Hello there, my name's Hibana. This is my first "real" submission to gamefaqs.com and I decided to make it something fun. Of course, this is the English game script for Jumping Flash! 2 for the Playstation, one of my favorite platformers of all time. I always loved the cheesy dialogue for the game, so I took a few hours of watching the FMVs over and over to write down everything that's said by the characters. I also took note of what each Support AI says during gameplay. If you happen to find and typos in the text, feel free to e-mail me at the above address. Oh yeah, and don't worry about Baron Aloha's lines. I wrote them down that way on purpose.

If you for whatever reason want to post this document on your page or site, please e-mail me first. I'd be more than happy to let you as long as you ask me and give me credit. Thanks!

Opening Sequence -

Baron: "Hello, hello! Ah, yeah, are you ze person whom is in charge of ze Universal City Hall? Ah, good. Zis is ze mad scientist Baron Aloha talking to you. Listen doctor, I haff question for simple favor."

Narrator: "In the backwater reaches of the galaxy lies a tiny planet known as Little Muu, that is used by Baron Aloha as his secret hideout. The baron returned to his home away from home to rejuvenate from a recent beating he took at the hands of the feet of that heroic battle bunny known as Robbit. He was in the process of inventing a better, stronger, more absurd way to overthrow the universe when Little Muu is visited by a stranger. In fact, there is nothing stranger in the universe than the creature known only as Captain Kabuki! Tipping the scales at a whopping 220 bazillion tons, he uses a kung-fu grip larger than metropolitan Chicago to shed Little Muu and add it to his fantastic collection of bottled wonderlands. Using his keen sense of villain timing, Baron Aloha hastily departs the scene and lands upon a small asteroid. Unable to cope with the monstrosity that is Kabuki, he calls Universal City Hall and begs for help as his beloved hideaway is made into so much Swiss cheese! After listening to the baron's plight, the inner-stellar dispenser of justice decides to send the only being capable of dealing with a menace such as Captain Kabuki: the freedom loving, robo-heroic Robbit! Tuned up and ready to go the distance, Robbit leaps to the scene!"

"Jumping Flash! 2: Big Trouble in Little Muu!"

World/Super 1 Clear -

Kabuki: "Oh my, what a revolting development this has turned out to be!"  
MuuMuu: "Hey, baron! Robbit's here! We're saved!"  
Baron: "Just because he's ze hero doesn't mean you haff to root for him!"  
MuuMuu: "Sheesh, what a grouch..."

World/Super 2 Clear -

Kabuki: "Naughty naughty naughty little space bunny! Oh, I could give your tail such a nasty tweek."  
MuuMuu: "Robbit seems to be really getting to him, Baron."  
Baron: "Yeah, but just wait and see how he does with zis challenge. He's not such a hot-shot of a hero. Ha, ha, ha, ha..."  
MuuMuu: "You want Robbit to win, don't you?"

World/Super 3 Clear -

Kabuki: "Now you've done it, you rascalion rabbit! I'll make you into a...dust bunny! Ha, ha, ha! Dust bunny, ha, ha, ha..." (crowd laughs)  
Baron and MuuMuu: (snoring)

World/Super 4 Clear -

Kabuki: "Robo bunny not funny. Time to grind out some bunny burgers, 'cause you don't know jack, rabbit! Ha, ha, ha!" (crowd laughs)  
"Jack rabbit! I made a funny! Jack rabbit, ha, ha..."  
Baron: "I'd like to...vut's taking so long?!"  
MuuMuu: "I'm doing the best I can. Have you ever tried to hotwire a spaceship?"  
Baron: "Zere is no time to waste!"

World/Super 5 Clear -

Kabuki: "Here, bunny bunny bunny! Come to papa! Time to wrap you up like a big bunny burrito. Hippity hoppity, hippity hoppity, kaboom! Ha, ha, ha, ha!"  
MuuMuu: "I think the spaceship is all ready to go, Baron."  
Baron: "Arg, listen you, it better be or I'll use you as my next footstool!"  
MuuMuu: "Atomic power to engines! Turbines to thruster!"  
Baron: "Now ve'll show zat rabbit who's who and vut's vut with ze heroics!"  
MuuMuu: "Yippee-ki-yay, Kabuki!"  
Baron: "Here ve go!"

Normal/Super Mode Complete (1) -

Kabuki: "Oh, noo! Now I'll lose my standing in the Pan-Galactic Criminal's Club!" (cries)  
MuuMuus: (cheering)  
MuuMuu 1: "Way to go, Robbit! You sure kicked that space creampuff!"  
MuuMuu 2: "With feet like yours, you'll definitely go places!"  
Baron: "Yeah, yeah, good butt-kicking, it was an effort. You ought to schtick around and have a cup of joe with us...or perhaps you'd like my Robbit special..."  
MuuMuu 1: "Let's hear it for our hero, Robbit! (all cheer) Robbit! Robbit!"  
Baron: "Vill you palm-heads be quiet! I cannot hear myself zinking!"

Narrator: "And so we leave the story with the knowledge that no Muus is bad Muus. The intergalactic threat to good taste and steady real estate values - Captain Kabuki - has been duely humbled by Robbit. He'll think twice before reaching out and touching a planet again. As far as his membership in the Pan-Galactic Criminal's Club...well, let's just say that Kabuki's standing has been reduced to that of a disgruntled, rigilant slug-bat. And as for our hero, Robbit is off to new adventures in a cosmos crazy enough to need a high octane, multi-dimensional, heroic robo-bunny!"

Normal/Super Mode Complete (2) -

Baron: "Ha! You overrated humpty-dumpty! You're vorking for me now, see? No more scholo badguy shtuff for you; ve're teaming up to schtomp zat Robbit once and for certain! And I don't vant to hear anymore complaining from your vaces neither!"

Kabuki: "Oh, poo!"

Narrator: "Jumping Flash! 2: 2 Faces of Baron Aloha!"

Extra/Hyper Mode Opening -

Baron: "Ha, ha, ha...so, ve meet again, Mr. Fancypants! Now, it's my turn to capture the world. Virst, Little Muu, zen ze rest of ze planets. But I can pull it off too, because I've got ze biggest, baddest sidekick in ze whole galaxy! Meet my new associate!"

Kabuki: "Oh, but we've met haven't we, bunnykins?"

Extra/Hyper 1 Clear -

MuuMuu 1: "So now the baron's back to his old ways."

MuuMuu 2: "Why do you think they call him mad?"

Extra/Hyper 2 Clear -

MuuMuu 1: "Why does the baron hate Robbit so much?"

MuuMuu 2: "Who cares? Pass me another rootbeer fizzy."

Extra/Hyper 3 Clear -

MuuMuu 1: "Ohh, this is the best rootbeer fizzy I've ever had!"

MuuMuu 2: "I make them fresh each morning!"

Extra/Hyper 4 Clear -

MuuMuu 1: "Perhaps the baron will remember us if he beats Robbit. You know, I mean..."

MuuMuu 2: "Yeah right, and I'm with a newbian slimeworm!"

Extra/Hyper 5 Clear -

Baron: "Zis is ze final showdown, Robbit! Zere's no turning back! It's time to put up und shut up! Prepare to meet your doom! Go get him, Kabuki!"

Kabuki: "Here we go, little hopster! Time to get nasty!"

Extra/Hyper Mode Complete (1) -

Kabuki: "Not again! Ah! Ow! Ouch!"

Baron: "So, you zink you can just fight me off vith ze heroics, eh

mischer Robbit? Well, sink again! As long as I have access to other prisoners und a few schparklers, you'll be a toasted rabbit. Just you wait! Mark my vords you schmart-allicy bunny! Just you wait!"

Narrator: "So much for the wickedly rotten plans of the evil and mad Baron Aloha. It looks like he'll be screaming mad for some time to come. Maybe his voice will finally give out. Maybe he'll discover the virtues of silence and retire to an asteroid known for its solitude and the occassional meteor storm. Who can say? But we can hope now, can't we? As for Robbit, well let's just say that our robotic jumper of joy is looking forward to a nice, long vacation before he prepares to head off for new adventures. We hope you had a good time! See ya soon!"

Baron: "You bet your bushvacks on zat one! Ha!"

Extra/Hyper Mode Complete (2) -

MuuMuu 1: "I wonder what happened to the baron."

MuuMuus: (gasp)

Baron: "I, I, I'm sorry little fellows...it vas just a little case of ze..."

MuuMuu 2: "Yeah, yeah! Your mother wears army boots!"

MuuMuu 3: "Go on, you stinker!"

MuuMuus: (boo, hiss)

Credits Lyrics: Rap La Muu Muu (Techno Mix)

(I actually don't have this song's lyrics in English or Japanese. I know that there is an original game soundtrack available for import, but I don't own it and anyway I doubt it would have the English lyrics. I will try to get the OGS sometime and see if I can type them up and maybe even translate them for this document. If you have them, please e-mail them to me; I would greatly appreciate it and give you ample credit.)
