1. Introduction \*\*\*\*\*

\*\*\*\*\*

In this FAQ I've listed every attainable level for the main playable characters featured in Final Fantasy VIII for the Sony Playstation. The first level listed for each character is their starting level. The stats for each level are each characters base stats, no bonuses from Items, GF Abilities, Junctioning, etc. are taken into account. Since it's impossible to equip no weapon, the strength stats for each level are each characters strength with their starting weapons equipped.
