| [IMNT] Important Notes  
=====

1] USE THE CTRL+F FUNCTION! Really is a great help in finding what you need fast :)

2] If there is anything wrong, tell me and I will do my best to fix the problems/errors.  
=====

| [CRDR] Card Rarities  
=====

This is the ranking of cards from highest to lowest.  
Ultra/Gold -> Super/Silver -> Rare/Bronze -> Common

For the ratio of how the cards are obtained i have no clue sorry, but if you know the ratio please contact me and i will input right here :).

I know that every pack will always have four Commons and one non-Common, and there will always be 14 Rares in one box of 20 packs. Always!!! ;P.  
=====

[PACKS] Packs  
=====

\*4700 Cards in this game would be divided into all the packs, with this guide you should be able to find almost all the cards from each pack :).
