O= There is a place that a farmer is chasing you at the beggining eh? There! N= The middle of the lake U= By the fountain S= To the place you pressed the 1st switch * When you collect them all in the place you pressed the 1st switch a token will appear. Power ups: Climb 1) In the front of the last sunflower 2) Down the step that Pepe is explaining how to break the boxes. 3) To the road up to the castle 4) To the road up to the castle Swim 1) At the lake 2) At the place you collect the last climb amulet (After you climb) 3) At your road to the top of the castle 4) At the top of the castle climb and you will find it. Fly 1) To the place witch you jump with the special circle. 2) To the place you pressed the 1st switch. 3) On the fountain

4) In the lake Muppet tokens: 1) Outside the castle 2) To the place witch you jump with the special circle 3) When you collect B-O-N-U-S 4) Play with Pepe the flower game 5) Go to the end of the game and play with Pepe the race game. Hold R1 while racing to go faster. Spesial Hints: 1) When you jump with the special circle jump again with direction the 2nd switch (use fly powerup) and activate it. This will open the jailed door. 2) Go at the higher place (When you climb to the castle) and look at the beggining. There is a swich! The 3rd switch. Glide to it and press it. The castle door will open. There are three lives inside it. COOL!!! Hallways of Doom: Muppet Tokens 1) Kill the crap which it is running around the fountain. Use R1 to run. 2) Climb up the library 3) Play with Pepe the "destroy the armor statues" game. 4) When you take the chicken shot jump to the moving platform and go in the castle at your left. The token is on your left. 5) Collect B-O-N-U-S. Power ups: Chop All the chop amulets are in the beggining. After you collect them, break the door. Bonus letters: B=After you chop the door, go straight and it is on the step. O=When you go to the fountain take the first turn on your right. Destroy the door with the chop bonus and climb up the ladder. N=After you press the switch witch it is making the floor stairs. U=When you take the first chicken fireball, jump to the moving platform and chop the door at your right. Climb up the ladder and the U is there. S=Chop the door nearby the token and the S is on your left. *When you collect all the letters, a token will appear at the place which you collect the chicken shot. Special Hints: 1) Try to destroy all the doors (those who have a line on them) because they have secrets. 2) Try to not lose lifes. Poker Faces Muppet tokens: 1)

2) 3) 4) 5) Power ups: Push 1) In a platform in the lava at the beggining. 2) When you start, go straight and then the push amulet is in front of you. 3) Continue to the next door. Jump on to the platform in the middle of the lava to get it. 4) Kill the monster and you found it. Bonus letters: B= Nearby the 2nd push amulet O= Nearby the 4th push amulet N= U= S =Special Hints: 1) Glide to the first switch and press it. The floor will became steps. *~~~~~ 9) Equipment *~~~~~~***~~~~~** Robin has a spin attack and a glove for start: Spin attack: It is better of the glove. You can spin on your enemies and destroy them easy. Glove: Very short shooting distance. I prefer the spin attack. He has also some special pickups: Fire ball chicken: You can shoot the chichen and it can goes pretty far. He has also some special power-ups: Fly: You can glide in what time you want. Climb. You can climb in marked spots. Swim: Swim underwater. Chop: Chop marked spots. Push: Push large objects. *~~~~~

10) Hints and Tips

*~~~~~

1) The muppet coins you can find them if you play again a stage and kill AGAIN the enemies you killed before. One enemy=one coin. 2) Try to pass a new stage with 100%. That because it helpsyou opening new stages without trying again the level. *~~~~~ 11) Questions and answers *~~~~~~ Ok. This is the questions and answers section. These questions are real questions.
