Great Deku Tree without
both a sword and shield ready?
What? You're right, I don't have
my equipment ready, but...

Eh, what's that?!
Oh, you have a Deku Shield...
And what's THAT?!
Is that the Kokiri Sword?!
GOOD GRIEF!!

Well, even with all that stuff,
a wimp is still a wimp, huh?

I lost! Now I'll sell you a Deku
Stick for 15 Rupees.

I lost! Now I'll sell you Deku
Nuts if you leave me alone.
5 pieces 20 Rupees they are.

And also...
I'm sorry for being mean to him.
Tell him that, too.

Hee hee hee!
You came all the way up here?
You're a real man!

Look! Isn't this view pretty?
Change your viewpoint with (^),
so you can look around the forest
with (+).

What did you do to the Great
Deku Tree?

If you want to go to the Lost
Woods, you'd better equip the
right gear!
Hee hee!

All my young Deku Scrub brothers
say...
You have a horrible face!
But don't worry! We will reward
you with many Deku Nuts.
Of course, we will also enable
you to carry more of them!
Abracadabra...
Alakazaaaam!!

I surrender!
To make your quest easier,
I can enable you to pick up more

Deku Sticks!

But, it'll cost you 40 Rupees!

I surrender!

To make your quest easier, I can enable you to pick up more Deku Nuts!

But, it'll cost you 40 Rupees!

So sorry!

You can't buy that right now!

That guy isn't here anymore.

Anybody who comes into the forest will be lost.

Everybody will become a Stalfos.

Everybody, Stalfos.

So, he's not here anymore.

Thank you very much for the other day... I haven't even asked you your name yet...

.....

Really?

Link!

That's what I thought!

You're the fairy boy from the forest! That was years ago!

Do you remember me?

You do? I was sure it was you because Epona remembered you!

Oh, I have to tell you about Mr. Ingo...

He was afraid that the Evil King might find out that Epona had been taken away...It really upset him!

But one day, all of a sudden, he went back to being a normal, nice person!

Now my dad is coming back...I can't believe it, but peace is returning to this ranch!

It's all because of you! I owe you so much!

Thank you! Thank you,

Link!

How is Epona doing?

If you play Epona's Song with your Ocarina, she will surely come to you.

Please come back to the ranch whenever you want to train Epona!

Epona looks great!

It looks like you were able

to tame her, too!

How about trying your skill with Epona on an obstacle course?

I'll time you for two laps.

It's pretty challenging. If you miss jumping a fence in the proper order, you'll fail.

How about it?

Do you want to try?

Let's go

Don't do it

Well, your time was □.

You have to train harder!

Remember, you don't need to accelerate to jump over low fences, but you do need to go fast to jump the high fences!

Link...can you hear me?

It's me, Zelda...

Moooooooooooo!

What a nice song...

It reminds me of the pasture...

That song makes me feel so good, I can produce a lot of milk!

Have some of my refreshing and nutritious milk!

Link, when you hold this Ocarina in your hand... I won't be around anymore... I wanted to wait for you, but I couldn't delay any longer... At least I could leave you the Ocarina and this melody...

Now, Link.

Play this melody in front of the altar in the Temple of Time. You must protect the Triforce!

Wha-ha-ha-hah! Do you think you're in disguise, Mr. Hero? Oh?

Is that a "Kee...something..." character mask? I heard he's very popular recently?

He's my boy's favorite. That "Kee...something..." mask... If you don't mind...

Will you sell it to me?

Yes

No way

I won't give up! I have plenty of
patience. I have to for this
job! Hah hah hah!

Mmmm...mumble...mumble...

Huh? Yeah, I'm awake!

What?

Hey, it's you! Welcome!

Awww... That was rough!

Malon yelled at me for a long
time!

You took care of us, so I'm proud
to give you this milk! You can
keep the bottle for yourself.

The road is closed beyond this
point!

Can't you read the sign over
there?

Eh? Oh, I see. You're just a kid,
and you can't read yet.

Ha ha hah!

I don't want that!

Oh, this is...

This is surely Princess Zelda's
handwriting! Well, let's see...

Hmmm... OK...

"This is Link...

He is under my orders to save
Hyrule."

Wah ha ha ha hah!

What kind of funny game has our
Princess come up with now?!

OK, OK, all right. You can go
now... Just be careful, Mr. Hero!

Wah hah ha ha hah!

Oh, Mr. Hero!

Thanks for all your hard work!

Wah ha ha hah

!!

Wow! Great!

Your time was □!

You and Epona are a great
team!

Oh, that's too bad.

If you had something to put it in,
I could give some to you...

I am Ingo--Mr. Ingo to you.

I take care of these horses.

You're in my way, so scram,
kid!

By the way, Mr. Hero...

If you're going to climb
Death Mountain, you should equip
a proper shield! It is an active
volcano, after all!

If you go back to Hyrule Castle
Town Market, you should check
out the Bazaar. They sell the
shield you need there.

Tell 'em I sent you and they
should give you a special
discount!

If you think you're good to go
already, don't worry about it.
Now, I'd like to ask a favor of
you. No, I don't expect you to do
it just because of the great tip I
just gave you! I'm just asking!
Have you been to the Happy
Mask Shop that just opened in
the Hyrule Castle Town Market?
Everyone is talking about it!
My little boy pesters me for a
popular mask, but I don't have
time to go there...

So, could you go and get the
mask for me next time you are in
the Market? If you don't feel like
it, that's OK, but...

Well, I have no choice, this is my
job...

...sigh...

I wish I could go to the mask
shop in town to buy a present for
my kid...

...sigh...

Oh no... He's not breathing...

Link!?

Arrrrrgh! I lost her!

You, over there!
Little kid!

Heh heh heh...

You want a piece of me?!
Very funny!
I like your attitude!

Pathetic little fool!
Do you realize who you are
dealing with?!

I am Ganondorf!

And soon, I will rule the world!

You must have seen the white
horse gallop past just now...
Which way did it go?!
Answer me!!

Tsk tsk...When your time is
up, I'll kick you out of here.

My boy will be very happy with
this! You really are Mr. Hero!
Wha ha ha hah!

You sold the 10-Rupee mask for
15 Rupees. You earned a little
profit.
Let's go to the Mask Shop and
pay back the mask price of
10 Rupees.

Little kids can't go on the
"Heart-Pounding Gravedigging
Tour" described on the sign.
Since I can't do that, I'm just
imitating Dampé the gravekeeper
all day.
But with my cute face, I'm not
heart-pounding at all, am I?

Gyaah! It's Dampé the
gravekeeper!
???

Oh, it's just a mask. I get a
different kind of fright from that
mask than I get from Dampé...
Will you give that mask to me?

Yes
No way

I really do have some money, you
know.

Hey! Time's up, young man!
You only paid 10 Rupees!
You've played around long enough!

With this mask, I'll be just like
Dampé!
Here's my money!

You sold the 30-Rupee mask to a
kid for full price?!
And he didn't mind paying at all!
Let's go back to the mask shop to
pay 30 Rupees for the mask.
You can get the new mask
model, too.

I'm gonna dig and dig!
Just like Dampé!!

In old times, I heard there were
many wild rabbits in the land
of Hyrule. Not anymore, though,
because of excessive hunting.
I want to become a rabbit...
Listen to the wind with
those ears, hop across the ground
with those legs...
Even if I can only pretend.

I bet with those long ears you
can hear the voices...
Oh, these are genuine rabbit
ears from the animal of legend!

I don't care how expensive it is!
Please sell it to me!
Yes
No way

That's not the answer I wanted to
hear!

My long time dream! Returning to
the wild life! Finally, the actor,
stage and prop have been united!

It's a 50-Rupee mask, but he paid
you a crazy amount of money for
it--more money than you can
count!
Go back to the Mask Shop and
pay back just 50 Rupees of this
money.

So, you think you can protect
them from me...
You've got guts, kid.

There are some people in Kakariko
spreading rumors that I cheated
Talon out of the ranch, but...
Don't be ridiculous!
That guy Talon was weak!
I, the hard-working Ingo, poured
so much energy into this place!
I don't want any strangers like
you saying anything bad about me!
Listen. The great Ganondorf
recognized my obvious talents and
gave the ranch to me!
I will raise a fine horse and
win recognition from the great
Ganondorf!
Say, young man, do you want
to ride one of my fine horses?

Pay me 10 Rupees and you can ride.

Ride

Don't ride

All right then, scram ya little punk!

You don't have enough!
Save your change and come back again!

Do you want to hear how to ride?

Listen

Don't listen

Approach the horse quietly and stand by its side. Press (A) to mount up.

Use the (+) to make it run.

Once it starts running, press (A) to tap it with the whip.

It will speed up!

When you want to jump over a fence, accelerate and hit it head on!

If you try to jump over a fence at an angle, the horse won't like it, and it won't jump.

After the horse comes to a complete stop, press (A) to dismount. Now, have fun!

If you use (Z) Targeting, you can talk to me from horseback.

Are you ready to go home so soon?

No, I want to ride.

Yes, I'm done.

When you want to dismount, stop and press (A).

Hey young man!

Do I know you? I just felt as though I've seen you somewhere before...

You're getting better!

How about a little race with me?

One lap around the corral with that horse.

Let's make a little wager, say 50 Rupees?

Do it

Don't do it

Hey hey... What's the matter?

Don't you have even 50 Rupees?!

I don't want to race with someone

so poor!

Sh-shooooot!

If the great Ganondorf found out
about this humiliation...

Hey, you!! How about another
race! If you win...

You can keep...the horse!!

What's up with that horse?!

Is that Epona?

How did you tame that wild horse
right under my nose?!

I was going to present that horse
to the great Ganondorf... But I bet
it on the race and lost! Shoot!

Hah ha hah!

As I promised, I'll give the
horse to you...

However...

I'll never let you leave this ranch!

Hee hee hee... Too bad for you!

I get your 50 Rupees.

Wah ha hah!

You're just a kid, after all!

Well, come back any time and we'll
have some more fun...

What? What are you doing
hanging around here?

You little weirdo!

I am Ingo and I mind the ranch.
I've been working at this ranch
for a long time for that lazy
bum, Talon.

Today, for example, he's gone
somewhere for a delivery and he
hasn't come back yet!

So, I'm doing all the work around
here.

Oh well...It's tough to be a
working man.

Hey, your clothes! They're...
different...

You're not from around here,
are you?

.....

.....

Ohh... You're a fairy boy from
the forest! My name is Malon!

My dad owns Lon Lon Ranch!

Dad went to the castle to deliver
some milk, and he hasn't come

back yet...

Are you going to the castle,
fairy boy?
Would you mind finding my dad?
He must have fallen asleep
somewhere around the castle.
What a thing for an adult to do!
Tee hee!
Oh yeah, if you'll look for him, I'll
give this to you.
I've been incubating this
egg very carefully...
Tee hee!

Set the egg to (C) to incubate it.
Hee hee!
My dad is really troublesome,
for an adult, isn't he?!
Hee hee!

I can't believe that I, the great
Ingo, am working on this dump of
a ranch!
Because the owner is so lazy, I
always have to do all the work
around here!

I, the hard-working Ingo, should be
in charge, not that lazy bum,
Talon!

Oh, it's the fairy boy again!
I heard that you found my dad!
How did you like the castle? Did
you see the Princess? Hee hee!
Dad came home in a hurry after
you found him. Hee hee!
Oh yeah, I have to introduce you
to my friend, fairy boy!
She's this horse. Her name is
Epona. Isn't she cute?

It seems like Epona is afraid of
you, fairy boy...

My mother composed this song.
Isn't it nice? Let's sing together.

Oh, Epona! She's grown fond of
you, fairy boy.

Z Z Z Z Z Z Z Z Z Z Z Z Z Z Z
...

Oh...a visitor!
It's been a long time since we've
had a visitor here...
Where did you come from?

Since Ganondorf came, people in
the Castle Town have gone, places
have been ruined, and monsters
are wandering everywhere.
Mr. Ingo is just using the ranch
to gain Ganondorf's favor...
Everyone seems to be turning evil...
But Dad...
He was kicked out of the ranch
by Mr. Ingo...
If I disobey Mr. Ingo, he will treat
the horses so badly...
So...
There's nothing I can do...

I bet nobody is faster than I am
now! But, I don't know if I
should be happy or sad....

Z Z Z Z Z Z Z Z Z Z Z Z Z

...
S-stop that song...I...I...
Mumble... mumble...

Take a good look at that
mountain. That is Death Mountain,
home of the Gorons. They hold
the Spiritual Stone of Fire.

Please keep it secret from
Mr. Ingo that I sing this song...

You...
Do you know my mother's song?
Everyone really liked that song...
My dad... Even Mr. Ingo...
But...since Ganondorf appeared,
Mr. Ingo has changed completely.
I can remember the good old days
only while I sing the song. Also...

Epona really liked that song...
Only I could tame that horse...
Even Mr. Ingo had a hard time...
Hee hee hee!

This statue's one-eyed gaze
pierces into your mind...

Responding to your mask, this
strange stone statue talks to
you...
I overheard this...

I'm gonna turn over a new leaf
and work real hard from now on.

Mr. Ingo... He must have been
tempted by evil powers.

He's not really a bad person
at all...

Z Z Z Z Z Z Z Z...

Mumble... It's not easy to
be a working man...

It's been a while...

Do you want to race?

Yes

No

If you change your mind,
come back anytime!

All right then! Scram,
ya little punk!

Heh heh... Are you mad because
you lost? If you're that upset,
how about another race?
Bet 50 Rupees and race again?

Race

Don't race

Thank you so much. Heh heh!

If I give ya more free of charge,
Ingo will get mad at me. So I'd
better sell it to you for the
normal price.

Wanna buy milk for 30 Rupees?

Buy

Don't buy

Hi there, how are you?

I am Ingo. I feel so honored
to be allowed to work here.

You brave lad...

We must protect this beautiful
land of Hyrule!

Oh, cute ocarina!

Are you going to play this song
with that ocarina?

At the foot of Death Mountain
you will find my village, Kakariko.
That is where I was born and
raised.

You should talk to some of the
villagers there before you go up
Death Mountain.

The song I just taught you has
some mysterious power. Only

Royal Family members are allowed to learn this song.

Remember, it will help to prove your connection with the Royal Family.

The Princess is waiting for you to return to the castle with the stones. All right. We're counting on you!

Hoo hoot!

Link...

Look up here!

It appears that the time has finally come for you to start your adventure!

You will encounter many hardships ahead... That is your fate. Don't feel discouraged, even during the toughest times!

Go straight this way and you will see Hyrule Castle.

You will meet a princess there...

If you are lost and don't know which way to go, look at the Map.

The areas you have explored will be shown on the Map. Press START to enter the Subscreens and (Z) or (R) to find the Map. On the Map Subscreen, you will also see a flashing dot showing you which way you should go next.

Did you get all that?

No

Yes

All right then, I'll see you around!
Hoot hoot hoot ho!

Hey, Link! This way!

The princess is inside the castle just ahead. Be careful not to get caught by the guards!

Ho ho ho hoot!

On this ground, time flows normally.

But time stands still while you are in Lon Lon Ranch or in a town. If you want time to pass normally, you'll need to leave town.

Well, well, which way are you going to go now?

Hoo hoo hoot!

Do you want to hear what I said

again?

Yes

No

Hoooo. You're a smart kid.

Good luck, then. Hoo hoo.

Hey, Link!

Wait a second, friend!

Beyond this point you'll find
Kakariko Village. Have you seen
the Princess of Hyrule? If not,
I suggest you go to the castle.

Hey, Link!

Look over here!

Beyond this point you'll find
Kakariko Village. Watch your step!
Hoot hoo!

Link, you're the only
one who can complete the quest
ahead!

You must do your best! Hoo!

Link! Wait up, buddy!

Hoo hoo!

Head south from here to reach
Lake Hylia's full, rich waters.
If you go west, you'll find
Gerudo Valley. There's a hideout
of a gang of thieves on the other
side of the valley.

Well, you're free to go anywhere
you want!

Ho ho ho...hooo!

No matter how hard it is, just
don't get discouraged. Ho Ho Hoo!

Beyond this point lies Lake Hylia.
It is full of deep, pure water.
The Zoras, who live all the
way upstream, guard the sunken
temple at the lake's bottom, as
well as Zora's Fountain.
If you want to confirm its location
on the map, press START to
switch to the Subscreens and (Z)
or (R) to find the Map.
All the places you have visited
will be shown on the map.
Ho hoo hoot!

OK, be careful and go!

What is your name?

.....

Link...
Strange...it sounds somehow...
familiar.

OK then, Link...
I'm going to tell you the secret of
the Sacred Realm that has been
passed down by the Royal Family
of Hyrule.

The Ocarina of Time!

Did you understand well the story
I just told you?

Yes

No

I was spying through this window
just now...

The other element from my
dream...the dark clouds...

I believe they symbolize...

that man in there!

Will you look through the window
at him?

Yes

No

.....

Yes.

I told my father about my dream...

However, he didn't believe it was
a prophecy...

But...I can sense that man's evil
intentions!

What Ganondorf is after must be
nothing less than the Triforce
of the Sacred Realm.

He must have come to Hyrule to
obtain it!

And, he wants to conquer Hyrule...
no, the entire world!

Link...now, we are the
only ones who can protect Hyrule!

We must not let Ganondorf get
the Triforce!

I will protect the Ocarina of Time
with all my power!

He shall not have it!

You go find the other two
Spiritual Stones!

Let's get the Triforce before
Ganondorf does, and then defeat
him!

One more thing...
Take this letter...
I'm sure it will be helpful to you.

Mumble...mumble...

Huh? I'm awake already!

What?

Well I'll be! If it ain't the forest
kid from the other day!

By the way, thanks a lot for
waking me up!

It took some doing, but I finally
got Malon back in a good mood.

So, what are you up to today?

Got some free time on your hands
you say?

Well how about a little game?

These three Cuccos I have here
are special Super Cuccos!

I'm going to throw these Cuccos
into that there gaggle of normal
Cuccos.

If you can pick out these three
special birds from among the
normal Cuccos within the time
limit, I'll give you something good.

You don't know what he means by
"Sworn Brothers," but you've

You have one more to find!

You don't know what he means by
"Sworn Brothers," but you've
finally collected all three Stones!
Go back to see Princess Zelda!

I maaaaade thissss...
Trrrrrade for claimmm checkkk...

I giiiive thissss to yooooou forrr
a souvenirrrrrr.

Kid, I like you!
How's about you and I become
Sworn Brothers?!
No, there's no big ceremony
involved! Just take this as a
token of our friendship!

You did great!

How 'bout a big Goron hug,
brother?!

Oh!
Oh-oh!
C'mon!
Come on! Come on! Come on!
HOT!!
What a hot beat!
WHOOOOAH!
YEEEEEAH!
YAHOOO!!

I am one of the Gorons,
the stone-eating people who live
on Death Mountain.

Look at that huge boulder over
there!

It blocks the entrance to the
Dodongo's Cavern, which was once
a very important place for us
Gorons...

But one day, many Dodongos
suddenly appeared inside the
cavern. It became a very
dangerous place!

On top of that, a Gerudo in black
armor used his magic to seal the
entrance with that boulder!

I wish I could roll down the
mountain like a rock, with a
Bomb Flower and...

BOOOOOOM!

If I could do that with a Bomb
Flower, I could become a real man.

I'm standing here to shade the
Bomb Flowers from the sun.
Do you have a question for me?

Ask about Bomb Flowers

Ask about Dodongo's Cavern

Those plants growing over there
are Bomb Flowers. They are
"mining plants" that grow only on
this mountain.

The flower's fruit is the raw
material for bombs.

But a non-Goron amateur should
never pick the Bomb Flowers'
fruit!

They usually grow only in dark
places, so Bomb Flowers that grow
in a place like this are extremely
rare.

Those plants growing over there
are Bomb Flowers. They are
"mining plants" that grow only on
this mountain.

They usually grow only in dark
places, like caves, so Bomb
Flowers that grow in a place like
this are extremely rare.

If you have the Goron's Bracelet,
even a little kid like you could
easily pick it with (A).

Did you see the cavern on your
way here? That is the Dodongo's

Cavern.

Because the light inside is very dim, the Bomb Flowers, a plant unique to this mountain, grow like crazy in there!

Oh?

We don't get many visitors way up here. Where are you from?

The forest?

What's a "forest"?

Eh?

It's where a lot of "trees" and "plants" grow?

Now I'm even more confused!

Nothing grows around here besides the Bomb Flowers...

We don't have "seeds" or "nuts" around here either.

Even Deku Sticks are very scarce around here!

I sealed the entrance because I don't have much merchandise to sell. But you're quite a persistent customer, aren't you.

I'm sorry...

That Bomb is just for display.

I'm sold out of real ones.

Why did you stop me?

Don't stop me here!

You can't stop my wild rolling!

This wild rolling is the only way to relieve my stress!

Now stand in awe of my wild, wild rolling!!

All right! I'll give you this in praise of your courage!

Thank you! Let me express my joy with more wild rolling!

Oh...I'm so hungry...

Everyone feels faint from hunger because of the food shortage in this town. We are in danger of extinction!

It's all because we can't enter our quarry, the Dodongo's Cavern.

We Gorons live on a diet of rocks...

And the most delicious and nutritious rocks around are found in the Dodongo's Cavern! But that seems like ancient history now...

We've become such gourmets that we can't stand to eat rocks from

anywhere else!

Sigh... I want to eat the top
sirloin rocks from the Dodongo's
Cavern!

Hey!

It's dangerous for a little kid like
you to come out here. You might
fall down!

If I'm not mistaken, you came out
here to eat the red stone!

Well, too bad! It's not here!

What? That's not why you're
here?

You're looking for a "Spiritual
Stone?" You must mean that
delicious-looking red stone
that was once displayed here!

I was so hungry that I thought
it would be OK to just give it one
tiny little lick...so I snuck out
here. But, it was already gone!

I think Big Brother took it away.
He always says that everyone
is after that red stone!

Big Brother has shut himself up in
his room saying,

"I will wait in here for the
Royal Family's messenger!"

I'm so hungry that I can't think
about anything but food!

Ask Big Brother about complicated
things.

If he's in a bad mood, he'll
probably get mad at you...it
can be pretty scary. But...

I know his SECRET.

He may not look like the type,
but Big Brother loves to dance!

If he gets in a rhythm, he'll surely...

I remember Big Brother used to
always listen to the music that
comes from the forest...

Ah yes, the good old days...

That music makes me feel
nostalgic, too...

What the heck! Who are you?!

When I heard the song of the
Royal Family, I expected their
messenger had arrived, but...
you're just a little kid!

Has Darunia, the big boss of
the Gorons, really lost so much
status to be treated like this
by his Sworn Brother, the King?

Now, I'm REALLY angry!
Get out of my face, now!
Are you asking why I'm in such a
bad mood right now?
Ancient creatures have
infested the Dodongo's Cavern!
We've had a poor harvest of our
special crop, Bomb Flowers!
Starvation and hunger because
of the rock shortage!
But...

This is a Goron problem!
We don't need any help from
strangers!

Heeey!! What a nice tune!
Just like that, my depression is
all gone! Something just came
over me! I suddenly wanted to
dance like crazy!
I am Darunia!
I'm the big boss of the Gorons!
Was there something you wanted
to ask me about?
What?
You want the Spiritual Stone of
Fire, too?
The Spiritual Stone of Fire, also
known as the Goron's Ruby, is our
race's hidden treasure....
But hold on--I'm not going to give
it to you that easily.
If you want it so badly...
Why don't you go destroy the
monsters inside of the Dodongo's
Cavern and prove you're a real man?
That way, everybody will be
happy again! If you do it, I
will give you anything you want,
even the Spiritual Stone!
I have something for you. I'm not
really giving you this in
return for anything, but take it
anyway.
If you wear this, even a little
fella like you can pick a Bomb
Flower using (A).

Destroy the monsters in the
Dodongo's Cavern and become a
real man! Then, we can talk about
the Spiritual Stone!

Hey, Brother, play that tune
again sometime soon!

No matter how many times I hear
that song, it doesn't get old!

Well, that's not quite what I
was looking for...
I wanted to hear...a tune...
something...um...from outside
the mountains...something...
green...natural...
That's the kind of music I want
to hear...

Oh, now we can enter the cavern.
You're so smart!

I know a trick to conserve sticks!
If you light a stick on fire, it will
burn to ashes. Press (A) to put it
away before it completely burns!
By the way, I hid a stick
somewhere...
Hehehee...

It's me, Darunia!
Well done!
Thanks to you, we can once again
eat the delicious rocks from the
Dodongo's Cavern until our
stomachs burst!

I'm so hungry that I can't think
about anything but food!
"Spiritual Stone?"
That red stone that was lighting
up our city?
Big Brother Darunia took it
away. Then, he shut himself up in
his room and won't come out.
Since then, it feels like all
the lights in the city have gone
out... Everyone seems so...
depressed...

I want you to bring fire from Big
Brother's room back here.

Oh, I see...
We should have thrown the
Bomb from the cliff...

You are incredible, destroying
the Dodongos! Do you mind if I
call you Big Brother?

Thanks to you, we're all OK!
Why don't you buy some Bombs
now?

You know, I'm so grateful to you.
When I have a kid, I will name it
after you!

If you want to hear more Goron

gossip, head up to our city!
Goron City is just a little
way up the trail. It won't take
much longer to get there, even
on foot.

You pick the Bomb Flowers with
(A). Press (A) again to set it.

When all the torches on this floor
are lit, Goron City is really lively!

Are you going to clear out the
Dodongos? It's a Goron problem,
though. You're a nosey little kid,
aren't you?!

Well, of course we'll be happy if
you fix it so we can get all the
Bombs we want, like we used to...
Just let me warn you, though...
Dodongos are scary creatures!
They'll eat ANYTHING!!
So watch yourself, and don't
get eaten!

I already told you!
We're out of Bombs!
Ohhh... I'm so hungry!

How was Big Brother?
I see...
By the way, do you know the
music coming from deep inside of
this tunnel? We all like this music!

I won't let you get me!
You probably work for Ganondorf!

How could you do this to me?
You, you're Ganondorf's servant!
Hear my name and tremble!
I am Link!
Hero of the Gorons!

What?
Your name is also
Link?
Then you must be the legendary
Dodongo Buster and Hero,
Link!
My dad is Darunia...
Do you remember him?
Dad named me Link
after you, because you're so
brave!
It's a cool name!
I really like it!
Link, you're a hero to
us Gorons!

I'm so glad to meet you!
Please give me your autograph!
Sign it:

"To my friend,
Link of the Gorons"

Oh...

I guess it's not a good time
to ask you for this...

Please help everyone!

My dad, Darunia, went to the Fire
Temple. A dragon is inside!

If we don't hurry up, even my dad
will be eaten by the dragon!!

B-b-b-boooo hooooo!

You'd better try to calm him down
if you can...

Maybe he will calm down if you
talk to him?

What do you want to ask him?

About the dragon

About the Gorons

A long time ago there was an
evil dragon named Volvagia living
in this mountain.

That dragon was very scary!

He ate Gorons!

Using a huge hammer, the hero of
the Gorons... BOOOM!

Destroyed it just like that. This is
a myth from long ago, but it's
true!

I know, because my dad is a
descendant of the hero!

Everybody was taken to the
Fire Temple...

While my dad was out...

Ganondorf's followers came and
took them all away!

All of them will be eaten by
Volvagia!

Dad said that Ganondorf has
revived Volvagia...

As a warning to those who might
oppose him, Ganondorf is going to
feed them all to Volvagia!

Dad went to the Fire Temple all
by himself to try to save
everyone...

Please help, Link!

I'll give you this heat-resistant
tunic!

Dad told me not to let anybody
follow him to the temple, but...
Only you, Link, can

save everyone!

I'm sure that the shop owner, who is hiding somewhere right now, will also help you!

Now, I'll tell you about the secret passage to the Fire Temple!

Try to move the statue inside Dad's room!

Who's there? Is that you, Link...?

Oh, it really is Link!

You've grown so big since I last saw you!

I want to have a man-to-man talk with you, but now's not the time.

Ganondorf is causing trouble on Death Mountain again!

He has revived the evil, ancient dragon Volvagia!

On top of that, he is going to feed my people to that evil dragon as a warning to other races that might resist him...

If that fire-breathing dragon escapes from the mountain, all of Hyrule will become a burning wasteland!

I will go on ahead to try to seal up the evil dragon...

I'm concerned, though, because I don't have the legendary hammer...

But I have no choice.

Link...I'm asking you to do this as my Sworn Brother...

While I'm trying to deal with the dragon, please save my people!

The prisoners' cells are in the opposite direction.

I'm counting on you, Link!

I'm saved!

Thank you!

Here, take this!

Link...Can't hold... anymore...I can't hold it any longer... Get out of here!!

Thank you, Brother!

I really appreciate what you did. I thank you on behalf of the entire Goron race!

You turned out to be a real man, just as I thought you would!

Don't forget...

Now you and I are true Brothers!

It is something that grows over
time... a true friendship.
A feeling in the heart that
becomes even stronger over time...
The passion of friendship will
soon blossom into a righteous
power and through it, you will
know which way to go...
This song is dedicated to the
power of the heart...
Listen to the Bolero of Fire...

Link...See you again...

Link, it's so hot in
here! We can't stay here for
long!

Brother Link!
Everybody has come back!
Dad and you destroyed the dragon
together, didn't you!

When I grow up, I want to be a
strong man like you,
Link!

Thank you, Link!!

Thank you very much for
saving us!

By the way, I, the wild Darunia,
turned out to be the great
Sage of Fire...
Isn't that funny, Brother?
Well, this must be what they call
destiny.
Nothing has made me happier
than helping you seal the evil
here!

Hey, Brother, take this!
This is a Medallion that contains
the power of the fire spirits--and
my friendship.

Big problem!
Everybody is gone!
But I'll keep my business open!

What a wild adventure! It will
make an incredible story...
I can't believe that the Dodongos
suddenly appeared in such great
numbers!

And that big rock blocking the
cave...

All this trouble must have been
caused by that Gerudo thief,
Ganondorf!

He said,

"Give me the Spiritual Stone!
Only then will I open the cave
for you!"

You, on the other hand, risked
your life for us...

Tight fit...

I'm working on something really
cool right now! But I think it's
going to take a while...

If you can wait five or six years,
it should be ready. OK?

I just completed a small weapon.
How about it...

How do you like the feel of it?

It looks like there is a problem
with its durability...
But still...

How about buying this knife for
200 Rupees?

Buy

Don't buy

All right. Come back again.

Please...Don't...Eat me...

If you eat something like me,
you'll get a stomach ache!
You'll be sorry!!

Oh, I see. Big Brother Darunia
asked you to rescue me.
I owe you big time!
Please help Big Brother!

My Brotherrrrr...

Your shield is gone!

The tunic you were wearing is
gone!

Your shield is gone!
The tunic you were wearing has
also been taken!

You've done well to come all the

way up here, Link.

This is the summit of the sacred
Death Mountain! Hoot!

It is said that the clouds
surrounding this peak reflect the
condition of Death Mountain. When
they look normal, it is at peace.

Climbing all the way up here
just proves how smart you are!

Now I want to see you make
another smart move...

The Great Fairy lives on this
mountaintop, and she will give
you a new skill! She is the leader
of the fairies, you know. Hoo!

I will perch here and wait for you.

When you're ready to go back
down, I can help you!

Now, get going!

Hoo hoot!

Well, it looks like you've grown
up a little from the Great Fairy's
power...

But you still don't really look like
the hero who will save Hyrule. At
least not yet!

If you are going back down the
mountain, I can lend you a wing.

Come here and grab my talons!

And hold on tight! Hoo hoooooot!

They say that a beautiful fairy
lives on top of Death Mountain!
Don't you want to see her?

They say that a fairy lives on top
of Death Mountain.

If you want to make it to the top,
you'd better take a big shield
with you...

Look! A chicken hatched from
the egg you were incubating!
It's the miracle of life!

Did you get the red stone?

Let me get one little lick!

No? Booooo!

Brother! You'll keep brushing up
on your skills as you travel,
won't you?

You should go see the Great Fairy
on top of Death Mountain! She
will power you up!

Hey, everybody! Let's see off our
Brother!

I'll tell you a secret for

saving me!

In this temple, there are doors that fall down when you try to open them. When one of these doors starts to fall, move! If you use a sample of the Goron "special crop," you can break it...

Let me tell you a secret as a reward for releasing me! When you are on fire, you can put it out by swinging your sword, or by rolling forward... Did you know that?

Here's a tip for rescuing me! Somewhere in this temple, you're sure to meet up with some creatures that dance as they attack. Arrows won't hurt them! Looks like you might need some of the Goron "special crop!" That's all I have to tell you!

I'll tell you a secret for saving me! There are switches in this temple that you have to cut to activate. But, you can also use the Goron "special crop" to do the job.

I'll tell you a secret for saving me! If you find a place that you can see on the map, but can't reach, try playing your Ocarina!

I'll tell you a secret for saving me! In order to get into the room where Darunia went, you have to do something about the pillar stuck in the ceiling. Find a path that leads to a room above the ceiling right away!

I'll tell you a secret for saving me! A door is hidden inside the statue at the entrance to this temple. But, the Goron "special crop" won't work on it... Don't you have anything stronger?

Here's a secret for saving me! A wall that you can destroy with the Goron's "special crop" will sound different than a regular wall if you hit it with your sword.

Are you releasing me?
Am I free to go?

These eyeballs are so delicious!
Tonight I will cook fried eyeballs
for the first time in a long time!
UhoY hoY hoo houY hoY!
Such great stuff! Please say
thank you to King Zora!
Eh? What?

These are for making Biggoron's
Eye Drops? Oh, how disappointing!
You should have said so in the
first place!

Link!
This way! Hoo hoo!
I wonder what Saria is doing now?
How about going back to the
forest sometime?

What are you doing? You've come
a long way to get up here...
You should look at the Map
Subscreen sometimes.
Link, this is a beautiful
lake full of pure, clear water.
At the lake bottom there is
a Water Temple used to worship
the water spirits. The Zoras are
guardians of the temple. Hoo hoo.
The Zoras come from Zora's
Domain in northeast Hyrule. An
aquatic race, they are longtime
allies of Hyrule's Royal Family.
I heard that only the Royal Family
of Hyrule can enter Zora's Domain...
Hoo hoo!
I'm on my way back to the castle.
If you want to come with me, hold
on to my talons!

I'm on my way back to the castle.
If you want to come with me, hold
on to my talons!

...Huh?
It looks like there is something
already inside this bottle.
It's a letter:
"Help me.
I'm waiting for you inside
Lord Jabu-Jabu's belly.
--Ruto

PS: Don't tell my father!"

Who are you?

We are the Zoras, the proud aquatic people!

So...you say you have some connection with Hyrule's Royal Family...

Well, what do you want from us?

We are good at diving!

How about you?

If you want to be a master diver, try the diving game at the top of the waterfall!

Have you tried it already?

Zora's Fountain is the source of the river.

Lord Jabu-Jabu lives in the fountain.

Lord Jabu-Jabu is the patron deity of the Zoras. Princess Ruto is in charge of preparing his meals, morning and night.

We Zoras all serve the great King Zora.

The great King Zora should be in the Royal Chamber.

Have you seen Lord Jabu-Jabu?

Yes

No

According to the "Legend of Zora," the act of offering a fish to Lord Jabu-Jabu will make you happy.

Oh, that's not good.

Everybody who comes around here should see Lord Jabu-Jabu at least once!

Zora's Fountain is just beyond King Zora's throne. That is where Lord Jabu-Jabu swims. But... unless you have King Zora's permission, you can't go to Zora's Fountain.

We haven't found Princess Ruto even though some of us have searched as far as Lake Hylia....

If you find any clues to Princess Ruto's whereabouts, will you show them to King Zora?

All of the water in Hyrule flows from Zora's Fountain. That water flows through Zora's River, which eventually reaches Lake Hylia to the south.

Oh--I've come back to life! Was it you who saved me? Don't be nervous! It looks like you have a hard time breathing underwater. As an expression of my gratitude, I grant you this tunic. With this, you won't choke underwater.

Princess Ruto has gone to the temple of Lake Hylia and has not come back... I'm so worried...again!

Ooh... This is... well... hmmm... Hmmm... Eye drops... You might say we have them, you might say we don't... We do have the ingredients. If you take the ingredients to the doctor at the lake laboratory, he can make the drops for you. But you need to deliver them fresh...

Can you make it before they spoil?
Yes
No

Then you think they'll spoil before you can get there?
It's not that far if you make the connection on horseback...

Hoot hoot!
Link, you look like you're getting more comfortable in your role as adventurer. I think Princess Zelda is waiting for you to visit her again. You already have the Goron's Ruby, don't you?

Hello there, son. I'm researching the process of making medicine by mixing Lake Hylia's water with various unusual compounds. Perhaps you've met that old lady from the potion shop...she is like a student of mine...
Ho ho ho!

Oh, wow!
I haven't seen an Eyeball Frog
like this since Zora's Domain froze
over!

Oh, my dear, sweet Princess Ruto...
Where has she gone?
I'm so worried...

Ho, this letter!
It's from Princess Ruto!!
Hmmm...Let's see...
She's inside Lord Jabu-Jabu?
That's not possible!
Our guardian god, Lord Jabu-Jabu,
would never eat my dear Princess
Ruto!
But since that stranger, Ganondorf,
came here, Lord Jabu-Jabu has
been a little green around the
gills...
The evidence seems clear.
Of course, you'll go find Ruto.
You can pass through here to the
altar of Lord Jabu-Jabu.
I'll keep this letter. You keep the
bottle it was in. Take it
respectfully!

Please find my dear Princess Ruto
immediately... Zora!

You can't breathe underwater!
If you start choking, take off
those boots!

Ooooh Noooooo!

Ohhh, I'm revived...
Was it you who saved me?
Don't be so nervous!
I will give you a Zora Tunic as
a token of my thanks. If you have
this, you can... What?!
You already have one? You're
ready for anything, aren't you!
With my heartfelt thanks...how
about a KISS?! What? You don't
want it?! Oh well...
If you don't want my rewards, you
can listen to my troubles...

I am a Zora. Have you seen a
pretty Zora girl around here?

I am a Zora. Have you seen
anything strange in the lake?
The river carries many things
into this lake!

You...You're late!
What took you so long?
You're useless!
I was just lonely, that's all...
Just a little!!

I was scared...
A little! Just a little!!

Link!
Link!

You!
You looked cool...cooler than I
thought you would, anyway...
Just a little!
Well, anyway, you saved me, so I
guess I'll reward you.
What do you wish? Just tell me...

I want that Spiritual Stone.
Nothing really...

You mean the Spiritual Stone of
Water, Zora's Sapphire, don't you?

My mother gave it to me and said
I should give it only to the man
who will be my husband. You might
call it the Zora's Engagement Ring!
All right!
I'll give you my most precious
possession:
Zora's Sapphire!

Don't tell my father...

Heeheehee... Don't be shy.
I can tell what you're thinking...

I want to buy a fish, but they are
a little too expensive...
I have no choice but to catch one
of the fishes that's swimming
around out there.

Oh, Link!
So, you saved the Princess, eh?
I really appreciate it!

Did my most precious possession
help you in your quest? Heehee!

Oh, hi Link!
You're all Princess Ruto will talk
about lately!

Oh, it's you, Link!
Thanks to you, Lord Jabu-Jabu is
back to normal!

We Zoras all respect the great King Zora! He has the dignity of a king. Oh yeah, he does. The grand King Zora has a Princess named Ruto. She's an only child. She's also a wild tomboy, and it seems like she's always causing the King a lot of trouble!

Here it is. This medicine doesn't have any preservatives in it. So it won't last long at this temperature. Run as fast as you can to Death Mountain. You're young-- you can do it!

Hoo hoo! Looks like you've gotten bigger and stronger already, Link! Just ahead lies Zora's Domain. The Zoras serve Hyrule's Royal Family by protecting this water source. Their door will not open for anyone except those who have some connection with the Royal Family. Let them hear the melody of the Royal Family! Hoo hoo hoooot!

When you come back next time, don't forget to bring me a souvenir!

You found Princess Ruto! Now King Zora will give you the Spiritual Stone of Water... Well, maybe. Huh?

Her most precious possession? You don't know what she's talking about, but you've collected two Spiritual Stones! Only one to go!

Her most precious possession? You don't know what she's talking about, but you've finally collected all three Spiritual Stones!! Go back to see Princess Zelda!

We meet again, Link...

This ice is created by an evil curse... The monster in the Water Temple is the source of the curse.

Unless you shut off the source,
this ice will never melt....
If you have courage enough to
confront the danger and save
the Zoras, I will teach you the
melody that leads to the temple.

Time passes, people move....
Like a river's flow, it never ends...
A childish mind will turn to
noble ambition... Young love will
become deep affection... The clear
water's surface reflects growth...
Now listen to the Serenade of
Water to reflect upon yourself....

If you came here to meet the
Zoras, you wasted your time...
This is all there is...
With one exception, the Zoras
are now sealed under this thick
ice sheet...
I managed to rescue the Zora
princess from under the ice, but...
she left to head for the Water
Temple...

If you want to buy fish, you need
a container to put them in.

You say you want to buy a Zora
Tunic? That tunic is made of the
finest material, and is therefore
exceedingly expensive!
In fact, I'm afraid only that very
rich family in Kakariko Village can
afford this fine garment...

403C

403D

Oh...you... If I'm right...
Link?!
You're Link, aren't
you?
It's me, your fiancée, Ruto!
Princess of the Zoras!
I never forgot the vows we
made to each other seven years
ago!
You're a terrible man to have
kept me waiting for these seven
long years...
But now is not the time to talk
about love...
I'm sure you've already seen it!
Zora's Domain--totally frozen!
A young man named Sheik saved
me from under the ice...

But my father and the other
Zoras have not
...yet...

I want to save them all!
I want to save Zora's Domain!
You! You have to help me!
This is a request from me, the
woman who is going to be your
wife!
Link, you have to
help me destroy the evil monster
in the Temple, OK?!
Inside the Water Temple, there are
three places where you can
change the water level.
I'll lead the way.
Follow me, quickly!!

Link! Look out!
That isn't normal water over
there!

4040

Link...
I would have expected no less
from the man I chose to be my
husband.
Zora's Domain and its people
will eventually return to their
original state.

If you see Sheik,
please give him my thanks, OK?

Did Ruto want to thank me?
I see....
We have to return peace to
Hyrule for her sake, too.
Don't we?

4044

Ah, I see...
Princess Ruto went to the Water
Temple...

As a reward...
I grant my eternal love to you.
Well, that's what I want to say,
but I don't think I can offer that
now.

Princess Zelda... She's alive. I can
sense it...so don't be discouraged.

Keeeyaaaah!
What is this?! An octopus?!

I have to guard the Water
Temple as the Sage of Water...
And you... You're searching for the
princess, Zelda?
Hah!
You can't hide anything from me!

I can tell that nothing will stop
you in your quest for justice and
peace... You must take this
Medallion... Take it respectfully!

You! Who are you?!
I am Ruto, Princess of the Zoras.
What?!
Are you saying my father asked
you to come here to save me?
I'd never ask anyone to do such a
thing!
"Letter in a Bottle?" I have
no idea what you're talking about!
My father is worried about me?
I don't care!
Anyway, I can't go home right now.
And you... Get out of here!
Understand?!

Are you still hanging around here?
I told you to go away!
I'm OK. I've been going inside
Lord Jabu-Jabu's belly since I was
little, but...
Lord Jabu-Jabu is very strange
today...
There are electrified jellyfish and
strange holes around...
On top of that, my precious stone
was...but...
That's none of your business!
Anyway...
You! Go home now!
Understand?!

You're that worried about me?
Then I will give you the honor
of carrying me!
However...I won't leave until I
find the thing I'm looking for.
You'd better believe me!

How inconsiderate!
How could you leave me behind?!
If you're a man, act like one!
Take responsibility!

That's it!
That's what I've been looking for!
Throw me up there!
Onto the platform!

Princess Ruto got the
Spiritual Stone!

But
why Princess Ruto?

Oh my goodness!
I finally found...
My mother's stone...
I got very upset when Lord Jabu-
Jabu swallowed it...
While I was feeding him, he
suddenly swallowed me! I was
so surprised I dropped it inside...
But, now that I've found it,
I don't need to be in here
anymore!

So, take me home, right now!

You may not have noticed, but I've
been watching you. You dove
1 meter just now. But I wouldn't
call that a real dive.

You may not have noticed, but I've
been watching you. You dove
2 meters just now. But I wouldn't

call that a real dive.

You may not have noticed, but I've been watching you. You dove 3 meters just now. But I wouldn't call that a real dive.

You may not have noticed, but I've been watching you. You dove 4 meters just now. Still not deep enough!

You may not have noticed, but I've been watching you. You dove 5 meters just now. Still not deep enough!

You may not have noticed, but I've been watching you. You dove 6 meters just now. You should be able to dive deeper!

You may not have noticed, but I've been watching you. You dove 7 meters just now. You should be able to dive deeper!

You may not have noticed, but I've been watching you. You touched the bottom just now. Fantastic! I'll give this to you!

Your diving is the best in the world. Why don't you dive to the bottom of Lake Hylia?

My name is Pierre, the wandering scarecrow. Actually, I wish I could wander to look for soul-moving sounds, but I'm kind of stuck here.

Fantastic tune! It touches my heart!

If you come up with a nice song, come back and let me hear it!

That song you played for me still stays in my heart. Let's hear it again!

That song you played for me stays in my heart!

Well, do you want to go fishing for 20 Rupees?

Yes

No

Oh, no! You don't have a Rumble

Pak! With a Rumble Pak, you can feel the vibrations of a fish on your hook.

This time, no rumble for you!

Wow! You have a Rumble Pak!

Today, you can feel the vibration, young man!

Shucks! You don't have enough money.

OK, listen up!

Walk up to the water's edge and press (Z) to look at a fish.

While looking at a fish, you can cast your line with (B). Press (A) to brake the line.

When the lure drops into the water, you can wiggle it with (+).

If you're a novice, you can also use (B).

Reel in your lure with (A). Hold down (A) and (R) to reel it in faster.

If you feel a hit, press (A) and (+) down to set the hook.

After that, reel it in with (A).

Do you understand?

Yes

No

I'm so generous, I'll let you fish for as long as you want. However, you can keep only one fish.

The biggest fish ever caught here weighed pounds.

After you cast, you can change your view with (Z).

Let's fish!

Wah ha haah!

Did you set the hook by pressing (A) and (+) down?

Hey, what happened?

You lost it!

Well, well...it's about pounds.

Do you want to keep it?

Yes

No

What do you want?

Weigh my fish.

Let's talk about something.

I want to quit.

Passion alone won't catch you

many fish. I'm serious!

WHOA!

This fish is huge! It looks like a new record! It weighs at least pounds! Seriously!
OK, here is your prize!

What?

What are you doing to me?!

Hey, young man! Don't you have anything important you should be doing?

What? Are you saying it's more fun to play here?

I've seen many people ruin their lives with that kind of attitude. I'm serious!

Oh well...

The biggest fish ever caught in this pond weighed pounds.

The angler: Link

Do you want to continue fishing?

Yes

No

Well, it weighs pounds...

Not bad, but there are bigger fish in there!

Hey, c'mon! You don't have a fish! Shucks!

You want to try another lure?

What are you talking about? Are you so selfish?

Don't you know the old saying, "A great fisherman never chooses his own lure?"

What? Do you want to know some fishing secrets? I can't tell you any. They are company secrets. Seriously!

What? You want to know if I'm a good fisherman?

Of course I am! I'm an old pro!

Do you know what a pro is?

I'm telling you the truth!

Rules and Regulations

1. Don't use sinking lures.
2. Don't litter.
3. Walk quietly.
4. Don't cast at anyone.

Wow! This is a real lunker!

Let's see...it weighs

□ pounds!

Do you want to keep it?

Yes

No

Come back when you get older!

The fish will be bigger, too...

Well, maybe.

Hey, mister! I remember you!

It's been a long time!

How many years has it been?

Seven years?! What have you

been doing all this time?!

You're my only customer. I'm

almost out of business! Seriously!

On top of that, my hair...

Uh, I mean, never mind...

Well, do you want to go fishing?

It costs only 20 Rupees!

Yes

No

What?

You want to go fishing in a
different fishing pond?!

What are you talking about?

I'll go out of business if you go
somewhere else!

I'm serious!

What?

You want to know why I'm
scratching all the time?

What are you talking about?

Actually, I have no idea.

I'm serious!

What?

Are you trying to tell me you
can't see the fish because the
water is cloudy?

What are you talking about?

This time of day makes for
fishing at its finest!

You can hook a fish out of the
blue, when you least expect it.

Now that's exciting!

I'm serious. Really, I am!

Hey, what are you doing?

I told you not to do that!

You're terrible!

Seriously!

Give me back my hat!

OK

No way

What? Huh? Oh?

I think the fish you already
kept was bigger than this one...
Do you still want to keep it?

No, I don't want it

Yes, I want to keep it anyway

Gosh! That's a strange fish you
caught there! On top of that, it
weighs □ pounds!
What do you want to do with it?

Keep it anyway

I don't want it

Wow!

Is this what I think it is?

Astonishing!

You snagged a sinking lure!

What do you want to do with it?

Use it now.

Get rid of it.

Well, well...

WOW! What a rare fish!

This is a Hyrule Loach!

For this fish, size doesn't
matter. I'll give you this
prize!

Recently, the number of these
fish has decreased tremendously,
so I'm going to release this one.

Rules and Regulations

1. Don't use sinking lures.
2. Don't litter.
3. Walk quietly.

Hey! Hey!

You can't take the rod out of
here!

When you quit fishing, return
the rod to the counter.

I'm serious!

Oh my gosh!

This fish is gigantic!!

A fish this big can't even fit
on the screen, and I can't weigh it
accurately, but it looks like it's
about □ pounds!!

You'll want to keep this one,
right?

Keep it

Don't keep it

Hey, baby!

I'm Bonooru, the scarecrow!

You've probably heard about my
fantastic memory!

If you have a new tune to play,
blow it!

This is the song you tooted last
time, baby!

Hit it!

I am Bonooru, the scarecrow
musical genius!

I hear a song once, and I never
forget it, baby!

Play the usual tune to call
Pierre!

If he's nearby, he'll come out to
help you, baby!

Hey! Aren't you the fairy buddy I
met a long time ago?

Wow, you grew, dude!

Well, here's your song...

What?

No, I never forget!

You, you're the one who forgot...

aren't you? If you have an

Ocarina, play that song, baby!

Whoa! You have an ocarina!

Hey, why don't you lay a tune
on me with it, baby?!

Well...not bad!

I will remember it for you
anyway!

I don't mean I can remember only
eight notes, but let's just cut it
right there for now, baby!

Play it like that and you'll
never move this scarecrow's heart,
baby!

OH YEAHHH!!

That's it, that's the tune!!

You rock!! I'm blown away!

Oh, no, no! I didn't forget the
song...I never forget anything!

But I just feel like rewarding
you, baby!

.....

I have a good idea!

My buddy Pierre is wandering
around, so play that tune when
you want to call him!

I'll tell him to help you if he's

nearby and hears that song, baby!

Hey, it's the Ocarina!
Play that song with it,
baby!

Young lad, you play the Ocarina
well... Mmmmm...! That melody is
so fine...ribbit! We all should
practice it, ribbit!
Take Rupees as a souvenir!
If you come up with another nice
melody, please drop by and play
it...Ribbit ribbit!

Wow, that melody is so cool!
Ribbit!
Siiiiingin' in the raaaaaain,
Oh what a feeling!
Rrrrrribbit!!
Please take this as a token of
our froggish gratitude, ribbit!
All right. See you, ribbit!

Look at us, we're all huge frogs!!
We are the world famous Fabulous
Five Froggish Tenors!!
Rrrribbit!!
Make us jump so we can eat the
bugs flying above us, ribbit!
OK?
Then, ready, set, go!

Young boy, you did grrreat!
Perrrrrfect!
We are stuffed, ribbit!
Would you take this token of our
gratitude?

Oh well, I don't remember that
song, baby.
Why? That's what I can't tell ya!
Good golly!

The biggest fish ever caught in
this pond weighed pounds.
The angler: the pond owner

What?
Do you want to fish with a
different lure?
...Hey, what's that?
What? You just picked it up?
Usually, the rules says you can't
use one of those. I mean, usually.
But, what the heck...

YAHOOOOOO!
This is HUGE!! A new record!!
This...this weighs as much as...

□ pounds!!

Buuuuuuuut! That sinking lure is
in violation of the rules!

So, no prize for you.

Wah ha ha ha ha ha!

The biggest fish ever caught in
this pond weighed □ pounds.

The angler: Link

(NOTE: With illegal sinking lure.)

You're a kind-hearted kid!

But don't tell anyone about this.

Seriously!

WHAAAAAT?!?

Why are you doing this to me?

What are you thinking?

I'm not going to let you get off
that easy! You have to pay me a

50-Rupee fine!

Seriously!

GYAAAAH!

You killed me!!

Huh? Oh, it's you.

Did you try to play the

Sun's Song?

Like I told you before, with that
song, you can turn day to night
or night to day whenever you
want.

When you're in darkness, that
song should bring the sun's light
to you. You should try it.

When I dug a hole, I found a
treasure that stretches--BOING!
and shrinks--BOING! It's so fun,
I'll never give it to anybody!

The gravekeeper's diary is here.
Do you want to read it?

Yes

No

Whoever reads this, please enter
my grave. I will let you have my
stretching, shrinking keepsake.

I'm waiting for you.

--Dampé

You decide not to read it...

You defeated Poe the ghost!

Do you want to catch it in
a bottle?

Yes

No

You want to catch it but you
don't have an empty bottle.

You let it go for now.

You caught a Poe!

The rising sun will eventually set,
A newborn's life will fade.
From sun to moon, moon to sun...
Give peaceful rest to
the living dead.
This is an interesting poem...
huh?

Restless souls wander
where they don't belong,
bring them calm with
the Sun's Song.

Something is inscribed on the
tombstone...
It's the secret melody of the
Composer Brothers!

Ultimate potion! How about
100 Rupees?
Buy
Don't buy

If you change your mind, come
back and visit me...
Hee hee hee!

You don't have enough Rupees!
Hee hee hee!

GYAAAAAH!

YOU KILLED ME...
Unbelievable!
Oh, what?
You're not one of Ganondorf's
men, are you?
Because of my role as a ghost, I
had to act like that. I apologize.
Now then, let me introduce myself.
Ahem...

I am one of the ghostly composer
brothers of Kakariko Village.
All the people in this village are
born to serve the Royal Family of
Hyrule.
We brothers also served the Royal
Family, and were assigned to
study the hereditary mystic
powers of the family.

Though we never could figure out
the power of the Triforce,
we had almost completed our
study of controlling time with the
tones of ocarinas.

Uh, I mean...

Actually, we did complete that
study!

We would have been famous, if
that hateful Ganondorf had not
tried to steal our results.

We could never let him reap the
fruits of our research!

That's why we gave our lives to
protect the secret.

Do you want to hear what I
said again?

Yes

No

GYAAAAH!

I'M DEAD AGAIN!

What? You again?

Somehow, you remind me of...

Princess Zelda...

Hmm... Since you may have some
connection with the Royal Family, I
will tell you a little more of our
tale.

Back then, people called us great
composers because of the many
musical masterpieces we wrote.
But we brothers were not just
composers.

We had a mission to analyze the
mysterious powers of Hyrule's
Royal Family.

Our names would be a part of
Hyrule's history if we could
complete our research!

We kept our study extremely
secret until we completed it.

GYAAAAH!

I'M DEAD AGAIN!

What? You again?

Somehow, you remind me of

Princess Zelda.

Since you seem to have some
connection with the Royal Family, I
will tell you a little more of our
story.

To tell the truth, each of us
was studying a different song, one

to summon the sun and another to
summon the moon.

If you were really sent by a
member of the Royal Family, I will
tell you about the results of our
study.

We inscribed it on the royal
tombstone.

As a messenger of the Royal
Family, you should show your
Royal credentials on top of the
Triforce mark...

Z Z Z...

Malon...doing all right...

Mumble...mumble...

Sorry to make you worry...

Ingo took over Lon Lon Ranch and
they call it Ingo Ranch nowadays.
I was kicked out of there, and
look at me now! My girl, Malon,
still works at the ranch...
I'm worried about her...

Did you save Malon? Thanks!
I'm goin' back to the ranch, then!
Yeehah!

Hey kid!

Don't mess around with the
graves!

I'm Dampé the Gravekeeper!

My face may be scary, but I'm not
a bad guy...

Let me give you an advertisement
for my side business...

Dampé the Gravekeeper's

Heart-Pounding Gravedigging Tour!

What's gonna come out?!

What's gonna come out?!

When I start digging,

we'll find out!

Do you want me to dig here?

10 Rupees for one hole.

Yes

Don't do it

Nope, nothing here!

Get back, Link!

Link....

A terrible thing has happened!

The evil shadow spirit has
been released!

Impa, the leader of Kakariko

Village, had sealed the evil shadow
spirit in the bottom of the well....

But the force of the evil spirit
got so strong, the seal of the
well broke, and it escaped into the
world!!

Let me take care of the village!
I'm counting on you,
Link!

Royal Family's Tomb

This poem is dedicated to
the memory of the dearly departed
members of the Royal Family.

The boy with the noble Zelda's
Ocarina...As I expected,
you have come.
I am Impa, one of the Sheikah.
I am Princess Zelda's caretaker,
and I am also the Sage who
guards the Shadow Temple.

Please look out for the Princess!

Link, the hero!
Finally, all of us, the six Sages,
have been awakened!
The time for the final showdown
with the King of Evil has come!
Before that, though, you should
meet the one who is waiting for
you...
The one who is waiting for you at
the Temple of Time....

We Sheikah have served the
royalty of Hyrule from generation
to generation as attendants.
However...
On that day seven years ago,
Ganondorf suddenly attacked...
and Hyrule Castle surrendered
after a short time.
Ganondorf's target was one of
the keys to the Sacred Realm...the
hidden treasure of the Royal
Family...The Ocarina of Time!
My duty bound me to take Zelda
out of Ganondorf's reach.
When last I saw you, as we made
our escape from the castle, you

were just a lad...

Now I see that you have become
a fine hero...

I have to stay here... You go to
Princess Zelda's side and protect
her on my behalf.

Now I put my power, which should
be helpful to you, into this
Medallion!

How is your Cucco? Is he happy?
Shall I check him out for you?

I am the boss of the carpenters
that Impa hired to improve this
village and make it into a true
city!

But young men these days don't
have any ambition...

Do you know what I mean, kid?

My workers are just running
aimlessly around the village, and
they're not making any progress
at all...

Even my own son doesn't have a
job, and he just wanders around
all day!

They're all worthless, I tell you!!

Look at that poor girl over there.
She works so hard taking care of
her chickens, even though touching
them gives her goose bumps...

What a trooper! I would really
like to help her! I've just been
feeling so charitable these days!
Don't you feel that way, too?

There's nothing to worry about...
The Princess is safe now.

Soon, you'll meet Princess Zelda
face-to-face, and she will explain
everything...

That is when we, the six Wise
Ones, will seal up the Evil King
and return peace to Hyrule.

Hehehe, young man...

You were very quick to be able
to keep up with me! Hehehe!

As a reward, I'm going to give
you my treasure. It's called the
Hookshot!

Its spring-loaded chain will pull
you to any spot where its hook
sticks. Doesn't that sound cool?
I'm sure it will help you!

I live here now, so come back
again sometime. I'll give you
something cool!

One more thing! Be careful on
your way back!

Heheheh....

You're back, young man...

Was the present I gave to you
fun and useful?

The time of this race was

□!!

Looks like you're coming around...

I believe Impa has gone to the
Shadow Temple to seal it again,
but...she will be in danger without
any help!

Link!

Impa is one of the six Sages.
Destroy the evil shadow spirit and
save Impa!

There is an entrance to the
Shadow Temple beneath the
graveyard behind this village.
The only thing I can do for you is
teach you the melody that will
lead you to the Shadow Temple...
This is the melody that will draw
you into the infinite darkness
that absorbs even time... Listen to
this, the Nocturne of Shadow!!

Go around! Go around and around
and around! What fun! I'm so
happy!

I'm a music man who loves
to go around and around!

Go around and around!!!

I'm trying to come up with a
musical theme inspired by this
windmill...going around and
around and around!!!

Go around, go around, go around...
What? It's going way too fast!

Grrrrrrrrrr!

I'll never forget what happened on
that day, seven years ago!

Grrrrrrrrrr!

It's all that Ocarina kid's fault!
Next time he comes around here,
I'm gonna mess him up!

What?! You've got an ocarina!!

What the heck!

That reminds me of that time,

seven years ago!
Back then a mean kid came here
and played a strange song. It
messed up this windmill!

What should I do!?
My Cuccos have all flown away!
You, little boy, please!
Please help me bring them back to
this pen!

My Cuccos have run away!
Please help me bring the other
four back to this pen! Please!

My Cuccos have run away!
Please help me bring the other
three back to this pen! Please!

My Cuccos have run away!
Please help me bring the other
two back to this pen! Please!

My Cuccos have run away!
Please help me bring the last one
back to this pen! Please!

Thank you for finding my Cuccos.
I have allergies, so I get
goose bumps when I touch them.
For helping me, I will give this
to you. It's fine glass, and should
be useful. Please take good
care of it!

Hey, what are you doing?!
Now go round them up or pay for
them!

Please don't tease my Cuccos!

I bred a new type of miniature
Cucco! I call it the Pocket
Cucco! I don't get goose bumps
from this baby.
Cuccos are very good at
getting lazy, late-risers out of bed.
Haven't you heard of them
before?
It makes them very happy to crow:
CUCKOOOO!
especially when it wakes up a
very heavy sleeper!
However, my Cucco is not entirely
happy right now...
You...,
You look like you're good at
handling Cuccos.
Here, take this egg.
After the Cucco hatches, bring it

back to me after a while, and I'll check out its mood.

What do you think?

Will you try?

Yes

No

Oh, too bad...were you pecked by a Cucco when you were little?

Heh heh heh, young man!

Are you fast on your feet?

I may not look like it, but I'm confident in my speed!

Let's have a race!

Follow me if you dare!

Please make my Cucco happy!

OK?

Oh, your Cucco looks pretty happy! He must have awakened an extremely lazy guy!

You're a good Cucco Keeper!

I'll give you a rare, valuable

Cucco, if you're interested...

Its name is Cojiro, and it used to be my brother's Cucco. Its blue body is quite charming.

It's so cute!

Since my brother has gone, it's strange, but Cojiro has stopped crowing.

Do you want to keep Cojiro?

Yes

No

It looks as if you really like that other Cucco. OK, you can keep it for a while.

An old witch runs the Potion Shop behind this one. You can get to that shop through the door to the left of the counter.

My brother must have been very lonely...

I heard that the Lost Woods, where fairies live, is a strange place with many mysterious smells.

I wish I could just once make medicine with some of the strange things I might find there...

I may not be able to see very well anymore, but my nose still

works fine! Hehehe!

Sniff sniff sniff...

What a mysterious smell...

You must have something!

That bum! He had to go into the forest...

.....

I see.

Hey, give it to me now!

Yes

No

How sad... I just need a little...

If you see that fool, give this to him. It is the strongest medicine I have ever produced.

However, this potion will not work on a monster...

Hey, kid! If you want to carry medicine, you need a container to put it in!

They say that there is no medicine that can cure a fool... I guess that's true...

I can't get down, so all I can do is look at Death Mountain.

I can't get down, so all I can do is look at the stars.

Can you see it from there? Something is happening on Death Mountain!

Can you see it from there? Death Mountain is back to normal!

I don't feel like getting down, ever! Whatever happens, I'll keep watching Death Mountain from up here.

Hey! Good to see you again! I'll give you this as a memento.

To get a good view, use (^) and look around with (+).

Hey! Kid, do you always enter other people's houses without permission? Didn't your parents

teach you any manners?

Oh well.

Did you see a lady behind this house? She's going through hard times.

Oh well.

If that lady asks you about chickens, you should listen to her.

Is visiting other people's houses at this late hour your idea of fun? You must not have had a good upbringing.

Oh well.

That lady takes care of chickens, but she is, in fact, allergic to them.

Oh well.

Hey! Young man! A grown boy like you entering a person's house without permission?! I want to talk to your parents!

Oh well.

This isn't my house anyway.

This is the great Impa's house!

The great Impa has gone to the graveyard to seal up the humongous creature there.

Since Ganondorf appeared, many monsters have been sighted around here.

Only the great Impa has kept peace in our village. You have to remember that, young man!

Oh well.

Speaking of the great Impa, she hasn't come back yet. I wonder what happened to her?

I heard that the ghost of the gravekeeper often appears in the graveyard behind this village...

But, no big deal.

Hi, boy! Is this the first time you've visited this village?

A great woman, Impa, opened up this village to us poor folk.

Well, make yourself at home.

The food isn't ready yet, though.

The great Impa is not here. Did something happen to her?

All people have hardships in their past that they would

rather no one found out about.

Look at the bearded man sleeping over there. I bet even someone like him has had his share of troubles in the past...

That bearded guy went back to the ranch. He looked so happy!

Ding dong, ding dong!

I'm a clock soldier of Kakariko!

The current time is: (t).

Hello there, son.

Zelda's attendant, the great Impa, opened this village to the common people.

We have only a small population now, but someday this place will be as lively as Hyrule Castle Town! Oh, yes! It will!

Climb up the stairs at the north end of the village to find the trail that leads up Death Mountain.

But you need the King's permission to actually go up the mountain.

Ding dong, ding dong!

The current time is: (t).

Ding dong, ding dong!

The current time is: (t).

By the way, do you know what happened in the castle?

Hey, son, what are you doing wandering around this late at night?

Oh, I get it. You're testing your courage, aren't you? You must want to go to...a graveyard!

Wait a minute! What am I doing talking to a kid? I've got work to do! Work! Work!

Ding dong, ding dong!

The current time is: (t).

Head east and you'll find a graveyard. Legends say you can calm the souls of the dead with an old song of the Royal Family.

There's a strange guy living in the Windmill. Have you already met him, Mr. Hero?

People are disgusting.

My own father and mother are disgusting.

You must be disgusting, too!

All day long, we are working on many construction projects in the village. It's going to take awhile before everything is done. Our boss works us very hard!

I'm starving!
Let's eat dinner, right now!

Those guys each do the work of half a man, but they still want a full man's portion!
They're lazy slackers, I tell you!

Poe 30 Rupees
This is a bottled ghost spirit. Sell it to someone who is crazy about weird things like this.

My Cuccos have run away!
Please catch six more!

Link!
This ship is sinking!
Abandon ship!
Get onto a safe platform!

I'm still missing some Cuccos!
Please round up five more!

Don't cause trouble!
I'll tell Dampé!

Look at this, kid! My beautiful, smooth hands are all worn out from working. Sob sob...

A job where you can make a lot of money without much effort... The only thing I can think of is thievery... Is that a bad idea?

I heard that our boss's house is just behind this house. He doesn't want any of us to know, though.

Have you seen Mr. Dampé, who lives in the graveyard up ahead? It's (t) right now, so he's probably asleep in his hut. Why don't you go out onto the

field and kill some time?

I'm starving!
Isn't dinner ready yet?
It's (t) already!

This used to be the great
Impa's house, but she doesn't
live here any longer.
It is now open to all
villagers. You are free to
go on in.

This village used to be a
Shiekah village, but the
great Impa opened it to
everyone.

I tell you, I saw him!
I saw the ghostly figure of Dampé

the gravekeeper sinking into
his grave. It looked like he was
holding some kind of treasure!

There he is! It's him!
He's the one who dropped from
the sky surrounded by a blue
light!
Now do you believe me?

Nobody believes what I've been
telling them all these past
seven years!

The fire almost consumed us all!
But together, we all were able to
put out the fire! Pretty good
work, don't you think?

Wah hah hah hah hah hah!
Look at this guy! Ever since
he escaped from Hyrule Castle
Town, he's become even more
timid!

Wah hah hah hah hah hah!
He must have been seeing things!
Wah hah hah hah hah hah!

Wah hah hah hah hah hah!
Those are some funny-looking
clothes, man!

Wah hah hah hah hah hah!
When times are tough, laughter is
the best medicine!
That's what my dad always said!

Look at me! I'm on top of the

world! It really bothers me to see
anyone at a higher level than I
am! I have to be on top!

If I fall asleep up here, I'll
surely fall down...

The windmill draws water up from
the depth of the well.
Now the well is dried up, though.
Hrrrrm...

The lady here is really
generous. She even took care of
the carpenters when they were
here!

A long time ago...
There was a man in this very
village who had an eye they said
could see the truth!
Now usually, you have to train
your mind's eye most strenuously
to actually see the truth...
But this fella, no, they say he
had a different way of doing
things...
His house stood where the well is
now...

Folks around here tell of a
fabulously rich family that once
lived in one of the houses in this
village...
But they say that the entire
family was cursed due to their
greed!
Who knows what might happen to
those who are consumed by
greed...

Heh....
What an annoying person,
interrupting us like this...
Don't you agree, my love?

Hee hee...
Violating our personal space!
He must have something better
to do...
Don't you agree, darling?

Look at him...the man with the
beard. I think he was fired from
his job at the ranch...

He's always just lazing around,
morning, noon and night.
He's an awfully carefree guy
during such hard times.

That lazy man, he kind of
reminded me of my little Richard...
What's that? You say you've
never heard of my little Richard?
He was such a famous puppy! You
seriously haven't heard of him?

Oh, no! A storm again!!
You played the Ocarina again,
didn't you!!
Grrrrrrrrrrrrrrrrrr!!

You caught a Big Poe!
Sell it at the Ghost Shop for a
lot of money!

Halt! Stay where you are!

Hey, newcomer!

Hey, newcomer! Wait a second
and I'll open the gate for you.

Don't take us so lightly!

I've seen your fine work. To get
past the guards here, you must
have good thieving skills.
I used to think that all men,
besides the great Ganondorf, were
useless...but now that I've seen
you, I don't think so anymore!
The exalted Nabooru, our leader,
put me in charge of this fortress.
Nabooru is the second-in-command
to the great Ganondorf, King of
the Gerudo Thieves.

Her headquarters are in the Spirit
Temple, which is at the end of the
desert.

Say, you must want to become
one of us, eh?

All right, then!

You're in from now on!

Take this. With it, you will
have free access to all areas of
the fortress!

From now on, you're free to come
and go as you please through the
gate to the desert.

You'll find the Spirit Temple,
where the exalted Nabooru lives,
out there in the desert.

Stupid Kid!

Get in there and keep quiet!

I have no idea where you

come from, but you must have a
lot of guts to make it past all
the guards around here!
All of my fellow carpenters
are imprisoned somewhere in here.
If you can get us out of here,
we'll repay the favor somehow!
But be careful! There're sure
to be Gerudo guards somewhere
around here....

Woo! Watch out!

The Entrance to the Past

The Entrance to the Present

The Entrance to the Future

I'll be your guide on your way,
but coming back, I won't play!
I'll show you the only way to go,
so follow me and don't be slow!

Past, present, future...
The Master Sword is a ship with
which you can sail upstream and
downstream through time's river...
The port for that ship is in the
Temple of Time...
To restore the Desert Colossus
and enter the Spirit Temple, you
must travel back through time's
flow...
Listen to this Requiem of Spirit...
This melody will lead a child back
to the desert.

I am the Gerudo master of
horseback archery! On top of
that, I'm the Gerudo master of
horseback riding!
Want to try horseback archery
for 20 Rupees?
Yes
No

You have guts--I like you.
Follow me.

It's out of the question if you
don't have a horse!

I won't have anything to do with a
coward like you!

Ah, you are not as good as you
claim. Maybe next time.

You did well.
For today, I admit I lost.
It seems I have a lot of room for
improvement.

This is the Gerudo's Training
Ground.
Nobody is allowed to enter
without a membership card.

This is the Gerudo's Training
Ground.
Membership card verified.
One try for 10 Rupees!

Try
Don't try

All right, I'll take your 10 Rupees.
Give it your best shot!

You don't have enough money!
Come back again.

Hey, rookie!
Are you going into the desert?
I'll open this gate for you, but...
You can't cross the desert
unless you pass the two trials.

The first trial is...the River of
Sand! You can't walk across this
river! After you cross it, follow
the flags we placed there.
The second trial is...the Phantom
Guide!
Those without eyes that can see
the truth will only find themselves
returning here.
You are going anyway, aren't you?
I won't stop you...
Go ahead!

Why did you come all the
way down here? What? You were
just about to ask me the same
thing?

Well, now that you're down here,
you may as well make the best of
things!

Good kid! Thanks!
I'm sorry that I can't give you
something as good in return, but...
take this anyway!

601C

I haven't seen you around, kid...

What do you want?

☐To see the temple

Looking for the Sages

Nothing, really

You're just a kid! The temple is
no place for kids!

A Sage? I don't know anyone
like that.

You have nothing to do? What
good timing! Can you do me a
favor, kid?

Wait a second, I want to ask you
first--you wouldn't happen to be
one of Ganondorf's...
followers...would you?

What if I am?
I hate Ganondorf!

Wha-ha-ha!
Don't try to act cool, kid.
I was just asking!
A kid like you could never be
one of Ganondorf's followers!
Well, let's cut to the chase...

Uh-huh!
You've got guts.
I think I like you.

First of all, let me introduce
myself. I'm Nabooru of the Gerudo.
I'm a lone wolf thief.
But don't get me wrong!
Though we're both thieves, I'm
completely different from
Ganondorf.

With his followers, he stole
from women and children, and he
even killed people!
A kid like you may not know this,
but the Gerudo race consists only
of women. Only one man is born
every hundred years...

Even though our laws say that
lone male Gerudo must become
King of the Gerudo, I'll never
bow to such an evil man!
By the way, what is your name,
kid?

Link?!
What kind of name is that?
Well...anyway...

I want to ask you a favor...
Will you go through this tiny hole
and get a treasure that's inside?

The treasure is the Silver Gauntlets. If you equip them, you can easily push and pull very heavy things!

No, no, no, kid! Don't even think about taking this treasure for yourself!

The Silver Gauntlets won't fit a little kid like you if you try to equip them! I want you to be a good boy and give them to me! Ganondorf and his minions are using the Spirit Temple as a hideout.

Only the Silver Gauntlets will allow me to sneak deep into the temple.

Once there, I'm going to steal all the treasure inside and mess up their plans!

How about it? Will you do it?

Yes

No

Thanks, kid!

You and I, let's give Ganondorf and his followers a big surprise, shall we?

If you can successfully get the Silver Gauntlets...

I'll do something great for you!

Well, what did I expect?

After all, you're just a kid!

Hey! Where are you taking me?!

Ho ho ho!

Looks like someone is here, Koume.

Hee hee hee!

Looks like it, Kotake!

What an outrageous fellow he is, to intrude so boldly into our Temple...

Ho ho ho!

We should teach this outrageous fellow a lesson!

Hee hee hee!

Oh, loyal minion...

Destroy this intruder on our behalf!

Great Ganondorf's...Enemy...

Must die...

Unnnh...

Where am I...?

Well, well...

Looks like she's back to normal...

Koume...

She's just a little girl,
but she commands a lot of
respect among the Gerudo, Kotake...

Maybe we should make her work
for the great Ganondorf for
a little while longer!
Ho ho ho!

Then we should brainwash her
again!
Hee hee hee!

Kid, let me thank you.
Heheheh...look what the little
kid has become in the past seven
years--a competent swordsman!

If only I knew you would become
such a handsome man...
I should have kept the promise
I made back then...

Here, I'll give you this...
It's a very important thing to me.
Let's have a competition later!

Link...see you again!

By the way...
I really messed up...
I was brainwashed by those old
witches and used by Ganondorf to
do his evil will...
But isn't it funny? That a person
like me could turn out to be the
Sage of Spirit!
And now, I'm going to fight
them as one of the six Sages!
Heh heh...
I'm going to pay them back for
what they did to me!

Kid...

No...

Link, the Hero of Time!
Instead of keeping the promise I
made back then, I give you this
Medallion!
Take it!

Yeearggh! Let me go!!

You, you fiends!
Ganondorf's minions!

Link!
Get out of here! Now!

These witches! They're using
black magic on me!

Hey, newcomer! This is our
horseback archery field.
After a lot of hard practice and
training, we finally have the skill
to hit the bull's-eye while riding
like the wind!
When you finally learn how to ride
a horse, you should come back
and try it. It's a dangerous sport,
but it's fun!

Hey newcomer, you have a fine
horse!
I don't know where you stole
it from, but...
OK, how about challenging this
horseback archery?
Once the horse starts galloping,
shoot the targets with your
arrows.
Let's see how many points you
can score. You get 20 arrows.
If you can score 1,000 points, I
will give you something good!

Do you want to try again for
20 Rupees?
Yes
No

Hey, rookie!
You're looking good!
Show me your skill again!
You should set a new goal of
1,500 points and try again!

What? Do you want to try again?
Looks like you have some
potential!

I'll be darned! You are a true
master!
I will give you an item suitable
for a master.
This quiver is very important to
me. I want you to have it.
Take good care of it, OK?

□ points...Hmm...

Wha-ha-ha! You have plenty of
room for improvement!

Fantastic!

You are the ultimate master!

I will give you this item.

Once you have this equipment, the
only thing left to improve is
yourself!

□ points...

Quite impressive!

Look at that stupid kid!

He came on his own to offer
himself as a sacrifice to the
great Ganondorf...

With my flame, I will burn him to
the bone!

With my frost, I will freeze him to
his soul!

Shoot, what a fresh kid!

This time, we'll get serious,
right Kotake?

What?

Hey, Koume, what is that above
your head?

I don't know, but you have one
over your head too, Kotake!

But I'm only 400 years old!

And I'm just 380 years old!

We're twins! Don't try to lie
about your age!

You must have gone senile!

Who are you calling senile?!

Is that how you treat your
older sister?

We are twins!

How can you be older?

Keeeyaaaah!!

How heartless you are!

How can you be so ungrateful?

You're heartless!!

You ungrateful...

I'll come back to haunt you!

OK, let's get serious now, Kotake!

Oh, OK, Koume.

Kotake and Koume's

Double Dynamite Attack!

Did you come here to save me?

Oh, that's just swell! I'm Ichiro the carpenter.

We were really interested in joining their all-female group, but they locked us up like this just because we're men!

We don't care about the Gerudo anymore! They're so rude!

Three of my fellows have also been captured, so please help them escape, too!

You're a cute kid! Thank you for coming to save me! I'm Jiro, the carpenter.

These women are so scary! I'd rather work as a carpenter than join them!

I can't wait to say good-bye to this place! Two of my buddies are still being held prisoner. Will you please get them out, too?

Thanks, boy! You're fantastic!

I'm Sabooro, the carpenter.

Have you seen our boss, boy?

He's probably worried about me!

I have to get back to him immediately!

One more of our workers is still a prisoner. Please save him!

I was afraid you were going to forget about me! Now I'm free!

Thanks! I'm Shiro the carpenter.

For rescuing me, I'll tell you something interesting about the desert that I overheard the Gerudos talking about.

They said, "In order to cross the Haunted Wasteland, you'll need the 'eye of truth.' The Colossus is on the far side of the wasteland..."

OK, now I'm going back to my tent near Gerudo Valley, so, drop by sometime. You may find something helpful there! Bye!!!

The leader of the gang of thieves is Nabooru. She is experimenting in brainwashing many people at

the ruins in the desert.

Oh, it was Ganondorf the Evil King who was behind the gang of thieves...

When Nabooru was a lone wolf thief, she never stole from the weak, but...

Now, Nabooru's gang of thieves stands for cruelty and brutality. She claims to be a chivalrous robber, but...no way!

Like I suspected, Nabooru was brainwashed by Ganondorf's followers...

In Gerudo society, those who have great skill in horseback riding and archery are well respected.

How about trying horseback archery at the Gerudo's Fortress? If you have a horse, a Gerudo from the fortress will set up your challenge.

You did so great, young man!

Now that we're all back together, building a bridge over the valley was a piece of cake.

Without the old witches, the gang of thieves isn't all that scary!

The Gerudo's Fortress is located beyond this gate. A kid like you has no business there.

I am a master craftsman. Those Gerudo thieves...they broke the bridge.

I want to fix it, but all of my workers are gone!

They said working as carpenters isn't cool, and they went to the Gerudo's Fortress to become thieves...

Hey, you! If you're going to the fortress, would you mind finding out what my workers are doing over there?

Hey, I heard you saved my men. When they returned, we built this bridge.

Look at this!
Isn't it a fine bridge?
They may be wimpy carpenters,
but once they all got together,
they got the job done.

Hey, that saw! It's mine!
But... I thought I left that saw
with my old lady... Oh well...

My Biggoron tool broke, so I was
going to Goron City to get it
repaired.
Your coming here is great timing.
Will you give me my saw?
Yes
No

What?!
You're a dirty, rotten thief!

This is the Gerudo's Training
Ground. Unqualified persons are

Oh, that's too bad.
The mark that will lead you to the
Spirit Temple is the flag on
the left outside the shop.
If you change your mind, please
come back again!

Ohh, not enough Rupees.
No discounts, even a Rupee.

Heh heh.
You're already in the middle of
something, aren't you.
If you want to challenge me, you
have to come here with a clear
mind. No other distractions!

Well Come!
I am selling stuff, strange and
rare, from all over the world to
everybody.
Today's special is...
A dangerous, running object!

Terrifying!

I won't tell you what it is until

I see the money....

How about 200 Rupees?

Buy

Don't buy

Thank you very much!

What I'm selling is...

Bombchu!

The mark that will lead you to
the Spirit Temple is the flag on
the left outside the shop.

Be seeing you!

Hey, what's up, Link?

Surprised to see me?

A long time in this world is
almost nothing to you, is it?

How mysterious!

Even I thought that the tales of a
boy who could travel back and
forth through time was merely a
legend.

Link, you have fully
matured as an adult.

From now on, the future of all the
people in Hyrule is on your
shoulders.

Maybe it's not my time anymore.

Here is my last advice.

Two witches inhabit this temple. In
order to destroy them, turn their
own magic power against them.

Hoo hoot!

Do you want to hear what I said
again?

Yes

No

I will continue to watch you...

Hoo hoo hoo hoot!

I'm the wandering running man!

I've run all over this land in
search of true competitive spirit.

I beat all my challengers, man and
beast.

You're an athletic guy, and you
look like you might have a true
killer instinct, too.

Now that the bridge over Gerudo
Valley is complete, I'm looking for
a challenger to have a
commemorative race against.

The best time to go from here to the bridge in the Lost Woods was . That's my record.
Will you challenge my record?

Yes
No

Excellent!
Then...
You go first.
I'll give you a headstart.
Now!
Go ahead.

Heh heh heh.
You'll never discover your killer instinct with that kind of attitude.

Well, not perfect, but you have some guts! Unfortunately, you never can beat me. Your record is a thing of the past. Your time was , wasn't it? That was close, but I beat you by one second!

Heh heh heh.
Please.
Go ahead.

Oh, looks like you quit the race.
Heh heh heh. I bet you had almost rediscovered your killer instinct!

Heh heh.
You don't have enough killer instinct yet.
Just train harder.
Good-bye, then!

Huff...puff...huff...

Huff...huff...whew!
You did quite well!
But you couldn't beat me!
Your time was □, but I just beat you by one second!
Huff...huff...
You'll have to challenge me again sometime!
Huff...huff...
Good-bye, then!

I'm the wandering running man!
I've run all over this land in

search of competitors who have a true killer instinct!

I came here to run through the Haunted Wasteland, but it doesn't look like good timing for that.

Though I want to go back to Hyrule Field, the bridge is...well, you can see it from here. So I'm stuck here, inside this tent.

I don't think I can accept your challenge right now.

Heh heh!

I can't catch that Cucco!

Huff huff!

I'm late! I'm late!

For a very important date!

Welcome to Hyrule Castle Town.

It's a peaceful, prosperous town.

Kids shouldn't be wandering around town at nighttime! Stay indoors until morning!

Man, I am SO bored...

Things would sure be more interesting if there were more... troubles in the world...

Hey, that's just between you and me, OK?

Anyway, maybe we can let off some steam by breaking these jars.

Stand near a jar and press (A) to lift it. Press (A) again to toss it!

That's great!

I forgot to tell you...

There's a lot going on in the

castle right now. I can't allow even a dog to get into the castle!

Unngh...are you the boy from the forest...?

I-I-I've finally met you...

I-I-I have something to t-t-tell you...

Ganondorf, the Gerudo King of Thieves, betrayed our King... Zelda's nanny, Impa, sensed danger and escaped from the castle with our Princess...

I tried to stop Ganondorf's men from chasing them...but...

The Princess was...waiting for a boy from the forest...that's you...

She wanted to give something to the boy...

If you received it from the Princess,

hurry...to the Temple of Time....

He's not moving anymore....

Can you see the man with the evil eyes?

That is Ganondorf, the leader of the Gerudos. They hail from the desert far to the west.

Though he swears allegiance to my father, I am sure he is not sincere.

The dark clouds that covered Hyrule in my dream...

They must symbolize that man!

Geh heh heh! Excellent work!

As I thought, you held the keys to the Door of Time!

You have led me to the gates of the Sacred Realm...

Yes, I owe it all to you, kid!

Please! If you don't hurry, he'll be gone!

Please...with (C)...

Please sell me the contents of a bottle...

Please...with (C)...

What a strange shop!

I wonder when it'll be open for business. I read the sign there, but it still seems weird!

It seems like it's taking forever
for dawn to come...

The view of Hyrule Castle in
the morning sun is so fantastic!

To save the forest girl, you need
another skill...

Head to Kakariko Village!

It looks like you have the
skills you need...

The forest girl is waiting for your
help....

If you want potions, you'd better
bring an empty bottle. Understand,
young man?

I'm sorry, but this is just a model.
Because of the crisis in Goron
City, we haven't received any
shipments lately and we're out.

If you plan on scaling Death
Mountain, buy a Hylian Shield.
You can defend yourself against
falling rocks with that shield.
But it might be a little bit
big for a kid....

I'm not dancing, you know...

My back itches!

Ooh! Aaah! Ooh!

They say we Hylians have big ears
in order to hear the voices of the
gods...but I've never heard them!

Kid, have you been to

Lon Lon Ranch?

Their milk is delicious!

There are many horses there, and
the young daughter of the ranch
owner is cute!

To get to Lon Lon Ranch, after
you leave town, head due south
across the field. You should visit
the ranch at least once!

I wanted to see Princess Zelda!

I avoided the guards...

Swam through the moat...

I was almost there when they
caught me!

I found a small drain hole on the

right side of the castle that I thought I could sneak into, but I got stuck there.

Ahem! Hrrrm!

This beard is my pride and joy!
Doesn't it look luxuriant, kid?!

Ahem! Hrrrm!

This beard is my pride and joy!
Doesn't it look luxuriant, kid?!
What?!

You're looking for the guy from
Lon Lon Ranch?
Hmm, maybe...

I saw a guy with a shabby-looking
beard delivering some boxes to
the castle.

Do you know about the Temple
of Time that we have in the
northeast part of town?

Legends say that the Temple of
Time is the entrance to the
Sacred Realm...
Did you know that?

Wha-ha-ha! What a crazy guy!
Can you believe this guy was
crazy enough to try to sneak into
the castle to see Princess Zelda?

All because of this idiot, they've
tightened security at the castle.
Wha-ha-hah!

I made a lot of money!
Maybe I should go look for
more things to sell!

I know! I should go to Lake Hylia!
Many things float down the river
and end up there!
Hah hah!

Hey, forest boy! This is the city
of Hyrule! Take your time and
enjoy the sights!

If you came here to see Hyrule
Castle, take the street on your
right.
If you want to see the back
alleys of the town, take the
street to the left.

Ohh...

You are...so handsome...

Just like the King of Hyrule...
Hee hee...

Ohh...
You are...
more beautiful...
than Princess Zelda...
Ohh...

Have you heard the legend of the
"Shadow Folk"?
They are the Sheikah...the shadows
of the Hylians.
They say they swore allegiance to
the King of Hyrule and guarded
the Royal Family.
But with the long peace, no one
has seen a Sheikah around here
for a long time.
However...

I heard there is one Sheikah
woman living in the castle...

So you say you want to see
Princess Zelda, eh?
You probably heard about her in
town and decided you had to meet
her... Well...
Go home! Get out of here!
The Princess would never grant an
audience to the likes of you!

Z Z Z Z Z....
Mumble mumble...
Welcome...our ranch is so fun...
C'mon and look around...

What in tarnation?
Can't a person get a little shut-
eye around here?

Hello, and who might you be?
Yep, I'm Talon, the owner of Lon
Lon Ranch.
I went to the castle to deliver
some milk, but I sat down here to
rest, and I guess I fell asleep...
What?!
Malon was looking for me?
I'm gonna catch it from her now!
I messed up bad, leaving Malon
behind to wait for me!
She's really gonna let me have it!

Hey you! Stop!
You, kid, over there!

!
Who?!

Who are you?

How did you get past the guards?

Do you have it?

Yes

No

Well, that's odd...

I thought you might be the one
from my dream...

You really don't have it?

Tell me the truth...

Just as I thought!

Please keep this a secret from
everyone...

OK

No

C'mon...don't be a blabber-mouth!

The legend goes like this...

The three goddesses hid the
Triforce containing the power of
the gods somewhere in Hyrule.

The power

to grant the wish of the one who
holds the Triforce in his hands.

If someone with a righteous heart
makes a wish, it will lead Hyrule
to a golden age of prosperity....

If someone with an evil mind has
his wish granted, the world will
be consumed by evil...That is what
has been told....

So, the ancient Sages built
the Temple of Time to protect the
Triforce from evil ones.

That's right... The Temple of Time
is the entrance through which you
can enter the Sacred Realm from
our world.

But the entrance is sealed with
a stone wall called the
Door of Time.

And, in order to open the door,
it is said that you need to collect
three Spiritual Stones.

And another thing you need...is
the treasure that the Royal Family
keeps along with this legend...

Oh, I'm sorry.

I'm not very good at storytelling...

What happened? Did he see you?

Don't worry.

He doesn't have any idea what we're planning...yet!

Please!

OK

I don't believe you.

Thank you!

My attendant will guide you out of the castle. Don't be afraid to talk to her.

The Spiritual Stone...

You finally found it!

It is said that the races that hold the Spiritual Stones open their minds only to one who knows the melody of the Royal Family.

But you already know that, don't you?

Hey, have you heard that Princess Zelda sees prophetic visions in her dreams?

Huh? What? Shoo, kid! Shoo!

There are three hollows and an inscription here....

Ye who owns 3 Spiritual Stones
Stand with the Ocarina of Time
And play the Song of Time
That is how the inscription reads.

C'mon, can't you make it any cheaper?

Hey, let go! It's mine!

I found it first!

Hey, who bumped me?!

We don't see a lot of Gerudos in these parts...

Something fishy is going on!

Wasn't that Princess Zelda riding on the white horse?!

I almost got kicked by that black horse!

That guy riding on the black horse must have been Ganondorf, who is renowned as the Gerudo King of Thieves.

What happened?!

Look at that guy--he's so scared!

What a wimp!

Ha ha hah!

I have a feeling something
terrible is going to happen...
Maybe I should leave town soon.

Something happened in the castle!
Kid, you'd better be careful!

With that key, proceed to the
room ahead. Go, go!

The one riding on the white horse
holding the little girl...
Wasn't that a legendary Sheikah?

Link...
Wake up...
Link, the chosen one...

I am Rauru, one of the ancient
Sages...
Ages ago, we ancient Sages
built the Temple of Time to
protect the entrance to the
Sacred Realm...
This is the Chamber of Sages,
inside the Temple of Light...
The Temple of Light, situated in
the very center of the Sacred
Realm, is the last stronghold
against Ganondorf's evil forces.
The Master Sword--the evil-
destroying sword that you pulled
out of the Pedestal of Time--was
the final key to the Sacred Realm.
Link...
Don't be alarmed...
Look at yourself...!

Look Link!
You're big now!!
You've grown up!

The Master Sword is a sacred
blade which evil ones may never
touch....
Only one worthy of the title of
"Hero of Time" can pull it from
the Pedestal of Time....
However, you were too young to
be the Hero of Time....
Therefore, your spirit was
sealed here for seven years.
And now that you are old enough,

the time has come for you to
awaken as the Hero of Time!
Well, do you understand your
destiny?

Yes

No

Right, it looks like you are
confused... Let me tell you
again, from the beginning.

But, remember...

Though you opened the Door of
Time in the name of peace...
Ganondorf, the Gerudo King of
Thieves, used it to enter this
forbidden Sacred Realm!

He obtained the Triforce from
the Temple of Light, and with its
power, he became the King of Evil...

His evil power radiated from the
temples of Hyrule, and in seven
short years, it transformed Hyrule
into a world of monsters.

My power now has only little
influence, even in this Sacred
Realm...

Namely, this Chamber of Sages.

But there is still hope...

The power of the Sages remains.
When the power of all the Sages
is awakened...

The Sages' Seals will contain
all the evil power in the void of
the Realm...

I, Rauru, am one of the Sages...

And...

Your power to fight together with
the Sages makes you the
Hero of Time!

The Hero of Time, chosen by the
Master Sword!

Keep my spirit with you...

And, find the power of the other
Sages and add their might to your
own!

Link...we're back in the

Temple of Time...

But have seven years really
passed?

It looks like you won't be
able to use some of the weapons
you found as a kid anymore...

Let's get out of here!

Heyyy, what...?

What's wrong with loitering
around all day?

Huh, kid?

I've been waiting for you,
Hero of Time...

When evil rules all, an awakening
voice from the Sacred Realm will
call those destined to be Sages,
who dwell in the five temples.
One in a deep forest...
One on a high mountain...
One under a vast lake...
One within the house of the dead...
One inside a goddess of the sand...
Together with the Hero of Time,
the awakened ones will bind the
evil and return the light of peace
to the world...
This is the legend of the temples
passed down by my people, the
Sheikah.

Oh, I'm sorry.
We're not open for business yet.
Please come back soon!

Use the Master Sword!
Destroy Ganon with the sacred
sword!

I have been waiting for you,
Link.

Link, the Hero of Time...
You have overcome many
hardships and awakened six Sages.
And now you have a final
challenge, a showdown with
Ganondorf, the King of Evil....

If you would seek the sacred
triangle, listen well...
The resting place of the sacred
triangle, the Sacred Realm, is a
mirror that reflects what is
in the heart...
the heart of one who enters it...
If an evil heart, the Realm will
become full of evil; if pure,
the Realm will become a paradise.
The Triforce...the sacred triangle...
it is a balance that weighs the
three forces:
Power, Wisdom and Courage.
If the heart of the one who holds
the sacred triangle has all three
forces in balance, that one will
gain the True Force to govern all.
But, if that one's heart is not in
balance, the Triforce will separate
into three parts:

Power, Wisdom and Courage.

Only one part will remain for the one who touched the Triforce...the part representing the force that one most believes in.

If that one seeks the True Force, that one must acquire the two lost parts.

Those two parts will be held within others chosen by destiny, who will bear the Triforce mark on the backs of their hands.

Seven years ago, Ganondorf, the King of Thieves, used the door you opened in the Temple of Time and entered the Sacred Realm. But when he laid his hands on the Triforce, the legend came true.

The one who holds the Triforce of Courage is...
You, Link!

And the other, who holds the Triforce of Wisdom...
is the seventh Sage, who is destined to be the leader of them all...

It is I, the Princess of Hyrule, Zelda.

I apologize for meeting you in disguise, but it was necessary to hide from the King of Evil. Please forgive me...

I saw you as I was escaping from the castle with my attendant, Impa.

As long as you had the Ocarina in your possession, I thought Ganondorf could never enter the Sacred Realm, but... something I could never expect happened...

That rumbling...It can't be!?

Princess Zelda...you foolish traitor!
I commend you for avoiding my pursuit for seven long years.

If you want to rescue Zelda, come to my castle!

Link...can you hear me?

It's Rauru, the Sage.
We six will gather our power to
create a bridge to the castle
where Ganondorf dwells...
The castle's keep, which is
known as Ganon's Tower, is
protected by six evil barriers.
Bring down the six barriers and
save Princess Zelda!!

Ancient Creators of Hyrule!
Now, open the sealed door
and send the Evil Incarnation of
Darkness into the void of the
Evil Realm!!

Link!
Finish him off with the sword of
time, the Master Sword!

Oh sealed door opened by the
Sages... Close forever with
the Evil Incarnation of Darkness
within!!

Thank you, Link...
Thanks to you, Ganondorf has
been sealed inside the Evil Realm!
Thus, peace will once again
reign in this world...for a time.

Thank you...
Link...
Good-bye....

Do you really want to go through
this gate that much? Let me think
about it... OK, but in return...

Give me 10 Rupees...

Yes
No

Please believe me....
My prophecies have never been
wrong!

You destroyed the wicked
creatures that haunted the temple
and awakened the Sage...
But there are still other Sages

who need your help.
In order to awaken all the other
Sages, you must become even
more powerful.
You must travel over
mountains...
under water...
and even through time...

As long as you hold the Ocarina
of Time and the Master Sword,
you hold time itself in your
hands...
Link, we shall meet
again!

This is a new type of bomb!
It's available only in limited
quantities, and when I'm sold
out, that's it!

I am Sheik.
Survivor of the Sheikahs...

As I see you standing there
holding the mythical Master
Sword, you really do look like the
legendary Hero of Time...

If you believe the legend, you
have no choice. You must look for
the five temples and awaken the
five Sages....

One Sage is waiting for the time
of awakening in the Forest Temple.
The Sage is a girl I am sure you
know...

Because of the evil power in the
temple, she cannot hear the
awakening call from the Sacred
Realm...

Unfortunately, equipped as you
currently are, you cannot even
enter the temple...

But, if you believe what I'm saying,
you should head to Kakariko
Village...

Do you understand,
Link?

I thought I should entrust the
Ocarina to you... I thought that
would be our best chance...

Before that...I have things I want
to tell only to you. Please listen.
Another unknown legend of the
Triforce passed down by the
shadow folk, the Sheikahs....

The Triforce separated into three parts. Only the Triforce of Power remained in Ganondorf's hand.

The strength of the Triforce of Power enabled him to become a mighty, evil king, but his dark ambitions were not satisfied.

To gain complete mastery of the world, Ganondorf started looking for those chosen by destiny to hold the two other Triforce parts.

On that day, seven years ago, Ganondorf attacked Hyrule Castle.

After you opened the door of time, the Master Sword sealed you away in the Sacred Realm...

Your spirit remained in the Sacred Realm...and then the Triforce fell into Ganondorf's hands. He went on to invade the Sacred Realm... Ganondorf had become the Evil King, and the Sacred Realm became a world of evil. All of this is an unfortunate coincidence. I passed myself off as a Sheikah and hoped that you would return. I waited for seven years...

And...now you are back. The dark age ruled by Ganondorf the Evil King will end!

The six Sages will open the sealed door and lure Ganondorf back into the Sacred Realm.

I will then seal the door to the Sacred Realm from this world. Thus, Ganondorf the Evil King will vanish from Hyrule.

Link...

In order to do this, I need your courage again. Please protect me while I do my part. And here is a weapon that can penetrate the Evil King's defenses... The power given to the chosen ones...

The sacred Arrow of Light!!!

But you let your guard down... I knew you would appear if I let this kid wander around!

My only mistake was to slightly

underestimate the power of this kid...

No...

It was not the kid's power I misjudged, it was the power of the Triforce of Courage!

But, with the Triforce of Wisdom that Zelda has...

When I obtain these two Triforces...

Then, I will become the true ruler of the world!!

The Ocarina of Time opened the door. The Hero of Time, with the Master Sword, descended here.

It seems strange that packs of dogs roam our streets at night... Doesn't that seem weird to you?

Hey, sonny, I'll tell you something helpful...

I heard there is a mysterious fountain somewhere near the castle...

If you want to return to your original time, return the Master Sword to the Pedestal of Time. By doing this, you will travel back in time seven years....

The time will come when you will have to return here quickly... I will teach this to you for when that time comes... The song to return you to the Temple of Time... The Prelude of Light...

I am Impa of the Sheikahs. I am responsible for protecting Princess Zelda. Everything is exactly as the Princess foretold.

If the castle soldiers find you, there will be trouble. Let me lead you out of the castle.

Hey you! Don't cause any trouble!

You are a courageous boy... You are heading out on a big, new adventure, aren't you? My role in the Princess's dream was to teach a melody to the one from the forest. This is an ancient melody passed down by the Royal Family.

I have played this song for
Princess Zelda as a lullaby ever
since she was a baby...
There is mysterious power in
these notes.
Now listen carefully...

All the tragedy that has befallen
Hyrule was my doing...
I was so young...I could not
comprehend the consequences of
trying to control the Sacred Realm.
I dragged you into it, too.
Now it is time for me to make up
for my mistakes...
You must lay the Master Sword to
rest and close the Door of Time...

However, by doing this, the road
between times will be closed...

Link,
give the Ocarina to me...
As a Sage, I can return you
to your original time with it.

When peace returns to Hyrule...
It will be time for us to say
good-bye...

Now, go home, Link.
Regain your lost time!
Home...
where you are supposed to be...
the way you are supposed to be...

Tsk Tsk.

Well, maybe that's too much
for a kid to pay.

OK, I'll let you pass,
quickly!

KEEP IT A SECRET
FROM EVERYONE.

Man, I am SO tired!
The night watch is so boring!
I wish some ghosts would come
out or something...
Hey, I'm really interested in
ghosts!
Studying them is a hobby of mine,
but you never know...the time
might come when that kind of
knowledge might be useful!

My precious little puppy's fur coat
is very special compared to the

other mutts around here!

My precious puppy can run faster
than any of the other mutts
around here!

I can't find my puppy anywhere!
I need you to look for it! Please!

Arrrrgh!
That is not my dog!
How could you mix up my puppy
with a mutt like that?!

Richard!
This is my little Richard!
Thank you! Thank you!
I'll give this to you as a
reward!

At night it's dangerous to go out
with all the wild dogs around...
No, I wasn't warning you!
I'm worried about my puppy!

The Triforce parts are resonating...
They are combining into one again...

The two Triforce parts that I
could not capture on that day

seven years ago...
I didn't expect they would be
hidden within you two!

And now, finally, all the Triforce
parts have gathered here!

These toys are too much for you!

I command you to return them
to me!

Link!
I can't help you!
Because of the waves of
darkness, I can't get close!
I'm sorry, Link!

The Great Evil King Ganondorf...
beaten by this kid?!

Link....!

Ganondorf...pitiful man...
Without a strong, righteous mind,
he could not control the power of
the gods...and...

Link, listen to me!
This tower will collapse soon!
With his last breath, Ganondorf is
trying to crush us in the ruins of
the tower! We need to hurry and
escape!

Please follow me!

It's over...it's finally over...

Link...
I'm sorry I couldn't help you in the
battle before!

What is that sound?

There's no way he's going to hold
me back again!
This time, we fight together!

Link! The Master
Sword is here!
Hurry up!!

I'm using my power to hold the
Evil King! You use your sword and
deliver the final blow!

Six Sages...
Now!!

YOU...

CURSE YOU...ZELDA!

CURSE YOU...SAGES!!

CURSE YOU...Link!

Someday...

When this seal is broken....
That is when I will exterminate
your descendants!!

As long as the Triforce of Power
is in my hand....

You...

who are you?

The Forest Barrier is dispelled!
Hurry up, Link!

The Fire Barrier is dispelled!
Hurry up, brother!

The Water Barrier is dispelled!
Hurry up!

The Shadow Barrier is dispelled!
Please save the Princess!

The Spirit Barrier is dispelled!
Hurry up, kid!

The Light Barrier is dispelled!
Hurry!

Link, isn't that...?!

It's that legendary blade...

The Master Sword!!

Find the other Sages
and save Hyrule!

That scary-looking man took
off out of here really fast!

Oh so scary...
Oh so scary...

Hey, what do you want?
I don't have time to talk
to you!

Please...with (C)...
Please sell me something...
Please...with (C)...

No...
That's not what I want...
I want something inside a bottle...
I didn't mean that thing...

No...
I can't take that...
That's not what I want to buy...

Oh, that's Blue Fire!
I'll buy it for 150 Rupees!
All sales final, OK?

Oh, a Fish!
I'll buy it for 100 Rupees!
All sales final, OK?

Oh, it's a cute little Bug!
I'll buy it for 50 Rupees!
All sales final, OK?

Oh, a darling little Fairy!
I'll buy it for 25 Rupees!
All sales final, OK?

Oh...you are quite an energetic
young man. You're brave and
handsome, too.
Heh heh heh...your name is
Link, isn't it.
Heh heh he...don't be surprised.
I can read people's minds.
If I looked as good as you, I
could run a different kind of
business...heh he heh...
My shop is the only Ghost Shop
in Hyrule.
Because of the great Ganondorf,
it is a fine time for a business
like this...heh heh heh...
Oh...I can only hope the world
gets even worse!
The ghosts, called Poes, are
spirits of concentrated hatred
that appear in the fields and
graveyard. They hate the world!
Young man, if you catch a Poe, I
will pay a lot of money for it...
Heh heh hee!

Hey, young man. What's happening
today? If you have a Poe, I will
buy it.
Your card now has points.
Come back again!

Heh heh heh!

Oh, you brought a Poe today!

.....

Hmmm...

This is a normal Poe.

Here are your 10 Rupees.

Take them.

Heh heh.

Oh, you brought a Poe today!

Hmmmm!

Very interesting!

This is a Big Poe!

I'll buy it for 50 Rupees.

On top of that, I'll put 100
points on your card.

If you earn 1,000 points, you'll
be a happy man! Heh heh.

Wait a minute! WOW!

You have earned 1,000 points!

Young man, you are a genuine
Ghost Hunter!

Is that what you expected me to
say? Heh heh heh!

Because of you, I have extra
inventory of Big Poes, so this will
be the last time I can buy a
ghost.

You're thinking about what I
promised would happen when you
earned 1,000 points. Heh heh.

Don't worry, I didn't forget.

Just take this.

Oh? What's that?

Is that...

a fairy?!

Then, are you...

Are you from the forest?

Then...then...you wouldn't happen to
have...the Spiritual Stone of the
Forest, would you?! That green
and shining stone...

I had a dream...In the dream,
dark storm clouds were billowing
over the land of Hyrule...

But suddenly, a ray of light shot
out of the forest, parted the
clouds and lit up the ground...

The light turned into a figure
holding a green and shining stone,

followed by a fairy...

I know this is a prophecy that
someone would come from the
forest...

Yes, I thought you might
be the one...

Oh, I'm sorry!
I got carried away with my story
and didn't even properly introduce
myself!

I am Zelda, Princess of Hyrule.

What? Have we met before?

Awww... That's so cute!
Could you tell me where you
found it?

Yeeeah!
Help me!

Uh...yeah? So what?

I hate foxes!

How irritating!

Hey, you look good!

YEEEAH! What's your problem?!

Oooh...is that a Zora?
Those cool eyes are really
fascinating...

Oh no! You're scary!
Don't come any closer!

Wow...how nostalgic! That
reminds me of when I was a
little kid.

That's kind of funny...it
makes me laugh!
Hee hee!

Uh-oh! I'm sorry, mom!
Oh...hey, it's you!
Don't scare me like
that!

What a big head you have!

Oh, don't do that!
I'm shy...

Is there a mask competition

going on?

I'm going to vote for you!

Oh! A rabbit!

Speaking of rabbits, I saw a
strange man chasing rabbits
around...

Oooh, what a pretty lady!
But you're kind of short,
aren't you?

Well...I can't think of anything
funny to say...sorry, kid!

A mask... When I was a little
kid, I also wore masks around...
What? You say you can't imagine
me doing that?

Ohhhh...I see...
It's an illusion...

Hey, kid, don't grow up to be
like me...

AAAAAAAAAAAAAH!
A GERUDO!!!!
Wha-? A mask?
Why do you have a mask
like that?!

Sorry, I'm busy right now.

Oh wow! It's Keaton!
Hi, Keaton!

How spooky!
There's a boy in Kakariko
Village who was looking for a
mask like that!

Hmm...well...don't you have any
other masks?

What a strange mask!
Hee hah haa!

Hey kid! Can't you see we're
busy?! Leave us alone!

I'm sorry. I don't even want to
look at any other woman!

Hee hee.
Don't pay any attention to that
kid, my dear... Just pretend we're
in our own, private little world...

Oh, please!

Go bother someone
else!

There's a rumor going around that
there is a Potion Shop that can
make the ultimate medicine!

I heard a rumor that there is a
monster that eats Hylian Shields
somewhere out there in the world.
Have you ever seen it?

I came here to sell bombs...
Please buy some!

I...I am afraid...
I have a feeling that man is going
to destroy Hyrule.
He has such terrifying power!
But it's fortunate that you have
come...

What? If you want something,
just make it clear!

I'm busy! Get out of my way,
you bum!

Hey, you have some good,
quality wood there, kid!

Hrrrrm!
Get out of my face!
You good for nothin'...

EEEEEEEEAAAAH!
Whoops, I shouldn't scream like
that or the boss will yell at me!

Oh, sorry boss!
I didn't mean to slack off!
I'll get busy!
Oh, that's not you, boss?

Gerudos are beautiful and brave...
They are just so fascinating!

Someday, when I have more skill,
I'll carve a mask like that one!

Oh, that's the mask
everyone is talking about!
Looks kind of strange...

Wa-ha-hah!
How's business,
Mr. Hero?
Hah hah hah!

I'm on duty.

Understand?

ON DUTY!

Hmm, well, I don't really know
what to say about that one...

Oh wow! Cute!

But Cuccos are much cuter!

Eh, what?

Are you sad?

Happy?

I really can't tell...

I'm sorry, I'm not really
interested in that.

The little kid playing in the
graveyard was saying something
about his face...

I really am a good man.

Don't you believe me?

WHAAAA--!

I thought you were that old hag!

Don't scare me like that!

I remember my father talking
about a swordsmith...but that
doesn't really matter to me
anyway.

I'm not afraid of any forest
monsters! Are you trying to
make fun of me?

What is that? I can't see it
very well from here...

Hi again! How are you today?

Everything's fine today!

Tired...I'm so tired...

I don't care about any
foxes!

That's irritating!

It bothers my eyes!

That looks quite handsome!

Waaaaaaah!

What is wrong with you?

Do you have a bad attitude?

You idiot!

When you talk to someone, you

should make eye contact!

You idiot!

When you talk to someone, you
shouldn't stare!

You idiot!

When you talk to someone, you
should take off your mask!

You idiot!

I don't know why I'm calling
you that, but...you are one!

Where did you get that?

What?

It's a mask?

Uh, leave me alone...

Can't you see I'm in a groove
right now?

A mask is just like a musical
instrument--it reflects the
character of its owner. I like
your originality, kid!

What a big head!

How'd you fit through that door?!

I HATE foxes, sonny!

Now if that isn't the most
irritating face I've seen in
all my days, I don't know what
is!

Hey, that's a fine face
you got there, sonny!

Have you got any complaints?
Speak up, then!

Please quit playing around
and dispel our curse!

If I wore something like that...
I'd be a real Skulltula...
AAAAAAAAAAAH!

Please understand if I don't
laugh... It's hard to be happy
in this condition...
Being cursed and all...

Hyaaaaah!

That's scary!

I know I'm scary, but...man!

That's really scary!

Huh?! Wha--!

Oh, it's just a kid.

Don't scare me like that!

I may not look like it, but I'm a
very sensitive guy!

Well, will you lookit the noggin on
this kid! It's HUGE!

Mine is huge too, though...

Do you know what kind of
mask you're wearing...?

And you're still wearing it?

I'm on duty now...

If you want me to dig, don't
bother me.

What is that? It's something
that hops around in a field...

I forgot what those things are
called...

Hey! It's a Keaton Mask!!

I asked my daddy to get me one,
too!

That's not very different from
Mr. Dampé, is it?

That doesn't look anything like
Mr. Dampé, huh?

Hey, cool mask...but a little
scary, don't you think?

Hey! That looks familiar...

I think I saw something like it
in the Lost Woods, no?

That makes me feel...happy...

Oh...uh...sniff...

That mask...

It makes me feel...sad...

Hah! That mask won't do you any
good! You're just afraid of me,
the great Mido...aren't you?!

Waaaaah! What?

Hey, I'm not scared of you!

Just don't come any closer,
understand?!

Hey, that's a cool mask.

I want it!

JUST KIDDING! Hah!

I don't want that stupid mask!

Wah hah ha hah!
That really suits you!

Waaaaah!
I-I'm gonna tell Mido about
this!

Yeeeeeah!
I-I'm gonna tell Mido to beat
you up!

Whoooooah!
Are you some kind of forest
ghost?

That's so cool!
Uh...don't tell Mido I said that!

What?!!
You came back!
I can tell who you are, even
with that mask on!

I wonder what Mido would say if
he saw that?
I really would like to see his
reaction!

I see...
You're going to scare Mido with
that mask, aren't you?!

Hah hah hah!
What a funny face!
I bet Saria would think it's
pretty funny, too!

Tee hee hee!
A mask made of wood?
It looks like you're wearing
a shield on your face!

What a weird face!
Speaking of weird faces, one of
the forest kids was complaining
about his face...

What an enormous head you have!

Tee hee!
Where did you get that?
Outside the forest?
No way! I don't believe it!

Hee hee!
Kind of funny, but it's not
really my style...

Right on!
Wearing this mask makes me feel

really tough and scary!

Hee hee!

Hee hee!

There sure are a lot of different
people in the world!

Hee hee!

I don't need a new one...

I like the one I have, thanks!

Wow, that makes your head
look huge!

Hee hee!

What a cute little mouse!

What?

Oh, it's not a mouse?

What are those floppy things
on your head?

Ears? That mask makes you look
like you have four ears!

It must be exciting to sneak
past the guards while wearing
that mask!

Hi, fairy boy!

What?

You think you're in disguise?

But it's so obvious who you are!

Wow!

What big eyes you have!

Gorons are so cute, aren't they!

Oh, I know that character!

It's Keaton!

He's very hot in Hyrule Castle
Town right now!

Oh, brother!

Boys will be boys!

Wait...wait...

I know who ya are...

Yer... Kin-ton!

Ain't that right?!

That's a scary one, ain't it?

Almost as scary as...Ingo!

Hey, that reminds me of my wife...

On second thought, it doesn't...

It doesn't look like her at all!

YAAAWWN...

I'm kinda tired right now...

Show it to me later...

Scram, kid!

Can't you see I'm busy?!

Humph!

It's fine to play like that when you're a kid, but just wait until you grow up! Work, work, work!

YEOW!

Humph. It's just a mask...

Scram, kid! Get out of here!

Heh heh heh...

Well, that cheered me up a little, kid.

Thanks!

Hmmm... Let's see...

Yes, I'm quite sure of it...

That was manufactured from a plank from a coffin. Yes, it was!

Ahhh...yes. Let's see...

Very fine craftsmanship.

But I don't think it would make a good ingredient for my medicine.

Very interesting! A Goron!

Speaking of Gorons, I wonder how my old friend, Biggoron of Death Mountain, is doing?

Very unusual construction...

I don't think it's water soluble, so it wouldn't make a good ingredient for my medicines...

Chomp chomp chomp...

OK, OK, a mask.

Do you want to buy some beans?

Chomp chomp chomp...

Nope, I don't want to buy it.

Chomp chomp chomp...

Nope, it's not my style.

Chomp chomp chomp...

Well...no, I don't think I want it.

What do you want?

You don't look like you can swim very well...

Red hair...tan skin...

I've seen people like that before...

Yeah, right.

You look a little small for a Zora...

Ho ho ho!

You Hylians...you are such silly creatures!

That face...it gives me the chills...

Talk about a nostalgia trip!
That reminds me of my childhood friend, Biggoron!

I don't think that's funny at all.
Are you mocking me?

You're a funny guy!

Your head--it's gigantic!

Don't do that...
It's embarrassing me!

All right! You actually decided to become a Zora!
Are you actually ready to marry me now?

WHOA!
My heart...started to beat so fast!

That's an unpleasant mask...
Good-bye.

Hrrrrm...
I don't know what to say.

You shouldn't be so picky about what you eat! Do you eat all your green rocks? If you don't, you won't grow up big and strong!

Leave me alone!

Are you trying to make me laugh?
Well, that's not that funny...

You're making me mad!

I hate Gerudos!!

Quit pestering me!
Go away!

Wah hah hah!
Do you think you're in disguise?
How funny!

Out of my way!
Get out of here!
You're asking for it, aren't you?

Hey, kid, you've got guts coming
around here wearing that!
Still, you can't fool us that
easily!

What is that?
What does it have to do with
us?

Ha ha hah!
You've got guts to spare, don't
you kid?
I like you!

C'mon! It's time to get serious!

That's odd...it kind of looks like
me...

No...not really. Not at all,
if you look at it closely.

Hmm. No, no, no!
The ears aren't right at all!
They should be, you know, longer!

Aren't you kind of scared,
walking around in the middle of
the night looking like that?

Ha ha hah!
You really like those things,
don't you?!

I think I've seen a stone that
looks like that somewhere...
Now where was that?
Hmmm...

Hurry up, Link!
Any second now, the tower is
going to collapse!!

Watch out for falling rubble!

Link!
Help me!

Link!
The exit is just over there!

Thank you, Link.
Now, let's hurry!

Too bad!
Practice hard and come back!

Almost!!
Well...all right!
I'll let you try one more time for
free...
This time, you gotta do it!

Wonderful!!!
Bravo!!!
Perfect!!!
Here's a fantastic present!

Oh, no! Time's up!
The thing you were going to
deliver has spoiled!
Let's try again!

BOINNG! BOINNG!
The current time is: (t)!

You heard about us from the
guard at Death Mountain gate?
Well, I have to give
you a good deal then!
