=====  
2. Introduction  
=====

Once I got my copy of Breath of Fire 3 I new it would be in my sony playstation system for a while, But I never exspected it to be this long, After beating it and almost crying at the ending I decided to make a FAQ on it. Well, it turns out it would have been over-kill if I made a FAQ on this game so I did the next best thing! This handy guide covers all the items of the game! I would keep this handy when playing! I hope you find this guide useful! I made this guide because I think that people would want it to see what the items are.

=====  
3. Items  
=====

This part of the guide is pretty self-explanatory. I will list all the items of the game! Feel free to print it out!

8. Frequently Asked Questions  
=====

Please use this FAQ first before emailing me! This will answer most of your question!

Why did you make this guide?

Well, It looked like many people wanted a guide like this on the Breath of Fire 3 Message board so I stepped up..

\* \* \* \* \*

I found a spelling mistake! What do I do?

Send the word to me before and after and tell me what section it is in. I will fix it in the next update and give you 100% credit!

\* \* \* \* \*

I found a item that you didn't include in this guide! What do I do?

Firstly, check to see if it is in the guide again. Then if you did not find it email it to me with word(s) and tell me which section it should be in. Lastly, I will fix it in the next update and give you 100% credit!

If you have any other questions email or AIM me. If you do not know it then go to the contact section!
