Version 3.0.0 - January 6, 2001

I am SO sorry for not keeping up with my Roster Update FAQ for the past few weeks. I've been so busy with work it's not funny. And only on the weekends is where I can go out with friends and relax. Anyway, here's a REALLY late Christmas present for you guys.

Version 1.0.0 - November 11, 2000

First version, and guess what? There's still quite a lot, and I mean a lot, of work left to be done. This FAQ will be updated when: [1] A team releases a player(s) and/or signs a player(s) (if that player is not available in Live 2001 like Marcus Fizer, then I will provide the formula on how to create that player) ... and [2] A trade happens between two teams or more. Well, that's pretty much said and done. Enjoy!
