[I] Introduction
#####

SD Gundam G-Generation World was made by Tom Create and published by Bandai Namco Games. I'd like to apologize for any grammatical errors you may find in this guide. English is not my mother language.

To use this Guide properly, set your "Character Encoding" Browser to "Japanese (Shift_JIS)".

The list here is based on "Production List" under "Series Category". It's the last option when you sort the Units.

If you have any questions, suggesstions or corrections, please contact me via GameFAQs message board of this game. Or contact me via e-mail.

[VIII] Version History

#####

Version 1.00 [Alpha] (March, 23rd, 2011)

*Finished most stuff.

*Erased Unit Collection Completion List, may works on it later if I have the mood.

Version 0.95 [Beta] (March, 5th, 2011)

*Finished most stuff.

*Haven't yet unlocked the secret units so, they would have to wait later after I unlocked them.

*Submitted this Guide to GameFAQs.

Thanks goes to:

1. God, because I'm still alive when writing this guide.
2. My parents, I won't be what I am today or even able to play this game if it weren't for them.
3. Tom Create and Bandai Namco Games for this game.
4. SD Gundam G-Gen World JP Wiki for the Japanese names.
5. You, for reading my guide.
