About this Guide

I wrote this Guide for people who would like to know how to get all of Quistis' blue magics. I know that this can be frustrating to find all the items needed, but here you can find the answers!

=====

Version History

August 19th/2002- Version 1.00- Well this is the first draft of the guide, so it may have pieces of data missing, or incorrect data, bare with me, it is only the first draft.

=====

Table of contents

1. Blue Magic

2. Final Words

Alright, let's get this guide started. Here I will explain the name of the Blue Magic, what it does, what you need to get the ability, and how to get the item. I hope that everyone finds this guide helpful!

Note:

-Enemies with the same element as the attack will absorb the Blue Magic.
(Ex. Ruby Dragon will absorb fire breath.)

-Bad breath's status changes may not effect some monsters.

-Shockwave Pulsar is the strongest attack.

-Degenerator is and instant kill to all monsters except BOSS, Cactuar, and Tonberries.

Final Words

Well this guide has been fun to write, but it was hard to figure out all this information. I hope that everyone can easily understand this, and that it isn't too complicated. This is the third Faq/Walkthrough/Guide I have written. Well thanks to everyone who supported me while writing this, and I hope I can continue writting walkthroughs!

Thanks Again!!!
