Fly

- You can sort of fly in this game, to do so simply arm yourself with a grenade or a molotov and then press the jump button, while you are in the air or you have just taken off, quickly press the fire button repeatedly and you should move in any direction without pressing the go button, you can also do this of higher and taller buildings, making it easy to go into the prison on the second level.

Change Radio Stations

- To do so, keep hold of the up button for about one second and you should of have changed the radio station.

Usefull Gangs

- If you have respect for a gang, go to there territory and they will kill cops for you.

Taxi

- Get a Taxi and people will get in and pay you money
