-----1. Why a Renamon FAQ?-----

--

~~~~~

As the subject says, "Why a Renamon FAQ?". In short, that's my favorite Digimon, there is no FAQ written for her, and there are about 6 or 7 Walkthroughs done, so I won't write a walkthrough, that's why I decided to write a Renamon FAQ.

Diamond Storm (Finishing Move)
-Text: Creates ice leaves and shoot.
-MP: 30

-----2.3. D-Evolutions-----

--

~~~~~

The List of her D-Evolutions and at what levels she learns them:

- Kyubimon: Level 5
- Taomon: Level 20
- Sakuyamon: Level 40

These are her normal D-Evolutions, to see how to obtain ALL the other D-Evolutions go to

-----6. DRI Agent-----

iiiii  
The DRI Agent is on Central Park, just above Leomon's Gym.

-Your Digimon's combined levels must be between 45-60, if you are higher or lower the agent will not ask you to get the DDNA.  
-To get the DDNA you must beat Taomon.  
-You can find Taomon in: North Badland W, West Sector
